DIVISION OF WATER QUALITY
UTAH DEPARTMENT OF ENVIRONMENTAL QUALITY
PUBLIC NOTICE OF SIGNIFICANT NONCOMPLIANCE

PURPOSE OF PUBLIC NOTICE

THE PURPOSE OF THIS PUBLIC NOTICE IS TO SATISFY THE REQUIREMENT TO PUBLIC NOTICE INDUSTRIAL USERS THAT ARE PERMITTED BY THE DIVISION OF WATER QUALITY AND ARE IN SIGNIFICANT NONCOMPLIANCE BASED ON 40 CFR 403.8 (F)(2)(VIII). THE FOLLOWING INDUSTRIAL USER FAILED TO SUBMIT A SELF-MONITORING REPORT PER THE REQUIREMENTS OF THEIR UPDES PERMIT AND WAS MORE THAN 45 DAYS LATE IN PROVIDING THE REPORT:

Utah Beef
UTP000064
2200 South Redhills Drive
Richfield, UT 84701

BACKGROUND

In accordance with the United States Environmental Protection Agency General Pretreatment Regulations in 40 CFR 403.8(f)(2)(viii), the Division of Water Quality hereby notifies the public regarding Industrial Dischargers that the Division of Water Quality acts as the Control Authority for systems without an Approved Pretreatment Program. Utah Beef was found to be in significant noncompliance (SNC) with reporting requirements in 40 CFR 403.8(f)(2)(viii)(F).

PUBLIC COMMENTS

Any questions, comments or concerns regarding the notice should be directed to Jennifer Robinson at jenrobinson@utah.gov or 385-501-9585.
