Councilmember Colson – Yes

Councilmember Heaton – Mayor Pro-Tem

Councilmember Corry – Yes

Councilmember Banks – Yes

Councilmember Chamberlain – Yes

Motion passed.

c. Public hearing, discussion, and consideration of an ordinance vacating a portion of easement for parcels 65-2096, 65-2097, and 65-2098 located approximately at 1750 S. Lee Drive and 1782 S Lee Drive (Applicant Red Sands Geomatics).

Red Sands Geomatics is petitioning to vacate the public utility easements on parcel 65-2096, 65-2097 and 65-2098 located approximately at 1750 S Lee Dr. & 1782 S Lee Dr. The property owners are requesting a boundary adjustment and would like to vacate the easements between properties. Planning Commission made a unanimous positive recommendation to City Council.

- Enter Public Hearing -

- Close Public Hearing -

Councilmember Colson made a motion to approve the vacation of the public utility easements identified on the proposed plat map for parcels 65-2096, 65-2097 and 65-2098 and adopt ordinance 08-1-25 O based on the findings and conditions outlined in the staff report #PLAN25-044.

Councilmember Chamberlain seconds.

Councilmember Colson – Yes

Councilmember Heaton – Mayor Pro-Tem

Councilmember Corry – Yes

Councilmember Banks – Yes

Councilmember Chamberlain – Yes

Motion passed.

d. Discussion and consideration of an ordinance amending the Kanab City Consolidated Fee Schedule and the Kanab City Subdivision Ordinance Chapter 2A and 2B. The purpose of the amendment is to update the ordinance with the new Requirements in Utah State Code.

Mrs. Chatterley stated that a text amendment to update the new requirements from the Utah State code regarding boundary adjustments and amendments to a subdivision and an amendment to the fee schedule to add a fee for the boundary adjustments. She briefly went over the updates and amendments to Ordinance Chapter 2A & 2B with the Council. Mr. Burggraaf clarified some of the legal language regarding the updates made to the chapter as well as the requirements regarding “legal descriptions” in the ordinance.

- Enter Public Hearing -

Steve Shrope: Mr. Shrope stated that a survey does not cut it, it needs to be a plat. It needs to be official amended plats, or they won't be able to get the loan. He knows that it is the state's issue, and that it is not the Council's issue.

Tom Avant: Arizona allows this, and it is a mess. This is causing errors and creating a mess.

- Close Public Hearing -

The commission discussed and decided to add a warning at the beginning of Section 2A-5 "Boundary Adjustment", that states, "The Public is advised that if a property owner goes forward with a simple boundary adjustment, as defined herein, depending on the circumstances, they may subsequently be required to do a plat amendment notwithstanding having completed the simple boundary adjustment process. Property owners are strongly advised to seek the advice of professionals when attempting to do any property boundary adjustment".

Councilmember Corry made a motion to adopt changes to the subdivision ordinance identified in exhibit A & B of the staff report for 20250805.1 and adopt ordinance 8-2-25 O. Councilmember Colson seconds.

Councilmember Colson – Yes

Councilmember Heaton – Mayor Pro-Tem

Councilmember Corry – Yes

Councilmember Banks – Yes

Councilmember Chamberlain – Yes

Motion passed.

7. ACTION ITEMS READY FOR VOTE:

a. Discussion and consideration of the replacement of police department technology Including body cameras, dash cameras, and laptops.

Mr. Ludwig stated that the Kanab Police Department currently utilizes Axon-brand body-worn cameras, which were transferred from another law enforcement agency as surplus equipment. These units are several years old, and our existing cloud storage contract with Axon expires next month.

The department explored options for replacing the current cameras. While Axon remains an industry leader, their pricing model relies on long-term subscription contracts tied to proprietary cloud storage, and is very costly. In the course of evaluating alternatives, staff conducted a site visit to Richfield Police Department, which has successfully deployed Pro-Vision cameras utilizing on-premises, non-cloud-based storage. This setup offers greater flexibility, eliminates recurring subscription fees, and reduces total cost of ownership. Staff used the State contract pricing to request quotes from multiple vendors including Axon, and Motorola Solutions. Each proposal varied in hardware, software, support levels, and total costs. The City budgeted an additional \$20,000 in 10-54-45 (Department Supplies) for this purchase.

