

Salem City Council Meeting will also be held electronically, using the Zoom program.

If you would like to participate, please call the city offices (801-423-2770) or email (salemcity@salemcity.org) before 5:00 p.m. on Wednesday, June 18th to request the link.

DATE: June 18, 2025 (City Council Chamber 30 West 100 South)

6:00 p.m. WORK SESSION

1. Agenda Item Discussion
2. Staff/Council Reports

7:00 p.m. AGENDA – REGULAR COUNCIL MEETING

1. Volunteer Motivational/Inspirational Message
2. Invitation to Say Pledge of Allegiance
3. Youth Council Report
4. SF / Salem Chamber Report
5. Public Hearing
 - a. Amend Budget for FY 2024/2025
6. Decision: Amended Budget for FY 2024/2025
7. Decision: Fraud Assessment for Fiscal Year 2025
8. Decision: Resolution Adopting Property Tax Rate 2025
9. Decision: CUWCD - Task Order No. 2026-16 Salem City Construction Support
10. Decision: Amendment NO. 1 to Agreement between Salem City and Central Utah Water Conservancy District Regarding Advancing Funds and Reimbursement for Constructing Street and Facility Improvements Along the Alignment of the Spanish Fork – Santaquin Pipeline Utah Lake System
11. Decision: Sewer Plan Agreement with Three Bridges
12. Decision: Meeting Minutes – June 4, 2025
13. Decision: Bills for Payment

DIRECTORS REPORTS

14. Matt Marziale, Manager
15. Chief Brad James, Public Safety Dept.
16. Steve Cox, Building Dept.
17. Walter Bird, Attorney
18. Lisa Webster, City Planner

In compliance with the A.D.A., individuals needing special accommodations during this meeting should notify the Salem City Office at 30 W. 100 S. or call (801)423-2770 at least three working days prior to meeting.

19. Jeffrey Nielson, Finance/Recorder
20. Adam Clements, Electrical Dept.
21. Bradey Wilde, Engineering Dept.
22. John Bowcut, Fiber Dept.
23. Jen Wright, Recreation Dept.
24. James Thomas, Public Works Dept.

COUNCIL REPORTS

25. Mayor Kurt L Christensen
 - a. Finances/Budget
 - b. City Employees
 - c. Miss Salem

 - c. Youth Council
29. Councilperson Paul Taylor
 - a. Water (Primary & Secondary)
 - b. Mt Nebo & SUVMWA
30. Councilperson Tim De Graw
 - a. Sewer
 - b. Storm Drain
 - c. Roads & Trails
31. CLOSED SESSION -The Salem City Council may temporarily recess the regular meeting and convene in a closed session to discuss pending or reasonably imminent litigation; the purchase, exchange, or lease of real property or water; or to discuss the character, professional competence or physical or mental health of an individual as provided by Utah Code Annotated §52-4-205.

Please Note: If you have an item that you would like to have discussed before the City Council, please fill out a request form, which is available online at salemcity.org or at the City Office, and return it to the City Office by 5:00 p.m. the Thursday prior to the meeting you would like to attend.

Minutes of the Salem City Council Meeting held on June 18, 2025 in the Salem City Council Chambers.

6:00PM WORK SESSION

Mayor Pro-Tem Kelly Peterson conducted tonight's meeting due to Mayor Christensen being excused.

1. Agenda Item Discussion

Jeff Nielson presented the amended budget for Fiscal Year 2024/2025. He explained that the purpose of the amendment is to align the budget more closely with actual expenditures. Jeff provided an overview of the various funds, detailing how each program has been matched to the appropriate funding source. He also reviewed the allocations for different products and highlighted the amounts designated for each. In addition, Jeff went through the budgets for each department and outlined the funds being reallocated to capital improvements. The amended budget is available for public viewing in the front office. Jeff encouraged anyone with questions or concerns to reach out for further clarification.

