Dear Valued Customer,

With warmer weather here and everyone doing spring cleaning and yard clean up we wanted to give you a few tips to avoid any disruptions in your trash service:

- Grass clippings, weeds, branches, etc. need to be in bags and branches should not be sticking out of cans. Not placing items in bags and having items sticking out makes it very difficult for the drivers to dump the cans properly and makes huge messes. Please help us out by placing items in bags and bringing items that are too big for the can to our transfer station in Ballard.
- Our drivers will only dump items that are in the cans. Please do not place extra garbage around the can. We will not pick it up.
- Please place cans at least 6ft apart. If cans are not 6ft apart the grabbers do not have enough room to grab the can without knocking the other cans over.
- Please keep cans away from any obstructions such as cars, campers, fences, etc. If cans are too close to such items it may be missed as we do not want to damage your property.

Please note we will be closed Saturday May 24th & Monday May 26th for Memorial Day Weekend.

Trash pickups will run as scheduled for May 26.

EFFECTIVE IMMEDIATELY we will be applying a \$5 late fee to any unpaid invoices if not paid by the due date.

Our hours of operation are as follows:

Office hours: Monday - Friday 7 am - 5 pm (closed all federal holidays)

Transfer Station hours: Monday - Friday 7 am - 5pm (no loads will be taken after 4:45pm) Saturday 9 am - 2pm (no loads will be taken after 1:45pm)

Reminder we have online payments and auto pay available. Please call us or email us for more information!
