Grant Title	Executive Committee Review	Description

Rules Review/Discussion:

Rule #	Rule Name	Topic
R392-106	Microenterprise Home Kitchen Sanitation	Received industry feedback to update the language to allow microenterprise home kitchen owners to use their own kitchen as a commissary and to allow those producers to do freezer meal prep directly to consumers. EHEC unanimously recommends to Governance to <u>not</u> support nor adopt the proposed language for R392-106.

R392-102	Mobile Food Business Sanitation	Amended the definition of food cart to align with statute and to address a business model which has the vendor standing inside of the frame of the food cart. EHEC unanimously recommends Governance accept this amendment as previously approved by variance.
