

Electrology License				Hours for license
Service count	Minumum Service Count	Service Count Clock Hour	Total Hours	600
brow wax, lip wax, nose wax, cheeks and chin (may use hard wax, soft wax, sugaring in any combination)	10 (may be done in any combination)	0.5	5	0
small or medium area wax (may include axilla, feet, hands bikini area, brazilian*, upper arm, lower arm, upper leg, lower leg, upper back, lower back, upper chest, abdomen, sides)	10 (may be done in any combination)	1	10	
large area waxing (may include full back, full front torso, full leg, full arm)	5 (may be done in any combination)	1.5	7.5	

small or medium area electrolysis (may include axilla, feet, hands bikini area, brow, lip, exterior of the nose , cheeks exterior of the ear, and chin)	30 (may use blend, galvanic or thermolysis)	1.5	45	
large area electrolysis (may include any portion of the upper arm, lower arm, upper leg, lower leg, upper back, lower back, upper chest, abdomen, sides, brazilian*)	10 (may use blend, galvanic or thermolysis)	3	30	
Requires general cosmetic medical supervision				

small or medium area laser hair removal (may include axilla, feet, hands bikini area, brazilian*, upper arm, lower arm, upper leg, lower leg, upper back, lower back, upper chest, abdomen, sides)	5 (may be done in any combination, may use any approved laser device)	0.5	2.5	
large area laser hair removal (may include full back, full front torso, full leg, full arm)	5 (may be done in any combination, may use any approved laser device)	1	5	
cleansing, applying oils, antiseptics	to be done with every service	time is included in each specific service count		
draping	to be done with every service	time is included in each specific service count		
client consultation	performed with every service	0.25	18.75	
sanitation, sterilization, decontamination, and infection control	performed with every service	0.25	18.75	

electives based on technology and industry advancements			125	
electrology practical exam review	1	1.5		267.5
* see R156-302(c)(3) (d) for limitations on brazilian area				
Theory Topic	Required Objective	Objective Credit Hours	Total Hours	
overview of curriculum		0.5		
history of electrology		0.5		
professional ethics		1		
professional associations		1		
implements, tools and equipment for electrology		5.5		
analysis of the hair and skin including	properties of hair and skin	22		
	pathogenic bacteria and non-bacterial causes			

diseases and disorders of the hair and skin including	American Electrology Association (AEA) infection control standards	30		
	sanitation			
	sterilization			
	decontamination			
personal, client and shop safety including	CPR	25		
	first aid			
	disinfection methods and procedures			
	sterilization methods and procedures			
	aseptic techniques			
	sanitary procedures			
	blood exposure procedures			
	Environmental Protection Agency			
	safety data sheet			
	Department of Health and Human Services 26B-7-402 and R392-702			
	laser and light physics training			

	laser technologies and application	50		
	safety and maintenance of lasers (Laser safety officer course satisfies this requirement)			
Laser including;				
manual hair removal including;	hard wax	10		
	soft wax			
	sugaring			
	depilatories			
	tweezing			
	shaving			
	pre and post care			
	draping			
principles of electricity and equipment including:	types of electrical current, measurements, and classifications	20		
	Food and Drug Administration (FDA) approved needle type epilation equipment			
	epilator operation and care			
	needle or probe types, features, and selection			

modalities for needle type electrolysis including:	insertions, considerations, and accuracy	20	
	galvanic multi-needle technique		
	thermolysis manual and flash technique		
	blend and progressive epilation technique		
	one and two handed techniques		
clinical procedures including:	health and medical history	20	
	pre and post treatment skin care		
	normal healing skin effects		
	tissue injury and complications		
	treating ingrown hairs		
	face and body treatments		
	positioning and draping		
	contraindication		
medications affecting hair growth including:	over-the-counter preparations	3	
	anesthetics		
	prescription medication		

physiology and histology of the skin including:	endocrinology	26		
	dermatology			
	angiology			
	neurology			
cosmetic medical procedures for hair removal with laser	58-1-505	0.5		
	58-1-506			
law and rule		2		
business and shop management including:	developing a clientele	30		
	professional image			
	professional ethics			
	professional associations			
	public relations			
	advertising			
legal issues including:	malpractice liability	20		
	regulatory agencies			
	tax laws			
elective topics		45.5		332.5
