She also confirmed for the councilmember that although it was sent to the state auditor it had nothing to do with a draft report that had been sent to the city from the auditor's office.

### 4. WORK SESSION

### 4.1. FY26 Budget Discussion

Reminder to Council to continue to review FY26 Budget

City Manager Eric Ellis explained that this was a reminder to the council that final adoption of the Fiscal Year 2026 budget would be later in the month. He reminded the council to send any questions they may still have to staff.

### 5. PUBLIC COMMENTS

Deputy Recorder Tony Lara read a comment that had been provided by resident Tyler Haroldsen.

Daria Evans, living in The Villas subdivision, commented that she was pleased with the turnout for Vineyard Days as well as for senior pickleball. She wanted to know more about the wood wall near the Frontrunner station. She also wanted to know the status of the proposed climbing gym as well as the estimated completion date on the repair work being done on Main Street. Lastly, she wanted to know how many acre/feet of water is being purchased with the 7 water shares that were mentioned at the last council meeting.

Mr. Ellis explained that the wall was intended to provide marketing space for Utah City development to advertise upcoming projects. He shared that there was a pause on the climbing gym and so there was no estimated date to be given on completion of that project. Lastly, he confirmed that the expected completion of the work on Main Street is June 22<sup>nd</sup>. He gave an answer to the water shares question later in the meeting.

Keith Vincent, living in The Villas Subdivision, asked for clarification on the status of the money allocated to the city hall project. He wanted to know if that money could be reallocated to a different project. He stated that some of the line items were being transferred from one fund to another and that they were being used to cover deficits in those funds. He did not state which funds he was referring to or what deficits he believed there were.

 Ms. Bayles explained state limits on surpluses in the general fund and how it is related to transfers into capital projects.

Orem Resident John Barrick questioned the accuracy of the Fraud Risk Assessment and wanted to know if it applied to the Redevelopment Agency (RDA) as well. He asked if either the RDA or the city sent out legal analysis without consulting with the city attorney. He commented on what he saw as inaccuracies in a draft response to questions he had emailed the board previously. He accused the board of sending out "fake" legal advice.

City Attorney Jayme Blakesley asked for clarification on which document Mr. Barrick was referring to. Mayor Pro Tempore Cameron explained that there would be an RDA meeting immediately following the city council meeting and that those questions would be answered then.

Claudia Lauret, living on Holdaway Road, wanted to know if the city budgeted for ongoing maintenance cost and future transportation issues, referencing comments made by Mr. Haroldsen earlier.

Karen Cornelius, living in The Villas Subdivision, had questions regarding the impact the RDA's tax increment collection would have on the newly formed school district in light of the dissolution of the Alpine School District. She was concerned that it would take money away from schools.

Councilmember Sifuentes commented that although the district would be split it would also be covering a smaller area and therefore the situation described by Ms. Cornelius, of the same tax burden now being shared by a smaller number of cities was incorrect. She also commented that the benefit of the RDA was that it was creating value in land that previously would not have had value and so in the long run it was benefiting the Alpine School District and would continue to benefit the newly formed smaller district as well.

Mr. Vincent asked for clarification on the RDA meeting that would be held and wanted to confirm the questions raised during public comment would be answered.

### 6. MAYOR AND COUNCILMEMBERS' REPORTS/DISCLOSURES/RECUSALS

Councilmember Holdaway asked for clarification on the existence of a maximum collection limit for the RDA. He also asked for clarification on the use of RDA funds for Sage Consulting and wanted to know if the firm had been involved in helping to pass legislation that allowed the RDA to extend its collection period for an additional 25 years.

Councilmember Clawson expressed his gratitude to the City Council and staff for how quickly they moved to address resident concerns regarding the speed limit in the LeCheminant area.

Councilmember Sifuentes thanked staff for all their hard work on Vineyard Days celebration events. She reported that the interlocal meetings regarding the school district were going well. Additionally, she felt that economic development was going well and that she was excited by what she was seeing.

### VINEYARD CITY COUNCIL STAFF REPORT

Meeting Date: June 25, 2025

Agenda Item: Caterpillar Backhoe Lease Agreement

**Department:** Public Works **Presenter:** Naseem Ghandour

### **Background/Discussion:**

The City's current lease for a 2025 Caterpillar 420 XE IT Backhoe Loader is concluding. Staff have solicited updated lease options from both Unified Fleet Services and Caterpillar/Wheeler Machinery to replace the expiring lease and continue providing essential heavy equipment for public works operations.

### **Unified Fleet Services Proposal:**

A 3-year lease with annual payments of \$30,217 and an optional buyout of \$100,000 at the end of the term. The proposal estimates a \$10,000 equity at lease-end, but equity is not credited if the City chooses to buy out the equipment.

### **Caterpillar/Wheeler Machinery Proposal:**

A 5-year lease-purchase with annual payments of \$26,975.28. At the end of the lease, the City assumes full ownership of the equipment, incurring no additional costs beyond the final yearly payment. This lease includes an extended warranty and leverages state contract pricing under MA3383.

City staff reviewed updated options and received a competitive proposal from Wheeler Machinery, offering the same model backhoe through a 5-year lease-purchase agreement directly with Caterpillar Financial. This structure provides a clear path to ownership, including extended warranty coverage, local service support, and cost savings throughout the equipment's lifecycle.

Vineyard City received two backhoe lease proposals. Unified Fleet Services offered a 3-year lease with a \$100,000 buyout, totaling approximately \$190,651 with no equity credit or warranty details. Caterpillar/Wheeler Machinery proposed a 5-year lease-purchase with full ownership, extended warranty, and a total cost of \$161,851.68. The Caterpillar option is the more cost-effective and is recommended.

### **Fiscal Impact:**

\$26,975.28 per year. \$161,851.68 at the end of 5 years. Funds are accounted for in the city budget.

### **Recommendation:**

Staff recommends that the City Council authorize the City Manager to execute a lease-purchase agreement with Caterpillar Financial, through Wheeler Machinery, for a 2025 Caterpillar 420 XE IT Backhoe Loader, per the June 25, 2025, quote.

### **Sample Motion:**

### WITNESSETH:

WHEREAS, the CITY has previously appointed the Utah County Sheriff as a marshal or ex-officio Chief of Police, does not presently have a police force or any law enforcement officers, and desires to contract with the COUNTY for the purpose of authorizing and appointing the Utah County Sheriff and his deputies as the Police Force for the CITY; and

WHEREAS, the COUNTY has an established Sheriff's Office complete with physical plant, equipment, administration, and personnel, to handle the needs of the CITY; and

WHEREAS, the CITY and the COUNTY desire to save taxpayer money while providing police protection to the CITY through mutual cooperation; and

WHEREAS, the COUNTY is agreeable to rendering such services on the terms and conditions hereinafter set forth;

**NOW, THEREFORE**, based on the mutual consideration contained herein, the sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

### **Section 1. EFFECTIVE DATE; DURATION.**

This Interlocal Cooperation Agreement shall enter into force, within the meaning of the Interlocal Cooperation Act, upon the submission of this Interlocal Cooperation Agreement to, and the approval and execution hereof by the governing bodies of the COUNTY and the CITY. This Interlocal Cooperation Agreement shall commence July 1, 2025, and terminate June 30, 2028. Thereafter, this AGREEMENT shall automatically renew for a four-year term terminating June 30, 2031, pursuant to the terms stated herein, unless either party notifies the other in writing that it does not intend to renew at least one year prior to the end of the initial term.

