Program reporting and evaluation are not considered human-subjects research.

13. **GRANTEE RESPONSIBILITY:** GRANTEE is solely responsible for fulfilling the statement of work under this Agreement, with responsibility for all services performed as stated in this Agreement. GRANTEE shall be the sole point of contact regarding all matters related to this Agreement. GRANTEE must incorporate GRANTEE's responsibilities under this Agreement into every subcontract with its subcontractors that will provide any of the work product in this Agreement. Moreover, GRANTEE is responsible for its subcontractor's compliance under this Agreement.

14. **GRANTEE ASSIGNMENT AND SUBGRANTEES/SUBCONTRACTORS:**

- a. Assignment: Notwithstanding DWS's right to assign the rights or duties hereunder, this Agreement may not be assigned by GRANTEE without the written consent of DWS. Any assignment by GRANTEE without DWS's written consent shall be wholly void.
- b. If GRANTEE enters into subcontracts the following provisions apply:
 - i. Duties of Subgrantee/Subcontractor: Regardless of whether a particular provision in this Agreement mentions subgrantees, a subgrantee must comply with all provisions of this Agreement including, insurance requirements and the fiscal and program requirements. GRANTEE retains full responsibility for the Agreement compliance whether the services are provided directly or by a subgrantee.
 - ii. Provisions Required in Subcontracts: If GRANTEE enters into any subcontracts with other individuals or entities and pays those individuals or entities for such goods or services with federal or state funds, GRANTEE must include provisions in its subcontracts regarding the federal and state laws identified in this Agreement, if applicable ("Grantee's Compliance with Applicable Laws; Cost Accounting Principles and Financial Reports"), as well as other laws and grant provisions identified in 45 C.F.R. §92.36(i).

15. **INDEPENDENT GRANTEE:** GRANTEE and subcontractors, in the performance of the Scope of Work, shall act in an independent capacity and not as officers or employees or agents of DWS or the State of Utah. Persons employed by or through the Grantee shall not be deemed to be employees or agents of the State and are not entitled to the benefits associated with State employment.

16. MONITORING:

- a. DWS shall have the right to monitor GRANTEE'S performance under this Agreement. Monitoring of GRANTEE'S performance shall be at the complete discretion of DWS which will include but is not limited to GRANTEE'S fiscal operations, and the terms, conditions, attachments, scope of work, and performance requirements of this Agreement. Monitoring may include, but is not limited to, both announced and unannounced site visits, desk audit, third party monitoring, expenditure document review or video/phone conferencing. Any onsite monitoring will take place during normal business hours.
- b. If it is discovered that GRANTEE is in default (not in compliance with the Agreement), GRANTEE may be subject to sanctions which may include warnings, audits, temporary suspension of payments, termination, demand for the return of funds, or suspension/debarment from participation in future DWS grants and contracts. Default may also result in the cancellation of other agreements between GRANTEE and DWS.
- c. GRANTEE understands that DWS may conduct customer-satisfaction surveys. GRANTEE agrees to cooperate with all DWS-initiated customer feedback.
- d. EVALUATIONS: DWS may conduct reviews, including but not limited to:
 - i. PERFORMANCE EVALUATION: A performance evaluation of Grantee's and Subcontractors' work.
 - ii. REVIEW: DWS may perform plan checks, plan reviews, other reviews, and comment upon the Services of Grantee. Such reviews do not waive the requirement of Grantee to meet all of the terms and conditions of this Agreement.

17. DEFAULT: Any of the following events will constitute cause for DWS to declare GRANTEE in default of this Agreement (i) GRANTEE's non-performance of its contractual requirements and obligations under this Agreement; or (ii) GRANTEE's material breach of any term or condition of this Agreement. DWS may issue a written notice of default providing a ten (10) day period in which GRANTEE will have an opportunity to cure. In addition, DWS will give GRANTEE only one opportunity to correct and cease the violations. Time allowed for cure will not diminish or eliminate GRANTEE's liability for damages. If the default remains after GRANTEE has been provided the opportunity to cure, DWS may do one or more of the following: (i) exercise any remedy provided by law or equity; (ii) terminate this Agreement; (iii) debar/suspend GRANTEE from receiving future grants or contracts from DWS or the State of Utah; or (iv) demand a full refund of any payment that DWS has made to GRANTEE under this Agreement.

