New Business for the Board

The District has received a few calls about mosquito activity, however it is still too cool in the overnight hours for the treatment to work. Kay has explained this to the callers.

Old Business for the Board

Kay stated the side by sides have still not come in. In checking with the dealer and other dealers it was discovered he would not be able to get Honda side by side 500's. Hondas run on a transmission not a belt, this is best given that they are in the swampy areas a lot. He and Garrold will be picking up three (3) Rubicon 550 four-wheelers tomorrow.

Kay has hired two summer employees, they will start as soon as school is out for the summer. An employee from previous year(s) will be back as well. Still looking to hire a few more.

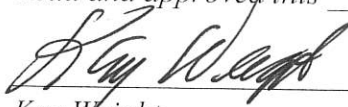

Comments or Concerns

None.

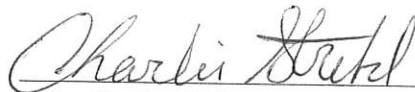

Adjourn

Tracy Kilian motioned to adjourn the meeting at 7:42 P.M.
