### A. Public Hearing:

Mayor Wilson explained that the meeting tonight is to discuss the Class D alcohol license and the letter of consent for Zion Hot Springs. We need to do this because the DAB is meeting on Thursday, and they won't meet again until September and they need to get their application in, and we just need to give them a letter of consent. They already have given them a letter of intent so that they could move forward. They haven't finished this up so this letter of consent will allow them to put their application in and so we will open a public hearing for anybody who would like to come up and express their thoughts about issuing this class D alcohol license and the letter of consent for the hot spring.
