20 they are sent out to the construction site.

21 Paul Anderson asked what type of construction work is it. Mr. Fowles said typically solar fields. Scott
22 Bruno asked if there will be any fabrication. Mr. Fowles answered it will be a very small amount of
23 fabrication. Scott Bruno asked if the C-2 zone allows for minor fabrication. Todd Thorne responded that
24 yes, the C-2 zone allows for some fabrication but not heavy industrial work. Todd Thorne said there is
25 an industrial property just north of this parcel. This C-2 zone is lighter and borders with some residential.

26 **Motion:**

27 *Paul Anderson made a motion to close the public hearing at 4:35pm. Jeff Peters seconded. By
28 unanimous decision, motion carries*

29 Todd Thorne asked Mr. Fowles about the ownership and explained we need a letter from the registered
30 owner of CG Holdings for this zone change. Mr. Fowles said it is complicated and is owned by two
31 corporations which is owned by Mr. Fowles and Brock Thayn. Scott Bruno commented he searched the
32 State website and found CG Holdings and asked if the names Parson and Chadwick are correct. Mr.
33 Fowles said that is not correct and he will need to check this. Scott Bruno went through the deed history
34 and there was more discussion on this.

35 6) **Review and recommendation decision to County Commission on a change to the Carbon County
36 Zoning District Map from M&G (Mining & Grazing) to C-2 (Commercial 2) located on parcel 02-
37 1861-0001 for CG Holdings, LLC**

38 Todd Thorne said from a staff perspective, as long as we get documentation from Mr. Fowles on the
39 ownership before County Commission, staff does not have any issues going forward. If there are issues,
40 it can be solved and then be put on the next agenda with County Commission.

41 **Motion:**

42 *Paul Anderson made a motion to approve recommendation for the zone change on the condition that the
43 proper documentation for the LLC is provided before the County Commission meeting. Scott Bruno
44 seconded. By unanimous decision, motion carries*

45 7) **Updates on Previous Items and Upcoming Projects - Todd Thorne**

46 Todd Thorne gave the updates.

- 47 • Blackhawk may start construction this summer. They contacted the road department for
48 specifications on road construction. They need to bring in the final plat and their bond.
- 49 • We did the initial final for the Amazon building. There are minor corrections and they will be
50 paving the parking lot. They should have workers starting May 1.
- 51 • Maverik in Price City will possibly have a grand opening on April 27.
- 52 • No new updates on the building plans for RC Solar. They are going to County Commission

53 tomorrow to work on the CRA (Community Reinvestment Area).

54 • There is no new info on the truck stop in Wellington (Longhorn) and Todd will need to touch base
55 with them.

56 • Gary Taylor asked about the coal mine in Scofield. Todd Thorne said they have not filed anything
57 with the County.
