- G. School Volunteers (re: bringing younger kids with them): (For lunch, the Health Department won't allow non-workers in the kitchen which is why we told parents that they can't bring kids. On Field trips, it is a safety issue since parents are assigned students to supervise and if they have little siblings, that is often a problem. Teachers do not like having siblings in the hallways or classrooms when parents are helping out because it is too much a distraction. I don't know if we want to add this to policy, but maybe it needs to be communicated out to parents so people don't assume it's just the office's opinion.)
