C. ACTION ITEMS

1. Resolution – Canvass of the August 12, 2025, Payson City Municipal Primary Election

Staff Presentation:

Kim Holindrake reviewed the Primary Election Results Report. The city council will sign the certification following approval of the election results. The statement of votes cast shows a 20.27% turnout, which is pretty good for a primary election. There were 2,308 ballots cast and 11,384 registered voters. The official totals show Bob Provstgaard, Lacey Smith, Easton Brady, and Kirk D. Beecher nominated and will move on to the November 4, 2025, general election. The voters classified as private or withheld is new and shows 3,913 public voters, 5,643 private voters, and 1,828 withheld voters. Public voters are simply those registered to vote. Private voters are those who declared their information private, which only certain entities or persons can get this information through a public service request. Withheld voters are those who are victims of crime, law enforcement, military, etc., which requires a form and a review process for the information to be withheld. The summary results includes the candidate votes plus the percentages. The next pages include the individual precinct statistics, which Payson has fourteen precincts. The Utah County canvass statistics (ballot reconciliation) page includes the ballot count, rejected ballots, and provisional ballots, which includes one change to line 4I from 66.6% to 33.3%. The last page is the city recorder's certification and then everything is sent to the Utah Lt. Governor's Office.