18. AGREEMENT TERMINATION:

- a. **Termination for Cause:** This Agreement may be terminated with cause by either party, upon written notice given to the other party. The party in violation will be given ten (10) days after written notification to correct and cease the violations, after which this Agreement may be terminated for cause immediately and subject to the remedies herein. Time allowed for cure will not diminish or eliminate GRANTEE's liability for damages.
- b. **Immediate Termination:** If GRANTEE creates or is likely to create a risk of harm to the clients served under this Agreement, or if any other provision of this Agreement (including any provision in the attachments) allows DWS to terminate the Agreement immediately for a violation of that provision, DWS may terminate this Agreement immediately by notifying GRANTEE in writing. DWS may also terminate this Agreement immediately for fraud, misrepresentation, misappropriation, or mismanagement as determined by DWS.
- c. **No-Cause Termination:** This Agreement may be terminated without cause, by either party, upon thirty (30) days prior written notice being given to the other party.
- d. **Termination Due to Nonappropriation of Funds, Reduction of Funds, or Changes in Law:** Upon thirty (30) days' written notice delivered to the GRANTEE, this Agreement may be terminated in whole or in part at the sole discretion of DWS, if DWS reasonably determines that: (i) a change in Federal or State legislation or applicable laws materially affects the ability of either party to perform under the terms of this Agreement; or (ii) that a change in available funds affects DWS's ability to pay under this Agreement. A change of available funds as used in this paragraph includes, but is not limited to a change in Federal or State funding, whether as a result of a legislative act or by order of the President or the Governor.
If written notice is delivered under this section, DWS will reimburse GRANTEE for the services properly performed until the effective date of said notice. DWS will not be liable for any performance, commitments, penalties, or liquidated damages that accrue after the effective date of said written notice.

- e. **Accounts and Payments at Termination:** Upon termination of this Agreement, all accounts and payments will be processed according to the financial arrangements set forth herein for approved services rendered to date of termination. In no event shall DWS be liable to GRANTEE for compensation for any good or service neither requested nor accepted by DWS. In no event shall DWS's exercise of its right to terminate this Agreement relieve the GRANTEE of any liability to DWS for any damages or claims arising under this Agreement.
 - f. **Remedies for GRANTEE's Violation:** In the event this Agreement is terminated as a result of a default by GRANTEE, DWS may procure or otherwise obtain, upon such terms and conditions as DWS deems appropriate, services similar to those terminated, and GRANTEE shall be liable to DWS for any damages arising there from, including attorneys' fees and excess costs incurred by DWS in obtaining similar services.
19. **DISPUTE RESOLUTION:** Prior to either party filing a judicial proceeding, the parties agree to participate in the mediation of any dispute. DWS, after consultation with the GRANTEE, may appoint an expert or panel of experts to assist in the resolution of a dispute. If DWS appoints such an expert or panel, DWS and GRANTEE agree to cooperate in good faith in providing information and documents to the expert or panel in an effort to resolve the dispute.
 20. **SUSPENSION OF WORK:** If DWS determines, in its sole discretion, to suspend Grantee's responsibilities but not terminate this Agreement, the suspension will be initiated by formal written notice pursuant to the terms of this Agreement. GRANTEE's responsibilities may be reinstated upon advance formal written notice from DWS.
 21. **FORCE MAJEURE:** Neither party to this Agreement will be held responsible for delay or default caused by fire, riot, act of God, or war which is beyond that party's reasonable control. DWS may terminate this Agreement after determining such delay will prevent successful performance of this Agreement.
 22. **ATTORNEYS' FEES and COSTS:** In the event of any judicial action to enforce rights under this Agreement, the prevailing party shall be entitled its costs and expenses, including reasonable attorney's fees incurred in connection with such action.
 23. **AGREEMENT RENEWAL:** Renewal of this Agreement will be solely at the discretion of DWS.

