Chairperson Suzy Polnisch of the Cedar Mountain Service District called the Public Hearing to order at 6:03 p.m. and stated the Public Hearing was to discuss the potential for a fee increase for Fire/EMS.

Prayer - Brent Carter  
Pledge - Zach Hascall

Chairperson Polnisch stated the roll call of Board members for the record and ceded the Chair duties to Clerk Zach Hascall.

Zach Hascall reiterated the proposal of Fire/EMS fee increase from \$425 to \$475-500 per property and asked for any comments.

Barbara Chilson, Vice President of Color Country HOA said their HOA had held their annual meeting at the fire station the previous Saturday. During her visit she requested a fire pit inspection from the Captain on duty. After failing the first inspection and making corrections the current shift on duty returned and her fire pit passed inspection. She then learned the amount of the proposed fee increase and calculated it to be an increase of .28 cents per day and felt there was no reason to oppose such an increase and suggested that it be raised to the maximum of \$500 and even up to \$600. Ms. Chilson felt it was well worth the increase with the firefighters' risk to save life and property and was also speaking for the Board of Color Country HOA.
