\*A student is considered as being enrolled at the end of the year if the student was enrolled in the school at anytime during the year and did not exit the school during the school year. Students who would be entering a grade not served by the school the next year are excluded. If a charter LEA has multiple schools, a student returning to any school within that charter LEA is counted as a returning student.

Percentages colored red show rates below 50%; percentages colored in yellow show rates below 75%.

Red arrows indicate the school had at least 15 fewer students than the prior year and at least 30 fewer students than 2 years ago.

Yellow arrows indicate the school had either at least 15 fewer students than the prior year or at least 30 fewer students than 2 years ago.

Percentages in red show the school enrolled less than 50% of authorized max.

Percentages in yellow show the school enrolled less than 75% of authorized max.

Dear Board,

We are writing to provide a brief update, as requested each year, regarding our matriculation agreement that has just completed its third year of use. The agreement, allowed in Utah Code 53A-1a506, is between Freedom Preparatory Academy of Provo and Noah Webster Academy of Orem. Both schools use similar curriculum and have similar student populations and family involvement.

The agreement allows Freedom Prep to reserve up to ten seventh grade seats specifically for sixth graders leaving Noah Webster who prefer the same model of charter school education and wish to enroll in Freedom Prep's secondary school to continue on in seventh through twelfth grades.

Freedom Prep traditionally have several families attend our January Open Houses in January; many of which fill out intent to enroll forms. Here is a look at the past three years:

Reserved seats		Seats occupied on Oct. 1
2012-13	4	1
2013-14	9	5
2014-15	2	1

Seats that are not assigned to a Noah Webster student by June 30 return to Freedom's lottery and are filled by students on the wait list.

Though figures do not indicate a large amount of students matriculating from Noah to Freedom, it is important to note that Freedom Prep is still in its expansion process for its 9-12 grades. They will be graduating their first class of seniors in the spring of 2016. We believe once the school is fully developed, more Noah students will choose the model and choose to matriculate from Noah Webster to finish their secondary school experience at in Freedom's secondary program.

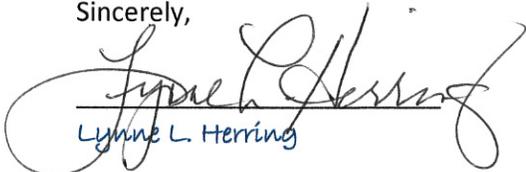

Freedom Prep teachers have made mention of the success they've had with students coming from the charter model, and specifically Noah Webster. The ease of transition for these students provides an almost seamless experience. They settle in and make friends quickly; they flourish in the curriculum and are solid, happy students that continue to progress well. NWA parents have expressed appreciation for this unique access gate for their children who wish to move from one charter school to another to begin secondary school. It is much easier because of the dress code, curriculum and general likeness of the two schools.

Those Noah Webster parents who have had their children matriculate to Freedom Prep under this agreement have been excited about this opportunity and very pleased with the requirements and process. We have had no one voice any concerns regarding the academic or attendance requirements for participation.

Freedom Prep parents have not been concerned with the ten seat designation. They understand clearly that if the seats are not claimed by June 30, they are opened back up for wait list students. At this point, all ten seats have not been filled. When, in the future this does happen, both schools will meet together to see if this agreement should continue. They will review all data together. For now, this agreement remains in effect through 2017 per prior approval by both the Charter Board and the State Board of Education. We will continue to report yearly data to the state.

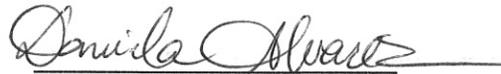

Please do not hesitate to contact us should you have any questions.

Sincerely,

Lynne L. Herring