All formal promotion, marketing (paid or otherwise), or public information programs will be coordinated with the assigned Public Information Officer for Workforce Services. It is within DWS's sole discretion whether to approve the advertising and publicity.
 25. **LICENSING AND STANDARD COMPLIANCE:** By signing this Agreement, GRANTEE acknowledges that it currently meets all applicable licensing or other standards required by federal and state laws or regulations and ordinances of the city/county in which services or care is provided and will continue to comply with such licensing or other applicable standards and ordinances for the duration of this Agreement period. Failure to secure or maintain a license is grounds for termination of this Agreement. GRANTEE acknowledges that it is responsible for familiarizing itself with these laws and regulations, and complying with all of them.
 26. **LAWS AND REGULATIONS:** The Grantee shall ensure that all supplies, services, equipment, and construction furnished under this Agreement complies with all applicable Federal, State, and local laws and regulations, including obtaining applicable permits, licensure and certification requirements. Grantees receiving federal pass-through funding shall comply with applicable 2 CFR 200 (Uniform Administrative Requirements and Cost Principles).
 27. **WARRANTY:** Grantee warrants, represents and conveys full ownership and clear title to the goods provided under this Agreement. Grantee warrants that: (a) all services and goods shall be provided in conformity with the requirements of this Agreement by qualified personnel in accordance with generally recognized standards; (b) all goods furnished pursuant to this Agreement shall be new and free from defects; (c) goods and services perform according to all claims that Grantee made in its Proposal; (d) goods and services are suitable for the ordinary purposes for which such goods and services are used; (e) goods and services are suitable for any special purposes identified in the Grantee's Proposal; (f) goods are properly designed and manufactured; and (g) goods create no harm to persons or property. Grantee warrants and assumes responsibility for all goods that it sells to the State under this Agreement for a period of one year, unless a longer period is specified elsewhere in this Agreement. Grantee acknowledges

that all warranties granted to the buyer by the Uniform Commercial Code of the State apply to this Agreement. Product liability disclaimers and warranty disclaimers are not applicable to this Agreement and are deemed void. Remedies available to the State include but are not limited to: Grantee will repair or replace goods and services at no charge to the State within ten days of written notification. If the repaired or replaced goods and services are inadequate or fail their essential purpose, Grantee will refund the full amount of any payments that have been made. Nothing in this warranty will be construed to limit any rights or remedies the State may otherwise have.

28. **TIME OF THE ESSENCE:** Services shall be completed by the deadlines stated in this Agreement. For all Services, time is of the essence. Grantee is liable for all damages to DWS, the State, and anyone for whom the State may be liable as a result of Grantee's failure to timely perform the Services.
29. **DEBARMENT:** For GRANTEES receiving any Federal funds: By signing this Agreement, GRANTEE certifies it is not debarred, suspended, or otherwise excluded from or ineligible for participation in Federal programs or activities. See the provisions on government-wide suspension and debarment in 2 CFR §200.205(d), Appendix II to Part 200 - Paragraph (H), and 2 CFR part 180 which implements Executive Orders 12549 and 12689 for further clarification. The Grantee shall notify DWS within five days if debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in any contract by any governmental entity during the Agreement period.

Prohibited discriminatory practices include practices that are based in part on an individual's race, color, ethnicity, sex, sexual orientation, national origin, religion, or gender identity. GRANTEE certifies that it will not use grant funds to engage in a prohibited discriminatory practice during the term of this Contract, and that if it does, it shall promptly notify the State in writing. Using state funds for a prohibited discriminatory practice may result in termination.

- e. GRANTEE also assures that it will comply with 29 CFR part 38 and all other regulations implementing the laws listed above. The grant applicant understands that the United States has the right to seek judicial enforcement of this assurance.
 - i. If applicable, GRANTEE will provide an explanation of the client's rights and protections under 29 CFR Part 38, including displaying DWS' Equal Opportunity is the Law poster. If individual client files are maintained GRANTEE will also provide a copy of DWS' Equal Opportunity Notice to the client and maintain a copy in the client file.
 - ii. The GRANTEE shall comply with WIOA guidance regarding services and access for persons with limited English proficiency, to the extent they apply to the subject matter of this agreement. Specific guidance is provided at Part IV, Department of Labor Federal Register/Volume 68, No. 103, issued Thursday, May 29, 2003, and Department of Health and Human Services Federal Register/Volume 65, No. 169, August 30, 2000 and Department of Health and Human Services Federal Register Volume 68, Number 153, August 8, 2003.

