

UTAH STATE BOARD OF EDUCATION

Subject:

ACTION: HB 508's Data Systems and Advisory Committee Report on Student Information Systems

Agenda item type:

Action Item

Recommended Action:**Purpose of Memo:**

Result of legislative action

Background:

53E-3-526 requires that the Board create the Data Systems and Reporting Advisory Committee and submit a report about student information systems to the Education Interim committee on September 15th, 2025. Staff will present this report as well as the recommendations from the advisory committee for the information of the board.