2. Staff/Council Reports

Agenda item 9 – Matt Marziale provided an update on the ongoing project near Salem Canal Road and Woodland Hills Drive, which involves the turnout for the Central Utah Water Project. As part of an agreement with Central Utah Water, improvements to Woodland Hills Drive were included in the project scope. The City is obligated to return its share of costs related to the canal project to Central Utah Water. Currently, Central Utah Water and their contractor, VanCon, are wrapping up their portion of the project. They expect to be finished within the next couple of weeks. In addition, Utah County has plans to reconstruct the intersection at Woodland Hills Drive and Salem Canal Road. The proposed improvements include adding a traffic signal, widening the road, and installing curb, gutter, and sidewalk. However, the County is not ready to begin construction at this time. They are in the final stages of project design and have not yet released the project for bid. Construction is expected to take approximately two months, with a tentative start date in July or early August. Because of the delay, Central Utah Water is providing the City with an allowance of \$250,000 to help cover the cost of these improvements. Both Jeff Nielson and Matt Marziale have reviewed the funding and believe it is sufficient to complete the necessary work. Part of the \$250,000 will also be used to purchase 15 feet of the Woods property across the street, which was negotiated as part of the road widening. The entire parcel is being acquired by Utah County for development into a storm drain basin, which will eventually be turned over to Salem City. The remaining funds will go toward roadway improvements. One additional item addressed was the small rock park located at the intersection. While it is currently complete, it will be impacted by the widening project. The allowance will ensure that the park can be rebuilt once construction is complete.

Matt stated that he believes the \$250,000 allowance is a fair and adequate amount to cover these needs.

Agenda Item 11 – Matt Marziale explained that one of the main challenges Three Bridges has faced in their development is the location they chose to build.

Before they can receive approval for their preliminary plat, they must have a comprehensive utilities plan in place—specifically for major utilities and storm drainage. An electrical plan has now been finalized. The next step is establishing a sewer route. The proposed sewer line for the Three Bridges development will run down Woodland Hills Drive, continue to 750 North, then connect to the line previously installed by DR Horton. From there, it will run past Stokes Market, continue past the fire station, and eventually tie into the main trunk line located at 1100 North—installed approximately six years ago. This sewer line is a key part of the overall utility plan. The current agreement outlines expectations for Three Bridges regarding sewer line sizing, payment methods, and their Public Infrastructure District (PID). The plan has gone through several rounds of review and revisions between Three Bridges and City staff. At this point, staff is satisfied with the proposed sewer plan and recommend it be approved.

Agenda item 7 – Jeff Nielson presented the annual fraud risk assessment, which is a required self-evaluation to ensure appropriate procedures are in place to prevent fraud. The purpose of the assessment is to demonstrate to the state that the city is meeting all compliance standards. As part of this process, the council signed a form confirming the City's adherence to these standards. It was noted that the City's current fraud risk level is classified as *low*, and efforts continue to be made to maintain strong internal controls.

MEETING CONVENED AT: 7:00 p.m.

CONDUCTING: Mayor Pro-Tem Kelly Peterson

COUNCIL PRESENT:

Councilperson Kelly Peterson
Councilperson Cristy Simons
Councilperson Cynthia Deveraux Rees
Councilperson Paul Taylor
Councilperson Tim De Graw

STAFF PRESENT:

Jeffrey Nielson, Finance/Recorder
Chief Brad James, Police Chief
Walter Bird, City Attorney
Adam Clements, Electrical Dept.
Matt Marziale, City Manager
Steve Cox, Building Dept.
John Bowcut, Fiber Dept.
Jen Wright, Recreation Dept.
James Thomas, Public Works Dept.
Lisa Webster, Planner
Mashaylie Harrison

OTHERS PRESENT

Please See Attached Document at Bottom

1. VOLUNTEER MOTIVATIONAL/INSPIRATIONAL MESSAGE

Councilperson Rees stated he would like to offer a motivational message in the form of a prayer.

2. INVITATION TO SAY PLEDGE OF ALLEGIANCE

Councilperson Peterson invited those who wish to participate, to stand and say the pledge of allegiance with him. He then led the pledge of allegiance for those who wanted to participate.

3. YOUTH COUNCIL REPORT

No one from the Youth Council was present at tonight's meeting.

4. SF/SALEM CHAMBER REPORT

No one from The Chamber was present for tonight's meeting.

5. PUBLIC HEARING

Mayor Pro-Tem Kelly Peterson asked for a motion to open the public hearing for the Amended Budget for FY 2024/2025.

a. Amended Budget for FY 2024/2025

MOTION BY: Councilperson Rees motioned to open the public hearing for the Amended Budget for FY 2024/2025.

