**1. KYLER NEILSEN PRESENTED INFORMATION**

- Jones and Demille has talked with Cody at Five County planner who confirms there is a chance that the Hopps well will fail at any time which is why they are submitting the application for special consideration project. Glendale has applied for grants in the past and with the recent earthquake in 2024 there presents an emergency situation. Jones and Demille has requested \$900,000 with 90% as a grant and the remaining would be a loan to be paid back at 1% over 30 years. The application is being reviewed by the Five county board. Kyler agrees with the emergency situation.
- Dan recommended raising the public water bill.
- Kyler asked for a representative to be present in July or August. Kyler was hoping to finalize this to look for a contractor.
- Recommended was to replace the well, with building for shelter and chlorination equipment.
- Few residents came in and Dan recapped the discussion with questions.

Motion made to adjourn. All in favor voted 'AYE'--**Adjourned.**