GRANTEE must adhere to the requirements of 24 CFR Part 58. Should GRANTEE violate 24 CFR Part 58 prior to, during, or following completion of the construction of the project, funds disbursed under this Agreement shall be immediately due and payable to DWS.
 32. **WORK ON STATE OF UTAH PREMISES:** GRANTEE shall ensure that personnel working on State of Utah premises shall: (i) abide by all of the rules, regulations, and policies of the premises including DWS substance abuse and drug free workplace standard; (ii) remain in authorized areas; (iii) follow all instructions; and (iv) be subject to a background check, prior to entering the premises.  35. **GRIEVANCE PROCEDURE:** GRANTEE agrees to establish a system whereby recipients of services provided under this Agreement may present grievances about the operation of the program as it pertains to and affects said recipient. GRANTEE will advise recipients of their right to present grievances concerning denial or exclusion from the program, or operation of the program, and of their right to a review of the grievance by DWS. GRANTEE will advise applicants in writing of rights and procedures to present grievances. In the event of a grievance, GRANTEE will notify DWS Contract Owner of the grievance and its disposition of the matter.
 36. **PROTECTION AND USE OF CLIENT RECORDS:** GRANTEE shall comply with the Government Data Privacy Act (GDPA), Title 63A, Chapter 19, under which a GRANTEE that enters into or renews an agreement with a governmental entity and processes or has access to personal data as part of the GRANTEE's duties under the agreement, is subject to the requirements of the GDPA with regard to the personal data processed or accessed by the GRANTEE to the same extent as required of the governmental entity.
 GRANTEE shall ensure that its agents, officers, employees, partners, volunteers and Subgrantees keep all Confidential Information strictly confidential. GRANTEE shall immediately notify DWS of any potential or actual misuse or misappropriation of Confidential Information. The use or disclosure by any party of any personally identifiable information concerning a recipient of services under this Agreement, for any purpose not directly connected with the administration of DWS's or GRANTEE'S responsibilities with respect to this Agreement is prohibited except as required or allowed by law.

GRANTEE shall be responsible for any breach of this duty of confidentiality, including any required remedies or notifications under applicable law. GRANTEE shall indemnify, hold harmless, and defend DWS and the State of Utah, including anyone for whom DWS or the State of Utah is liable, from claims related to a breach of this duty of confidentiality, including any notification requirements, by GRANTEE or anyone for whom the GRANTEE is liable.

This duty of confidentiality shall be ongoing and survive the termination or expiration of this Agreement.

