Mayor Proctor called the meeting to order and asked everyone to review the minutes of April's meeting. Miff made the motion to approve the minutes, Matt seconded. Minutes were approved. He then called for a review of the financial statements for April and Richard made the motion to approve, and Miff seconded. Financials were approved. Miff then made the motion to approve the amended budget for 2024-2025 and Matt seconded. Amendments were accepted.

Jess Peterson explained a little about Appendix E-the Residential Displacement and Relocation Assistance Plan and Certification. To qualify for CDBG we have to have this in place. Mayor Proctor signed the document.

Miff asked that the stop sign located at Center and Main be temporary only. Kara will post on the public notice website that we are accepting bids on the 100 E Project. Hope to accept an offer shortly. There was a discussion about the transient room tax, and Jess said he will be in touch with Kara about what we need to do to move forward with that.

There will be a second public hearing to discuss the CDBG grant proposal. It will be scheduled later this month and the council will all be informed.

Matt made a motion to adjourn the meeting. Miff seconded. Meeting adjourned.
