2. Minutes

Minutes from HPC meeting on April 3, 2025 were approved (Motion by Alex and second by Ben, all voted in favor).

3. Historical Records Scanning Project

Kim reported that he had worked with Jamie to get the historical documents ready to send to UCI. Jamie said that UCI scanned 4 boxes and sent the boxes to the Utah State Archives. She is awaiting the hard drive back with the documents and has paid the invoice.

Ben asked Jamie to make the documents accessible to the Commission so that they could review and determine what documents to place on the website for public use.

4. Oral History Project

Ben reported that Jefferson Trimble asked to be removed from the Commission. He asked Jeff and Brooke to provide an email to the Mayor asking to be removed.

Ben will start working on the oral history project until we have recruited new members to the Commission.

5. Historic Homes Project

Kim reported that he has been working diligently to identify homes that are eligible for the Historic Sites List. As soon as we have the coin/plaque to award to residents, he would like to acknowledge four

homes which include Carol Sieverts at 1646 West 11745 South, Boyd & Andrea Palmer at 11697 S. Redwood Road, Mallory & Noah Dixon at 11743 S. Redwood Road, and Matt & Shelly Sieverts at 1658 West 11745 South.

We will tentatively plan to have these four homes recognized at City Council meeting on July 15.

6. Adjournment

The Historic Preservation Commission will not meet in July so the next meeting will be held on August 7, 2025. Motion to adjourn by Alex, second by Kim. Meeting was adjourned at 6:36 p.m.
