

# The Utah Medicaid Advisory Committee needs your voice!

The Utah Medicaid Advisory Committee (MAC) is a group of Medicaid members and providers. They meet to share their input and experience. The meeting covers important topics with the goal of improving the Medicaid program.

## As a committee member, you can help by:

- Sharing your point of view and experience as a Medicaid member
- Giving feedback about how Medicaid services meet the needs of Medicaid members
- Being a voice for Medicaid members

## The MAC represents diverse Utahns

The Utah MAC is made up of people from different ethnic, racial, and geographic backgrounds. Your perspective as a Medicaid member matters!

## How can I get involved?
