Summary Guide for North Salt Lake Redevelopment Agency and City Council Agenda Items for June 17, 2025

This document is provided as a way to briefly understand the most important content and purposes of the agenda items at the upcoming meeting. It is hoped that this summary guide will assist you as you study in preparation for this meeting.

Please note there is NO City Council Work Session. At 6:00 p.m. we will convene as the Redevelopment Agency of North Salt Lake.

6:00 p.m. – Meeting of the Redevelopment Agency of North Salt Lake

- a. Overview of project areas – No action required, but this item will give a brief description of each project area and related obligations within the area and potential future projects.
- b. Consideration of Resolution RDA 2025-01R: adopting budget amendments for the current FY25 RDA budgets – Agency members should conduct a public hearing and take action on resolution.
- c. Consideration of Resolution RDA 2025-02R: adopting FY26 RDA budgets – Agency members should conduct a public hearing and take action on resolution.

7:00 p.m. – Regular Session of the City Council

Item 4: Consideration of Resolution 2025-25R: Setting the certified property tax rate for FY26 – Council action required.

- a. This annual requirement adopts a certified property tax rate. The rate is set by Davis County based upon the City indicating we are not raising property taxes this year.
- b. The property tax rate for FY26 is proposed at .000855. The property tax rate for FY25 was .000872.

Item 5: Consideration of Resolution 2025-26R: Adopting the FY26 Budgets – Council action required.

- a. This item is the adoption of our annual budget for the 12-month period beginning July 1, 2025. The Council previously held a required public hearing on June 3 and must adopt a final budget prior to June 22.

Item 6: Consideration of Resolution 2025-27R: Adopting fee changes related to the FY26 Budgets – Council action required.

- a. Fee increases include 8% in culinary and secondary water and a \$1 per month increase in storm water rates. These increases were recommended in 2022 by the City's study of long-range water and storm drain systems and maintenance and replacement schedules.
- b. Staff is proposing a 10% late fee on utility balances older than 60 days.
- c. Fees related to violations of storm water ordinances include adoption of the fine schedule in Utah Code, adoption of fines for illicit discharges, and adjusting provisions related to bonding for SWPPP violations.

Item 7: Presentation of the City's annual fraud risk assessment – No Council action required.

- a. The City is required to submit an annual fraud risk assessment to the State of Utah and to present that information to the City Council. The City has taken steps to be in the lowest risk category for potential fraud with a score of 365 out of 395.

Item 8: Consideration of Ordinance 2025-12: Amending Section 7-7-2, City Code, and establishes no camping in the City – Council action required.

- a. The State of Utah has required all municipalities to adopt ordinances to prohibit camping (HB505) and this proposed ordinance meets those requirements.

Item 9: Consideration of proposed amendments to a contract for defense attorney services with Murphy and Murphy Law, LLC – Council action required.

- a. The City Council previously adopted this agreement, but West Bountiful City requested changes to it after the City took action on this item on April 1, 2025.
- b. Provisions are minor, but do make good improvements that provide clarity and strength to the agreement terms.

MEMORANDUM

TO: Redevelopment Agency Board

FROM: Heidi Voordeckers, Finance Director

DATE: June 17, 2025

SUBJECT: Consideration of Resolution RDA 2025-01R: A Resolution Adopting Amendments to the Fiscal Year 2024-2025 Redevelopment Agency Budgets.

BACKGROUND

Pursuant to UCA 17C-1-602, the Redevelopment Agency annual budget may be modified or increased by Board resolution following a public hearing.

SUMMARY

The Redevelopment Agency of North Salt Lake receives an annual distribution of tax increment each Spring based on prior year taxable values. The County typically prepares and distributes estimated collections statements in July, with distributions occurring the following April. These values can change for a number of reasons, such as a change in property characteristics or Board of Equalization Activity (valuation appeals). This results in the need to adjust the final project area budgets before the close of the fiscal year, as described below:

- Eaglewood Village: Decrease collections, developer reimbursement, and general fund transfer by \$64,750.
- Redwood Rd: Increase collections by \$14,180, decrease developer reimbursement by \$90,000, and increase general fund and housing transfers by \$2,160.
- Highway 89: Increase collections by \$34,500 and developer reimbursement and transfers by \$31,035, with an additional \$3,465 contribution to fund balance.

In addition, tax increment from the Redwood Road project area has been allocated to support the debt service on Hatch Park (RDA Resolution 2023-03R). The original budget for FY 2024-2025 anticipated an interfund transfer of \$400,000 to assist with the annual payment of approximately \$1.1M, with the remaining amount covered by RAP tax and impact fee revenues. Because impact fee collections (and development in general) continue to be delayed, there is a need to provide a larger “up-front” transfer from the project area to meet this year’s debt service obligation.

POSSIBLE MOTION

I move the Board approve Resolution RDA 2025-01R: A Resolution Adopting Amendments to the Fiscal Year 2024-2025 Redevelopment Agency Budgets.