He went over the specifics and stated that this past month the Police Department moved forward with the purchase of new rugged laptops, utilizing existing budget authority.

The Getac laptops were selected due to their compatibility with law enforcement applications, field reliability, and ability to withstand harsh use conditions. No further Council action is required at this time, but this update is provided in the interest of transparency and accountability.

Councilmember Colson made a motion to allow staff to proceed with the purchase of Police Body Cameras without cloud through Pro-Vision. Councilmember Corry seconds, unanimous vote. Motion passed.

b. Discussion and consideration of the purchase and surplus of fleet vehicles for Public Works, police, and parks as anticipated within the FY 2026 budget.

As part of Kanab City's ongoing fleet replacement plan, the City has identified the need to replace nine vehicles across three departments due to age, high mileage, and escalating maintenance costs. Funding for these purchases has been allocated from various sources, including the General Fund, Water Fund, Sewer Fund, Stormwater Fund, and Capital Projects Fund.

These trucks are used primarily for parks maintenance, landscaping, and facilities support. They will replace two aging units with increasing downtime and repair needs, as well as one unit previously transferred from Public Works.

The total purchase cost for all nine vehicles is \$509,230, fully budgeted within the FY26 Budget.

All purchases utilize state cooperative contract pricing to ensure compliance and competitive value.

Councilmember Colson made a motion to approve the purchase of nine (9) vehicles for the Police, Parks, and Public Works Departments, as presented, and surplus the vehicles being replaced. Councilmember Banks seconds, unanimous vote. Motion passed.

c. Discussion and consideration of the Fall 2025 road chip seal project (previously Approved and anticipated in spring of 2025).

The City of Kanab implements regular chip seal maintenance to extend the life of city roadways and adhere to the goal of treating each road approximately every seven years. In November 2024, the City Council approved a change order for the FY2025 Chip Seal Project, which expanded the scope of work to include approximately 190,000 square yards of chip sealing, initially scheduled for spring 2025.

Due to project scheduling constraints and contractor availability, the work was delayed. The project is now anticipated to take place in fall 2025.

The scope of the project remains unchanged. The original change order called for approximately 15 miles of road to be chip sealed. This effort will help maintain the City's 7-year maintenance cycle and ensure all new roads are treated within 1–2 years of construction.

Total estimated cost remains under the originally approved \$500,000, with updated figures projecting around \$480,000. The budget and funding remain sufficient, and no additional authorization is required at this time.

The City has budgeted for \$1,040,000 in transportation projects this year.

\$500,000 – Class C Road Projects

\$100,000- Chips

\$300,000 – Capital Outlay.

Councilmember Banks made a motion to authorize staff to proceed with the proposed Fall Chip seal and authorize up to \$500,000 spent toward the project. Councilmember Chamberlain seconds, unanimous vote. Motion passed.

d. Discussion and consideration of performing some of the work for the Jacob Hamblin Park through City Staff, and authorizing staff to spend the budgeted amounts on tools, parts, and equipment for the project.

Kanab City is moving forward with the expansion of Jacob Hamblin Park. The City Council previously approved a concept design, which included a multi-use field, additional parking, improved access, and pedestrian pathways. As of June 2025, 90% of the project engineering has been completed, and the layout and streetscape exhibits have been reviewed.

City staff intends to act as the general contractor for this project in order to reduce costs and improve project control. Most components of the project will be self-performed by City crews, with specific tasks subcontracted as necessary. The breakdown of responsibilities is as follows: Grading and Site Prep: Final grading is underway and being managed by Public Works staff; Irrigation and Sod: To be completed in Fall 2025 by the Parks Department; Curb Installation: This portion will be contracted out; Utility Upgrades: Public Works will install water and stormwater improvements along 405 N.; Sidewalk Construction: Streets crews will assist during Winter 2025 and Spring 2026; and Road Reconstruction: Planned for Spring 2026.

To streamline procurement while ensuring compliance with City financial policies, staff proposes the following purchasing strategy: all equipment and material purchases will remain within the adopted project budget. Purchases under \$80,000 will proceed under administrative authority. Staff will obtain three bids for materials and services, as required by the City's procurement policy. Purchases requiring formal RFPs or exceeding policy thresholds will be brought to the Council for approval.