The prior agreement between the parties for law enforcement services, Agreement 2020-1075 dated December 16, 2020, will terminate effective at midnight June 30, 2025, upon the execution of this agreement by the parties.

### Section 2. ADMINISTRATION OF INTERLOCAL COOPERATION AGREEMENT.

The COUNTY and the CITY do not contemplate nor intend to establish a separate legal or administrative entity under the terms of this Interlocal Cooperation Agreement. The COUNTY

and the CITY agree that, pursuant to Section 11-13-207, Utah Code Annotated, 1953, as amended, the governing body of the COUNTY shall act as the administrator responsible for the administration of this Interlocal Cooperation Agreement. The parties further agree that this Interlocal Cooperation Agreement does not anticipate nor provide for any organizational changes in the parties. The COUNTY agrees to keep all books and records in such form and manner as the County Auditor shall specify and further agrees that said books and records shall be open for examination by CITY at reasonable times. All records created or received by the COUNTY in the performance of this AGREEMENT shall be COUNTY records and shall be made available to CITY officials on reasonable notice during business hours. The parties agree that no joint real or personal property will be acquired, held, or disposed of as part of this AGREEMENT, provided however, that the CITY will furnish suitable office space for the use of COUNTY deputy sheriffs, office specialists, and other support staff assigned to work in the CITY as provided in Section 3 below. COUNTY deputy sheriffs, office specialists, and support staff are the employees of, and under the supervision and control of COUNTY. CITY shall provide all maintenance, repair, janitor services, phone, utilities and building improvements for the office space.

### Section 3. PURPOSES AND DESCRIPTION OF SERVICES.

This Interlocal Cooperation Agreement has been established and entered into between the COUNTY and the CITY for the purpose of providing law enforcement services to the CITY by deputies of the Utah County Sheriff's Office. The COUNTY agrees to provide law enforcement by and through the Utah County Sheriff's Office for and on behalf of the CITY. The Utah County Sheriff is hereby appointed as the Chief of Police of the CITY pursuant to Sections 10-3-918 and 10-3-913, Utah Code Annotated, 1953, as amended, and his deputy sheriffs shall be deemed to be

police officers of the CITY pursuant to Sections 10-3-918, 10-3-919, 10-3-914, and 10-3-915, Utah Code Annotated, 1953, as amended during the initial and renewal terms of this AGREEMENT.

To provide law enforcement services to CITY, COUNTY currently provides CITY with full-time deputies plus office specialists and support staff as indicated in the attached staffing plan. The staffing plan shall provide sufficient personnel, including but not limited to supervisors, deputies, detectives, school resource officers and office staff, to ensure the needs of the CITY and its residents are being met, and the personnel are able to carry out their duties in a safe and efficient manner. COUNTY will provide personnel per the staffing plan (collectively referred to hereafter as "Deputy Services"). COUNTY will consult with CITY prior to final assignment of full-time deputies to provide law enforcement services to CITY.

During the initial and renewal terms, at the request of CITY, and as funds are available to CITY as determined by CITY in its sole discretion, COUNTY will provide additional personnel and support services, including, but not limited to, upgraded technology and software, as requested by CITY ("Additional Services") and the staffing plan will be amended accordingly as provided in Section 11 below. COUNTY will consult with CITY prior to acquiring Additional Services and final assignment of full-time deputies to provide law enforcement services to CITY.

### **Section 4. MANNER OF FINANCING.**

Prior to the commencement of the initial, and renewal terms, COUNTY shall document and verify the cost of Deputy Services including but not limited to salary, benefits, overtime, equipment, overhead, and other associated costs, including, but not limited to, software, and insurance reimbursement costs per Section 9, hereinafter the "Cost", and provide the same to

CITY. The Cost shall not include overtime, on-call, support technology, and other law enforcement services (by way of example, Utah County Major Crimes Task Force dues, Flock Safety) provided to CITY which are calculated, billed, and paid separately by CITY.

COUNTY agrees to notify CITY of the Cost by May 1<sup>st</sup>, for the renewal term commencing July 1<sup>st</sup>. The Cost established at the beginning of the initial and renewal terms shall automatically increase 4% per year on July 1<sup>st</sup> of each contract year. COUNTY will bill CITY monthly for the Cost. Within 30 days of billing from COUNTY, the CITY shall pay the Cost to the COUNTY. Any billing amounts which remain unpaid in full more than 30 days from billing shall bear interest at 12% per annum until paid in full. Should the cost of Deputy Services increase by more than 4% but less than 6% in any given year, COUNTY may notify the CITY and CITY may object, in writing, to the increase over 4% within 30 days of notification. If CITY agrees or does not object to the increase over 4% within 30 days, the increase will be included in the Costs of this agreement at the start of the next fiscal year.

The cost of Additional Services added during the initial or renewal terms shall apply at the time the Additional Services are provided, and the Cost of the Deputy Services shall increase accordingly. The increased cost of the Deputy Services shall then be used to determine the yearly automatic increase.

Additional law enforcement expenses incurred by COUNTY as a result of federal or state statute or regulation will be added to the Cost of the Deputy Services which shall be increased accordingly.

COUNTY shall attempt to limit overtime costs; however, COUNTY will bill CITY for overtime costs monthly as they are incurred. If COUNTY anticipates that the overtime costs for

any month will exceed 7% of the Cost for the month, COUNTY shall notify CITY as soon as possible of the estimated overtime costs and the reason(s) for the anticipated overtime costs. COUNTY shall also provide a detailed description of the overtime costs for any month if requested by CITY.

### Section 5. TERMINATION.

A. <u>Voluntary</u>. Either party shall have the right at any time after the effective date of this AGREEMENT to terminate this AGREEMENT without cause by giving the other party one year's notice in writing by registered mail, return receipt requested. If notice is given, this AGREEMENT shall terminate upon the expiration of one year from the receipt of the notice and the liability of the parties hereunder for the further performance of the terms of this AGREEMENT shall thereupon cease, but neither party shall be relieved of the duty to perform their obligations up to the date of termination.

B. <u>Breach.</u> In the event that either party deems the other to be in breach of any provision hereof, the party claiming the existence of the breach on the other's part shall notify the other in writing of such claimed breach. The alleged breaching party shall have fifteen (15) days in which to commence all actions necessary to cure the alleged breach and shall notify the complaining party in writing of the actions taken to cure the alleged breach. In the event the actions reasonably necessary to cure the alleged breach are not commenced in a timely manner, the complaining party may terminate this Agreement.

