NOW THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged and accepted by both parties, the parties hereto mutually agree and covenant as follows:

1. Effective Date, Termination

- 1.1. The “Effective Date” of this Agreement is the last date upon which it is signed by any of the Parties hereto, and shall be indicated on the Cover Sheet. The City may not execute this Agreement until approved by the City in accordance with the Magna Municipal Code (“MMC”).
- 1.2. This Agreement shall be in full force and effect until the earliest occurrence of: (i) such date as the Project is abandoned, defined as written notice from Developer to the City that it no longer intends to develop the Project; (ii) the use or active development is discontinued for a period of more than six (6) months; or (iii) the Developer defaults on any provision of this Agreement and the default is not resolved as specified in this Agreement. Failure to proceed with development pursuant to this Agreement shall be deemed failure to implement the application with reasonable diligence pursuant to Utah Code Ann. Section 10-9a-509.

2. Project Description

The Project is described more fully herein on the Cover Sheet; in AT&T’s application materials, attached as **Exhibit B**; and as illustrated in the “**Site Plan**” for the Project, attached as **Exhibit C**.

3. Development Standards

- 3.1. Development Standards. The site development standards, procedures, and rules of the Underlying Zone and applicable code and law are modified as shown on **Exhibit D** “Development Standards.” All development standards applicable to the Project not expressly modified by this Agreement, including the Utah Municipal Land Use Development and Management Act, remain in full force and effect. Together, Exhibit D standards and the remaining development standards in the City code are the “**Development Standards**” for the Project.

These Development Standards shall apply to all buildings comprising the Project.

- 3.2. Use of the Property. This Agreement does not modify, amend, or otherwise alter the uses permitted, conditioned, or restricted in the Underlying Zone. Developer acknowledges a separate rezoning request must be submitted to modify the permitted and conditional uses in the applicable zone.

- 3.3. Approvals. Development of the Project shall be in accordance with Utah's Land Use, Development and Management Act, MMC, the City's future laws which include the ordinances, policies, standards, and procedures which may be in effect as of a particular time in the future when a development application is submitted for a part of the Project (to the extent they are applicable as specified in this Agreement), the Site Plan and this Agreement. Approval of this Agreement by the City Council constitutes approval of the Site Plan, subject to health and safety review and fee payment compliance by prior to issuance of a building permit. Following approval by the City, the approved Site Plan and included in Exhibit C along with any supporting data and materials on which the Site Plan relies shall be made part of this Agreement and deemed to be an integral part of this Agreement. In the event of any inconsistency between approved plans and the terms of this Agreement, the terms of this Agreement shall govern. Any Development Review Submittals and approvals shall comply with the requirements of MMC for the appropriate development application.
- 3.4. Modification. The terms and conditions of this Agreement or of any Development Review approval issued in accordance with this Agreement may be modified administratively by the Planning Commission upon written request by Developer, as described in MMC 19.69.130 notwithstanding this Agreement is not made in conjunction with a planned community development application.
- 3.5. Fees. Nothing herein shall be construed to relieve Developer of the standard obligations to also pay any City fees and charges as part of the development process, as set forth in the existing City fee schedule. These costs will be paid pursuant to procedures set forth in City ordinances and policies.
- 3.6. Timeline. Developer shall satisfactorily complete construction of all Project improvements in a good and workmanlike manner, no later than six (6) months after the Agreement, subject to reasonable delays due to events of force majeure.

4. Recording

The responsibilities and commitments of Developer and the City as detailed in this document, when executed shall constitute a covenant and restriction running with the land and shall be binding upon the Developer/Owner of the Property, their assignees and successors in interest and this Agreement or a notice thereof shall be recorded in the Office of the Salt Lake County Recorder by City at Developer's cost.

5. Default

- 5.1. Failure to provide any reasonably requested information related to the Site Plan or any modifications thereto, obtain building permits, or complete construction of the Project specified in this Agreement shall constitute a default by Developer, its successors or assigns in interest.

5.2. Notice. If the Developer or the City fails to perform their respective obligations hereunder or to comply with the terms hereof, the Party believing that a default has occurred shall provide a written “**Notice of Default**” to the other Party.

5.3. Contents of the Notice of Default. The Notice of Default shall:

5.3.1. Specify the claimed event of default;

5.3.2. Identify with particularity the provisions of any applicable law, rule, regulation or provision of this Agreement that is claimed to be in default; and

5.3.3. If the City chooses, in its discretion, it may propose a method and time for curing the default which shall be of no less than thirty (30) days duration, if weather conditions permit.

5.4. Remedies. Upon the occurrence of any default, and after notice as required above, then the parties may have all rights and remedies available at law and in equity, including, but not limited to, injunctive relief and/or specific performance.

5.5. Default of Assignee. A default of any obligations expressly assumed by an assignee shall be deemed a default of Developer.

5.6. Limitation on Recovery for Default – No Damages against the City. Anything in this Agreement notwithstanding Developer may not be entitled to any claim for any monetary damages as a result of any breach of this Agreement and Developer waives any claims thereto. The sole remedy available to Developer and any assignee shall be that of specific performance.

6. Vesting.

Upon the Effective Date of this Agreement the Developer’s right to construct the Project, under the terms and conditions of this Agreement shall be vested to the fullest extent allowable under Utah Code Ann. Section 10-9a-509. Except as expressly and mutually agreed in writing by the Parties, all development of the Project, including any later phases, shall be governed by the applicable law in effect on the Effective Date of this Agreement. Nothing in this Agreement will limit the future exercise of the police power by the City in enacting zoning, subdivision, development, transportation, environmental, open space, and related land use plans, policies, ordinances and regulations after the date of this Agreement. Notwithstanding the retained power of the City to enact such legislation under its police power, such legislation will not modify Developer’s vested right as set forth herein unless facts and circumstances are present which meet the exceptions to the vested rights doctrine as set forth in Western Land Equities, Inc. v. City of Logan, 617 P.2d 388 (Utah, 1980), its progeny, or any other exception to the doctrine of vested rights recognized under state or federal law.

 - 6.1.4. Taxes. Taxes, or modifications thereto, so long as such taxes are lawfully imposed and charged uniformly by the City to all properties, applications, persons and entities similarly situated;

 - 6.1.7. Planning and Zoning Modification. Changes by the City to its planning principles and design standards as permitted by Local, State or Federal law; and
 - 6.1.8. Compelling, Countervailing Interest. Laws, rules or regulations that the City's land use authority finds, on the record, are necessary to avoid jeopardizing a compelling, countervailing public interest pursuant to Utah Code Ann. Section 10-9a-509.

Any notice or other communication required or permitted hereunder shall be in writing and shall be delivered personally, sent by a nationally recognized overnight courier service, or sent by email.