SECONDED BY: Councilperson Simons

VOTE: Councilperson Peterson; Aye, Councilperson Simons; Aye, Councilperson Rees; Aye, Councilperson Taylor; Aye, Councilperson De Graw; Aye (5 Ayes)

Jeff Nielson stated that this is the Amended Budget for FY 2024/2025 which is what was talked about during the work session.

There were no comments from the public.

Mayor Pro-Tem Kelly Peterson asked for a motion to close the public hearing for the Amended Budget for FY 2024/2025.

MOTION BY: Councilperson Taylor motioned to close the public hearing for the Amended Budget for FY 2024/2025.

SECONDED BY: Councilperson De Graw

VOTE: Councilperson Peterson; Aye, Councilperson Simons; Aye, Councilperson Rees; Aye, Councilperson Taylor; Aye, Councilperson De Graw; Aye (5 Ayes)

6. DECISION: AMENDED BUDGET FOR FY 2024/2025

MOTION BY: Councilperson De Graw motioned to approve the Amended Budget for FY 2024/2025.

SECONDED BY: Councilperson Rees

VOTE: Councilperson Peterson; Aye, Councilperson Simons; Aye, Councilperson Rees; Aye, Councilperson Taylor; Aye, Councilperson De Graw; Aye (5 Ayes)

7. DECISION: FRAUD ASSESSMENT FOR FISCAL YEAR 2025

MOTION BY: Councilperson Taylor motioned to approve the Fraud Assessment for Fiscal Year 2025.

SECONDED BY: Councilperson Simons

VOTE: Councilperson Peterson; Aye, Councilperson Simons; Aye, Councilperson Rees; Aye, Councilperson Taylor; Aye, Councilperson De Graw; Aye (5 Ayes)

8. DECISION: RESOLUTION ADOPTING PROPERTY TAX RATE 2025

Jeff Nielson explained that although we have already approved the budget, we do not yet have the certified property tax rate for 2025 at that time. This is because the county does not provide the certified tax rate until after the budget is adopted. As a result, we must now pass a resolution to formally adopt the new tax rate. Please note that the tax rate may increase or decrease from the previous year due to changes in property valuations. However, this does not mean we are increasing or decreasing the total amount of property tax revenue. The estimated revenue to be collected will remain approximately the same as last year, with any additional revenue coming solely from new growth. Additionally, since we are not proposing a property tax increase, we are not required to hold a Truth in Taxation hearing this year. We are asking the council to approve the resolution adopting the new certified tax rate. The amount budgeted for property tax revenue was \$1,729,745. Based on the county's new rate, the estimated amount to be collected is \$1,730,628. We need to formally approve this tax rate.

Mayor Pro-Tem Kelly Peterson asked for a motion to approve the Resolution Adopting Property Tax Rate 2025.

MOTION BY: Councilperson Simons motioned to approve the Resolution Adopting Property Tax Rate 2025.

SECONDED BY: Councilperson Rees

VOTE: Councilperson Peterson; Aye, Councilperson Simons; Aye, Councilperson Rees; Aye, Councilperson Taylor; Aye, Councilperson De Graw; Aye (5 Ayes)

9. DECISION: CUWCD – TASK ORDER NO. 2026-16 SALEM CITY CONSTRUCTION SUPPORT

As discussed during the work session, Central Utah Water Conservancy District (CUWCD) has provided a \$250,000 allowance to Salem City for improvements at the intersection near Salem Canal Road and Woodland Hills Drive. Concerns were raised regarding the nearby trail along Salem Canal. The goal is to encourage pedestrians to cross safely at the intersection by installing features similar to those at Valley View Middle School. Planned improvements include a four-way traffic signal and flashing lights to alert drivers of an upcoming pedestrian crossing. A portion of the \$250,000 will also be used to purchase 15

feet of the Woods property across the street, which was part of a negotiated agreement related to the road widening. This allowance helps offset costs due to delays in the project and ensures the City can move forward with the necessary improvements.

MOTION BY: Councilperson Rees motioned to approve the CUWCD – Task Order No. 2026-16 Salem City Construction Support.

