

CCJJ administers Hospital Response Team (HRT) grants through State appropriated funding. The purpose of the funding is to provide support for survivors of sexual assault. The HRT grants provide funding for victim advocates, a 24-hour crisis hotline, and follow-up support services for survivors of sexual assault.

The original Legislative funding stipulated that Rape Recovery Center must receive at least \$150,000 of the \$290,000 allocated. The remaining \$140,000 is disbursed through the competitive grant review.

The Hospital Response Team (HRT) Request for Proposals (RFP) was posted on the CCJJ website for 30 days. Applications were due no later than May 3, 2025 .

The review committee met on May 19, 2025 to discuss the applications and determine the funding per applicant.

We received five applications requesting a total of \$346,837.84:

Applicant	Requested	Recommended
Rape Recovery Center SL	\$130,000.00	\$130,000.00
YCC Family Crisis Center	\$50,000.00	\$44,454.00
Dove Center	\$13,240.00	\$10,000.00
The Refuge	\$110,540.84	\$75,700.65
CAPSA	\$23,057.00	\$10,000.00
Rape Recovery Center Tooele	\$20,000.00	\$20,000.00
Total	\$346,837.84	\$290,154.65

As in the review for FY25, the committee had to make some tough decisions regarding funding. Travel, except mileage for direct services to victims, will be unallowed. Any requests for conferences, staff retreats, or other travel was not included in the recommended budget.

Other considerations included: number of call-outs in the last fiscal year and geographic area.
