Misc. Laura brought up the possibility of Arts Council sponsoring something or being a part of ZepFest when it comes to South Jordan. Laura was asked when she has more details on the event and ideas of how we could be a part of it, to bring a proposal and we can see if it is possible. Arts Council cannot sponsor the event and our budget for 2025/2026 has already been set, if it is a matter of being at the event, with a booth or something that might be doable.
