

Memorandum of Understanding

Between Utah Career Path High School and Davis Technical College

Background

This MOU outlines an agreement between Utah Career Path High School (UCPH) and Davis Technical College (DTC) regarding expectations and accountability measures to be reported to the Davis Technical College Board of Trustees (DTCBT). The accountability measures will, as much as possible, mirror the Utah State Charter School Board Accountability Framework Policy. Failure to fulfill the responsibilities outlined in this MOU may result in the revocation of the charter by the authorizer (DTCBT).

Term

This MOU will take effect upon approval of the UCPH and DTCBT and will remain in effect for 3 years from that date.

Utah Career Path High Responsibilities:

1. Accountability Commitment:
 - Meet the Utah State Board of Education (USBE) and Mission Specific accountability measures outlined in Attachment 1.
2. Annual Reporting to DTCBT:
 - Share accountability measures (see Attachment 1).
 - Provide current enrollment, past year accomplishments, concerns, and future goals.
 - Report graduate data, staff updates, student outcomes, and other relevant info.
3. Quarterly Reporting:
 - Submit written updates on current UCPH enrollment and UCPH student participation in DTC programs.
4. Student Engagement:
 - Conduct a yearly survey to gauge student interest in DTC programs.
5. Data Sharing:
 - Provide student directory information to DTC for detailed tracking and reporting of student progress and outcomes.

Davis Technical College Responsibilities:

1. Meeting Access:
 - Ensure UCPH has access to regularly scheduled DTCBT meetings as previously outlined.
2. Reporting Support:
 - Assist UCPH with the design, formatting, and interpretation of reports upon request.
3. Service Expansion:

- Participate in ongoing discussions to explore and develop additional services specifically for UCPH students, beyond those available to students from other high schools.
