Re: Special Events

---

### **Summary of Special Events Ordinance**

The Special Events Ordinance (Chapter 14.56) establishes permit requirements for activities that impact public streets, sidewalks, town property, or the quiet enjoyment of private property within the town. It aims to balance free speech rights with public safety and convenience, applying regulations in a content-neutral manner without discrimination.

A "Special Event" is defined as any Athletic Event (e.g., organized sports or exercise with 50+ people), Entertainment Event (e.g., parades, concerts, weddings, block parties, or filming with 50+ people), Political Event (e.g., protests or marches with 50+ people), or other organized events with more than 50 participants, whether for profit, nonprofit, or charitable purposes.

### **Thresholds for Permit Requirement**

A permit is required for any Special Event with more than 50 participants or attendees that impacts public roads, sidewalks, transportation systems, town property, or residents' quiet enjoyment. Permits are mandatory if the event involves street/sidewalk closures, impedes access, or requires town resources for traffic control, security, or other services.

The Fee Schedule for the Town of Brighton (effective July 14, 2025) includes a section on Special Event Permit Fees under "Public Works – Engineering Special Events" (pages 15-16). These fees are tiered based on the number of participants. The thresholds determine the daily fee amount for special events requiring a permit. Note that certain events are exempt from fees (e.g., political events, short parades under 1 mile, town-sponsored events, private non-commercial weddings, block parties, and revenue-raising events benefiting the town), and filming has a separate flat fee.

The fees scale with participant numbers as follows:

- 0 to 100 participants: \$50.00 per day
- 101 to 200 participants: \$100.00 per day
- 201 to 400 participants: \$200.00 per day
- 401 to 600 participants: \$500.00 per day
- Over 600 participants: \$1,000.00 per day

Fees should be reviewed regularly, and if needed adjusted, to ensure cost reflects time spent managing the permitting process and to account for impacts on Town resources and facilities. Events with 50 or fewer attendees are exempt if they do not affect public use, violate noise regulations, or require external approvals/permits (e.g., from health departments or law enforcement). Organizers must still provide copies of any required external approvals to the town.

Additional exemptions include: gatherings/demonstrations of 50 or fewer in public forums exercising First Amendment rights; events using town facilities under contract with the Town; meetings under the Utah Open Meetings Act; spontaneous events (triggered by news within 48 hours) in public forums; and certain events like school activities on school property.

## **Permit Requirements**

Applicants must obtain a Special Event permit from the Town Clerk at least 60 calendar days in advance (late applications may be considered if compliance was impractical and the event is small-scale, without road restrictions or >50 people). The application process includes:

1. **Form:** Submit a form including event type/description; sponsoring/promoting entity details (name, contact, address, phone/email); proposed dates/times; street closure details (if applicable, including barricade/traffic detour/parking plans and route map); estimated staff/security/participants/spectators; admission fees/donations; applicant signature; and for block parties, a traffic/parking plan accommodating residents and emergency access.
2. **External Approvals:** Obtain and provide copies of approvals/permits from relevant agencies (e.g., law enforcement, emergency medical services, health department, County/State/Federal entities like UDOT, UTA, or US Forest Service).
3. **Fees:** Nonrefundable application fee (per town fee schedule; waivable for town-benefiting events). Additional fees for police traffic control (based on event size, timing, route, etc.), special services/equipment (paid directly to agencies). Exemptions from fees for Political Events, short parades (<1 mile), town-sponsored events, private non-commercial weddings, block parties, and revenue-raising events benefiting the town. Additional fees charged by other agencies may also apply.
4. **Insurance and Indemnification:** Certificate of insurance (listing town as additional insured) with minimum limits: \$1M per person injury/death, \$2M for multiple persons, \$1M property damage. Exemptions for Political Events, short parades, school events on/adjacent to school property, town-sponsored events, and block parties. Applicants must indemnify/hold harmless the town against claims arising from the event.
5. **Processing and Approval:** Town circulates application to agencies (e.g., Health Dept., Police, Fire, Public Works) for review of impacts on traffic/parking/security/health/safety, sound levels, resource availability, and conflicts. Agencies may impose conditions (e.g., bathroom facilities, bonds for cleanup). Permit issued upon full approval and compliance; denials must specify reasons (e.g., violations of laws, inadequate resources,

misrepresentations) and alternatives if possible. Appeals to the Town Clerk within 7 days, decided by mayor within 2 business days (expedited for late applications).

