4. City Council Meeting Reports:

- a. Committee report for City Council Meeting
 - i. March Meeting: *(By Walker's)* Short meeting, went through the art show, St. Patrick's Day race, and passed several resolutions. They amended the transportation master plan with Shields Lane and U111 (Bachus Hwy) changes. Dedicated the Trax Station on March 26 and the Boxing Gym. Erie got up and spoke about the lightbulb recycling. There are limited places to recycle them, and he asked the city to consider a collection site due to the current places being difficult to access accurate information. The city responded with the explanation that due to the hazardous nature, they are not prepared to accept them, therefore, the county site is the best place to take them.
- b. City Council report: *(By Councilman Shelton)*
 - i. Talked with the City Manager about the new senior center, and he can tell us that there are legal documents currently being drawn up. On May 6, there is a closed meeting, where they will discuss real estate negotiations. The location has been under consideration since last year, and there are a lot of property owners and business leases, and senior housing, and the center is a change to what these businesses have agreed to. Therefore, they have had to negotiate with each business and landowner. This is complete, and they are discussing final arrangements. An announcement will be made after May 6. Trax station is open, which is a big deal because it wasn't planned to be opened until 10 years from now. Our mayor was able to move it up for the opening of the Bee's stadium. The transportation master plan had to be amended by U111 because it curves and goes up to the mines and Butterfield Canyon. There are some big developments planned for that area, therefore, they have decided to straighten the road out to accommodate these developments.
- c. Director report: *(By Janell)*
 - i. Not able to attend but sent a message letting us know it is Spring Spectacular this Saturday, and the start of Youth Baseball at City Park.

5. Old Business:

2. total amount spent: \$101.41
 - a. \$39.46 Hobby Lobby
 - b. \$39.95 Harmons
 - c. \$22 plants (shamrocks and flowers)
 3. Feedback: Had compliments on the entertainment (Duet-violin & guitar). Loved the table decorations. A lot of confusion with calling the cards for Hoy. It was hard to understand Jen's voice, and she went too fast. When people got a Hoy, there wasn't a pause. It would be helpful to separate the called Hoy cards by suit when displaying them. It would be helpful to have multiple winners per winning design to help it go faster and prevent frustration from changing rules so often. We decided to give out the rainbow medicine containers. If we do that again, we will need to have someone at the door to catch those who leave early. Having fewer prizes would make it go faster.
- iii. Bird Connection
1. Lots more students came than anticipated. All the birdhouses given out.
 2. Feedback: LeeAnne praised the event, and the birdhouse she took to her nominated person was received with delight. We will do it in the auditorium next time due to the number of students involved. The South Jordan Journal is going to do an article on it. Darla did a great job on the food. We will continue to do this potentially every semester.

- 4. Summer Sock Hop 6/20/25

 - ii. A survey for outreach purposes is available, and there has been data collected asking for more digital connections. Would a targeted survey be beneficial to ask what is preventing them from coming to the center? We discussed having a meet and greet as well to showcase what the center has to offer.
