9.A. SCHOOL RESOURCE CONTRACT DISCUSSION , ALLEN TUCKER

There is some confusion about the School Resource Officer Contract. When the new school resource contract was approved, the final version was never signed (the contract has since been signed.) The police department assigned an officer to the schools right after the contract was approved and was expecting the full 60,000 for the 23 -24 school year and 60,000 (plus 3%) for the 24 – 25 school year. At the time of this memo, neither amount had been paid.
