**Purpose of Memo:**

Staff recommendation

**Background:**

Instructional Materials for Child Sexual Abuse and Human Trafficking Prevention are required by 53G-9-207 to be submitted to the Board for approval prior to their use in schools. The materials are submitted through the Recommended Instructional Materials System (RIMS) and they are then reviewed by a review committee to ensure compliance with the minimum guidelines. The Spring 2025 materials review cycle has concluded, and prevention staff are submitting 12 sets of material for approval to the Board. The materials include four sets of materials for students, eight sets of materials for training for adult, which include education staff, and/or parents.