MEMORANDUM

TO: Redevelopment Agency Board

FROM: Heidi Voordeckers, Finance Director

DATE: June 17, 2025

SUBJECT: Consideration of Resolution RDA 2025-02R: A Resolution Adopting the Fiscal Year 2025-2026 Redevelopment Agency Funds Budgets.

BACKGROUND

Pursuant UCA 17C-1-601.5, each agency shall prepare, hold a public hearing, and adopt an annual budget before June 30 of each year. The Redevelopment Agency annual budget may subsequently be modified or increased by Board resolution following a public hearing.

SUMMARY

The City currently has three active project areas collecting tax increment which is used to meet existing obligations to developers, the housing fund, and the general fund. Budgeted revenues are unique to each project area, with growth projections based on historical collections.

Expenditures include transfers to housing of \$211,300, transfers for administrative costs to the general fund of \$148,700, contributions of \$400,000 to the Debt Service on the Hatch Park Project, and just over \$1,200,000 in developer agreements.

In addition, an additional \$19,000 in annual professional services is proposed so that the Agency may subscribe to Placer AI, which provides detailed tracking and leakage information on business activities.

The Agency will receive estimated increment revenue calculations from the County next month and may make additional budget adjustments as necessary.

POSSIBLE MOTION

CITY OF NORTH SALT LAKE
REDEVELOPMENT AGENCY MEETING
ANCHOR LOCATION: CITY HALL
10 EAST CENTER STREET, NORTH SALT LAKE
JANUARY 21, 2025

DRAFT

Chair Brian Horrocks called the meeting to order at 8:47 p.m.

PRESENT: Chair Brian Horrocks
Board Member Lisa Watts Baskin
Board Member Tammy Clayton
Board Member Suzette Jackson
Board Member Ted Knowlton
Board Member Alisa Van Langeveld

STAFF PRESENT: Ken Leetham, City Manager; David Frandsen, Assistant City Manager; Heidi Voordeckers, Finance Director; Jon Rueckert, Public Works Director; Sherrie Pace, Community Development Director; Craig Black, Police Chief; Karyn Baxter, City Engineer; Todd Godfrey, City Attorney; Wendy Page, City Recorder.

OTHERS PRESENT: Dee Lalliss, resident; Angela Hansen, Amy Barnett, DBP LLC.

1. ELECTION OF CHAIR AND VICE CHAIR FOR THE REDEVELOPMENT AGENCY
FOR CALENDAR YEAR 2025

Board Member Van Langeveld moved to nominate Brian Horrocks as Chair and Lisa Baskin as Vice Chair. Board Member Clayton seconded the motion. The motion was approved by Board Members Baskin, Clayton, Horrocks, Jackson, Knowlton, and Van Langeveld.

Chair Horrocks questioned the \$2 million in unrestricted funds in the RDA fund and if those funds could be utilized. Heidi Voordeckers replied that a portion of that was committed to future debt service for Hatch Park. She noted there was \$900,000 in the low income housing fund available for consideration.

2. MODERATE INCOME HOUSING FUNDS

Sherrie Pace reported on the use of the affordable housing funds that were set aside for the use in support of income targeted housing. She shared options on facilitating a program to use those funds. She reiterated that there was \$900,000 in funds which would continue to accrue from the Highway 89 and the Redwood Road RDAs. She noted that ten percent of what was collected from the RDAs had to be set aside for moderate income housing including the cost of land, cost to rehabilitate housing, lend to a person or entity building targeted housing, address any impediments to developing moderate income housing, replace housing lost by an RDA project, make payments or establish a reserve fund for bonds, relocate mobile home park residents displaced by development, or contribute to a housing authority or private non-profit for targeted housing in the County.

Ms. Pace reviewed a proposal from DBP LLC to build senior housing that would meet the area median income (AMI) level for Davis County at 60% AMI or lower. She explained that the 2024 HUD AMI income level of 60% would be \$46,000 individual or \$61,850 couple. She said the funding for this project would be through private activity bonds, federal and state low income housing credits, and gap financing (RDA funds). She mentioned the project estimate was \$35 to \$45 million to build with a request of \$580,000 in RDA funds.

Sherrie Pace explained that to qualify for state and federal credits the project must remain affordable for 40 years. She said the property was located on Redwood Road and the property owner requested a 50 year lease agreement. She explained that the property owners would like to see something meaningful built on the property. She noted that Spectrum Academy leased the rear half of the property which would require an agreement to share parking between the proposed housing and Spectrum. She then shared proposed layouts of the project with two buildings and access onto Cutler Drive and Redwood Road.

Ms. Pace explained that the income and age restrictions would remain in place for the 50 year period. She said staff toured a similar project in Murray for seniors which had single or double occupancy.

Board Member Van Langeveld asked about the allowance of family members that did not meet the age restriction. Sherrie Pace replied that the operation plan would be part of the development agreement. She noted that these would be rental units and zoning would need to be set before the PAB funding cycle in August.