SECONDED BY: Councilperson Taylor

VOTE: Councilperson Peterson; Aye, Councilperson Simons; Aye, Councilperson Rees; Aye, Councilperson Taylor; Aye, Councilperson De Graw; Aye (5 Ayes)

10. DECISION: AMENDMENT NO. 1 TO AGREEMENT BETWEEN SALEM CITY AND CENTRAL UTAH WATER CONSERVANCY DISTRICT REGARDING ADVANCING FUNDS AND REIMBURSEMENT FOR CONSTRUCTING STREET AND FACILITY IMPROVEMENTS ALONG THE ALIGNMENT OF THE SPANISH FORK – SANTAQUIN PIPELINE UTAH LAKE SYSTEM

Matt Marziale stated, The Salem Canal project is nearing completion, with final expenses incurred, including those related to the storm drain system. The total project cost to be reimbursed to the Central Utah Water Conservancy District is \$7.5 million. To date, \$2 million has already been repaid, leaving a remaining balance of \$5.5 million. The repayment agreement has been revised to a five-year term. We are requesting Council approval to formally accept this updated agreement, which allows the remaining balance to be repaid over five years, interest-free.

MOTION BY: Councilperson De Graw made a motion to approve the Amendment No. 1 to Agreement between Salem City and Central Utah Water Conservancy District regarding Advancing Funds and Reimbursement for Constructing Street and Facility Improvements along the alignment of The Spanish Fork – Santaquin Pipeline Utah Lake System

SECONDED BY: Councilperson Simons

VOTE: Councilperson Peterson; Aye, Councilperson Simons; Aye, Councilperson Rees; Aye, Councilperson Taylor; Aye, Councilperson De Graw; Aye (5 Ayes)

11. DECISION: SEWER PLAN AGREEMENT WITH THREE BRIDGES

As previously discussed during the work session, Matt Marziale explained that one of the main challenges facing the Three Bridges development is the location they selected, which has required additional planning for utility infrastructure. Before preliminary plat approval can be granted, a complete utilities plan must be in place—specifically addressing major utilities and storm drainage. An electrical plan has already been finalized. The next step is establishing a sewer route. The proposed sewer line will run down Woodland Hills Drive to 750 North, where it will connect to the line previously installed by DR Horton. From there,

it will continue past Stokes Market and the fire station, ultimately connecting to the main trunk line at 1100 North, which was installed approximately six years ago. This sewer route is a critical component of the overall utility plan. The current agreement outlines expectations for Three Bridges regarding line sizing, payment responsibilities, and provisions related to their Public Infrastructure District (PID). The plan has gone through several rounds of review between City staff and the developer. Staff has thoroughly reviewed the agreement and finds the terms acceptable for Salem City. Staff recommends approval of the proposed sewer plan.

MOTION BY: Councilperson Taylor motioned to approve the Sewer Plan Agreement with Three Bridges.

SECONDED BY: Councilperson Rees

VOTE: Councilperson Peterson; Aye, Councilperson Simons; Aye, Councilperson Rees; Aye, Councilperson Taylor; Aye, Councilperson De Graw; Aye (5 Ayes)

12. DECISION: MEETING MINUTES – JUNE 4, 2025

Mayor Pro-Tem Kelly Peterson asked for a motion to approve the minutes of June 4, 2025.

On line number 486 Councilperson Rees stated that it should read: At the old facility, an average of 200 tickets were issued on Saturdays. Now, approximately 850 tickets are issued each Saturday to individuals dropping off materials.

MOTION BY: Councilperson Simons motioned to approve the minutes of June 4, 2025 with the changes listed above.

SECONDED BY: Councilperson De Graw

VOTE: Councilperson Peterson; Aye, Councilperson Simons; Aye, Councilperson Rees; Aye, Councilperson Taylor; Aye, Councilperson De Graw; Aye (5 Ayes)

13. DECISION: BILLS FOR PAYMENT

Mayor Pro-Tem Kelly Peterson asked for a motion to pay the bills in the sum of \$1,719,588.40.

MOTION BY: Councilperson Taylor motioned to pay the bills in the sum of \$1,719,588.40.