37. **RECORDS ADMINISTRATION:** GRANTEE shall maintain or supervise the maintenance of all records necessary to properly account for GRANTEE's performance and the payments made by DWS to GRANTEE under this Agreement. These records shall be retained by GRANTEE for at least six (6) years after final payment, or until all audits initiated within the six (6) years have been completed, whichever is later. GRANTEE agrees to allow, at no additional cost, the State of Utah, federal auditors, and DWS staff, access to all such records and to allow interviews of any employees or others who might reasonably have information related to such records. Further, GRANTEE agrees to include a similar right of the State to audit records and interview staff in any subcontract related to performance of this Grant. Such access will be during normal business hours, or by appointment.
38. **PUBLIC INFORMATION:** GRANTEE agrees that this Agreement, invoices and supporting documentation will be public documents and may be available for public and private distribution in accordance with the State of Utah's Government Records Access and Management Act (GRAMA). GRANTEE gives DWS and the State of Utah express permission to make copies of this Agreement, invoices and supporting documentation in accordance with GRAMA. Except for sections identified in writing by GRANTEE and expressly approved by DWS, GRANTEE also agrees that the grant application will be a public document, and copies may be given to the public as permitted under GRAMA. DWS and the State of Utah are not obligated to inform GRANTEE of any GRAMA requests for disclosure of this Agreement, related invoices and supporting documentation.
39. **REQUIRED INSURANCE:** GRANTEE shall at all times during the term of this Agreement, without interruption, carry and maintain the insurance coverage described below. Non-governmental entity GRANTEES shall provide Certificate(s) of Insurance, showing up-to-date coverage, to DWS within thirty (30) days of Agreement award. Failure to provide proof of insurance as required will be deemed a material breach of this Agreement. GRANTEE's failure to maintain required insurance for the term of this Agreement will be grounds for immediate termination. DWS reserves the right to require higher or lower insurance limits where warranted. The carrying of insurance required by this Agreement shall not be interpreted as relieving GRANTEE of any other responsibility or liability under this Agreement or any applicable law, statute, rule, regulation, or order.
- a. Commercial general liability (CGL) insurance from an insurance company authorized to do business in the State of Utah. The limits of the CGL insurance policy will be no less than one million dollars (\$1,000,000.00) per person per occurrence and three million dollars (\$3,000,000.00) aggregate per occurrence. Non-governmental entity GRANTEE must add the State of Utah, DWS as an additional insured with notice of cancellation.
 - b. Commercial automobile liability (CAL) insurance from an insurance company authorized to do business in the State of Utah. The CAL insurance policy must cover bodily injury and property damage liability and be applicable to all vehicles used in the performance of Services under this Agreement whether owned, non-owned, leased, or hired. The minimum liability limit must be \$1 million per occurrence, combined single limit. The CAL insurance policy is required if Grantee will use a vehicle in the performance of this Agreement. If GRANTEE subcontracts with another entity or individual for transportation services, or services that include transportation services, GRANTEE may satisfy this insurance requirement by submitting proof that the subcontractor has complied with this section and agrees to the Indemnity section of this Agreement.
 - c. If GRANTEE employs doctors, dentists, social workers, mental health therapists or other professionals to provide services under this Agreement, GRANTEE shall maintain a policy of professional liability insurance with a limit of not less than one million dollars (\$1,000,000) per occurrence and three million dollars (\$3,000,000) aggregate. This professional liability insurance ("malpractice insurance") shall cover damages caused by errors, omissions or negligence related to the professional services provided under this Agreement.

- d. Workers' compensation insurance for all employees and subcontractor employees. Workers' compensation insurance shall cover full liability under the workers' compensation laws of the jurisdiction in which the service is performed.
- e. GRANTEE also agrees to maintain any other insurance policies required in the Agreement. Grantee shall add the State as an additional insured with notice of cancellation. Grantee shall submit certificates of insurance that meet the above requirements prior to performing any Services, and in no event any later than thirty days of the Agreement award. Failure to maintain required insurance or to provide proof of insurance as required is a material breach of this Agreement and may result in immediate termination.
40. **FINANCIAL REPORTING AND AUDIT REQUIREMENTS:** GRANTEE shall comply with all applicable federal and state laws and regulations regarding financial reporting and auditing, including but not limited to 2 CFR 200, Subpart F; Utah Code: 51-2a-201.5, Utah Code: 53A-1a-507. Utah Admin. Code Rule R123-5, the *State of Utah Compliance Audit Guide* (SCAG). Further information on financial reporting and audit requirements is available at auditor.utah.gov.
41. **BILLINGS AND PAYMENTS:** Payments to GRANTEE will be made by DWS upon receipt of itemized billing for authorized service(s) supported by appropriate documentation and information contained in reimbursement forms supplied by DWS. Billings and claims must be received within thirty (30) days after the last date of service for the period billed including the final billing, which must be submitted within thirty (30) days after Agreement termination or payments may be delayed or denied. DWS must receive billing for services for the month of June no later than July 15th, due to DWS's fiscal year end. Billings submitted after this date may be denied. DWS will not allow claims for services furnished by GRANTEE which are not specifically authorized by this Agreement. DWS has the right to adjust or return any invoice reflecting incorrect pricing.
42. **PAYMENT WITHHOLDING:** GRANTEE agrees that the reporting and record keeping requirements specified in this Agreement are a material element of performance and that if, in the opinion of DWS, GRANTEE'S record keeping practices or reporting to DWS are not conducted in a timely and satisfactory manner, DWS may withhold part or all payments under this or any other Agreement until such deficiencies have been remedied. In the event of the payment(s) being withheld, DWS agrees to notify GRANTEE of the deficiencies that must be corrected in order to bring about the release of withheld payment.
43. **OVERPAYMENT/AUDIT EXCEPTIONS/DISALLOWANCES:** GRANTEE agrees that if during or subsequent to GRANTEE'S CPA audit or DWS determines payments were incorrectly reported or paid, DWS may amend the Agreement and adjust the payments. To be eligible for reimbursement GRANTEE expenditures must be adequately documented. Upon written request, GRANTEE will immediately refund to DWS any overpayments as determined by audit or DWS. GRANTEE agrees to participate in follow-up audits as requested by DWS. GRANTEE further agrees that DWS shall have the right to withhold any or all subsequent payments under this or other Agreements with GRANTEE until recoupment of overpayment is made.
44. **UNUSED FUNDS:** Any funds paid by DWS that are not appropriately used as authorized by this Agreement must immediately be returned to DWS.
45. **REDUCTION OF FUNDS:** The maximum amount authorized by this Agreement shall be reduced or Agreement terminated if required by federal/state law, regulation, or action or if there is significant under-utilization of funds, provided GRANTEE shall be reimbursed for all services performed in accordance with this Agreement prior to date of reduction or termination. If funds are reduced, there will be a comparable reduction in the amount of services to be given by GRANTEE. DWS will give GRANTEE thirty (30) days' notice of reduction.
46. **PRICE REDUCTION FOR INCORRECT PRICING DATA:** If any price, including profit or fee, negotiated in connection with this Agreement, or any cost reimbursable under this Agreement was increased by any significant sum because GRANTEE furnished cost or pricing data (e.g., salary schedules, reports of prior period costs) which was not accurate, complete and current, the price or cost shall be reduced accordingly. The Agreement may be modified in writing as necessary to reflect such reduction, and amounts overpaid shall be subjected to overpayment assessments. Any action DWS may take in reference to such price reduction shall be independent of, and not be prejudicial to, DWS's right to terminate this Agreement.
47. **FINANCIAL/COST ACCOUNTING SYSTEM:** GRANTEE agrees to maintain a financial and cost accounting system in accordance with accounting principles generally accepted in the United States of America. An entity's accounting basis determines when transactions and economic events are reflected in its financial statements. An entity may record its accounting transactions

