Time Stamp: 00:00 – 06/25/2025 Work Session

Mayor Mote called the work session to order at 5:00 p.m.

Kyle White with Western Land Development presented a concept plan for the Mountain Bay subdivision. The City Council and Planning Commission had a discussion about the number of lots, what the open space should look like, and potential improvements for the subdivision plan. The Council and Commission agreed that the number of lots should be closer to 50. Mr. White said they are considering a fee-in-lieu of the open space. The funds deposited with the city could be used for off-site improvements or park improvements elsewhere in the city. Mr. White said him and his team would adjust their plan further and come back for more discussion with the city.

The meeting was adjourned at 6:30 p.m.