### **Section 6. SUPPLIES AND EQUIPMENT**

COUNTY and/or CITY may provide such office equipment (telephones. desks, chairs, etc.) and supplies as they deem necessary or desirable for the office specialists and support staff.

Office equipment provided by either party to this AGREEMENT shall remain the property of the party providing the office equipment.

COUNTY agrees to purchase the necessary equipment for Deputy and Additional Services funded by CITY, including but not limited to vehicles, radios, and computers. As part of the Cost established by this AGREEMENT, CITY will repay the initial costs of the above equipment at the established depreciation terms for each item as established in the yearly budget. Large equipment items, such as vehicles and computers, shall remain assigned to the CITY, regardless of personnel changes. At the end of the depreciation period for CITY assigned equipment, or such longer period memorialized in writing by the Sheriff and CITY, COUNTY shall sell at auction the equipment pursuant to COUNTY'S policies and procedures. The revenue generated by said sales will be paid to the CITY, or deducted from the Costs, within 30 days of receipt of said revenue. Should COUNTY desire to retain any CITY assigned equipment after the established depreciation period, COUNTY shall pay CITY the fair market value of said equipment.

Upon termination of the AGREEMENT for any reason prior to the end of the initial or renewal term, the equipment shall be disposed of in the following order:

- a. Fully depreciated equipment shall be transferred to CITY.
- b. COUNTY shall transfer to CITY any partially depreciated equipment upon CITY's payment of the remaining depreciation of the equipment to COUNTY.
- c. COUNTY may retain any remaining equipment by paying CITY the lesser of the fair market value of the equipment as of the date of termination or the depreciation of the equipment paid by CITY to COUNTY during the initial or renewal term of this AGREEMENT.

d. Any remaining partially depreciated equipment shall be sold at auction by COUNTY pursuant to COUNTY's policies and procedures. The proceeds of the sale of the equipment shall be divided by the parties based on the percentage of paid depreciation (CITY percentage - paid depreciation divided by total depreciation times sale price) and unpaid depreciation (COUNTY percentage - unpaid depreciation divided by total depreciation times sale price) after deducting the reasonable costs of sale from the sale price.

e. Any equipment which has not been depreciated and for which CITY has paid as part of the Cost, shall become CITY equipment upon termination of the AGREEMENT.

### Section 7. REFERENCE TO JUSTICE COURT.

Subject to prosecutor discretion, County shall prosecute class B and class C misdemeanor citations and complaints and egregious CITY criminal ordinance violators arising in CITY which CITY refers to the Utah County Justice Court in Provo, Utah until such time as CITY provides or arranges for an alternative CITY prosecutor or refers CITY citations and complaints to another justice court. COUNTY shall have no obligation to prosecute the above CITY misdemeanors or criminal ordinances if prosecution conflicts with the Rules of Professional Responsibility, statutory county attorney duties and obligations, any other rule, law, or regulation applicable to county attorneys or the practice of law or is contrary to the exercise of prosecutorial discretion.

### **Section 8. INDEMNIFICATION.**

Each party shall indemnify and save harmless the other, its officers, volunteers, agents and employees from all suits, actions, or claims of any character related in any manner to injuries or damage received or sustained by any person, persons, or property arising out of a party's acts or omissions related in any manner to the performance of this AGREEMENT by either party. A party

shall not indemnify the other for intentional torts committed by the other's officers, volunteers, agents, or employees. No third party is intended by the parties to be benefitted by the indemnification or any other provision of this AGREEMENT. Nothing contained herein shall be interpreted as a waiver by COUNTY or CITY of the protections and immunities contained in the Governmental Immunity Act of Utah, UCA 63G-7-101 et. seq, or a successor statute, including the liability limits contained therein.

### **Section 9. INSURANCE**

The parties shall carry commercial general liability insurance in the minimum amount of the liability limits stated in the Governmental Immunity Act of Utah, UCA 63G-7-101 *et. seq.*, or a successor statute, to insure against loss or liability arising out of a party's performance of this AGREEMENT. In exchange for the mutual indemnification above, COUNTY maintaining this insurance coverage, COUNTY's exposure to liability for law enforcement within CITY limits and COUNTY's provision of services under this AGREEMENT on a reimbursement basis, CITY shall pay COUNTY said insurance costs as calculated in the Costs to offset the cost of COUNTY providing this insurance coverage. COUNTY's provision of insurance shall not be construed to be an indemnification or hold harmless of CITY. In the event of a claim against CITY or COUNTY arising out of either party's performance under this AGREEMENT, each party shall maintain their own defense in any action in which they are a party.

### Section 10. FILING OF INTERLOCAL COOPERATION AGREEMENT.

Executed copies of this Interlocal Cooperation Agreement shall be placed on file in the office of the County Clerk of Utah County and with the CITY Recorder and shall remain on file for public inspection during the term of this Interlocal Cooperation Agreement.

### **Section 11. AMENDMENTS.**

This Interlocal Cooperation Agreement may not be amended, changed, modified or altered except by an instrument in writing which shall be (a) executed by a duly authorized official of each of the parties, (b) submitted to and approved by an Authorized Attorney as required by Section 11-13-202.5(3), Utah Code Annotated, 1953, as amended, and (c) filed in the official records of each party.

### Section 12. SEVERABILITY.

If any term or provision of this AGREEMENT or the application thereof shall to any extent be invalid or unenforceable, the remainder of this AGREEMENT, or the application of such term or provision to circumstances other than those with respect to which it is invalid or unenforceable, shall not be affected thereby, and shall be enforced to the extent permitted by law. To the extent permitted by applicable law, the parties hereby waive any provision of law which would render any of the terms of this AGREEMENT unenforceable.

### Section 13. GOVERNING LAW.

All questions with respect to the construction of this Interlocal Cooperation Agreement, and the rights and liability of the parties hereto, shall be governed by the laws of the State of Utah.

### **Section 14. PRIOR AGREEMENTS**

This is the entire AGREEMENT between the parties. From the commencement of services under this AGREEMENT, all prior agreements between the parties for the provision of law enforcement services to CITY by COUNTY are terminated, superseded, and replaced. However, services rendered under the prior agreement are governed by and subject to the terms and conditions of the prior agreement until the commencement of services under this AGREEMENT.

The parties hereto waive and disclaim any interest in prosecution costs and the citation credit from prior agreements.

#### VINEYARD CITY COUNCIL STAFF REPORT

Meeting Date: June 25, 2025

**Agenda Item:** Interlocal Agreement with Orem for Emergency Water (Resolution 2025-35)

**Department:** Public Works **Presenter:** Devan Peterson

#### **Background/Discussion:**

Since 1989, Vineyard City has relied on a series of agreements with Orem for water delivery. The 2011 agreement and 2013 memorandum supported limited wholesale and retail water services to Vineyard. The new 2025 Amended Interlocal Agreement limits Orem's water support to emergency wholesale supply only, ending regular retail and wholesale provision with the exception of one remaining retail connection at 720 South and Geneva Road until Vineyard water infrastructure reaches that property.

