TOOELE CITY CORPORATION

ORDINANCE 2025-12

AN ORDINANCE OF THE TOOELE CITY COUNCIL ADOPTING A COMPENSATION SCHEDULE FOR FISCAL YEAR 2025-2026.

WHEREAS, Senate Bill 91 of the 2024 Utah Legislature, effective May 1, 2024, amended ordinance and public hearing requirements for fixing elective and statutory officer compensation, adopting a compensation schedule, and increasing executive municipal officer compensation; and,

WHEREAS, Utah Code §10-3-818(1) states that “The elective and statutory officers of municipalities shall receive the compensation for their services that the governing body fixes by ordinance adopting compensation or compensation schedules enacted after public hearing,” and Tooele City’s governing body is the City Council; and,

WHEREAS, Utah Code §10-3-818(2) provides that “Before a governing body may adopt a final budget...that includes a compensation increase for an executive municipal officer, the governing body” shall hold a public hearing noticed at least seven days prior to the hearing, and that the hearing be separate from, and precede, the budget public hearing; and,

WHEREAS, the term “executive municipal officer” in Utah Code §10-3-818 is defined to mean the city manager or chief administrative officer, assistant city manager or assistant chief administrative officer, city attorney, city department heads, and the chief assistant or chief deputy to department heads; and,

WHEREAS, Tooele City, pursuant to its enacted Personnel Policies & Procedures Manual (“Policy Manual”), finds and understands that the elected Mayor under Tooele City’s charter and council-mayor forms of government, while potentially being included in the definition of “executive municipal officer,” is nonetheless an elected official and, therefore, is appropriately governed by the Elected Officials’ Compensation & Allowances provisions of the Policy Manual (see Tooele City Charter Section 2-02, Tooele City Code Chapter 1-6, and Policy Manual §4B3 and §9H); and,

WHEREAS, Tooele City, pursuant to its enacted Policy Manual, finds and understands that “head or chief of a city...department or division” provision of UCA §10-3-818 refers to the Directors of the Administration Departments (including the City Attorney) appointed by the Mayor with the consent of the City Council, exempt from FLSA overtime and other provisions, and not enjoying merit protections in their positions (see Charter Section 2-06, TCC §1-6-4(2), Policy Manual §4B4 and §9G), and this Ordinance will use the UCA §10-3-818 term “executive municipal officers” to mean, and to be used in the stead of, the terms Department Heads, Department Directors, and Appointed Officials; and,

WHEREAS, Tooele City, pursuant to its enacted Policy Manual, finds and understands that Tooele City does not have chief assistant and chief deputy to department head positions, as in larger cities, and that existing assistant positions are not mayoral appointments, "are classified as Regular status employees...and are not considered as appointed employees" or executive municipal officers (Policy Manual §4B4c) (see also TCC §1-6-4(2)); and,

WHEREAS, Tooele City Code §1-5-11(1) provides that "The council shall, by resolution in June of each municipal election year, fix the compensation per term of any and all Tooele City officers to be elected"; and,

WHEREAS, Tooele City Code §1-5-11(2) provides that "The council shall adopt a salary schedule for all Tooele City employees with each fiscal year's budget"; and,

WHEREAS, the Policy Manual contains the policies, procedures, and processes to be used in the administration of City personnel matters, including compensation and benefits as well as Policy Manual amendments; and,

WHEREAS, Policy Manual Section 9 delineates the policies and procedures for the City's administration of compensation of Tooele City employees including, but not limited to:

- Assigning positions to a salary grade on the Tooele City Salary Schedule which includes established fiscal controls via minimum and maximum rates of pay for each salary grade;
- Assigning employee steps within the salary grade upon hire or promotion;
- Awarding a step increase in pay for completion of an orientation period, and annual merit increases for employees who have received the required score on their most recent performance evaluation;
- Adjusting compensation for Cost of Living (COLA) or other adjustments made to the approved Salary Schedule;
- Awarding a \$500 Tenured Service Performance Bonus payment to employees who are at the maximum of their position's salary range and ineligible for further increases;
- Complying with the Fair Labor Standards Act (FLSA) and the City's administration of compensation for FLSA exempt employees;
- Payment of stipends at rates approved with the fiscal year budget;
- Calculating and paying severance pay for appointed employees; and,
- Etc.

WHEREAS, compensation for executive municipal officer compensation proposed in the fiscal year 2025-2026 budget continues to align with the Policy Manual and the proposed Tooele City Salary Schedule (compensation schedule) for fiscal year 2025-2026; and,

WHEREAS, other Sections of the Policy Manual provide for benefits, paid leave accrual, leave cash-outs upon termination, sick leave buy-backs for eligible employees, etc., and any revisions require approval of the City Council through amendments to the Policy Manual; and,

WHEREAS, the Policy Manual, Salary Schedule, City Budget, and this Ordinance anticipate and budget for the increased compensation of each city employee, including executive municipal officers, and the public hearing conducted regarding, and prior to, this Ordinance satisfies the requirements of Utah Code §10-3-818 for the fiscal year's compensation, including compensation increases; and,

WHEREAS, on June 18, 2025, the City Council convened a duly-noticed public hearing, prior to and separate from the budget public hearing, satisfying the requirements of UCA §10-3-818:

NOW, THEREFORE, BE IT RESOLVED BY THE TOOELE CITY COUNCIL that the Tooele City Salary Schedule (compensation schedule) for fiscal year 2025-2026 (Exhibit A) is hereby adopted and includes all anticipated compensation increases for executive municipal officers of Tooele City Corporation (for comparison, see also the compensation schedule for fiscal year 2024-2025, attached as Exhibit B).

A RESOLUTION OF THE CITY COUNCIL (THE "COUNCIL") OF TOOELE CITY, UTAH (THE "CITY"), PROVIDING FOR THE CREATION OF THE COMPASS POINT PUBLIC INFRASTRUCTURE DISTRICTS NO. 1 THROUGH 8 (COLLECTIVELY, THE "DISTRICTS") AS INDEPENDENT DISTRICTS; AUTHORIZING AND APPROVING A GOVERNING DOCUMENT AND AN INTERLOCAL AGREEMENT; APPOINTING BOARDS OF TRUSTEES; AUTHORIZING OTHER DOCUMENTS IN CONNECTION THEREWITH; AND RELATED MATTERS.

WHEREAS, a petition (the "Petition") was filed with the City requesting adoption by resolution the approval of the creation of eight Public Infrastructure Districts pursuant to the Public Infrastructure District Act, Title 17D, Chapter 4, Utah Code Annotated 1953, as amended (the "PID Act") and relevant portions of the Limited Purpose Local Government Entities - Special Districts, Title 17B (together with the PID Act, the "Act") within the City and the annexation or withdrawal of any portion of the boundaries of the Districts therefrom without further approval or hearings of the City or the Council, as further described in the Governing Document (as hereinafter defined) for the purpose of financing public infrastructure costs; and

WHEREAS, pursuant to the terms of the Act, the City may create one or more public infrastructure Districts by adoption of a resolution of the Council and with consent of 100% of all surface property owners proposed to be included in the Districts (the "Property Owners"); and

WHEREAS, the Petition, containing the consent of such Property Owners has been certified by the Recorder of the City pursuant to the Act and it is in the best interests of the Property Owners that the creation of the Districts be authorized in the manner and for the purposes hereinafter set forth; and

WHEREAS, the City previously adopted a Policy Statement for establishing public infrastructure districts (the "PID Policy"), outlining certain considerations for the City in public infrastructure district applications; and

WHEREAS, the City, prior to consideration of this Resolution, held public hearings after 6:00 p.m. to receive input from the public regarding the creation of the Districts and the Property Owners have waived the 60-day protest period pursuant to Section 17D-4-201 of the PID Act; and

I. INTRODUCTION

A. Purpose and Intent. The Districts are independent units of local government, separate and distinct from the City, and, except as may otherwise be provided for by state or local law or this Governing Document, their activities are subject to review by the City only insofar as they may deviate in a material matter from the requirements of the Governing Document. It is intended that the Districts will provide a part or all of the Public Improvements for the use and benefit of all anticipated inhabitants and taxpayers of the Districts. The primary purpose of the Districts will be to finance the construction of these Public Improvements. The Districts are not being created to provide any ongoing operations and maintenance services.

B. Need for the Districts. There are currently no other governmental entities, including the City, located in the immediate vicinity of the Districts that consider it desirable, feasible, or practical to undertake the planning, design, acquisition, construction installation, relocation, redevelopment, and financing of the Public Improvements needed for the Project. Formation of the Districts is therefore necessary in order for the Public Improvements required for the Project to be provided in the most economic manner possible.

C. Objective of the City Regarding Districts' Governing Document. The City's objective in approving the Governing Document for the Districts is to authorize the Districts to provide for the planning, design, acquisition, construction, installation, relocation, and redevelopment of the Public Improvements from the proceeds of Debt to be issued by the Districts. All Debt is expected to be repaid by taxes imposed and collected for no longer than the Maximum Debt Mill Levy Imposition Term for residential properties and at a tax mill levy no higher than the Maximum Debt Mill Levy for commercial and residential properties, and/or repaid by Assessments. Debt, which is issued within these parameters and, as further described in the Financial Plan, will insulate property owners from excessive tax burdens to support the servicing of the Debt and will result in a timely and reasonable discharge of the Debt.

This Governing Document is intended to establish a limited purpose for the Districts and explicit financial constraints that are not to be violated under any circumstances. The primary purpose is to provide for the Public Improvements associated with development and regional needs. Although the Districts have authority to directly provide public improvements, the Districts also have the authority to pledge tax revenues to an interlocal entity that provides public improvements through an Interlocal Agreement with the City or relevant public entity.

It is the intent of the Districts to dissolve upon payment or defeasance of all Debt incurred or upon a determination that adequate provision has been made for the payment of all Debt, and if the Districts have authorized operating functions under an Interlocal Agreement, to retain only the power necessary to impose and collect taxes or Fees to pay for these costs.

