implementation. The Council agreed that the issue has worsened each year, with residents placing chairs out earlier than ever before.

Brian Seeley requested to speak and share his concerns, stating that some of the vehicles and chairs pose potential safety hazards. Jeff McDonald also commented, emphasizing the importance of maintaining a friendly relationship with the public. He expressed that issuing citations may not be the best approach.

Chief Gray clarified that while citations are an option, none have been issued to date. Instead, the department has focused on issuing warnings and prioritizing public education.

9. Approval of Resolution 2025-10- *A resolution superseding resolution 2016-15, establishing a youth city council and updating the by-laws of the Mt. Pleasant City youth city council (YCC)- Debbie James*

Debbie stated that she would like Youth City Council applications to be made available in June to allow graduating seniors to transition out, establishing a June-to-June term for YCC membership. As a result, this year's term will be slightly shorter than usual.

She also applied for an extension of the *Teens Lifting Teens* program through Utah State University. This program is designed to help youth develop leadership skills and will require participants to complete three youth-related activities. These requirements have been incorporated into the updated resolution. An exemption will be made for Wasatch Academy students, recognizing that they may be unable to attend all scheduled activities.

As part of the program, participants will be required to teach a team-building activity during YCC meetings to enhance leadership development. Debbie expressed her desire for the Youth City Council to provide an annual report to the City Council, like the presentation given by the City Royalty.

A question was raised about the term length for members, which will be one year. Debbie noted that four or five current YCC members have expressed interest in returning next year. Eligibility requirements will include residency in Mt. Pleasant City, being a recipient of Mt. Pleasant City services, or being a student at Wasatch Academy.