SECONDED BY: Councilperson Rees

VOTE: Councilperson Peterson; Aye, Councilperson Simons; Aye, Councilperson Rees; Aye, Councilperson Taylor; Aye, Councilperson De Graw; Aye (5 Ayes)

14. MATT MARZIALE, MANAGER

The staff is doing a phenomenal job. We met with UDOT yesterday, and we're pleased to report that a project lead has been assigned to our interchange for the upcoming environmental impact study, which is scheduled to begin in July— which marks an important step forward for the project. During our meeting, we presented several key needs

we'd like to see addressed in the study. Our working relationship with UDOT is currently very strong, and we have multiple active projects underway throughout town. Things are developing well and staying on course. Additionally, UDOT has just allocated another \$1.4 million to support our efforts. We're excited about the momentum and look forward to continued progress on the interchange development.

15. CHIEF BRAD JAMES, PUBLIC SAFETY DEPT.

Chief Brad James informed the Council and staff that the City has experienced two house fires this summer directly linked to lithium batteries. In response, the Salem City Fire Department published an informational post highlighting the common uses of lithium batteries, along with the significant safety risks they can pose when not handled or stored properly. Chief Brad James encouraged residents to review the article, which was posted on June 5th on the Salem City Fire Department's social media, for important safety tips and preventative measures.

16. STEVE COX, BUILDING DEPT.

Arrowhead Springs has officially begun construction on its first two homes. Approximately 20 home plans have already been approved within the development. For Fiscal Year 2025, a total of 617 new homes have been approved citywide. This exceeds the budgeted projection of 400 homes, placing us over the anticipated limit.

17. WALTER BIRD, ATTORNEY

Walter Bird didn't have anything to add to tonight's meeting.

18. LISA WEBSTER, CITY PLANNER

In New Salem, we're working on the frontage road located just south of SR-164. This road is a key component for unlocking commercial access in the area. With UDOT controlling SR-164 and the county overseeing Loafer Mountain Parkway, turn access is currently limited. The frontage road project includes plans for a new intersection and traffic signal, and once completed, it will connect all the way to Payson. We've been in active discussions with Payson to preserve this connection, especially as they plan new developments along I-15 in their master plan. In partnership with Congressman Burgess Owens, we applied for a federal grant. We were selected for funding, though the exact amount is still pending. We expect to receive between \$2.5 million and \$4.5 million, with final figures anticipated by October. Currently, the road is referred to as 1820 North, but we'd like the council to help choose a permanent name for what will be known as the Salem-Payson connector. UDOT has commended our road planning efforts, and in a recent conversation with Boyd Brown, Matt noted that Salem City has been invited to officially name the roadway.

19. JEFFREY NIELSON, FINANCE/RECORDER

The upcoming election cycle includes a primary election for the Mayor on Tuesday, August 12, 2025.

20. ADAM CLEMENTS, ELECTRICAL DEPT.

Adam Clements stated, the recent American Public Power Association conference was an outstanding and highly beneficial experience. As part of our ongoing efforts to strengthen the City's workforce, we conducted interviews with nine applicants for the open lineman position. Following the interview process, two candidates were extended offers earlier today. Councilmember Kelly Peterson recommended that the selected candidates sign an employment agreement requiring a minimum service period with Salem City, to help ensure continuity and return on investment. Matt Marziale noted that this hiring effort has been a key topic of discussion throughout the City Council retreat, in conversations with Councilmember Peterson, and as part of strategic funding initiatives that made these hires possible. He expressed his appreciation to the Council for their support and commended Adam for his excellent work in helping advance this effort.

21. BRADEY WILDE, ENGINEERING DEPT.

Bradey Wilde was excused from tonight's meeting.

22. JOHN BOWCUT, FIBER DEPT.

John Bowcut stated things are progressing smoothly in Salem, with 2,160 fiber hookups in place.

23. JEN WRIGHT, RECREATION DEPT.

Jen Wright stated, we're excited to have a new summer intern, Lindsey McDivitt, who is already proving to be a great asset to the team. Lindsey brings valuable experience, having previously served as a medic in the military. Activity in the parks has increased, and we're continuing efforts to enhance safety and monitoring by working to install security cameras. Jen noted that there are remaining funds in this year's budget as well as allocated funding in next year's budget specifically for this purpose. This past Monday, the bait shop at the pond officially opened for the season. As a follow-up to last year's post-Salem Days meeting, we have made a change to the timing of our event communications. Traditionally, the Salem Days mailer has been included with the August utility bill, but after receiving feedback from residents asking for earlier notice, the flyer was sent to print today. Jen also shared that she is ahead of schedule in securing sponsors for Salem Days this year. Additionally, we're excited to introduce a live social media feed during the fireworks night, offering real-time coverage of the entertainment happening at the stage by the pond.