The Districts shall be authorized to finance the Public Improvements that can be funded from Debt to be repaid from Assessments or from tax revenues collected from a mill levy which shall not exceed the Maximum Debt Mill Levy on taxable properties and which shall not exceed the Maximum Debt Mill Levy Imposition Term on taxable properties (or repaid from a combination of Assessments and a mill levy). It is the intent of this Governing Document to assure to the extent possible that no taxable property bear an economic burden that is greater than that associated with the Maximum Debt Mill Levy in amount and that no taxable property bear an economic burden that is greater than that associated with the Maximum Debt Mill Levy Imposition

Term in duration even under bankruptcy or other unusual situations. Generally, the cost of Public Improvements that cannot be funded within these parameters are not costs to be paid by the Districts.

D. Applicability. This Governing Document is not intended to and does not create any rights or remedies in favor of any party other than the City. Failure of the Districts to comply with any terms or conditions of this Governing Document shall not relieve any party of an obligation to the Districts or create a basis for a party to challenge the incorporation or operation of the Districts, or any Debt issued by the Districts.

The area of the Initial Districts Boundaries includes approximately .88 acres, and the Annexation Area Boundaries includes approximately 1,454.8 acres (including the entirety of the Initial Districts Boundaries). A legal description of the Initial Districts' Boundaries and the Annexation Area Boundaries is attached hereto as Exhibit A. A vicinity map is attached hereto as Exhibit B. A map of the Initial Districts' Boundaries and Annexation Area Map is attached hereto as Exhibit C. It is anticipated that the Districts' boundaries may change from time to time as it undergoes annexations and withdrawals pursuant to Section 17D-4-201, Utah Code, subject to Section V.A.5 below.

IV. PROPOSED LAND USE/POPULATION PROJECTIONS/ASSESSED VALUATION

The Districts' Area consists of approximately 1,454.8 acres of unimproved land. The current assessed valuation of the Districts' Area at buildout, is expected to be sufficient to reasonably discharge the Debt under the Financial Plan. Upon build out, the Districts Area is anticipated to include approximately 1,250,000 square feet of commercial space (both flex office/light industrial and retail) and approximately 3,300 residential units including multi-family, attached, and detached single family styles.

Approval of this Governing Document by the City does not imply approval of the development of a specific area within the Districts, nor does it imply approval of the number of residential units or the total site/floor area of commercial or industrial buildings identified in this Governing Document or any of the exhibits attached thereto, unless the same is contained within an Approved Development Plan.

V. DESCRIPTION OF PROPOSED POWERS, IMPROVEMENTS, AND SERVICES

A. Powers of the Districts and Governing Document Amendment.

The Districts shall have the power and authority to provide the Public Improvements within and without the boundaries of the Districts as such power and authority is described in the District Act, and other applicable statutes, common law and the Constitution, subject to the limitations set forth herein.

1. Operations and Maintenance Limitation. The purpose of the Districts is to plan for, design, acquire, construct, install, relocate, redevelop, and finance the Public Improvements. The Districts shall dedicate the Public Improvements to the City or other appropriate public entity or owners association in a manner consistent with the Approved

Development Plan and other rules and regulations of the City and applicable provisions of the City Code. The Districts shall be authorized, but not obligated, to own, operate, and maintain Public Improvements not otherwise required to be dedicated to the City or other public entity, including, but not limited to, street improvements (including roads, curbs, gutters, culverts, sidewalks, bridges, parking facilities, paving, lighting, grading, landscaping, and other street improvements), traffic and safety controls, retaining walls, park and recreation improvements and facilities, trails, open space, landscaping, drainage improvements (including detention and retention ponds, trickle channels, and other drainage facilities), irrigation system improvements (including wells, pumps, storage facilities, and distribution facilities), and all necessary equipment and appurtenances incident thereto.

2. Construction Standards Limitation. The Districts will ensure that the Public Improvements are designed and constructed in accordance with the standards and specifications of the City and of other governmental entities having proper jurisdiction. The Districts will obtain the City's approval of civil engineering plans and will obtain applicable permits for construction and installation of Public Improvements prior to performing such work.

3. Procurement. The Districts shall be subject to the Utah Procurement Code. Notwithstanding this requirement, the Districts may acquire completed or partially completed improvements for fair market value as reasonably determined by an engineer who certifies as part of such fair market value determination that they are independent of such Districts.

4. Privately Placed Debt. Prior to the issuance of any privately placed Debt, the District shall obtain the certification of a Municipal Advisor substantially as follows:

We are [I am] a Municipal Advisor within the meaning of the Districts' Governing Document.

We [I] certify that (1) the net effective interest rate to be borne by [insert the designation of the Debt] does not exceed a reasonable current [tax-exempt] [taxable] interest rate, using criteria deemed appropriate by us [me] and based upon our [my] analysis of comparable high yield securities; and (2) the structure of [insert designation of the Debt], including maturities and early redemption provisions, is reasonable considering the financial circumstances of the Districts.

5. Annexation and Withdrawal. The Districts shall not include within any of their boundaries any property outside the Districts' Area without the prior written consent of the City. The City, by approval of this Governing Document, has consented to the annexation of any area within the Annexation Area Boundaries into any of the Districts. Such area may only be annexed upon such District obtaining any consents required under the PID Act and the passage of a resolution of such District's Board approving such annexation.

(a) The City, by approval of this Governing Document, has consented to the withdrawal of any area within the Districts' Area from one or more of the Districts. Such area may only be withdrawn upon such District obtaining any consents required under the PID Act and the passage of a resolution of such District's Board approving such annexation.

(b) Any annexation or withdrawal shall be in accordance with the requirements of the PID Act.

(c) Upon any annexation or withdrawal, the Districts shall provide the City a description of the revised Districts' Boundaries.

(d) Annexation or withdrawal of any area in accordance with this Section shall not constitute an amendment of this Governing Document.

6. Overlap Limitation. Without the written consent of the City, the Districts shall not consent to the organization of any other public infrastructure district organized under the PID Act within the Districts' Area which will overlap the boundaries of the Districts unless the aggregate mill levy for payment of Debt of such proposed districts will not at any time exceed the Maximum Debt Mill Levy of the Districts.

7. Initial Debt Limitation. On or before the effective date of approval by the City of an Approved Development Plan, the Districts shall not: (a) issue any Debt; nor (b) impose a mill levy for the payment of Debt by direct imposition or by transfer of funds from the operating fund to the Debt service funds; nor (c) impose and collect any Assessments used for the purpose of repayment of Debt.

8. Bankruptcy Limitation. All of the limitations contained in this Governing Document, including, but not limited to, those pertaining to the Maximum Debt Mill Levy, Maximum Debt Mill Levy Imposition Term, and the Fees have been established under the authority of the City to approve a Governing Document with conditions pursuant to Section 17D-4-201(5), Utah Code. It is expressly intended that such limitations:

(a) Shall not be subject to set-aside for any reason or by any court of competent jurisdiction, absent a Governing Document Amendment; and

(b) Are, together with all other requirements of Utah law, included in the "political or governmental powers" reserved to the state under the U.S. Bankruptcy Code (11 U.S.C.) Section 903, and are also included in the "regulatory or electoral approval necessary under applicable non-bankruptcy law" as required for confirmation of a Chapter 9 Bankruptcy Plan under Bankruptcy Code Section 943(b)(6).

9. Governing Document Amendment Requirement. Any Debt, issued with a pledge or which results in a pledge, that exceeds the Maximum Debt Mill Levy and the Maximum Debt Mill Levy Imposition Term, shall be deemed a material modification of this Governing Document and shall not be an authorized issuance of Debt unless and until such material modification has been approved by the City as part of a Governing Document Amendment. This Governing Document has been designed with sufficient flexibility to enable the Districts to provide required facilities under evolving circumstances without the need for numerous amendments. Subject to the limitations and exceptions contained herein, this Governing Document may be amended by passage of a resolution of the City and the applicable Districts approving such amendment.

10. Preliminary Engineering Survey.

The Districts shall have authority to provide for the planning, design, acquisition, construction, installation, relocation, redevelopment, maintenance, and financing of the Public Improvements within and without the boundaries of the Districts, to be more specifically defined in an Approved Improvement Plan. An estimate of the costs of the Public Improvements which may be planned for, designed, acquired, constructed, installed, relocated, redeveloped, maintained or financed was prepared based upon a preliminary engineering survey and estimates derived from the zoning on the property in the Districts' Area and is approximately Three Hundred Fifteen Million Dollars (\$315,000,000). The costs of Public Improvements are estimates and the approval of this Governing Document does not constitute the City's approval of actual costs for Public Improvements.

All of the Public Improvements will be designed in such a way as to assure that the Public Improvements standards will be compatible with those of the City and/or any other applicable public entity and shall be in accordance with the requirements of the Approved Improvement Plan.

All construction cost estimates are based on the assumption that construction conforms to applicable local, State or Federal requirements.

VI. THE BOARD OF TRUSTEES

A. Board Composition. The Boards shall be composed of three (3) Trustees who shall be appointed by the City Council pursuant to the PID Act. All Trustees shall be at large seats. Trustee terms for the Districts shall be staggered with initial terms as follows: Trustees 1 and 3, shall serve an initial term of four (4) years; Trustee 2 shall serve an initial term of six (6) years. All terms shall commence on the date of issuance of a Certificate of Creation by the Office of the Lieutenant Governor of the State of Utah. In accordance with the PID Act, appointed Trustees shall not be required to be residents of such Districts.

B. Future Board Composition.

1. At the time of annexation of property into a District, such District shall estimate the total number of residential units within the District at full buildout of the property within the District (the "Anticipated Units"). Upon any annexation or withdrawal in accordance with this Governing Document, any affected District may adjust its Anticipated Units to reflect such boundary change. The respective Board seats for the Boards with residential property shall transition from appointed to elected seats according to the following milestones:

(a) Trustee 1. Trustee 1 shall transition to an elected seat after the end of a full term during which 50% of the Anticipated Units have received certificates of occupancy.

(b) Trustee 2. Trustee 2 shall transition to an elected seat after the end of a full term during which 75% of the Anticipated Units have received certificates of occupancy.

(c) Trustee 3. Trustee 3 shall transition to an elected seat after the end of a full term during which 95% of the Anticipated Units have received certificates of occupancy.

2. No transition pursuant to this Section shall become effective until the next scheduled regular election of the District following a full term. Registered voters within this

Section shall mean voters whose "principal place of residence," as that term is defined under Section 20A-2-105(1)(a), Utah Code is within a District.