This agreement supports Vineyard's strategic shift to Central Utah Water Conservancy District (CUWCD) while preserving backup supply capacity and reinforces regional collaboration for emergency resilience.

### **KEY TERMS OF AGREEMENT**

**Emergency-Only Wholesale Water Service:** Vineyard may access Orem water during emergency events via two existing metered interconnections.

**Use:** Use is subject to written request and approval by the Orem Public Works Director. Non-emergency connections without prior authorization are subject to a \$1,000/day fine.

#### Costs:

- 1. **Water Rate:** Vineyard pays the same rate as its CUWCD CWP (Central Water Project) rate for any water delivered.
- 2. **Maintenance & Repairs:** Vineyard reimburses Orem for all direct costs associated with maintenance of the metered connections and backflow equipment (materials, labor, contractor fees, equipment usage).
- 3. **Administrative Fee:** 17% markup on all reimbursable charges to cover administrative, legal, and supervisory overhead.
- 4. **Late Payments:** Subject to 12% annual interest; nonpayment may result in termination of the agreement.

### **Infrastructure Maintenance:**

- 1. Orem maintains meters and backflow prevention assemblies.
- 2. Annual inspection and biannual calibration are required.
- 3. Reports are shared with Vineyard by April 30 each year.

**Retail Service Exception:** Orem will continue service only to the Geneva Road parcel until Vineyard infrastructure is within 300 feet, at which point the parcel must connect to the Vineyard Water System within one year.

**Term:** Agreement is effective through June 30, 2050, with early termination options available with notice.

This agreement secures emergency-only wholesale water access through two existing interconnections. It replaces prior agreements to align with Vineyard's transition to primary water service from the Central Utah Water Conservancy District (CUWCD) beginning July 1,

### **Fiscal Impact:**

Funding for emergency water purchases will be drawn from the Water Enterprise Fund. This agreement is structured to provide cost-effective water supply support while minimizing capital expenditure on redundant infrastructure.

### **Recommendation:**

Staff recommends the City Council approve the Interlocal Agreement with Orem City for emergency water supply and authorize the Mayor to sign the agreement.

### **Sample Motion:**

#### **AMENDED INTERLOCAL AGREEMENT 2025**

(Orem/Vineyard Water Services)

This Amended Interlocal Agreement 2025 (the "Amended Interlocal Agreement") is made and entered into this \_\_\_\_\_\_ day of June, 2025 ("Effective Date") by and among the City of Orem, a municipal corporation and political subdivision of the State of Utah with its principal offices located at 56 North State Street, Orem, Utah 84057 (hereinafter referred to as "Orem"), the Metropolitan Water District of Orem, a Utah corporation with its principal offices located at 1450 West 550 North, Orem, Utah 84057 (hereinafter referred to as "Metro"), and the City of Vineyard, a municipal corporation and political subdivision of the State of Utah with its principal offices located at 125 South Main Street, Vineyard, Utah 84059 (hereinafter referred to as "Vineyard").

### **Background to Amended Interlocal Agreement 2025**

Since 1989, Orem, Metro and Vineyard have executed several interlocal agreements and a memorandum of understanding regarding Orem's provision of water services to Vineyard. The most recent interlocal agreement was the amended interlocal agreement dated June 28, 2011 ("2011 Agreement"). The memorandum of understanding is dated October 1, 2013 ("2013 Memorandum"). The 2011 agreement and the 2013 memorandum established comprehensive terms governing Orem and Metro's provision of wholesale water and limited retail water services to designated areas in Vineyard for a defined period. Orem, Metro, and Vineyard now wish to amend the 2011 Agreement to clarify that Orem will only provide wholesale water to Vineyard on an emergency basis. Orem and Metro will not provide Vineyard with retail water. However, Orem will continue to provide individual retail water customers in Vineyard currently serviced by Orem with retail water until Vineyard can provide water to these properties.

### **RECITALS**

WHEREAS, Orem operates a culinary water delivery system (the "Orem Water System"); and

WHEREAS, Vineyard will begin receiving wholesale water from the Central Utah Water Conservancy District ("CUWCD") on July 1, 2025; and

WHEREAS, Vineyard desires to have Orem provide it with wholesale water only

during an emergency; and

WHEREAS, Orem and Metro will no longer provide Vineyard with wholesale water; and

WHEREAS, Orem and Metro have a good working relationship and have historically worked together in providing water services to residents and businesses in the City of Orem; and

WHEREAS, Orem and Metro desire to continue working together to provide water to Vineyard pursuant to this Amended Interlocal Agreement; and

WHEREAS, U.C.A. §10-8-14(2)(d) provides that cities may sell and deliver water "not required by the city or the city's inhabitants, to others beyond the limits of the city ..."; and

WHEREAS, Orem, Metro and Vineyard desire to enter into this Amended Interlocal Agreement which sets forth new terms and conditions under which Orem and Metro will provide culinary wholesale water service on an emergency basis to Vineyard; and

WHEREAS, Orem and Metro have studied and reviewed their current and future water resources, have considered the current and future needs of Orem water users, and have determined that they will have the ability to provide water to Vineyard pursuant to this Amended Interlocal Agreement; and

WHEREAS, it is the express intent of the Orem City Council and of the parties to this Amended Interlocal Agreement that (1) current and future water users in Orem will not be harmed or jeopardized by Orem and Metro's provision of water to Vineyard pursuant to this Amended Interlocal Agreement, and (2) Orem will not in any way subsidize water service to Vineyard, but will be fully reimbursed and compensated for providing water to Vineyard on an emergency basis; and

WHEREAS, Orem, Metro and Vineyard have each adopted resolutions authorizing their respective mayors or chairs to sign and enter into this Amended Interlocal Agreement.

