

UTAH STATE BOARD OF EDUCATION

Subject:

ACTION: R277-606, Dropout Prevention and Recovery Program (Amendment)

Agenda item type:

Action Item

Recommended Action:

MOTION FOR THE BOARD: The Board approve R277-606, Dropout Prevention and Recovery Program, Draft 2, on second and final reading.

Purpose of Memo:

Result of legislative action

Background:

Staff is proposing changes to R277-606 for two reasons. The first is that the current timeline for Dropout Prevention and Recovery Program reporting does not align with other similar reporting timelines. The timeline changes proposed in this draft would put these reports on the same timeline and streamline the reporting burden for LEAs. The second is due to code changes made in HB 191, High School Credit Amendments, from the 2025 legislative session and to include new requirements related to LEAs using the packet method.

Staff will present R277-606, Dropout Prevention and Recovery Program, Draft 2, for consideration and approval.