C. Appointment Until Transition to Elected Board. Until the Board seats for Boards with residential property transition from appointed to elected seats, as contemplated above, the Boards shall be appointed as set forth in subparagraphs D and E below until such transition occurs. Seats on the Boards of Districts which have no Anticipated Units shall not transition to elected seats, and shall continue to be appointed as set forth in subparagraphs D and E below.

D. Reelection and Reappointment. If any seat on a Board has not transitioned from an appointed to elected seat, as contemplated above, and the term of a Trustee expires, the remaining members of the Board may reappoint the Trustee whose term is expiring or may appoint a new Trustee to the seat. Any such appointment or reappointment shall be in the sole discretion of the remaining members of the Board and the appointed Trustee shall meet all qualifying and eligibility requirements set forth in Section 17D- 4-202, Utah Code.

E. Vacancy. If a vacancy occurs at any other time for any other reason, the remaining members of the Board may appoint an individual to fill the vacancy. The individual so appointed shall meet all qualifying and eligibility requirements set forth in Section 17D-4- 202, Utah Code.

F. Compensation. Unless otherwise permitted by the PID Act, only Trustees who are residents of the District may be compensated for services as Trustee. Such compensation shall be in accordance with state law.

G. Conflicts of Interest. Trustees shall disclose all conflicts of interest. Any Trustee who discloses such conflicts in accordance with Section 17D-4-202 and Section 67-16-9, Utah Code, shall be entitled to vote on such matters.

VII. FINANCIAL PLAN

A. General.

The Districts shall be authorized to provide for the planning, design, acquisition, construction, installation, relocation, and/or redevelopment of the Public Improvements from its revenues and by and through the proceeds of Debt to be issued by the Districts. In addition, the Districts shall be permitted to finance the prepayment of impact fees for the Project. The Financial Plan for the Districts shall be to issue such Debt as the Districts can reasonably pay within the Maximum Debt Mill Levy Imposition Term from revenues derived from the Maximum Debt Mill Levy, Assessments and other legally available revenues. The total Limited Tax Debt that the Districts shall be permitted to issue shall not exceed One Hundred Million Dollars (\$100,000,000) and shall be permitted to be issued on a schedule and in such year or years as the Districts determine shall meet the needs of the Financial Plan referenced above and phased to serve development as it occurs. This amount excludes any portion of bonds issued to refund a prior issuance of debt by the Districts. For any capital appreciation Debt issued by the Districts, only the par amount of such Debt at issuance (and not the value at conversion) of such Debt shall count against this amount. Any Assessment Debt or C-PACE Bonds do not count against the foregoing limitation and there is no limit to the amount of Assessment Debt or C-PACE Bonds the Districts may issue so long as such issuances are in accordance with the provisions of the applicable Assessment and/or C-PACE Acts. All bonds and other Debt issued by the Districts may be payable from any and all legally

available revenues of the Districts, including general ad valorem taxes to be imposed upon all Taxable Property within the Districts and Assessments. The Districts may also rely upon various other revenue sources authorized by law. These will include the power to assess Fees, penalties, or charges, including as provided in Section 17D-4-304, Utah Code, as amended from time to time. Notwithstanding the foregoing, the Districts shall not be permitted to issue Debt, other than refunding prior issuances of Debt, after December 31, 2055.

Any impact fee reimbursement or credits which become available due to the financing of Public Improvements by the Districts shall be for the benefit of the Districts and not any developer. The specifics of the scope and availability of impact fee reimbursements shall be reserved and will be addressed in a future interlocal agreement between the City and the Districts.

B. Maximum Voted Interest Rate and Maximum Underwriting Discount.

The interest rate on any Debt is expected to be the market rate at the time the Debt is issued. In the event of a default, the proposed maximum interest rate on any Debt is not expected to exceed eighteen percent (18%). The proposed maximum underwriting discount will be five percent (5%). Debt, when issued, will comply with all relevant requirements of this Governing Document, state law, and federal law as then applicable to the issuance of public securities.

C. Maximum Debt Mill Levy; Prepayment of Assessments.

1. The "Maximum Debt Mill Levy" shall be the maximum mill levy the Districts are permitted to impose upon the taxable property within the Districts for payment of Limited Tax Debt shall be \$0.005 per dollar of taxable value of residential property in the Districts, and \$0.0100 per dollar of taxable value for commercial property within the Districts; provided that such levy shall be subject to adjustment as provided in Section 17D-4-301(13), Utah Code. Such Maximum Debt Mill Levy may also be used to pay administrative expenses of the Districts.

2. Such Maximum Debt Mill Levy may only be amended pursuant to a Governing Document Amendment and as provided in Section 17D-4-202, Utah Code.

3. In the event a District has issued Limited Tax Debt, any Assessments (other than C-PACE Assessments) imposed by such District on a parcel zoned for residential uses shall be payable at or before the time of conveyance to an End User with respect to such parcel. For the avoidance of doubt, if the District has have not issued Limited Tax Debt, Assessments levied by such District are not required to be prepaid at the time a building permit is issued or prior to conveyance. Any C-PACE Assessments may be repayable in accordance with the provisions of such act.

D. Maximum Debt Mill Levy Imposition Term.

Each bond issued by the Districts shall mature within thirty-one (31) years from the date of issuance of such bond. In addition, no mill levy may be imposed for the repayment of a series of bonds after a period exceeding forty (40) years from the year of the first imposition of a mill levy with respect to such bond (the "Maximum Debt Mill Levy Imposition Term").

E. Debt Repayment Sources.

The Districts may impose a mill levy on taxable property within its boundaries as a primary source of revenue for repayment of debt service. The Districts may also rely upon various other revenue sources authorized by law. At the Districts' discretion, these may include the power to assess Assessments, penalties, or charges, including as provided in Section 17D-4-304, Utah Code, as amended from time to time. Except as described in Section VII.C, the debt service mill levy in the Districts shall not exceed the Maximum Debt Mill Levy or, the Maximum Debt Mill Levy Imposition Term, except for repayment of General Obligation Debt.

The Districts shall not be permitted to charge an End User the costs of any portion of a Public Improvement for which such End User has already paid or is presently obligated to pay through any combination of mill levy, Assessment, or impact fee. This provision shall not prohibit the division of costs between mill levies, Assessments, or impact fees, but is intended to prevent double taxation of End Users for the costs of Public Improvements.

F. Debt Instrument Disclosure Requirement.

In the text of each Bond and any other instrument representing and constituting Debt, the Districts shall set forth a statement in substantially the following form:

“By acceptance of this instrument, the owner of this Bond agrees and consents to all of the limitations in respect of the payment of the principal of and interest on this Bond contained herein, in the resolution of the District(s) authorizing the issuance of this Bond and in the Governing Document for creation of the District(s).”

Similar language describing the limitations in respect of the payment of the principal of and interest on Debt set forth in this Governing Document shall be included in any document used for the offering of the Debt for sale to persons, including, but not limited to, a developer of property within the boundaries of the Districts.

G. Security for Debt.

The Districts shall not pledge any revenue or property of the City as security for the indebtedness set forth in this Governing Document. Approval of this Governing Document shall not be construed as a guarantee by the City of payment of any of the Districts' obligations; nor shall anything in the Governing Document be construed so as to create any responsibility or liability on the part of the City in the event of default by the Districts in the payment of any such obligation.

H. Districts' Operating Costs.

The estimated cost of acquiring land, engineering services, legal services and administrative services, together with the estimated costs of the Districts' organization and initial operations, are anticipated to be Fifty Thousand Dollars (\$50,000), which will be eligible for reimbursement from Debt proceeds.

In addition to the capital costs of the Public Improvements, the Districts will require

operating funds for administration and to plan and cause the Public Improvements to be constructed. COVENANTS AND AGREEMENTS

1. Operations and Maintenance. The Districts shall dedicate the Public Improvements to the City or other appropriate public entity or owners association in a manner consistent with the Approved Development Plan and other rules and regulations of the City and applicable provisions of the City Code. The Districts shall be authorized, but not obligated, to own Public Improvements not otherwise required to be dedicated to the City or other public entity, including, but not limited to, street improvements (including roads, curbs, gutters, culverts, sidewalks, bridges, parking facilities, paving, lighting, grading, landscaping, and other street improvements), traffic and safety controls, retaining walls, park and recreation improvements and facilities, trails, open space, landscaping, drainage improvements (including detention and retention ponds, trickle channels, and other drainage facilities), irrigation system improvements (including wells, pumps, storage facilities, and distribution facilities), and all necessary equipment and appurtenances.

2. Construction Standards. The Districts will ensure that the Public Improvements are designed and constructed in accordance with the standards and specifications of the City and of other governmental entities having proper jurisdiction. The Districts will obtain the City’s approval of civil engineering plans and will obtain applicable permits for construction and installation of Public Improvements prior to performing such work.

3. Procurement. The Districts shall be subject to the Utah Procurement Code. Notwithstanding this requirement, the Districts may acquire completed or partially completed improvements for fair market value as reasonably determined by an engineer who certifies as part of such fair market value determination that they are independent of such Districts.

4. Privately Placed Debt. Prior to the issuance of any privately placed Debt, the District shall obtain the certification of a Municipal Advisor substantially as follows:

We are [I am] a Municipal Advisor within the meaning of the Districts' Governing Document.

We [I] certify that (1) the net effective interest rate to be borne by [insert the designation of the Debt] does not exceed a reasonable current [tax-exempt] [taxable] interest rate, using criteria deemed appropriate by us [me] and based upon our [my] analysis of comparable high yield securities; and (2) the structure of [insert designation of the Debt], including maturities and early redemption provisions, is reasonable considering the financial circumstances of the Districts.

5. Annexation and Withdrawal. The Districts shall not include within any of their boundaries any property outside the Districts' Area without the prior written consent of the City. The City, by approving the Governing Document, has consented to the annexation of any area within the Annexation Area into any of the Districts. Such area may only be annexed upon such District obtaining any consents required under the PID Act and the passage of a resolution of such District's Board approving such annexation.

(a) The City, by approving the Governing Document, has consented to the withdrawal of any area within the Districts' Area from one or more of the Districts. Such area may only be withdrawn upon such District obtaining any consents required under the PID Act and the passage of a resolution of such District's Board approving the withdrawal.