#### **COVENANTS**

NOW, THEREFORE, in consideration of the covenants and promises contained herein, and for other good and valuable consideration, the receipt of which is hereby acknowledged, Orem, Metro and Vineyard hereby agree and covenant as follows:

#### 1. INTRODUCTION.

- 1.1. **Purposes of Amended Interlocal Agreement.** The purposes of this Amended Interlocal Agreement are as follows:
  - 1.1.1. **Water service.** To provide Vineyard with water services on an emergency basis.
  - 1.1.2. **Fair compensation.** To provide Orem with fair compensation for water services rendered to Vineyard.
  - 1.1.3. **Reduce Conflict.** To reduce the possibility of future conflicts and disputes between the parties by detailing the services that Orem and Metro will provide to Vineyard, specifying the amount that Vineyard will pay Orem, and outlining the respective rights and obligations of the parties.
  - 1.1.4. **Remedies.** To provide specific remedies for failure to perform pursuant to this Amended Interlocal Agreement.
- 1.2. **<u>Definitions.</u>** The following definitions shall apply to this Amended Interlocal Agreement:
  - 1.2.1. "Actual Hourly Rate" means the total salary and benefits that Orem pays a given employee, calculated as an hourly rate. Salary and benefits mean the dollar value of every financial remuneration or benefit that Orem pays or sets aside for its employees, including salary, wages, overtime, comp time, health insurance, life insurance, State retirement, alternate retirement, deferred compensation, Medicare, Social Security, long- and short-term disability, unemployment, vacation, sick leave, and holiday pay. The intent of this definition is to be all- inclusive; any type of employee compensation inadvertently left out of this definition shall be included in the Actual Hourly Rate. The Actual Hourly Rate for a given employee shall change as the employee's salary and benefits change and may even change part way through Orem's fiscal year.

### 1.3. **Term.**

- 1.3.1. **Term.** The term ("Term") of this Amended Interlocal Agreement shall begin on the date that all parties have signed the Interlocal Agreement and shall end on June 30, 2050. This Amended Interlocal Agreement may be terminated before the end of the Term only as provided for in this Amended Interlocal Agreement.
- 1.3.2. **Termination Prior to the Expiration of the Term.** Either party may terminate this Amended Interlocal Agreement prior to the expiration of the Term, without penalty provided that the terminating party gives 30 days written notice of such termination to the other party as required by section

- 4.15 herein.
- 1.3.3. **Enforcement After Termination.** Any outstanding obligations, such as the obligation to make payments pursuant to this Amended Interlocal Agreement, may be contractually enforced after the expiration of the Term or after termination of this Amended Interlocal Agreement.
- 1.3.4. **Previous Agreements.** This Amended Interlocal Agreement supersedes and replaces the 2011 Agreement and all other agreements relating to Orem and Metro providing water to Vineyard.
- 1.4. **Interlocal Co-operation Act.** The following provisions are included in this Amended Interlocal Agreement to comply with the requirements of the Interlocal Co-operation Act:
  - 1.4.1. **No Separate Entity.** This Amended Interlocal Agreement does not establish a separate legal or administrative entity.
  - 1.4.2. **No Separate Budget.** There shall not be a separate budget to carry out the terms of this Amended Interlocal Agreement, but each party shall fund and pay for its respective responsibilities pursuant to this Amended Interlocal Agreement.
  - 1.4.3. **Filing.** Orem, Metro and Vineyard shall each immediately file a copy of this Amended Interlocal Agreement with the keeper of the records for their respective entities.
  - 1.4.4. **Joint Board.** The parties hereby establish a joint board to administer this co-operative undertaking. The board shall consist of three (3) members. Orem shall appoint one (1) board member, Metro shall appoint one (1) board member, and Vineyard shall appoint one (1) board member. Each party shall designate its board member(s) in writing to the other parties. A party may change its board member(s) at any time. The joint board shall meet as necessary to discuss the implementation of this Amended Interlocal Agreement and to attempt to resolve any disputes related to this Amended Interlocal Agreement.
  - 1.4.5. **Property.** Each of the parties shall retain ownership of their respective real and personal property.
  - 1.4.6. **Adoption Requirements**. This Amended Interlocal Agreement shall be (a) approved by Resolution of the governing body of each of the parties, (b) executed by a duly authorized official of each of the parties (c) submitted to and approved by an Authorized Attorney of each of the parties, as required by Section 11-13-202.5, Utah Code Annotated, 1953 as amended, and (d) filed in the official records of each party.

#### 2. RETAIL WATER SERVICES

- 2. **Retail Water Services**. Orem and Metro shall not provide Vineyard with culinary water on a retail basis. However, Orem shall continue to provide retail water service to the existing connection at 720 S. and Geneva Road; Orem shall not provide retail water service to any new Geneva Road connections. New water service to parcels of property in Vineyard must connect directly to the Vineyard Water System.
  - 2.1. **Billing**. Orem shall continue to directly bill the water user 200% of the amount Orem charges for the same type of connection in Orem and shall be automatically adjusted whenever Orem adjusts its water fees.
  - 2.2. **Termination of Retail Water Services**. The parties acknowledge their intent to eventually have Vineyard provide all retail water services within Vineyard. To give Vineyard time to make this transition, the parties agree that Orem will continue providing retail water service to parcels in Vineyard pursuant this Section 2 until any portion of the Vineyard Water System comes within three hundred three feet (300') of the affected parcel. The measurement shall be made along existing rights-of-way from the point on the Vineyard Water System closest to the parcel being served to the point where the parcel's water lateral connects to the Orem Water System. Within one year of the time that the Vineyard Water System comes within 300' of such a parcel being served, Orem shall discontinue providing retail water service to that parcel, and Vineyard shall, at its own expense, connect the parcel to the Vineyard Water System.

#### 3. WHOLESALE WATER SERVICES

- 3. **Wholesale Water Services**. Orem and Metro shall provide wholesale culinary water to Vineyard on a limited emergency basis only. Active physical connections between the Vineyard Water System and the Orem Water System shall not be allowed.
  - 3.1. Interconnections Allowed for Temporary Emergency Use. Two metered connections from the Orem Water System to the Vineyard Water System at Orem's 400 South Street and at the intersection of Vineyard's Mill Road/Orem's Center Street and Geneva Road are in place to provide water on a limited emergency basis. A third unmetered connection near the boundary of Orem and Vineyard at approximately 2125 West 475 South in Orem will be removed by Orem at Vineyard's expense. For purposes of this Amended Interlocal Agreement, limited-use interconnections shall mean connections that may only be opened temporarily during times of emergency. Any use during an emergency situation must meet the following requirements:
    - 3.1.1. **Determination of Emergency Situation:** Emergency situations will be solely determined by the Orem Public Works Director or their designee.
    - 3.1.2. **Notification of Use**. Vineyard will request that Orem open an interconnection for an emergency situation in writing specifying (l) the desired location of the connection to be opened, (2) the reason for the

