<b>In Attendance:</b> Jim Levanger, Mayor	Meliss Holloway, Council member, excused
Brad Peacock, Council member	Ralph, Council member
Liberty Smith, Council member, absent	Lorraine Behling, Town Clerk

**Also Present:** See public hearing sign in sheet.

**Business:** Budget information and Public comment regarding Proposed FY 2026 Adopted Budget.

## Public Comment:

Town clerk provided copies of the proposed FY 26 Adopted Budget to those in attendance and explained how to read the documents. Provided clarification on the Councils proposed town expenditures for the year;  
Park Improvements in the Pleasant Valley Days Account- \$25,000 has been added for a pole barn type structure at the park.

General Gov't Buildings in the General Fund- \$26,200 is for the ADA ramp and bathroom update for the Town Hall.

Highways in some fund- \$2,500 is for new street signs we need.

Class C Road in the General Fund- \$70,000 could be used as the town portion of some help the mayor has been trying to get from the county to help get our roads improved.

Maintenance and Repair- \$10,500 is for brick repair on the upper façade on the school and fixing the top of the jail.

Enterprise Fund- \$75,000 is in reserve for completing the well house if needed since the funding didn't go as far as expected due to increased engineering fees and costs going up due to supply chain issues.

A citizen asked what the \$2,000 in the cemetery is for and was told it is for small improvements to the headstones etc.

A citizen inquired as to where the town gets insurance from and was told UT Local Governments Trust.

**Adjourn-** Ralph moved to adjourn at 6:57 pm with Brad Peacock as second, all agreed.

Minutes Respectfully Submitted by Town Clerk