Sherrie Pace spoke on the Private Activity Board (PAB) and the variables including projects that were approved but unable to obtain additional financing, waiting until the next funding cycle to

80 qualify, limited funding each year, types of bonds, and approved projects. She mentioned that the
81 request included the funding to be frontloaded to cover engineering costs for building design and
82 site work. She said that Division of Workforce Services cautioned against this in the event the
83 project could not proceed as planned.

84
85 Ms. Pace said staff reviewed options for the funds and contacted Davis County Housing
86 Authority who purchased housing and rented them to low income individuals. She shared that
87 funds could be used for Davis County to purchase housing in the City and rent to residents. She
88 noted other options including Neighbor Works, a private housing agency, which could administer
89 a program for the City, as well as a down payment assistance program for low income
90 individuals. She explained that the Department of Workforce Services suggested funding capital
91 stack or grant/loan with a revolving loan account.

92
93 Sherrie Pace said the City previously had a Community Development Brock Grant (CDBG)
94 program which was utilized for home improvement grants but was discontinued as the Housing
95 Authority was running a similar program. She noted that as the Housing Authority was no longer
96 running that program the City could apply for CDBG funds to provide home improvement grants
97 again. She mentioned that these RDA funds should be used for separate programs as the CDBG
98 funds could be used for those home improvement grants.

99
100 Board Member Jackson shared that she received comments that housing was too expensive in the
101 City and individuals were unable to obtain funding.

102
103 Angela Hansen commented that they chose 62 and older to target those who may be looking for
104 affordable housing. She said they were following HUD guidelines which was 62 years old and
105 older.

106
107 Chair Horrocks estimated it was \$290,000 per door. Angela Hansen replied it was approximately
108 \$265,000 and \$290,000 per door for construction. She confirmed they would be the developer of
109 the project and may place this under a non-profit that they operated. She said they would not sell
110 the project to maintain affordability. She shared that EMG, with 30 years of affordable housing
111 management, would be the property manager.

112
113 Board Member Van Langeveld questioned if other family members would be able to live in the
114 apartments with the senior occupant. Angela Hansen responded that this would be their
115 preference to allow it but would work with the City on this requirement.

116

Board Member Jackson asked what the monthly rental cost would be. She questioned the proposed number of units. Angela Hansen responded they would not exceed the 60% AMI which would remain the same regardless of inflation. She shared that they estimated 120 to 150 units.

Chair Horrocks mentioned the 50 year lease and if there would be a fund for maintenance. Angela Hansen anticipated that they would definitely need remodel/replacement at 30 years and would refinance at the 12 year mark for remodeling.

Board Member Clayton mentioned capacity and turnover. Angela Hansen anticipated that the units would fill quickly and potentially have a waiting list.

Board Member Baskin questioned if this would become a retirement home. She mentioned ADA and similar requirements for older individuals. Angela Hansen responded that this did not seem to be the case in similar developments. She said that ADA requirements were built into the price.

Sherrie Pace commented that a single person at low income would be under the \$46,000 or a monthly income of \$3,865. She explained to meet the 60% AMI rent could only be 30% of their income or \$1,160 or less including utilities. She mentioned that there were assisted living centers that had similar qualifying programs for low income individuals.

Board Member Knowlton clarified that there were several questions including a policy level of interest in these types of programs and a more specific proposal from DBP LLC. He was in favor of reviewing these types of programs.

Board Member Van Langeveld mentioned that a development like this was counter to the General Plan which leaned towards promoting commercial in this area. She said residents had requested affordable housing for their children and was in favor of homeownership grants rather than more apartments. She preferred an assisted living facility or for purchase housing units.

Chair Horrocks commented that the property owners were not interested in commercial development.

Board Members Jackson and Baskin were in agreement with Board Member Van Langeveld.

Ken Leetham mentioned the City had housing funds available and decisions needed to be made on how to best serve the public with those funds. He spoke on expanding first time home buyer assistance for existing homes and reinvestment in aging neighborhoods.

Sherrie Pace asked for feedback on the proposed project for the senior rentals. Board Members Van Langeveld and Jackson were not interested in this project anywhere in the City. Board Member Knowlton would be interested in meeting the needs of individuals across of the spectrum of low income, home ownership, and rentals. Board Member Baskin commented that housing for seniors was a good idea but was not a priority. She was more interested in providing housing for young families to revitalize the City.

Sherrie Pace summarized the RDA Board was more interested in using the RDA funds to assist first time homebuyers at this time so staff would research programs that could be implemented in the City.

3. APPROVAL OF REDEVELOPMENT AGENCY MEETING MINUTES OF JUNE 18, 2024

The Redevelopment Agency meeting minutes of June 18, 2024 were reviewed and approved.

Board Member Van Langeveld moved to approve meeting minutes from the RDA meeting on June 18, 2024 as presented. Board Member Jackson seconded the motion. The motion was approved by Board Members Baskin, Clayton, Horrocks, Jackson, Knowlton, and Van Langeveld.

4. ADJOURN

Chair Horrocks adjourned the meeting at 9:38 p.m.

The foregoing was approved by the Board of the City of North Salt Lake Redevelopment Agency on June 17, 2025 by unanimous vote of all members present.