- connection to be opened, and (3) the anticipated length of time during which the connection will be open.
- 3.1.3. Improper Use of Limited-use Interconnection. If any portion of the Vineyard Water System is connected to the Orem System under non-emergency conditions without Orem City's approval, Vineyard agrees that it will pay Orem a \$1,000.00 per day fine, adjusted for inflation from the date this agreement was signed, until the connection is closed. If a limited-use interconnection is improperly opened for more than ten (10) days, or if there is more than one occurrence of when a limited-use interconnection is improperly opened, then Orem shall have the right to remove all limited-use interconnections. Under such circumstances, Orem shall bill Vineyard for the cost of removing the limited-use interconnection, and Vineyard shall pay Orem the removal cost within thirty (30) days of receipt of the bill.
- 3.2. **Infrastructure Maintenance.** There are currently two metered connections from the Orem Water System to the Vineyard Water System at Orem's 400 South Street and at the intersection of Vineyard's Mill Road/Orem's Center Street and Geneva Road. Vineyard agrees to pay for the regular maintenance as determined by Orem.
  - 3.2.1. Maintenance of Master Water Meters, Backflow Assemblies, Remote Radio Read Equipment and other Associated Appurtenances. In order to ensure the integrity of the Orem Water System, Orem shall maintain, repair, and replace the master water meters, backflow assemblies, remote radio read equipment, and any other associated appurtenances as determined by Orem. In addition to the general maintenance responsibilities for master water meters, Orem shall inspect and test each master water meter and related backflow assembly as follows:
  - 3.2.2. **Backflow Assemblies.** Orem shall have each backflow assembly associated with a master water meter inspected and tested annually by a certified backflow technician. The inspection shall take place in March of each year. If the inspection reveals that the backflow assemblies are not functioning properly, Orem shall immediately remedy the problem. Orem shall, by April 30 of each year, send Vineyard a copy of the certified backflow technician's report verifying that the backflow assemblies are functioning properly.
  - 3.2.3. Calibration of Master Water Meters. Orem shall have each master water meter calibrated by a qualified calibration technician. The calibration shall take place in March of every even numbered year. Orem shall, by April 30 of each year that the master water meter is calibrated, send Vineyard a copy of the qualified calibration technician's report verifying that the master water meters are properly calibrated. Vineyard may, at any time and at its own expense, audit the master water meters to ensure that they are functioning properly.
  - 3.2.4. **Master Water Meter Reading.** Orem shall read the master water meters after the emergency situation has ended. Vineyard shall have the right, at its own expense, to audit Orem's master water meter reads, Orem's records

related to the master water meter reads, and the accuracy of the master water meters.

- 3.3. Costs. Vineyard shall pay the following costs:
  - 3.3.1. **Water Cost of Orem Water.** The Water Cost for Orem Water shall be the cost of water paid by Vineyard for CWP water. The CWP water rate schedule shall be provided to Orem upon its request.
  - 3.3.2. **Maintenance Costs.** Vineyard shall pay Orem for Orem's costs in maintaining, repairing, removing, replacing, testing, and calibrating the master water meters and related backflow assemblies, remote radio read equipment, and any other associated appurtenances as determined by Orem.
    - 3.3.2.1. Calculation of Reimbursement. Vineyard's reimbursement to Orem for Maintenance Costs shall be calculated by adding the following costs:
      - 3.3.2.1.1. **Materials and Supplies.** The cost of materials and supplies used in the installation and maintenance. "Maintenance" includes installing, maintaining, repairing, replacing, testing, and calibrating the master water meters and related backflow assemblies, remote radio read equipment, and any other associated appurtenances as determined by Orem.
      - 3.3.2.1.2. **Orem Employees.** The Actual Hourly Rate of Orem employees performing the maintenance, based on the number of hours spent on the maintenance.
      - 3.3.2.1.3. **Contractors.** The actual cost of any contractors hired by Orem to perform the maintenance.
      - 3.3.2.1.4. **Equipment.** For any Orem equipment used by Orem in completing the maintenance, Vineyard shall pay Orem the standard equipment usage rate established in Orem's annual budget (if a standard rate has not been established in the annual budget for a particular piece of equipment, the rate shall be the current rental rate charged by equipment rental companies in the area.) For any rental equipment leased by Orem to complete the maintenance, Vineyard shall pay Orem the actual rental cost of the equipment.
  - 3.3.3. Administrative Fee. Vineyard shall pay Orem an administrative fee of seventeen percent (17%) on all charges levied in Section 3, the Administrative Fee compensates Orem for the cost of the administrative, financial, legal, and supervisory services provided by Orem to Vineyard. Orem can make adjustments to this fee on an annual basis.
  - 3.3.4. **Other Costs.** The parties have attempted to include all costs that Vineyard will be required to pay Orem to receive water pursuant to this Amended Interlocal Agreement. In the event that the parties have inadvertently left out or failed to identify any costs that Orem must pay to third parties related to Orem's provision of water to Vineyard on an emergency

basis, or in the event that new costs are added in the future by third parties, Orem and Vineyard agree that this Amended Interlocal Agreement requires Vineyard to (1) reimburse Orem for all of Orem's actual costs paid to third parties related to the acquisition, treatment and delivery of Orem Water to Vineyard, plus (2) pay Orem the costs, fees and penalties assessed by Orem pursuant to this Amended Interlocal Agreement.

- 3.4. **Payments to Orem.** The parties agree that all payments made by Vineyard pursuant to this Amended Interlocal Agreement shall be made directly to the City of Orem.
  - 3.4.1. **Billing**. As costs accrue to Orem for maintenance or the delivery of water, Orem shall bill Vineyard. Such bill shall be sent to the Vineyard Public Works Director and Finance Director by email or to the address listed for notices in section 4.15. Vineyard shall have 30 days in which to make payment.
  - 3.4.2. **Failure to Make Payments.** Failure to make payments pursuant to this Amended Interlocal Agreement shall be grounds for terminating this Amended Interlocal Agreement. Before terminating this Amended Interlocal Agreement for failure to make payments, Orem shall give Vineyard's mayor written notice of the amount owed and shall give Vineyard thirty (30) days to bring the payments current (including any accrued interest). If Orem terminates this Amended Interlocal Agreement for nonpayment, Vineyard will still owe Orem for unpaid services provided prior to termination.
  - 3.4.3. **Interest**. Interest shall accrue on late payments at the rate of twelve percent (12%) per annum. Interest shall begin accruing after the due date.

Ken Garff has provided lease estimates using the 4.67% interest rate with Zions and Ford Motor interest rate. The City intends to move forward using the 4.67% rate provided in coordination with Zions.

- 1. Zions Bank Lease Purchase Financing Schedule.
- 2. Two lease estimates, one at a 4.6% interest rate based on Vineyard's discussion with Zions and another at Ken Garff's internal estimate.
- 3. Copies of the Manufacturer's Vehicle Contracts (MVCs) for all six units, which are listed in the Repurchase Agreement.
- 4. A draft Repurchase Agreement, outlining guaranteed buy-back values for each of the six vehicles at the end of the lease term.

### **Fiscal Impact:**

# Vehicle Repurchase Option Agreement

THIS VEHICLE REPURCHASE OPTION AGREEMENT (this "Agreement") is made effective 28 May 2025 between the CITY OF VINEYARD, a Utah municipality whose address is 125 South Main Street, Vineyard, UT 84059 ("City"), and GARFF ENTERPRISES, INC., a Utah corporation whose address 111 East Broadway, Suite 900, Salt Lake City, UT 84111 ("Garff").