and events on a cash basis, accrual basis, or modified accrual basis; however the cash method of accounting is not appropriate for governmental entities. GRANTEE further agrees that all program expenditures and revenues shall be supported by reasonable documentation (e.g., vouchers, invoices, receipts), which shall be stored and filed in a systematic and consistent manner. GRANTEE further agrees to retain and make available to independent auditors, State and Federal auditors, and program and grant reviewers all accounting records and supporting documentation for a minimum of six (6) years after the final payment, or until all audits initiated within the six (6) years have been completed, whichever is later. GRANTEE further agrees that, to the extent it is unable to reasonably document the disposition of monies paid under this Agreement, it is subject to an assessment for over-payment.

48. DWS COST PRINCIPLES FOR COST REIMBURSEMENT AGREEMENTS:

- a. Federal cost principles determine allowable costs in DWS grants. GRANTEE may locate the Federal Cost Principles applicable to its organization by searching the appropriate federal government websites.
- b. Compliance with Federal Cost Principles: For GRANTEE'S convenience, DWS provides Table 1 below, "Cost Principles," as a reference guide to the applicable cost principles. However, the information in this table is not exhaustive, and GRANTEE understands that it is obligated to seek independent legal or accounting advice. As shown in Table 1, "Cost Principles," the principles applicable to a particular GRANTEE depend upon GRANTEE'S legal status.

