

Attachment C: Assurances

In addition to the previous attachments of this agreement, Researcher provides the following assurances surrounding use and management of data:

Assurance 1: In accordance with 40.9 of *Attachment A: State Of Utah Standard Terms And Conditions For Research*, Researcher will destroy all data provided at the end of agreement and provide a certificate of data destruction to privacy@schools.utah.gov without further request from USBE.

Researcher initials: _____

Assurance 2: In accordance with the National Institute of Science and Technology (NIST) Cybersecurity Framework (CSF) or Center for Internet Security (CIS) Critical Security Controls, Researcher will ensure that access to data is limited only to authorized parties for authorized purposes and that such access will employ multifactor authentication.

Researcher initials: _____

Assurance 3: Researcher will send the output described in *Attachment B: Scope of Research* to privacy@schools.utah.gov by the output delivery date. Additionally, Researcher will coordinate with the Utah State Board of Education Director of Privacy to prepare and schedule a presentation as requested by the Board regarding the findings of the research project.

Researcher initials: _____

This document is for consideration in the September 2025 Board meeting. If USBE250073RA is approved by the Board, this document will be appended to the broader agreement before signing.