### RECITALS:

- A. City is in the process of re-outfitting its police department and its public works department with approximately 6 motor vehicles for use by city employees in performing those departments' governmental functions, which vehicles are particularly described on the attached exhibit. The vehicles so described, together with any other mutually-agreed additions to such list, are called the "Vehicles" in this Agreement.
- B. City desires to lease (rather than purchase) the Vehicles and the option to rotate the Vehicles every 3 years to better assure dependability and reduced maintenance costs.
- C. Zions Bancorporation, N.A. ("Lessor") has proposed to lease the Vehicles to City for a 3 year term under that certain "Lease/Purchase Agreement" (the "Lease") to be dated on or about May 28, 2025 between Lessor, as lessor, and City, as lessee. The Lease effectively will result in the City's purchase of the Vehicles upon expiration of the Lease, likely between 1 May 2028 1 July 2028 (the "Repurchase Date").
- D. Garff owns one or more new motor vehicle dealerships and desires to supply the Vehicles to Lessor for City's ultimate use.
- E. City is willing to enter into the Lease only if, *inter alia*, (1) Lessor irrevocably agrees to initially purchase the Vehicles from Garff, and (2) Garff irrevocably agrees to repurchase from Lessor (or from City, if required by the Lease) such of the Vehicles as City designates, at City's option, for the Repurchase Price (defined below) on the Repurchase Date.
- F. To induce City to enter into the Lease with Lessor, and to induce Lessor to thereupon purchase the Vehicles from Garff, Garff desires to irrevocably agree to repurchase such of the Vehicles as City designates, at City's option, for the Repurchase Price on the Repurchase Date as specified in this Agreement.
- G. The parties desire to set forth herein their entire agreement concerning the repurchase of the Vehicles and all related dealings between City and Garff. This Agreement shall supersede all prior negotiations or agreements between the parties, oral and/or written, concerning the subject matter of this Agreement.

### AGREEMENT:

**NOW, THEREFORE,** in consideration of the premises, the mutual covenants and undertakings of the parties hereto, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

- Section 1. <u>Vehicles</u>. City hereby irrevocably agrees (a) to cause Lessor to purchase from Garff or its affiliated dealership(s) the Vehicles specified on the attached exhibit (as the same may be amended from time to time), and (b) to lease the Vehicles from Lessor as specified in the Lease. The two Vehicles missing VINs on the attached exhibit will be identified upon their delivery by Garff to City, and such exhibit shall be deemed amended accordingly without further action by the parties.
- Section 2. <u>Duty to Repurchase</u>. To induce City to act as provided in section 1 above, Garff hereby irrevocably agrees to repurchase from Lessor, City or any other seller under the Lease such of the Vehicles as City designates, at City's option, on or after (as designated by City) the Repurchase Date, subject to the following requirements:
- (a) <u>Vehicles Repurchased</u>. The Vehicles to be repurchased to Garff hereunder shall be those Vehicles designated by City, at City's option, from time to time, which may include none, some or all of the Vehicles identified on the attached exhibit.
- (b) <u>Purchase Price</u>. The Repurchase Price to be paid by Garff for all of the Vehicles totals **\$179,750.00**. If City elects to require Garff to repurchase less than all of the Vehicles, then the total Repurchase Price to be paid by Garff shall be appropriately reduced by the repurchase values shown on the attached exhibit in connection with closing of Garff's repurchase from City of the balance of the Vehicles.
- (c) <u>Mileage</u>. If a Vehicle has over 36,000 odometer miles, the Repurchase Price for that Vehicle shall be reduced by a charge of twenty cents (\$.25) per excess mile.
- (d) <u>Condition</u>. Each Vehicle shall be in condition to pass standard Utah State motor vehicle safety and emissions inspections of the type annually required for each registered motor vehicle. City may, at its option and cost, obtain and supply such current inspections to Garff on the Repurchase Date. City shall be responsible for repairing, at City's cost, any defects caused by City's use of a Vehicle which prevent the Vehicle from passing such inspections.
- (e) <u>Equipment</u>. Each Vehicle is equipped with manufacturer-installed, "factory" equipment ("Factory Equipment"); additional equipment installed by Vehicle Lighting Solutions (such as police emergency lighting, sirens, prisoner cages, computer mounting equipment, K-9 cages, weapons storage vaults) ("VLS Equipment"); and other equipment and items, such as decals ("Other Items"). Each Vehicle shall be surrendered by City with all Factory Equipment attached and in good working condition. All VLS Equipment and Other Items may be removed from the Vehicles prior to their surrender at City's cost, for re-use on City's future vehicles: radios and antennas. No Other Items shall be removed from the Vehicles prior to their surrender.
- (f) <u>Body/Glass Damage</u>. Body damage to a Vehicle (except for reasonable wear), excessive holes not attributable to equipment installations previously agreed to by Garff, and broken or chipped glass shall be repaired at City's cost.
- (g) <u>Closing</u>. Closing of Garff's repurchase of Vehicles hereunder shall be at such time, on such date, and at such place in Salt Lake County, Utah as City may specify upon at least five business days' prior notice to Garff. Upon Repurchase City agrees to provide Garff with Clean Titles for each vehicle repurchased. Vehicles with "Salvage Titles" or "Branded Titles" are not eligible for Repurchase.

- Section 3. <u>Possible Future Lease</u>. Upon termination and satisfaction of the Lease, Garff and City may elect to enter into a new lease/re-purchase transaction with Lessor (or another lessor) to provide a new pool of vehicles for City on such terms and conditions as may be mutually agreed by such parties at that time, the parties acknowledging that pricing may be affected by factors such as then-current interest rates and intervening variances in the cost of vehicles and equipment.
- Section 4. <u>Condition Precedent</u>. The performance of each party's obligations hereunder is conditioned on full execution and delivery of the Lease by City and Lessor effectively contemporaneously herewith.
- Section 5. <u>City's Representations and Warranties</u>. City hereby represents and warrants to Garff as follows, and covenants that the same are true and accurate as of the date hereof:
- (a) <u>Status</u>. City is a Utah municipality that is duly organized, validly existing and in good standing. City is empowered by applicable law, and by resolution of its city council, to enter into and perform under this Agreement.
- (b) <u>Binding Agreement</u>. Upon its full execution and delivery, this Agreement and the obligations contemplated herein shall be legal, valid and binding obligations of City and shall be enforceable against City in accordance with their respective terms.
- (c) <u>Other Agreements</u>. The execution and delivery of this Agreement and the consummation of the transactions provided for herein will not result in a breach of or constitute a default under any agreement or instrument to which City is a party or by which City is bound, in a manner which would impair the consummation of this Agreement or the performance of City's obligations hereunder.
- (d) <u>Suits and Proceedings</u>. There are no suits or proceedings pending or threatened in any court or before any administrative board, commission, or by any federal, state or other governmental department or agency, which directly or indirectly affect or involve City and which, if determined adversely, would have an adverse effect on the transactions contemplated by this Agreement.
- (e) <u>Third Party Approvals</u>. Except as otherwise specified herein, no consents or approvals of any third party or parties are required prior to the execution, delivery and performance by City of this Agreement and any other documents contemplated hereby.
- Section 6. Garff's Representations and Warranties. Garff hereby represents and warrants to City as follows, and covenants that the same are true and accurate as of the date hereof:
- (a) <u>Status</u>. Garff is a Utah corporation that is duly organized, validly existing and in good standing. Garff is empowered by applicable law and corporate approvals to enter into and perform under this Agreement.

