**NOTICE IS HEREBY GIVEN** that the Clinton City Council and Planning Commission will hold a General Plan workshop/charrette August 20, 2025, at 6:00 pm. The workshop will be held in the Clinton City Community Center at 1651 West 2300 North, Clinton, Utah.

The purpose of this workshop is to build upon the public input received from the General Plan webpage surveys and the Heritage Days event. Councilmembers, commissioners, and steering committee members will discuss draft land use concepts for the city with a focus on the three small area plans. Participants will split into breakout groups for a collaborative mapping exercise to refine and elevate concepts for residential neighborhoods, commercial spaces, and other non-residential land uses.

With the focus of the workshop on gathering feedback from city officials and steering committee members, the public is welcome to attend and observe the discussions. If you attend this meeting and, due to a disability, will need assistance in understanding, please notify the Community Development Department at (801) 614-0740 prior to the meeting and we will seek to provide assistance.