This amount excludes any portion of bonds issued to refund a prior issuance of Debt by the Districts. For any capital appreciation Debt issued by the Districts, only the par amount of such Debt at issuance (and not the value at conversion) of such Debt shall count against this amount. Any Assessment Debt or C-PACE Bonds do not count against the foregoing limitation and there is no limit to the amount of Assessment Debt or C-PACE Bonds the District may issue so long as such issuances are in accordance with the provisions of the applicable Assessment Act. Notwithstanding the foregoing, the Districts shall not be permitted to issue Debt, other than refunding prior issuances of Debt, after December 31, 2055.

9. Bankruptcy. All of the limitations contained in the Governing Document, including, but not limited to, those pertaining to the Maximum Debt Mill Levy and the Maximum Debt Mill Levy Imposition Term have been established under the authority of the City to approve a governing document with conditions pursuant to Section 17D-4-201(5), Utah Code. It is expressly intended that such limitations:

(a) Shall not be subject to set-aside for any reason or by any court of competent jurisdiction, absent a Governing Document Amendment; and

(b) Are, together with all other requirements of Utah law, included in the "political or governmental powers" reserved to the state under the U.S. Bankruptcy Code (11 U.S.C.) Section 903, and are also included in the "regulatory or electoral approval necessary under applicable non-bankruptcy law" as required for confirmation of a Chapter 9 Bankruptcy Plan under Bankruptcy Code Section 943(b)(6).

10. Governing Document Amendment Requirement. Actions of the District which violate the limitations set forth in Section V.A or Section VII of the Governing Document shall be deemed to be material modifications to the Governing Document and the City shall be entitled to all remedies available under state and local law to enjoin such actions of the District.

11. Maximum Voted Interest Rate and Maximum Underwriting Discount. The interest rate on any Debt is expected to be the market rate at the time the Debt is issued. In the event of a default, the proposed maximum interest rate on any Debt is not expected to exceed eighteen percent (18%). The proposed maximum underwriting discount will be five percent (5%). Debt, when issued, will comply with all relevant requirements of the Governing Document, state law, and federal law as then applicable to the issuance of public securities.

12. Maximum Debt Mill Levy.

In addition, no mill levy may be imposed for the repayment of a series of bonds after a period exceeding forty (40) years from the year of the first imposition of a mill levy with respect to such bond (the “Maximum Debt Mill Levy Imposition Term”).

WHEREAS, the Land Use Element (hereinafter the “Land Use Plan”) of the General Plan establishes Tooele City’s general land use policies, which have been adopted by Ordinance 2020-47 as a Tooele City ordinance, and which set forth appropriate Use Designations for land in Tooele City (e.g., residential, commercial, industrial, open space); and,

WHEREAS, the Land Use Plan reflects the findings of Tooele City’s elected officials regarding the appropriate range, placement, and configuration of land uses within the City, which findings are based in part upon the recommendations of land use and planning professionals, Planning Commission recommendations, public comment, and other relevant considerations; and,

WHEREAS, Utah Code §10-9a-501, *et seq.*, provides for the enactment of “land use [i.e., zoning] ordinances and a zoning map” that constitute a portion of the City’s regulations (hereinafter “Zoning”) for land use and development, establishing order and standards under which land may be developed in Tooele City; and,

WHEREAS, a fundamental purpose of the Land Use Plan is to guide and inform the recommendations of the Planning Commission and the decisions of the City Council about the Zoning designations assigned to land within the City (e.g., R1-10 residential, neighborhood commercial (NC), light industrial (LI)); and,

WHEREAS, the City received an Amendment Petition for Zoning Map amendment involving 11.7 acres of property located at 249 East 1000 North on May 27, 2025, requesting that the Subject Property be reassigned from the RR-5 Residential zone to the LI Light Industrial zone (see Amendment Petition and map attached as Exhibit A, and Staff Report attached as Exhibit B); and,

WHEREAS, the LI Light Industrial zone permits a wide variety of commercial, retail, professional office, food service, and personal services type of uses needed by the residents of the community; and,

WHEREAS, the LI Light Industrial zone prohibits industrial uses that generate notable impacts such as noise, odors, glare, vibrations, dust and so forth and is designed to permit heavier commercial and lighter industrial uses that do not generate the impacts listed; and,

WHEREAS, on June 11, 2025, the Planning Commission convened a duly noticed public hearing, accepted written and verbal comment, and voted to forward its recommendation to the City Council (see Planning Commission minutes attached as Exhibit C); and,

WHEREAS, on June 18, 2025, the City Council convened a duly-noticed public hearing:

NOW, THEREFORE, BE IT ORDAINED BY THE TOOELE CITY COUNCIL that:

STAFF REPORT

To: Tooele City Planning Commission
Business Date: June 11, 2025

From: Planning Division
Community Development Department

Prepared By: Kent Page, City Planner

Re: Fire Station Business Park – Zoning Map Amendment Request

Application No.: 2025054
Applicant: Boyd Brown Representing Grow Development LLC
Project Location: 249 East 1000 North
Zoning: RR-5 Residential and LI Light Industrial Zone
Acreage: 11.7 Acres
Request: Request for approval of a Zoning Map Amendment to re-assign approximately 11.7 acres of land from the RR-5 Residential to the Light Industrial (LI) zoning district.

BACKGROUND

This application is a request for approval of a Zoning Map Amendment for approximately 11.7 acres located at 249 East 1000 North. The property is currently zoned as RR-5 Residential and LI Light Industrial. The applicant is requesting that the zoning map be amended for all 11.7 acres to the LI Light Industrial zoning district that may facilitate the construction of a light industrial business park. The City Council approved a Land Use Amendment to Light Industrial on May 21, 2025 for this 11.7 acres.

ANALYSIS

Zoning.

The subject property is an inverted “L” shaped property and extends north from 1000 North and turns east and extends east past the “Our House” assisted living facility. The new Tooele City Fire Station #3 rests immediately to the west of the subject property as does the Air Med helicopter ambulance facility. Properties to the north of the subject property are vacant, undeveloped ground as are the properties to the east and some of the south. Properties to the north and east are currently zoned RR-5 Residential. Properties to the south are zoned MR-8 and properties to the west are zoned LI Light Industrial. An aerial view and current zoning are depicted in Exhibit A to this report.

Tooele City ordinance 7-1A-5 requires that amendments to the zoning map shall be “consistent with the adopted Tooele City General Plan.” There are many elements to the General Plan that need to be considered but when it comes to Zoning Map amendments the element is the Land Use Map of the General Plan. Thus, before any zoning changes can be considered the proposed zoning must first comply with the Land Use Map. The City Council approved a Land Use Amendment to Light Industrial on May 21, 2025 for this 11.7 acres thus the requested Light Industrial zoning district is in-line with the current Light Industrial land use.

The purpose of the Light Industrial zoning district is to provide locations for light industrial assembly and manufacturing uses that produce limited negative impact to adjacent properties. This district encourages clean, light industrial and manufacturing uses which provide employment opportunities for city residents, strengthen the city's tax base and diversify the local economy.

Here is a list of some of the permitted uses in the Light Industrial zoning district:

Amusement Facility	Automobile Sales and Rental
Automobile Service and Repair	Business Office
Conference Center	Contractor's Display/Office
Convenience Store, w/gasoline sales	Cultural activities and uses
Fast Food Restaurant	Financial Services
Funeral Home/Mortuary	Garden Center
General Industrial Activity	Hardware and Garden Supply Store
Health Care Facility	Health Care Provider
Health Club	Hotel
Laundromat	Light Manufacturing and Assembly
Medical Cannabis Pharmacy	Motel
Nursery	Personal Services
Professional Office	Reception Center
Recreational Facility (Indoor)	Repair Shop (household and personal goods w/no outside storage)
Research Facility	Restaurant
Retail Store (max. 3,000 sq. ft.)	Theater (outdoor)
Veterinary Clinic/Animal Hospital	

The purpose of the RR-5 zoning district is to provide for single-family residential areas and single-family dwelling units on very large individual lots that support, allow, and make available Rural Residential opportunities and agricultural uses protect from the encroachment of incompatible uses.

Currently, there are no residential uses near the subject property. The Our House assisted living facility is residential in nature, however, the zoning of this property is GC General Commercial.

Site Plan Layout. The applicant has provided a conceptual site plan (see Exhibit B) for the Planning Commission's reference. Please keep in mind that this site plan has not been reviewed for compliance with the City's development standards and ordinances and should not be viewed as the final product, if this Zoning Map Amendment is approved. These plans will still need to undergo full site plan design review. It is important to remember that a zoning map designation allows all permitted and conditional uses not just the conceptual site plan.

Subdivision Layout. This is an existing parcel of record.

Criteria For Approval. The criteria for review and potential approval of a Zoning Map Amendment request is found in Section 7-1A-7 of the Tooele City Code. This section depicts the standard of review for such requests as:

- (a) The effect of the proposed amendment on the character of the surrounding area.
- (b) Consistency with the goals and policies of the General Plan and the General Plan Land Use Map.

- (c) Consistency and compatibility with the General Plan Land Use Map for adjoining and nearby properties.
- (d) The suitability of the properties for the uses proposed viz. a. viz. the suitability of the properties for the uses identified by the General Plan.
- (e) Whether a change in the uses allowed for the affected properties will unduly affect the uses or proposed uses for adjoining and nearby properties.
- (f) The overall community benefit of the proposed amendment.

REVIEWS

Planning Division Review. The Tooele City Planning Division has completed their review of the Land Use Map Amendment submission and has not issued any comments concerning this application.

Engineering and Public Works Divisions Review. The Tooele City Engineering and Public Works Divisions have completed their reviews of the Land Use Map Amendment submission and have not issued any comments concerning this application.

Tooele City Fire Department Review. The Tooele City Fire Department has completed their review of the Land Use Map Amendment submission and has not issued any comments concerning this request.

Noticing. The applicant has expressed their desire to re-assign the land use for the subject property and do so in a manner which is compliant with the City Code. As such, notice has been properly issued in the manner outlined in the City and State Codes.

STAFF RECOMMENDATION

Staff recommends the Planning Commission carefully weigh this request for a Zoning Map Amendment according to the appropriate tenets of the Utah State Code and the Tooele City Code, particularly Section 7-1A-7(1) and render a decision in the best interest of the community with any conditions deemed appropriate and based on specific findings to address the necessary criteria for making such decisions.