6. Other Conditions: Permits are nontransferable and expire on specified date. The Town may revoke for violations or emergencies. Law enforcement may disperse non-compliant events. For multi-jurisdiction events, approvals from all bodies are required.

Violations (e.g., holding unpermitted events) are Class B misdemeanors or enforceable under administrative code, potentially leading to event stoppage or citations.

### **Recommendations for Improvement**

To enhance the ordinance's effectiveness in limiting impacts on the town while maintaining balance between public use and residents' peaceful enjoyment, the following five discussion points or questions are recommended for council consideration:

1. Noise and Time Restrictions: Should the ordinance include stricter default limits on event duration (e.g., no events after 10 PM) or decibel levels, with variances only upon demonstrated need, to better protect residential quiet enjoyment?
2. Participant Threshold Adjustments: Are the existing thresholds appropriate, or should they be changed for certain event types (e.g., athletic or entertainment) in sensitive areas like residential neighborhoods to prevent unintended disruptions?
3. Environmental and Cleanup Bonds: Could requiring mandatory cleanup bonds or environmental impact assessments for larger events (>200 participants) help mitigate litter, traffic congestion, or ecological damage in town parks and natural areas?
4. Requiring Town Coordination of Traffic Control: Should applicants be required to notify affected residents (e.g., via mail or postings within a 500-foot radius) at least 30 days in advance, allowing input on potential impacts before permit approval?
5. Annual Event Caps or Scheduling Limits: To avoid resource overextension, should the town implement caps on the number of permitted events per month/quarter or prioritize local/resident-led events over commercial ones in high-impact locations/dates?

### **Glossary of Terms**

**Condominium Plat:** The procedure to review and record a condominium plat is subject to the Condominium Ownership Act (57.8- Utah Code). Staff review includes addressing all units, a review to verify compliance with the zoning ordinance and conditions of approval previously imposed and an engineering review to verify compliance with platting requirements.

**Director:** The Director of Planning and Development or designee.

**General Plan Amendment:** Planning Commissions make a recommendation to the Council who must authorize Amendments to a General Plan. A study that includes public involvement is conducted after Council gives the direction to proceed to the Development Services Director.

**Home Daycare I Pre-school Application Fees:** Although a home daycare or pre-school may be operated out of a private residence, it is not considered or reviewed in the same manner as a home business. Therefore, they are listed separately in the fee schedule and in the ordinance.

**MSD:** Means the Greater Salt Lake Municipal Services District, which the Town of Brighton has contracted with to provide planning and zoning, building permit, business license, and code enforcement services

**Re-Zone (Zoning Map Amendment):** A request to change the existing zoning (re-zone) requires: review and recommendation from the planning commission (Public Body Review) and final decision by the council (Additional Public Body Review) and technical work (Technical Review) for map and index work).

**Signs:** Signs vary in the type and complexity of review process required therefore they are listed under several review types. It is intended that the fees are assessed per review process and not per sign. For example, a business that had 2 signs requiring Planning Commission review would be charged for 1 Planning Commission review. However, a business which had 1 sign which required Planning Commission review and another sign which did not would be charged for 1 Planning Commission review and 1 staff review.

**Subdivision:** A request to subdivide property requires review and approval of a preliminary plat, and a Technical Review of the Final Plat. Additionally, an Agency Review Meeting is required. Note that in the case of a "one-lot" subdivision there might also be an Administrative Review for the proposed Single-Family Dwelling. Fees may include: Agency Coordination Meeting, Planning Commission Meeting, Technical Review, Staff Review of a Site Plan.

**Valuation:** The estimated construction cost for a project.
