15. **Staff Reports:**

Seth Manning: Seth states that the county is issuing a conditional use permit to the Barndominium , under the condition that he and the Brothersons split the cost for a privacy fence.

Travis Richards: Travis states that over the weekend someone left a lot of trash around the dumpster up by the rv dump. The dumpster was full so they put the garbage all around the dumpster on the ground. Amanda made signs to put on the dumpster and a suggestion of during the summer months maybe putting a large roll off dumpster up there as well. Travis states that the wall blocking the bathroom doors was tore down due to a lot of vandalism at the park. This was done to aid in hopefully catching who is doing the vandalism.

Andy Thompson: No Report

Dani Tuttle: Absent

Amanda Lake: Amanda reports that Mindy Nicolson had some concerns about the state of the City Park Kitchen and bathrooms. Mindy voiced her concerns and wanted to make the Council aware of the condition of these facilities. The Council said that they will look into these issues and address them. Amanda also reports that UDOT has agreed to help pay for the light replacements on the North end of town. Those funds will be put back into the B & C road budget. Amanda states that she talked to Hailey Collard and Hailey was asked by The Best Friends Organization to start a rescue shelter for animals here. This is something that might be coming to the community.

16. **City Council Reports:**

Tracy Addley: No Report

Kari Alton: Absent

Doug Stilson: Doug states that they went through the Short-Term Rental policy and as far as they can tell they are in compliance. He also states that they are working on a policy for Accessory Dwelling Units. These are not Short-term rentals. These are dwelling that are occupied for more than 30 days. The Glamping Project are still working on the water shares.

Meran Kay: Absent

Kevin Butler: Kevin reports that he attended the Nuclear meeting at the County. He states that the Company Valor was there to answer questions and address concerns from the public. He states that this facility would be doing actual nuclear testing, but the reactors are mini reactors. He advises those that are concerned to attend these meeting to become educated on how these reactors work. He states that he thinks it will be a great addition to help boost our economic growth. They are hoping to have it up and running by July of next year.

17. **Mayors Report:** Mayor Bell thanks Kevin Butler for Orangeville Days and all the hard work that was put into it. Mayor Bell also thanks the office staff with the projects going on and the website changeover.