- 4. The suitability of the properties for the uses proposed.
- 5. The degree to which the proposed application will or will not be deleterious to the health, safety, and general welfare of the general public or the residents of adjacent properties.
- 6. The degree to which the proposed application conforms to the general aesthetic and physical development of the area.
- 7. Whether a change in the uses allowed for the affected properties will unduly affect the uses or proposed uses for adjoining and nearby properties.
- 8. The overall community benefit of the proposed amendment.
- 9. Whether or not public services in the area are adequate to support the subject

- development.
10. Other findings the Commission deems appropriate to base their decision upon for the proposed application.

WHEREAS, Tooele City renewed a contract with the Tooele County School District to provide school resource officer services at select upper-level schools located within Tooele City pursuant to Utah Code 53G-8-702; and,

WHEREAS, during the 2023-2024 school year, the City Council was apprised of the ongoing challenges the Tooele City Police Department was experiencing in providing school resource officer services, and proposed a School Resource Officer Retention Bonus payment option for City Council approval; and,

WHEREAS, the Tooele City Police Department experienced sufficient interest from current officers in the SRO assignment and stability in staffing the SRO assignment; and,

WHEREAS, while other challenges remain, staffing and stability in turnover were improved and are believed to be attributable to the SRO retention bonus; and,

WHEREAS, on June 19, 2024, the City Council approved Resolution 2024-34 to offer an SRO retention bonus for the 2024-2025 school year; and,

WHEREAS, Tooele City desires to again offer an SRO retention bonus for the 2025-2026 school year to retain current full-time regular SROs assigned to a school and to incentivize officers to work the SRO assignment should a vacancy occur by making a one-time retention bonus payment as follows:

- \$0 bonus will be paid to any SRO who voluntarily resigns from SRO assignment at any time during the 2025-2026 school year;
- \$5,000 lump sum payment will be paid to any current full-time regular SRO assigned to a school who completes the entire 2025-2026 school year SRO assignment pursuant to the City's contract with the Tooele County School District, excluding any legal entitlement to protected leave such as workers compensation leave or Family and Medical Leave Act protected leave;
- In the event a full-time regular SRO assignment becomes open or the City initiates the movement of an SRO to a new department assignment, the City will prorate the \$5,000 (on monthly basis) and provide a prorated lump sum payment to the officer who is assigned on a full-time regular basis to complete the remainder of 2025-2026 school year SRO contract; and,

- Any bonus payment will be made after the last day of the school year contract but before the end of the City's fiscal year.

WHEREAS, the anticipated total cost of the proposed retention bonus is included in the 2025-2026 fiscal year budget; and,

WHEREAS, Tooele City Policies & Procedures Manual Section 9: Compensation, Part A states: "This Section does not identify every compensation-related matter that may arise. Tooele City reserves the right to otherwise address such matters in a manner that best meets the City's needs and complies with applicable laws"; and,

WHEREAS, the above-cited provision of the Tooele City Policies & Procedures Manual Section 9: Compensation, Part A, provides the City Administration with the ability to make the one-time retention bonus adjustment contemplated in this Resolution; however, the City Administration recognizes the significance of the SRO retention bonus, desires to be transparent in the business need to make the retention bonus payment this year, and desires to have a written record that provides historical context as to why the one-time retention bonus was offered and made to SROs for school year 2025-2026:

NOW, THEREFORE, BE IT RESOLVED BY THE TOOEELE CITY COUNCIL that consent is hereby given to the Mayor to authorize a one-time payment of a retention bonus to SROs for the 2025-2026 school year contractual obligation with the Tooele County School District, as described herein.

WHEREAS, on May 18, 2022, the Tooele City Council approved Resolution 2022-33 declaring that Tooele City, after July 1, 2022, would pick up and pay the increase to the required employee contribution for all Tooele City employees who are members of the new Tier II Public Safety & Firefighter Contributory Retirement System, up to 2.60%, including provisions relating to the employer pick-up; and,

WHEREAS, on June 19, 2024, the Tooele City Council approved Resolution 2024-27 later renumbered 2024-37, declaring that Tooele City, after July 1, 2024, would pick up and pay a portion of the increase to the required employee contribution for all Tooele City employees who are members of the new Tier II Public Safety & Firefighter Contributory Retirement System, up to 4.03%, including provisions relating to the employer pick-up; and,

WHEREAS, effective July 1, 2025, Tooele City desires to increase the amount Tooele City will pick up and pay for the required employee contributions for all Tooele City employees who are members of the Tier II Public Safety & Firefighter Contributory Retirement System, up to 4.73%, including provisions relating to the employer pick-up under UCA Section 49-23-301(2)(c), as enacted in Senate Bill 56, Tier II Public Safety & Firefighter Retirement Enhancements (2020 General Session); and,

BE IT FURTHER RESOLVED that the picked-up contributions will not be included in the gross income of the employees for tax reporting purposes, that is, for federal or state income tax withholding, until distributed from the Utah Retirement System, so that the contributions are treated as employer contributions pursuant to Section 414(h)(2) of the Internal Revenue Code.

BE IT FURTHER RESOLVED that the picked-up contributions are supplemental to, and not a salary reduction to, the City employees who are eligible for and participating members in the Tier II Public Safety & Firefighter Contributory Retirement System.

BE IT FURTHER RESOLVED that from and after the date of this pick-up, a City employee shall not have a cash or deferred election right with respect to the designated employee contributions, including that the employees shall not be permitted to opt out of the pick-up and shall not be entitled to any option of choosing to receive the contributed amounts directly instead of having them paid by the City on behalf of its employees to the Utah Retirement Systems.

BE IT FURTHER RESOLVED that beginning July 1, 2025, the City, in compliance with Senate Bill 56 (2020 General Session) will also prospectively contribute an amount equivalent to that of the annual pick-up to the Utah State Retirement System 401(k) plan, for any member of the Tier II Public Safety & Firefighter Defined Contribution Only plan, as an employer 401(k) contribution.

This Resolution is necessary for the immediate preservation of the peace, health, safety, or welfare of Tooele City and shall become effective upon passage, without further publication, by authority of the Tooele City Charter.

2. **Term.** The term of this lease for the Equipment described on a particular Equipment Schedule shall commence on the date set forth on such Equipment Schedule and shall continue for the number of months indicated on such Equipment Schedule.
3. **Rent.** Lessee shall pay Lessor rent for the Equipment ("**Rent**") in the amounts and at the times set forth on the applicable Equipment Schedule. The amount of the Rent has been determined by amortizing the purchase price of the applicable Equipment (using the prices quoted in the Request for Proposal identified on the applicable Equipment Schedule ("**RFP**")), together with an interest factor at the rate specified in the applicable Equipment Schedule. Whenever any payment hereunder is not made when due, Lessee shall pay interest on such amount from the due date thereof to the date of such payment at the lower of Lessor's then prevailing rate for late payments specified in Lessor's invoice to Lessee for such payment or the maximum allowable rate of interest permitted by the law of the state where the Equipment is located.
4. **Selection, Delivery, and Acceptance.** Lessee shall select the Equipment and take delivery thereof directly from Lessor or an authorized dealer of Lessor (the "**Dealer**"). All costs of delivery are the sole responsibility of Lessee. Lessor shall not be liable for any loss or damage resulting from the delay or failure to have any Equipment available for delivery. Lessee shall inspect the Equipment to determine that the Equipment is as ordered and has been equipped and prepared in accordance with the RFP and any prior instructions given in writing by Lessee to Lessor or Dealer. Lessee shall accept the Equipment if it meets the criteria set forth in the preceding sentence and shall execute and deliver to Lessor or Dealer a Certificate of Acceptance, in form and substance satisfactory to Lessor, within 7 days of the delivery of the Equipment or the Equipment will be deemed accepted by the Lessee. For all purposes of this Lease, acceptance is conclusively established by Lessee's execution and delivery of a Certificate of Acceptance provided by Lessor. Lessee authorizes Lessor to insert in each Equipment Schedule the serial numbers and other identifying data of the Equipment.
5. **Location, and Inspection.** Lessee shall not move the Equipment from the locations specified in the applicable Equipment Schedule without Lessor's prior written consent. Lessor and its representatives shall have the right from time to time during business hours to enter upon the premises where the Equipment is located to inspect the Equipment and Lessee's records to confirm Lessee's compliance with this Lease.
6. **Care, Use, and Maintenance.** Lessee shall, at its expense, at all times during the term of this Lease, keep the Equipment clean, serviced, and maintained in good operating order, repair, condition, and appearance in accordance with Lessor's manuals and other instructions received from Lessor. Lessee will not use or operate the Equipment, or permit the Equipment to be used or operated, in violation of any law, ordinance or governmental regulations. The Equipment will be used and operated only as golf cars. Lessee shall safely store the Equipment when not in use and properly secure it at night and such other times when the golf course on which the Equipment is used is closed to play, and Lessee shall be solely responsible for such storage and safekeeping. If the Equipment is electrical, Lessee shall provide sufficient and adequate electrical charging outlets and water facilities for the batteries which are a part of the Equipment.
7. **Insurance.** Effective upon delivery of the Equipment to Lessee and until the Equipment is returned to Lessor as provided herein, Lessee relieves Lessor of responsibility for all risk of physical damage to or loss or destruction of all the Equipment, howsoever caused. During the continuance of this Master Lease, Lessee shall at its own expense, cause to be carried and maintained with respect to each item of Equipment designated in each Equipment Schedule, public liability insurance in an amount of not less than \$1,000,000, and casualty insurance, in each case in amounts and against risk customarily insured against by Lessee in similar equipment and, in amounts and against risk acceptable to Lessor. All policies with respect to such insurance shall name Lessor as additional insured and as loss payee, and shall provide for at least thirty (30) days' prior written notice by the underwriter or insurance company to Lessor in the event of cancellation or expiration of any such policies. Lessee shall furnish appropriate evidence of such insurance to Lessor. Lessee shall bear the entire risk of loss, theft, destruction or damage to the Equipment from any cause whatsoever and shall not be relieved of the obligation to pay the total of the monthly payments or any other obligation hereunder because of any such occurrence. In the event of damage to any item of Equipment leased hereunder, Lessee, at its sole expense, shall immediately place the same in good repair and operating condition. In no event shall Lessor be liable for any loss of profit, damage, loss, defect or failure of any item of Equipment or the time which may be required to recover, repair, service, or replace the item of Equipment.
8. **Storage.** Lessee shall store the Equipment in such a manner as to prevent theft or damage from weather and vandalism.
9. **Title.** Title to the Equipment shall at all times remain with the Lessor. Lessee acquires only the interests of Lessee expressly described in this Lease, the applicable Equipment Schedule, and the riders attached hereto. Lessee shall not remove, move, or cover over in any manner any serial number on the Equipment. Lessee shall keep all Equipment free from any marking or labeling which might be interpreted as a claim of ownership thereof by Lessee or any party other than Lessor or anyone so claiming through Lessor. Lessor is hereby authorized by Lessee, at Lessor's expense, to cause this Master Lease, any Equipment Schedule or any statement or other instrument in respect of any Equipment Schedule as may be required by law showing the interest of Lessor in the Equipment to be filed and Lessee hereby authorizes Lessor or its agent to sign and execute on its behalf any and all necessary UCC-1 forms for such purpose. Lessor and Lessee hereby intend this transaction to be a lease. In the event that for any reason it is not deemed a lease, the Lessee hereby grants Lessor a security interest in the property shown on the Equipment Schedule.