Table 1: Cost Principles

GRANTEE	Federal Cost Principles
State/Local/Indian Tribal Governments	2 CFR 200 Subpart E
College or University	
Non-Profit Organization	
For-Profit Entity	48 CFR Part 31.2

- c. Compensation for Personal Services - Additional Cost Principles:
In addition to the cost principles in the Federal circulars concerning compensation for personal services, the following cost principles also apply:
 - i. The portion of time a person devotes to a program should be disclosed in the budget as a percent of 40 hours per week.
 - ii. Employees who are compensated from one or more grants, or from programmatic functions must maintain time reports, which reflect the distribution of their activities.
 - iii. If total work time exceeds 40 hours in a week and GRANTEE wants reimbursement for the time devoted to DWS programs over 40 hours, the following two conditions must be met: 1) a perpetual time record must be maintained and 2) prior written approval must be obtained from DWS's Finance-Contracting Division
 - iv. Compensation for Personal Expenses: DWS will not reimburse GRANTEE for personal expenses. For example, spouse travel when the travel costs of the spouse is unrelated to the business activity, telecommunications and cell phones for personal uses, undocumented car allowances, payments for both actual costs of meals and payments for per diem on the same day, and business lunches (not connected with training).
- d. Third-Party Reimbursement and Program Income: GRANTEE is required to pursue reimbursement from all other sources of funding available for services performed under this Agreement. Other sources of funding include, but are not limited to, third-party reimbursements and program income. In no instance shall any combination of other sources of funding and billings to DWS be greater than "necessary and reasonable costs to perform the services" as supported by audited financial records. Collections over and above audited costs shall be refunded to DWS.

49. ADMINISTRATIVE EXPENDITURES: DWS will reimburse administrative expenses as allowed by the budget terms of this agreement. GRANTEES with a federally approved Negotiated Indirect Cost Rate Agreement (NICRA) must provide DWS with a copy of their approval letter from the federal cognizant agency along with information on the base(s) used to distribute indirect costs.

50. **CHANGES IN BUDGET (Cost Reimbursement Grants Only):** The budget attached hereto shall be the basis for payment. GRANTEE may not make any adjustment in budgeted funds from Category III, "Program Expenses" to either Category I, "Indirect Expenses" or Category II, "Direct Administrative Expenses" or between Categories I and II, without prior written approval by DWS. Expenditures in excess of those budgeted in either Category I or II may be considered questioned costs. Resolution of such questioned costs will normally result in a request that such excesses be refunded to DWS. GRANTEE may, however, shift between either Category I or II to Category III with prior approval from DWS. Expenditures in excess of those budgeted in Category III will not normally result in questioned costs unless restrictions have been placed on subcategories within this major category. When the grant restricts expenditures within defined subcategories, any unapproved excess will be considered a questioned cost.
51. **NON-FEDERAL MATCH:** For those grants requiring a non-federal match, said match shall be:
- Expenses which are reasonable and necessary for proper and efficient accomplishment of the Agreement program objectives.
 - Allowable under applicable cost principles.
 - Not paid by the Federal Government under another award except where authorized by Federal statute.
 - In accordance with the appropriate Federal grant being matched.
 - Invoices submitted to DWS should detail the total cost of program expenditures and should distinguish between which expenditures are match and which are requested for reimbursement.
52. **WAIVER:** A waiver of any right, power, or privilege shall not be construed as a waiver of any subsequent right, power, or privilege. The State does not waive its sovereign or governmental immunity.
53. **NOTIFICATION TO THE INTERNAL REVENUE SERVICE:** It is DWS's policy to notify the Internal Revenue Service of any known violations of IRS regulations.

DWS-OHS CASE MANAGEMENT STANDARDS

OVERVIEW

A **housing focused model** must be followed with all projects funded by DWS-OHS. The purpose of any case management activity should be to assess the client's needs, connect and make referrals to community-based providers, engage the client in developing an applicable housing focused service plan, and follow up on the status of addressing a client's needs. Case management services must be routinely attempted with clients and program assistance may not be contingent on the client participating in such activities. A client must not be evicted or terminated from a project for failure to meet with a case manager. Both case management activities and service plans should be used as a collaboration tool between community-based providers where consent has been granted and the collaboration will help meet the needs of a participating individual.

Case managers must utilize the Utah Homeless Management Information System (UHMIS) or an approved UHMIS comparable database to record case management services and service plan progress. Service plans should be created with the client within the project-based timeframe below and entered in accordance with all applicable data standards.

