

Town of Randolph
Planning & Zoning Meeting
November 6, 2024 @ 7:00 PM
Town of Randolph Office
Recorded on Office Laptop

Present: Tammy Hoffman
Geo Peart
Jayson Limb
Glenn Smith
April Groll (clerk)

Absent: Scott Ferguson

Guests: Scott Christensen
Christopher Stapel

Glen called the meeting to order at 7:00 PM. Tammy approved of the minutes from September, Jayson 2nd. All in favor.

Scott Christensen is here to get a building permit for his add on to his house that he has already started. The building inspector put a cease work order on his door last month for not having obtained a permit. Scott brought a copy of his plans on what he is planning on doing. He meets all set back requirements. Geo made a motion to approve the setbacks and told Scott that the next step would be to get building permit. Glenn 2nd. All if favor. The board is concerned if what he has done already will hold a heavy snow load. They will leave that to the building inspector to figure out.

Christopher Stapel is here to talk about set backs for extending the fire house. They are planning on tearing down the old one and building a new one, but he wanted to get the P&Z's input on where he can extend it to. Setbacks where discussed.

Jayson made a motion to close the meeting at 07:50 PM. Glenn 2nd. All in favor.

Glenn Smith
Planning & Zoning Chairman