10. Warranties. The Equipment is warranted only in accordance with the manufacturer's warranty. EXCEPT AS EXPRESSLY PROVIDED IN THE MANUFACTURER'S WARRANTY, LESSOR DISCLAIMS ANY OTHER WARRANTY, EXPRESSED OR IMPLIED, INCLUDING, WITHOUT LIMITATION, WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT AND NON-INTERFERENCE.

11. Alterations and Attachments. Lessee may, with Lessor's prior written consent, make such cosmetic modifications to the Equipment as Lessee may deem desirable in the conduct of its business; provided, however, that such alterations shall not diminish the value or utility of the Equipment, or cause the loss of any warranty thereon or any certification necessary for the maintenance thereof; and provided, further, that such modification shall be removable without causing damage to the Equipment. Upon return of the Equipment to Lessor, Lessee shall, if Lessor so elects, remove such modifications which have been made and shall restore the Equipment to its original condition, normal wear and tear and depreciation excepted.

12. Taxes. Lessee shall cooperate with Lessor in all reasonable respects necessary in order for Lessor to qualify for any exemption or exclusion from personal property tax on the equipment or sales or use tax on the leasing of the Equipment to Lessee hereunder. In the event that any such tax becomes payable by Lessor during the term of this Lease, Lessee shall pay to Lessor as additional rent, promptly on receipt of Lessor's invoice therefor, an amount equal to such tax. Lessee shall collect and remit any and all sales, use, and other taxes payable in any state, county, or city in respect of the rental or other use of the Equipment by Lessee.

13. Indemnity; Notice of Claim. To the extent permitted by applicable law, Lessee shall be liable for, and hereby indemnifies Lessor and holds Lessor harmless from and against, any and all claims, costs, expenses, damages, losses, and liabilities (including, without limitation, attorneys' fees and disbursements) arising in any way from the gross negligence or willful misconduct of Lessee or Lessee's agents and independent contractors, or their respective employees, agents or representatives. Lessee shall give Lessor prompt written notice of any claim arising out of the possession, leasing, renting, operation, control, use, storage, or disposition of the Equipment and shall cooperate in all reasonable respects at Lessee's expense in investigating, defending, and resolving such claim.

14. Return of Equipment. Upon the termination of an Equipment Schedule for any reason, unless Lessee is thereupon purchasing the Equipment from Lessor, Lessee shall make the Equipment available for inspection and pick up by Lessor or Dealer at Lessee's location at which the Equipment was used hereunder. The Equipment shall be returned to Lessor at the termination of this Lease in the same operating order, repair, condition, and appearance as when received by Lessee, less normal depreciation and wear and tear (which shall not include damaged or missing tires or wheels).

15. Defaults. The occurrence of any one or more of the following events shall constitute an "Event of Default" under this Lease:

- (a) Default by Lessee in the payment of any installment of rent or other charge payable by Lessee under any Equipment Schedule as and when the same becomes due and payable; or
- (b) Default by Lessee in the performance of any other material term, covenant or condition of this Lease or any Equipment Schedule or the inaccuracy in any material respect of any representation or warranty made by the Lessee in this Lease or any Equipment Schedule, or in any document or certificate furnished to the Lessor in connection therewith, which default or inaccuracy shall continue for a period of 10 days after notice; or
- (c) A petition under the Bankruptcy Code or under any other insolvency law providing for the relief of debtors shall be filed by or against Lessee; or
- (d) The voluntary or involuntary making of any assignment of a substantial portion of its assets by Lessee for the benefit of creditors shall occur; a receiver or trustee for Lessee or for Lessee's assets shall be appointed; or any formal or informal proceeding for dissolution, liquidation, settlement of claims against or winding up of the affairs of Lessee shall be commenced; or
- (e) Lessee shall default under any other lease or agreement between Lessee and Lessor [or any of its assignees hereunder]; or
- (f) Lessee shall suffer a material adverse change in its financial condition from the date hereof, and as a result thereof Lessor deems itself or any of the Equipment to be insecure.

16. Remedies. Upon the occurrence of an Event of Default, Lessor, at its option, may pursue any one or more of the following remedies, in such order or manner as Lessor determines, each such remedy being cumulative and not exclusive of any other remedy provided herein or under applicable law:

- (a) Terminate all or any portion of the Equipment Schedules to this Lease;
- (b) with or without terminating this Lease, take possession of the Equipment, with or without judicial process, Lessee hereby granting Lessor the right and license to enter upon Lessee's premises where the Equipment is located for such purpose;
- (c) proceed by appropriate court action, either at law or in equity, to enforce performance by Lessee of the applicable covenants and terms of this Lease, or to recover from Lessee any and all damages or expenses, including reasonable attorneys' fees, which Lessor shall have sustained by reason of Lessee's default in any covenant or covenants of this Lease, or on account of Lessor's enforcement of its remedies thereunder; without limiting any other damages to which Lessor may be entitled, Lessor shall be entitled upon an Event of Default to damages in an amount equal to all Rent then due but unpaid, plus the aggregate amount of Rent thereafter coming due for the remaining term of this Lease, plus Lessor's costs and expenses of pursuing its remedies hereunder (including, without limitation, attorneys' fees), minus all amounts received by Lessor after using reasonable efforts to sell or re-lease the Equipment after repossession or from any guaranty by the Dealer or any third-party; and
- (d) sell the Equipment or enter into a new lease of the Equipment.

It is hereby agreed that no delay by Lessor in pursuing any remedy shall be treated as a waiver of or limitation on such remedy or any other remedy.

17. Assignment. Lessee shall not transfer, assign, or sublease (except for rentals to players as contemplated hereunder in the ordinary course of business), or create, incur, assume, or permit to exist any security interest, lien, or other encumbrance on, the Equipment, this Lease, or any interest of Lessee therein.

18. Lessee's Representations and Warranties. Lessee represents and warrants to Lessor that: (a) Lessee has the authority under applicable law to enter into and perform this Lease and each Equipment Schedule and rider hereto; (b) Lessee has taken all necessary action to authorize its execution, delivery, and performance of this Lease and each Equipment Schedule and rider hereto; (c) the Lease and each Equipment Schedule and rider hereto have been duly executed and delivered by an authorized signatory of Lessee and constitute Lessee's legal, valid, and binding obligations, enforceable in accordance with their terms; (d) adequate funds have been budgeted and appropriated to enable Lessee to make all payments required under each Equipment Schedule to this Lease during the first twelve months of the term hereof; and (e) interest paid on indebtedness of Lessee held by Lessor would be excluded from Lessor's income for U.S. federal income tax purposes.

19. Non-Appropriation of Funds. Notwithstanding anything contained in this Lease to the contrary, in the event no funds or insufficient funds are budgeted and appropriated or are otherwise unavailable by any means whatsoever for Rent due under the Lease with respect to a Equipment Schedule in any fiscal period after the period in which the term of the lease with respect to such Equipment Schedule commences, Lessee will immediately notify Lessor in writing of such occurrence and the Lessee's obligations under the Lease shall terminate on the last day of the fiscal period for which appropriations have been received or made without penalty or expense to Lessee, except as to (i) the portions of Rent for which funds shall have been budgeted and appropriated or are otherwise available and (ii) Lessee's other obligations and liabilities under the Lease relating to the period, or accruing or arising, prior to such termination. In the event of such termination, Lessee agrees to peaceably surrender possession of the Equipment to Lessor on the date of such termination in the manner set forth in the Lease and Lessor will have all legal and equitable rights and remedies to take possession of the Equipment. Notwithstanding the foregoing, Lessee agrees (i) that it will not cancel the Lease and the Lease shall not terminate under the provisions of this section if any funds are appropriated to it, or by it, for the acquisition, retention or operation of the Equipment or other equipment or services performing functions similar to the functions of the Equipment for the fiscal period in which such termination would have otherwise occurred or for the next succeeding fiscal period, and (ii) that it will not during the Lease term give priority in the application of funds to any other functionally similar equipment or to services performing functions similar to the functions of the Equipment. This section is not intended to permit Lessee to terminate the Lease in order to purchase, lease, rent or otherwise acquire the use of any other equipment or services performing functions similar to the functions of the Equipment, and if the Lease terminates pursuant to this section, Lessee agrees that prior to the end of the fiscal period immediately following the fiscal period in which such termination occurs, it will not so purchase, lease, rent or otherwise acquire the use of any such other equipment or services.

20. Binding Effect; Successors and Assigns. This lease and each Equipment Schedule and rider hereto shall be binding upon and shall inure to the benefit of Lessor and Lessee and their respective successors and permitted assigns. All agreements and representations of Lessee contained in this Lease or in any document delivered pursuant hereto or in connection herewith shall survive the execution and delivery of this Lease and the expiration or other termination of this Lease.

21. Notices. Any notice, request or other communication to either party by the other shall be given in writing and shall be deemed received only upon the earlier of receipt or three days after mailing if mailed postage prepaid by regular mail to Lessor or Lessee, as the case may be, at the address for such party set forth in this agreement or at such changed address as may be subsequently submitted by written notice of either party.

