OLD BUSINESS			
UPDATE	RULES IN PROCESS	KRISTI GRIMES	
None.			
NEW BUSINESS			
	REQUIRED OPEN AND PUBLIC MEETINGS LAW	BRITTANY HUFF	
Brittany presented the <a href="#">Open and Public Meetings Act handout</a> to clarify the requirements of this committee in upholding the public meetings law.			
	LEGISLATION ANNOUNCEMENTS	JARED BROWN	
The Office will be sending a communication regarding <a href="#">HB152</a> (establishes requirements for certain satellite emergency departments; and limits the number of satellite emergency departments that a health care organization may operate) and <a href="#">HB146</a> (repeals the women’s cancer screening notification requirement under state law) to applicable providers (Hospitals, Emergency Departments and Mammography centers).			
OTHER BUSINESS			
	RULE UPDATES (*NOT VOTED ON)	JANICE WEINMAN	
Recent filings			
■ R432-45 Nurse Aide Training and Competency Evaluation (effective May 8)			
■ R380-600 General Provisions Enforcement (effective May 8)			
■ R432-270 Assisted Living (change in proposed rule to update content for 380-600 specifically critical incident reporting-will be in May 15 bulletin)			

## Rules for Legislative Compliance

- [R432-950](#) Mammography to comply with [HB146](#) (aligns with change to statute 21 CFR 900 Subpart B *code of federal regulations* governing mammography standards and recently simplified notifications for dense breast tissue)
- [R432-100](#) General Hospital Standards to comply with [HB152](#) (simple addition to outline conditions for operating an satellite emergency dept)
- Upcoming: R432-31 Order for Life Sustaining Treatment for SBo134 that will go into effect in January-we will provide this in the next committee meeting.

## Construction Rules

- R432-4 General Construction was activated as previously amended on March 15.
- [New 432-4](#) was drafted to add back incorporations by reference and standardize duplicative construction rule content into one place that applies to all (except Assisted Living).
- Plan is for OL to work with Michael Dolan (construction representative) and file asap. With the [12 construction rules](#) aligned to follow as soon thereafter as possible. No substantive changes, just moving content and restructuring for rulewriting manual compliance.

**\*A special meeting will be called in coming weeks to assemble a quorum and recap this content for a vote to advance these rules for filing, since it wasn't on the agenda 24 hours before the meeting.**

	<b>R432-35 BACKGROUND CHECK-HEALTH FACILITES LICENSING</b>	<b>DAPHNE LYNCH</b>
Daphne and Kami presented R432-35 amendments to address the recodification and re-titling of the Utah Criminal Code. Additional amendment included the 2-year denial timeframe to include date of completion of the administrative hearing.		
<b>*This information will be presented again during a special meeting in the coming weeks since it wasn't on the agenda 24 hours before the meeting.</b>		
<b>There are still openings on committee membership.</b>		
Chris Etherington closed the meeting without a quorum.