24. JAMES THOMAS, PUBLIC WORKS DEPT.

James Thomas stated, the Maple Well is now fully operational. Although there were a few challenges during the initial start-up, it is currently running very well. James presented a proposal for improving parking around Salem Pond. The plan includes painting red curb markings, installing “No Parking” signs, and applying stenciled warnings to clearly indicate restricted areas. A new sign has also been constructed at the Community Center to direct visitors to designated overflow parking. There is also consideration being given to expanding overflow parking on the property adjacent to the Community Center. The Council responded positively to the proposed changes. Painting of the no parking zones is scheduled to begin tomorrow morning.

COUNCIL REPORTS

25. MAYOR KURT CHRISTENSEN

Mayor Christensen was excused from tonight’s meeting.

26. COUNCILPERSON KELLY PETERSON

Councilperson Peterson thanked those who filed to run for Mayor and City Council, along with encouragement to stay committed and put in the necessary work if elected. UMPA is becoming more proactive in finding additional capacity to support future growth. It was mentioned that cities such as Provo, Nephi, and Spanish Fork are currently being approached by a large number of AI companies looking to establish operations. In response, UMPA has implemented a standard to limit each of these companies to 50 megawatts of power usage. Additionally, the manager of SUVPS requested that the Mayor and Council consider appointing the reporting council member to serve on the SUVPS board, alongside another council member, due to their relevant background and experience. A council member would still be required to attend meetings as part of this arrangement.

27. COUNCILPERSON CRISTY SIMONS

Councilperson Simons stated, although the Governor and First Lady were initially scheduled to attend Salem Days, they are no longer able to join us. As a result, we are making a few adjustments to our Recognition Night. Despite this change, we are confident it will still be a memorable and successful Salem Days celebration.

28. COUNCILPERSON CYNTHIA DEVERAUX REES

Councilperson Rees didn’t have anything to add to tonight’s meeting.

29. COUNCILPERSON PAUL TAYLOR

Councilperson Taylor stated, the Mt. Nebo Water Agency will be holding a meeting on July 1st with some of our representatives to discuss and educate attendees on the efforts underway in the South Valley to preserve groundwater resources. Councilmember Taylor announced that he has been nominated to serve as Chair of the committee.

30. COUNCILPERSON TIM DEGRAW

The Sewer Department continues to hold weekly meetings in coordination with Water Works Engineering regarding the upcoming WRF (Water Reclamation Facility) upgrade. Most systems are currently operating normally. Matt reported that Alder is awaiting delivery of necessary parts, which are expected to begin arriving in July. Councilperson De Graw emphasized the importance of maintaining commercial areas and noted that some businesses need to improve the upkeep of their properties. He expressed a willingness to send letters to these businesses as a reminder to comply with city codes and standards. He stated his intention is to ensure businesses understand that Salem City has expectations for property maintenance. Councilperson De Graw also requested an update on the Salem City Offices remodel. Lisa Webster responded that there have been several delays due to extended lead times, but Warner has been proactive in identifying issues and providing solutions. She also noted that Steve Cox has been very helpful throughout the process.

31. CLOSED SESSION

There was no closed session for tonight's meeting.

ADJOURN CITY COUNCIL MEETING

MOTION BY: Councilperson Taylor motioned to adjourn the council meeting.

SECONDED BY: Councilperson Simons

VOTE: Councilperson Peterson; Aye, Councilperson Simons; Aye, Councilperson Rees; Aye, Councilperson Taylor; Aye, Councilperson De Graw; Aye (5 Ayes)

MEETING ADJOURNED AT: 8:31

Jeffrey Nielson, City Recorder

29. COUNCILPERSON PAUL TAYLOR

Councilperson Taylor stated, the Mt. Nebo Water Agency will be holding a meeting on July 1st with some of our representatives to discuss and educate attendees on the efforts underway in the South Valley to preserve groundwater resources. Councilmember Taylor announced that he has been nominated to serve as Chair of the committee.

30. COUNCILPERSON TIM DEGRAW
