Subject: Signer Changes

Hi Ronni!

The documentation that we need to change signers on the bank accounts is Meeting Minutes. The meeting minutes should state what changes need to be made to the bank accounts and should include the following:

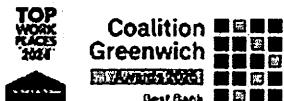

Name of the organization
Date
Contact information
Names & titles of officers
Signature(s) if there is a designated space for signature(s) on the minutes.

Also, will you give me a call when you are free? There is just some more basic information I need to make the changes to program administrators for the credit cards.

Thanks!