Project Type	Service Plan Should be <u>CREATED</u> Within
Rapid Re-housing and Homeless Prevention	(7) calendar days of project enrollment
Transitional Housing	(7) calendar days of project enrollment
Permanent Supportive Housing	(7) calendar days of project enrollment
Emergency Shelter (Entry/Exit)	(7) calendar days of project enrollment
Emergency Shelter (Night by Night)	(7) calendar days of project enrollment
Street Outreach	(7) calendar days of project enrollment

DEFINITIONS

A **housing focused model** is a service approach that prioritizes assisting individuals and families experiencing homelessness in obtaining and maintaining housing.

Additionally, this approach is client-led and does not have preconditions and barriers to program entry, such as sobriety, treatment, or service participation requirements. A **case manager** must abide by the housing focused model and should support a client in addressing their physical, psychological and social needs. In addition, a case manager will help a client make progress towards exiting homelessness and obtaining/maintaining housing.

Case managers are responsible for working with a client to create service plans. A **service plan** is an ongoing assessment of a client's service needs (i.e., social, employment, mental health, transportation) with the overarching goal of helping a client address the needs associated with obtaining or maintaining stable housing. A service plan should be created within (7) calendar days of project enrollment.

PROJECT-BASED CASE MANAGEMENT

Rapid Re-housing (RRH) and Homeless Prevention (HP)

All individuals enrolled in RRH or HP projects must have access to case management. In addition to assessing physical, psychological, and social needs, service plans must evaluate the client's ability to resume rent after program assistance ends, work towards increasing all available sources of income, and make long-term connections to mental and physical health supports, transportation, and other applicable resources that support housing stability.

Housing case managers are expected to attempt to engage the client in case management activities at least monthly, including reviewing, monitoring, and modifying service plans. When possible, case management meetings should take place in the client's home. While monthly meetings are the foundation for effective case management, projects are required to provide adequate support throughout the client's enrollment in order to meet their individual needs. Projects should maintain flexible case management schedules as indicated by project and client needs.

Transitional Housing (TH)

All individuals enrolled in a TH project must have access to case management. Required service plans must assess the client's ability to resume rent after program assistance ends, work towards increasing all available sources of income, and make long-term connections to mental, social, and physical health supports, transportation, and other applicable resources that support housing stability.

Housing case managers are expected to attempt monthly case management and engage with clients for the purpose of reviewing, monitoring, and modifying service plans. When possible, case management meetings should take place in the client's home. While monthly meetings are the foundation for effective case management, it is required that projects provide adequate support throughout the client's enrollment. Projects should maintain flexible case management schedules as indicated by project and client needs.

Permanent Supportive Housing (PSH)

All individuals enrolled in a PSH project must have access to monthly case management and a corresponding service plan to help clients achieve long term goals and retain permanent housing. In addition to assessing physical, psychological, and social needs, service plans could explore move on strategies in the event that program assistance ends. During this exploration, case managers must help facilitate the client's relationship with Continuum of Care (CoC), HUD-funded multifamily housing, and mainstream community-based providers.

Case managers are expected to engage with clients at least monthly to review, monitor, and modify service plans. When possible, case management meetings should take place in the client's home. While monthly meetings are the foundation for effective case management, it is required that projects provide adequate support throughout the client's enrollment. Projects should maintain flexible case management schedules as required by project needs.

Emergency Shelter (ES) (Entry/Exit and Night-by-Night)

All individuals enrolled in an ES project must have access to case management. Aside from evaluating physical, psychological, and social needs, service plans should focus on supporting the client's goals of obtaining and securing housing as quickly as possible. Though projects should maintain flexible case management schedules as required by project and client needs; weekly case management should be attempted to provide adequate support to a client throughout their enrollment. Case managers are expected to review, monitor, and modify service plans with the client at least monthly.

Street Outreach (SO)

All individuals enrolled in a SO project must have access to case management. Required service plans primarily support the client's goals of obtaining and securing stable housing as quickly as possible.

Service plans may include plans to temporarily stay with friends or family or enter an appropriate residential project, such as emergency shelter or a healthcare facility. When appropriate and desired by the client, service plans could also include goals related to increasing all available sources of income, long-term connections to mental, social, and physical health supports, transportation, and other needs to support housing stability.

Though projects should maintain flexible case management schedules as required by project and client needs; weekly case management should be attempted to provide adequate support to a client throughout their enrollment. Case managers are expected to engage with clients at least monthly to review, monitor, and modify service plans with the client.