22. Governing Law. This Lease and each Equipment Schedule and rider hereto shall be governed by and construed in accordance with the laws of the State where Lessee's principal administrative offices are located without giving effect to the conflicts of laws principles of such state.

23. Severability. In the event any one or more of the provisions of this Lease or any Equipment Schedule or rider hereto shall for any reason be prohibited or unenforceable in any jurisdiction, any such provision shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

24. Signed Counterparts. The parties agree that this Lease may be signed in counterparts, that delivery of an executed counterpart of the signature page to this Lease by fax, email or other electronic means shall be as effective as delivery of a manually executed counterpart, and any failure to deliver the original manually executed counterpart sent by fax, email or other electronic means shall not affect the validity, enforceability or binding effect of this Lease. Notwithstanding any other provision of this Lease, the sole original of this Lease shall be the Lease bearing the stamped or manually executed signature of the Lessor. The Lessee, by making any payment required under this Lease, ratifies all of the terms of this Lease/Agreement.

25. Article 2A. To the fullest extent permitted by applicable law, Lessee waives any and all rights and remedies conferred by Sections 2A-508 through 2A-522 of Article 2A of the Uniform Commercial Code in effect in the state designated in Section 22 above, except to the extent that such right or remedy is expressly granted to Lessee herein.

26. Statute of Limitations. Any action by Lessee against Lessor or Dealer for any breach or default under this Lease must be commenced within one year after the cause of action accrues.

27. Entire Agreement. This Lease and all Equipment Schedules and riders hereto constitute the entire agreement between Lessor and Lessee with respect to the subject matter hereof, and there are no agreements, representations, warranties, or understandings with respect to such subject matter except as expressly set forth herein and therein. No alternation or modification of this Lease or any Equipment Schedule or rider hereto shall be effective unless it is in writing and signed by Lessor and Lessee.

IN WITNESS WHEREOF, Lessor and Lessee have caused this Lease to be executed on the date first above written.

RECITALS

Yamaha Motor Finance Corporation, U.S.A. ("Yamaha"), located at 6555 Katella Ave, Cypress, CA 90630, seeks to provide Customer with the ability to make payments electronically through the Automated Clearing House system ("ACH System") to the Account, as defined below, in satisfaction of Customer's payment obligations to Yamaha and Customer desires to use the ACH System to transfer funds from the Account, as defined below, to Yamaha in satisfaction of its payment obligations in accordance with the terms set forth below.

NOW, THEREFORE, in consideration of the promises and the mutual covenants herein contained and other good and valuable consideration, receipt and sufficiency of which the parties hereto acknowledge, it is hereby agreed as follows:

1. **Customer's Account.** Customer shall complete the attached Authorization Agreement for Direct Payments form ("Application"), and allow Yamaha to initiate debit entries through the ACH System to Customer's Account, as defined below, to collect amounts owed by Customer to Yamaha. Customer shall provide certain information required by the Application, including information regarding Customer's bank and bank account (the "Account") through which Yamaha will initiate the debit entries authorized pursuant to this Agreement. Customer will immediately complete and deliver to Yamaha an updated Authorization Agreement from time to time if any information regarding the Account is changed or is inaccurate. Yamaha will thereupon enter such new information regarding the Account into the ACH System. Customer will execute such agreements that are required by Customer's bank to allow Yamaha to initiate the debit entries to Account, and to receive the corresponding payments.
2. **Authorization for ACH Payment.** By entering into this Agreement, Customer irrevocably authorizes Yamaha during the term of their Equipment Schedule, to initiate debit entries through the ACH System to the Account to pay Customer's obligations, and to take possession of funds in the Account for application to such obligations. If a Customer's debit transaction is rejected by the Customer's bank for reasons such as non-sufficient funds, Yamaha shall have the right to charge Customer's Account a fee of Fifty Dollars (\$50) to cover administrative costs associated with the rejected payment.
3. **Limitation of Liability for ACH System.** Yamaha will not be liable for the act or omission of any Automated Clearing House, financial institution, or any person who has obtained unauthorized access to the ACH System. Customer acknowledges that if any error occurs in the ACH System debiting process, and Customer will immediately notify Yamaha if the amount of any debit entry which Yamaha initiates exceeds the amount owed by Customer. Customer agrees, however, that Yamaha's liability for any such error will be limited to a credit by Yamaha to the Account in the amount of the entry which exceeds the amount owed by Customer, and in no event will Yamaha be liable to Customer for any consequential, special or incidental damages.
4. **Notices.** Any written notice or other written communication required or permitted to be given under this Agreement shall be delivered, or sent by United States certified mail, return receipt requested, to Yamaha unless another address is substituted by notice delivered or sent as provided herein. Any such notice will be deemed given when received.
5. **Termination.** This agreement, if required by Yamaha as a credit condition of the account, will only be terminated at the end of the term of the Equipment Schedule or after all payments on the Equipment Schedule have been satisfied. If not a credit condition requirement, Yamaha or Customer may terminate this agreement at any time by giving thirty (30) days prior written notice to the other party.
6. **Governing Law.** This Agreement shall be governed by and construed in accordance with the laws of the State of California without regard to conflicts of law principles thereof. Any disputes, claims and controversies arising out of or directly or indirectly relating to this Agreement, or the breach, invalidity or termination thereof, shall be settled by binding arbitration to be held in Orange County, California.
7. **Entire Agreement.** This Agreement embodies the entire agreement of the parties with respect to the subject matter hereof, and supersedes all previous negotiations, representations, and agreements with respect hereto, and shall be binding upon the parties hereto. This Agreement may be amended only by a writing signed by both parties. In the event that any provision of this Agreement shall be held invalid, illegal or otherwise unenforceable for any reason in any jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations, or of any such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby. Customer cannot assign this Agreement without Yamaha's prior written consent. Headings are used for reference purposes only, and are not part of this Agreement. The failure by either party to enforce or take advantage of any provision hereof shall not constitute a waiver of the right subsequently to enforce or take advantage of such provisions. The parties may rely on any facsimile copy, electronic data transmission or electronic data storage of this Agreement, which will be deemed an original, and the best evidence thereof, for all purposes.

Mr. Aagard presented proposed amendments to Tooele City Code 7-1-5 (Definitions) and Tables 1, 2, and 3 of Tooele City Code 7-14 (Residential Zoning Districts) to clarify regulations for duplexes, townhomes, and condominiums. The amendments aimed to address inconsistencies in ordinances, particularly for twin homes and zero lot line development, without introducing new land uses. Mr. Aagard proposed adding definitions for duplexes (two-family dwellings on one shared lot) and twin homes (two-family dwellings with a property line dividing the structure into two privately owned units), classifying twin homes as two-family dwellings. He suggested making condominiums a conditional use in R1-7 and R1-8 zoning districts to allow condo plats for twin homes, correcting their prior prohibition in these zones.

Additionally, he recommended removing outdated references to replaced zones in Table 2, specifying twin home lot sizes as equivalent to single-family lots (e.g., 7,000 sq. ft. in R1-7), and eliminating minimum lot width requirements for MR zones in Table 3, as single-family homes are no longer permitted there.

Footnotes would be added to allow zero lot line setbacks for twin homes in R1-7 and R1-8 zones. Mr. Aagard cited examples like Gossamer Place (duplexes), Porter's Place (condo plat), Shetland Meadows (twin homes under old zoning), and Par Four Estates (twin homes via PUD) to illustrate current practices.

Councilwoman Gochis appreciated the clear explanation, and Councilman Hansen confirmed townhomes are restricted to MR zones. The Council supported advancing the amendments for further review.

b. Discussion on Animal Licenses

Presented by Adrian Day, Police Chief

Police Chief Adrian Day discussed animal licensing requirements for dogs and cats, which promote responsible pet ownership and track vaccinations. Licenses, required annually and expiring December 31, cost \$10 for sterilized dogs, \$5 for sterilized cats, and \$35 for unsterilized animals, with a doubled late fee after February 28. In 2025, only 104 cats and 1,015 dogs were licensed, likely less than 10% of the pet population, with enforcement primarily occurring through stray dog incidents or bites (595 animal calls, 195 enforcement actions).

A resident suggested waiving annual licensing for chipped pets if owners verified chip registration and vaccinations yearly, a proposal Chief Day supported to ease the burden of renewals. Challenges included low compliance, difficulty enforcing cat licensing due to "community cats," and verifying rabies vaccinations.

Councilwoman Gochis suggested outreach through the city newsletter, pet groomers, and veterinarians to raise awareness, noting that online licensing was already available. Councilwoman Manzione asked if Chief Day proposed eliminating cat licensing, to which he clarified enforcement was challenging but not necessarily eliminated.

The Council supported exploring the chip-based licensing idea and requested it be brought to a future business meeting, emphasizing the importance of rabies vaccinations.

c. Budget Discussion

Presented by Shannon Wimmer, Finance Director

Ms. Wimmer presented updates to the budget since the May 7, 2025, meeting. Adjustments included transferring \$4,750 within library line items to increase cleaning from four to six days a week, moving the full \$150,000 cost of a Veterans Park restroom to the park impact fee fund, adding a restroom for Gleneagles Park, increasing wireless services for parks by \$3,000, removing \$40,000 in homeless mitigation funds, and making minor payroll adjustments for insurance changes and step increases.

Councilwoman Gochis inquired about securing future homeless mitigation funds. Mayor Winn explained that the \$40,000 grant was insufficient, as administrative costs and state requirements – such as funding a full-time officer within one mile of the homeless shelter 24/7/365, costing over \$300,000 – outweighed the benefits. She noted Tooele's Tier 2 status limited funding to 2.5%, and she was working with the Utah League of Cities and Towns to pursue Tier 1 status for higher funding. Chief Day added that local homeless individuals were often expelled from the shelter, and state requirements, like signing policy declarations, were unclear and burdensome.

Councilwoman Gochis thanked Mayor Winn, Ms. Wimmer, and HR Director Kami Perkins for presenting a balanced budget without a tax increase, commending the fair allocation of funds and the clarity of the budget book.