- (b) <u>Binding Agreement</u>. Upon its full execution and delivery, this Agreement and the obligations contemplated herein shall be legal, valid and binding obligations of Garff and shall be enforceable against Garff in accordance with their respective terms.
- (c) <u>Other Agreements</u>. The execution and delivery of this Agreement and the consummation of the transactions provided for herein will not result in a breach of or constitute a default under any agreement or instrument to which Garff is a party or by which Garff is bound, in a manner which would impair the consummation of this Agreement or the performance of Garff's obligations hereunder.
- (d) <u>Suits and Proceedings</u>. There are no suits or proceedings pending or threatened in any court or before any administrative board, commission, or by any federal, state or other governmental department or agency, which directly or indirectly affect or involve Garff and which, if determined adversely, would have an adverse effect on the transactions contemplated by this Agreement.
- (e) <u>Third Party Approvals</u>. Except as otherwise specified herein, no consents or approvals of any third party or parties are required prior to the execution, delivery and performance by Garff of this Agreement and any other documents contemplated hereby.
- Section 7. <u>Default</u>. If either party fails to perform any of its obligations hereunder and such condition is not cured within ten days after written notice thereof by the other, such party shall be in default hereunder and the non-defaulting party shall be entitled to proceed at law and in equity to enforce its rights under this Agreement.
- Section 8. <u>Indemnity</u>. City is a governmental entity under the "Governmental Immunity Act of Utah" (UTAH CODE ANN. §63G-7-101, *et seq.*) (as amended from time to time, the "*Immunity Act*"). Consistent with the terms of the Immunity Act, and as provided herein, it is mutually agreed that each of the parties is responsible and liable for its own wrongful or negligent acts which are committed by it or by its agents, officials, or employees. Neither party waives any defenses or claims otherwise available under the Immunity Act nor does any party waive any limits of liability now or hereafter provided by the Immunity Act.
- Section 9. <u>Additional Provisions</u>. The following provisions also are integral to this Agreement:
- (a) <u>Survival of Representations and Warranties</u>. The respective obligations of the parties made in this Agreement, all exhibits hereto, and all certificates and documents delivered pursuant hereto, shall survive any closings contemplated by this Agreement.

#### VINEYARD CITY COUNCIL STAFF REPORT

Meeting Date: June 25, 2025

Agenda Item: PUBLIC HEARING - Proposed Salary Increases for Elective and Statutory

Officials.

**Department:** Human Resources

**Presenter:** Eric Ellis

#### **Background/Discussion:**

In accordance with **Utah Code §10-3-818**, Vineyard City is required to ensure transparency when adjusting salaries for elective and statutory officers. This section of state law mandates that salary changes for elected officials and statutory officers must be adopted by ordinance following a public hearing. Statutory officers include department directors, the City Recorder, the City Treasurer, and any deputies to those positions.

## **Recommended Compensation Changes:**

- **Statutory Officers:** Recommended to receive a 2% Cost-of-Living Adjustment (COLA) and a 3% merit increase, totaling a 5% salary increase.
- Exception Parks and Recreation Director: Recommended to receive an additional 5% market adjustment, resulting in a 10% total increase, to align with market comparability and internal equity.
- Exception Deputy Building Official: Will not receive an increase this year, as their current salary exceeds the maximum of the approved range.
- Mayor and City Council: Recommended to receive a 2% COLA, consistent with the adjustment provided to other City employees. This increase is authorized by Ordinance No. 2023-03, which states:

"The annual compensation of the Mayor and Councilmembers shall increase year-to-year at the same percentage as the cost-of-living adjustment (COLA) adopted for employees of the City through the annual budgeting process."

# **Legal Requirement:**

Per Utah Code §10-3-818, compensation changes for elected and statutory officers must:

- Be presented in a public hearing
- Be adopted by ordinance

#### **Fiscal Impact:**

FY26 - Statutory Officers (including adjustments): \$59,249.62

FY26 - Mayor and City Council (2% COLA): \$2,078.83

- Approve the 10% total increase for the Parks and Recreation Director
- Approve the **2% COLA** for the **Mayor and City Council** in accordance with Ordinance No. 2023-03

#### VINEYARD CITY COUNCIL STAFF REPORT

Meeting Date: June 25, 2025

Agenda Item: DISCUSSION AND ACTION - Adoption of Ordinance for salary increases

(Ordinance 2025-12)

**Department:** Human Resource

**Presenter:** Eric Ellis

#### **Background/Discussion:**

In accordance with Utah Code §10-3-818, Vineyard City is required to ensure transparency when adjusting salaries for elective and statutory officers. This section of state law mandates that salary changes for elected officials and statutory officers must be adopted by ordinance following a public hearing. Statutory officers include department directors, the City Recorder, the City Treasurer, and any deputies to those positions.

#### Recommended Compensation Changes:

- Statutory Officers: Recommended to receive a 2% Cost-of-Living Adjustment (COLA) and a 3% merit increase, totaling a 5% salary increase.
- Exception Parks and Recreation Director: Recommended to receive an additional 5% market adjustment, resulting in a 10% total increase, to align with market comparability and internal equity.
- Exception Deputy Building Official: Will not receive an increase this year, as their current salary exceeds the maximum of the approved range.
- Mayor and City Council: Recommended to receive a 2% COLA, consistent with the adjustment provided to other City employees. This increase is authorized by Ordinance No. 2023-03, which states:

"The annual compensation of the Mayor and Councilmembers shall increase year-to-year at the same percentage as the cost-of-living adjustment (COLA) adopted for employees of the City through the annual budgeting process."

#### Legal Requirement:

Per Utah Code §10-3-818, compensation changes for elected and statutory officers must:

- Be presented in a public hearing
- Be adopted by ordinance

#### Fiscal Impact:

FY26 - Statutory Officers (including adjustments): \$59,249.62

FY26 - Mayor and City Council (2% COLA): \$2,078.83

#### Recommendation:

- Approve the 5% salary increase for statutory officers (2% COLA + 3% merit)
- Approve the 10% total increase for the Parks and Recreation Director

• Approve the 2% COLA for the Mayor and City Council in accordance with Ordinance No. 2023-03

# **Sample Motion:**

I move to adopt the ordinance approving the proposed salary increases for statutory officers, including a 5% total increase for eligible statutory positions, and a 10% total increase for the Parks and Recreation Director; and to approve a 2% COLA increase for the Mayor and City Council in accordance with Ordinance No. 2023-03.
