Other	Other	Describe accomplishments and barriers regarding collaboration efforts with other agencies as outlined in the letter of collaboration submitted with your grant application.	0	0	0
		The Payson City advocate attended advocate meetings with Utah County CJC and the Utah County Advocate meetings with the Refuge. The Payson City advocate also continues to regularly meet with other Utah County advocates, work with UCAO Victim Coordinators on felony cases, and works with the Refuge advocates and refer Domestic Violence and Sexual Assault victims for services. A barrier for victims continued to be that the shelter is full when emergency shelter services are needed.