4. State Funded Grant Previously Funded by VOCA (Victims of Crime Act)

Presented by Velynn Matson, City Court Victim Advocate

Ms. Matson presented an update on the state-funded grant previously funded by the Victims of Crime Act (VOCA). She reported that while many cases were still progressing, a notable 2016 Tooele City homicide case recently went to trial and resulted in a guilty verdict, with sentencing expected in the fall. Ms. Matson shared crime trend data observed in her office, noting a decrease in domestic violence and aggravated assault, a steady but high rate of child sexual assault cases, and an increase in burglaries and stalking. In the past six months, her office assisted with 65 protective orders and provided emergency support services such as shelter, food, rent assistance, and transportation for victims, particularly those aged 30 to 44. She announced that a new grant cycle would begin July 1 and expressed gratitude for the Council's support. Chairman Brady and Mayor Winn thanked Ms. Matson for her work, with Mayor Winn noting that the upcoming budget included funding to expand Ms. Matson's role to full-time.

5. Ordinance 2025-10 An Ordinance of Tooele City Enacting a Temporary Land Use Regulation Amending Tooele City Code Section 7-26-3 Regarding Water Rights Exactions

Presented by Roger Baker, City Attorney

Mr. Baker presented the proposed ordinance and explained that the ordinance allowed the City Council and administration to more specifically exercise discretion when determining whether to accept water rights offered by developers. The update responded to concerns about over-appropriated water sources in eastern Tooele Valley and the difficulty in developing new water sources. The proposed changes would allow the City to reject rights that lacked demonstrable potential for development, thereby protecting the city's water system from nonviable or overlapping rights. The ordinance would remain in effect for up to six months while a permanent regulation was studied and developed.

Council members asked clarifying questions about who determined sufficiency, and Mr. Baker affirmed that the decision would ultimately rest with the Council and Mayor, advised by city staff and the Utah Division of Water Rights. Councilman Hansen voiced concern about whether rejecting rights might challenge their validity, to which Mr. Baker responded that the City was not invalidating rights but rather exercising due diligence in evaluating them.

The Council Members expressed support, viewing the ordinance as a protective measure.

Motion: Councilwoman Gochis moved to approve Ordinance 2025-10, an Ordinance of Tooele City enacting a temporary land use regulation amending Tooele City Code Section 7-26-3

regarding water rights exactions. Councilman McCall seconded the motion. The vote was as follows: Councilwoman Manzione, “Aye”; Councilwoman Gochis, “Aye”; Councilman Hansen, “Abstain”; Councilman McCall, “Aye”; Chairman Brady, “Aye”. The motion passed 4-0 with 1 abstaining.

6. Ordinance 2025-17 An Ordinance of Tooele City Amending Tooele City Code 10-2-7 Regarding Designated Truck Routes for Large Vehicles

Presented by Adrian Day, Police Chief

Police Chief Adrian Day presented Ordinance 2025-17, which amended Tooele City Code Section 10-2-7 regarding designated truck routes for large vehicles. Chief Day explained that the changes addressed problematic truck traffic by removing Pine Canyon Road and Droubay Road from the designated route list on the east side of the city, as those roads lacked suitable access and related infrastructure. The ordinance also eliminated the provision allowing the police chief to grant written exceptions, noting that Section 4 already adequately covered permissible deviations for deliveries, construction, and business access. On the west side, the ordinance clarified routing through Utah Avenue and 1100 West to prevent trucks from cutting through neighborhoods near schools. Additionally, it reclassified violations for improper parking as civil citations while maintaining Class B misdemeanors for illegal driving.

The Council had no questions, having previously reviewed the item during a work meeting.

Motion: Councilman Hansen moved to approve Ordinance 2025-17, an Ordinance of Tooele City amending Tooele City Code Section 10-2-7 regarding designated truck routes for large vehicles. Councilwoman Manzione seconded the motion. The vote was as follows: Councilwoman Manzione, “Aye”; Councilwoman Gochis, “Aye”; Councilman Hansen, “Aye”; Councilman McCall, “Aye”; Chairman Brady, “Aye”. The motion passed unanimously.

7. Resolution 2025-48 A Resolution of the Tooele City Council Amending the Tooele City Fee Schedule to Increase the Non-Resident Library Card Fee

Presented by Chase Randall, Library Director

Mr. Randall presented the resolution which proposed an increase in the non-resident library card fee from \$30 to \$40 per year. He explained that Tooele City residents receive library cards at no additional cost, funded through property taxes, while approximately 1,000 non-residents, primarily from Stansbury Park, Erda, and Grantsville, currently pay the annual fee. The fee had not been updated since 2015. Mr. Randall calculated the true per-resident cost to the City at \$32.93, indicating that residents were subsidizing non-resident access. The proposed fee adjustment was designed to eliminate that subsidy and would take effect on July 1, 2025, giving time to notify cardholders. He compared the rate to Salt Lake County's \$180 household-based model and Grantsville's \$10 fee, noting differences in service levels and collection sizes. He also highlighted the library's participation in the Beehive Library Consortium and interlibrary loan program as added value.

Council Members supported the proposal and praised the library's services.

Motion: Councilwoman Gochis moved to approve Resolution 2025-48, a Resolution of the Tooele City Council amending the Tooele City Fee Schedule to increase the non-resident library card fee. Councilwoman Manzione seconded the motion. The vote was as follows: Councilwoman Manzione, “Aye”; Councilwoman Gochis, “Aye”; Councilman Hansen, “Aye”; Councilman McCall, “Aye”; Chairman Brady, “Aye”. The motion passed unanimously.

8. **Resolution 2025-49 A Resolution of the Tooele City Council Consenting to Mayor Winn's Appointments of Denece Hall, Jesi Lloyd, and Kalani Mascherino to the Library Board of Directors**

Presented by Chase Randall, Library Director

Mr. Randall presented the proposed resolution, requesting the Council's consent to Mayor Winn's appointments of Denece Hall, Jesi Lloyd, and Kalani Mascherino to the Library Board of Directors for three-year terms. Mr. Randall explained that the board had four vacancies due to resignations and expiring terms, and the three appointees were selected from a pool of five applicants. He introduced each appointee, highlighting their community involvement and enthusiasm for the library.

Jesi Lloyd is a homeschooling mother of four with strong ties to the library and the community. Denece Hall, a long-time Tooele resident and former City employee, expressed gratitude for the opportunity to serve and give back. Kalani Mascherino has actively volunteered with the Friends of the Library and looked forward to supporting library programs and outreach.

Council Members thanked the appointees for their willingness to serve.

Motion: Councilwoman Manzione moved to approve Resolution 2025-49 consenting to Mayor Winn's appointments of Denece Hall, Jesi Lloyd, and Kalani Mascherino to the Library Board of Directors. Councilman McCall seconded the motion. The vote was as follows: Councilwoman Manzione, "Aye"; Councilwoman Gochis, "Aye"; Councilman Hansen, "Aye"; Councilman McCall, "Aye"; Chairman Brady, "Aye". The motion passed unanimously.

9. **Library Annual Report**

Presented by Chase Randall, Library Director

Mr. Randall presented the annual report for the Tooele City Library, highlighting achievements and statistics from the past fiscal year. The library maintained a physical collection of 49,282 items and offered access to 449,356 digital titles via the Libby app, along with nearly 35,000 movies and TV shows through the new Kanopy streaming service. Total library visits reached over 160,000 – an 8% increase from the previous year. The library served 9,340 cardholders, 9% of whom were non-residents. Physical checkouts totaled over 174,000, while digital checkouts exceeded 106,000, with usage trending toward a more balanced ratio.

Mr. Randall explained that a drop in the reported number of cardholders resulted from a database cleanup during the implementation of a new catalog system, which also blocked expired cardholders from using digital resources until renewing. The library filled only one staff position during the year and operated without requesting a budget increase, aside from cost-of-living adjustments. It also contributed \$10,000 in savings to the City's capital expenditures fund, due in part to reduced costs from equipment upgrades, including a new boiler. Revenue increased by approximately 10%, with projections near \$36,000.

Technology use also rose, with over 21,000 public computer and Wi-Fi sessions recorded. Program participation grew as well, with over 2.8 million minutes read in the summer reading program and nearly 1,530 participants. A total of 263 programs were held, attracting more than 14,000 attendees.

Completed projects included the new catalog system, water-wise landscaping improvements, stamped concrete installation, and boiler replacement. Mr. Randall concluded by inviting questions, and the Council expressed appreciation for his leadership and the library's continued progress.

10. Resolution 2025-50 A Resolution of the Tooele City Council Approving an Agreement with SKM for SCADA System Design Work at the Water Reclamation Facility

Presented by Jamie Grandpre, Public Works Director

Mr. Grandpre presented Resolution 2025-50, which approved an agreement with SKM for SCADA system design work at the Water Reclamation Facility. He explained that the \$36,000 not-to-exceed contract would fund design services for the SCADA (Supervisory Control and Data Acquisition) system and electrical instrumentation and controls as part of the facility's Phase One upgrade project. The scope of work would focus primarily on ultraviolet (UV) system improvements. Mr. Grandpre noted that SKM would bill based on actual work performed, up to the contract limit. There were no questions from the Council.

Motion: Councilman Hansen moved to approve Resolution 2025-50, a resolution of the Tooele City Council approving an agreement with SKM for SCADA system design work at the Water Reclamation Facility. Councilman McCall seconded the motion. The vote was as follows: Councilwoman Manzione, "Aye"; Councilwoman Gochis, "Aye"; Councilman Hansen, "Aye"; Councilman McCall, "Aye"; Chairman Brady, "Aye". The motion passed unanimously.

11. Resolution 2025-47 A Resolution of the Tooele City Council Declaring Surplus Certain Technology-Related Equipment, and Authorizing its Disposal

Presented by Michelle Pitt, City Recorder

Ms. Pitt presented the resolution and requested the Council to declare certain technology-related equipment from the police department's IT division as surplus. She explained that the items had exceeded their useful life and no longer met the city's technology needs. In accordance with city policy, the equipment had been retained as long as possible to salvage usable parts, and the City would now seek to recycle as many of the items as feasible. There were no questions from the Council.

Motion: Council Member McCall moved to approve Resolution 2025-47, a Resolution of Tooele City Council declaring surplus certain technology related equipment and authorizing its disposal. Councilwoman Manzione seconded the motion.