This approach will facilitate timely progress while maintaining transparency and fiscal responsibility. The Fiscal Year 2026 budget includes \$1,000,000 for this project, sourced from capital funds, which will be offset through the impact fee fund. Some components may be partially funded through the Streets, Water, or Stormwater accounts, depending on the project scope (e.g., curbs, sidewalks, drainage).

Councilmember Corry made a motion to (1) Authorize City staff to proceed with project implementation as outlined, with staff serving as general contractor and self-performing most project components; and (2) Approve the proposed purchasing process, allowing staff to execute purchases under existing authority, consistent with the adopted budget and financial policies. Councilmember Colson seconds, unanimous vote. Motion passed.

e. Discussion and consideration of the purchase of construction materials for two impact fee eligible projects: West Fork Well #5 and sewer rake authorizing staff to spend the budgeted amounts on tools, parts, and equipment for the project.

Kanab City is moving forward with two critical infrastructure projects identified in the City's adopted Impact Fee Facilities Plans:

The first is West Fork Well #5 – This project includes the installation of a submersible pump, pitless adapter, and well house. Electrical, SCADA, and access improvements are also included.

These upgrades will enhance source capacity and provide redundancy in the City's water supply system, as outlined in the 2024 Water Impact Fee Facilities Plan.

The second is Sewer Rake Project – As recommended in the 2024 Wastewater Impact Fee Facilities Plan, this project involves the procurement and installation of mechanical screening equipment at the wastewater treatment facility to improve solids handling and system efficiency.

Both projects are eligible for funding through impact fees and have been incorporated into the City's Capital Facilities and Budget Plans.

Councilmember Banks made a motion to authorize staff to proceed with purchasing tools, parts, and equipment necessary for the West Fork Well #5 and Sewer Rake projects, using the adopted budget as the funding cap, and direct staff to follow procurement procedures as outlined in the City's financial policies, including the use of competitive bidding where required. Councilmember Colson seconds, unanimous vote. Motion passed.

f. Discussion and consideration bids to resurface the Jacob Hamblin Park Tennis Courts and Basketball Court (partially grant funded through the Kane County Recreation and Transportation SSD).

Mr. Ludwig stated to reduce overall project costs and utilize City resources effectively, City staff will self-perform much of the work related to these projects. The Public Works Department has the technical capacity and experience to manage installation and coordination, while contractors will be engaged only for highly specialized tasks (e.g., SCADA integration, drilling of wells, etc.). City staff seeks approval to proceed with the purchase of tools, parts, and equipment required for the projects within the budgeted amounts, rather than seeking separate Council approvals for each procurement. Purchasing will follow the City's financial policy: Three bids will be obtained for each major purchase, and any purchase under \$80,000 will proceed under staff purchasing authority. If a purchase exceeds thresholds requiring formal bidding (RFP/Rfq), it will be brought to the Council as required.

These projects are budgeted in the current fiscal year and are eligible for funding through existing impact fee balances. No additional appropriation is requested.

Councilmember Colson made a motion to approve the bid from Parkin Construction for the resurfacing of the tennis and basketball courts in the amount of \$51,750, and authorize staff the execute the necessary agreement. Councilmember Chamberlain seconds.

g. Strategy session to discuss pending or reasonably imminent litigation.

Councilmember Corry made a motion to go into closed session at 9:29 (ending at 10:29 pm), Councilmember Colson seconds. Unanimous vote, motion passed.

330 **8. ACTION ITEMS READY FOR VOTE:**

331 **a. Discussion on the Kanab City Public Infrastructure District Policy and the financing tool**
332 **of Infrastructure Financing Districts allowed for in the State of Utah.**
333

334 Mr. Ludwig stated staff has received a letter of intent for a PID, so he wanted to refresh the council's
335 memory on how that process goes. The Public Infrastructure Districts is an independent district within
336 the state of Utah that the City helps to establish, but it is not tied back to the City once created. They are
337 independent limited-purpose government entities authorized under Utah Code 17D-4 to finance public
338 infrastructure through the issuance of bonds. PIDs are formed with 100% consent from property owners
339 and registered voters in the proposed district and must be approved by the City.

340 PIDs have the ability to issue limited bonds, and special assessment bonds. Mr. Ludwig continued to go
341 over the application process in Kanab for PIDs. He would like more clarification from the council.
342

343 **b. Discuss Land Use Ordinance regarding dog boarding in residential zones as a home**
344 **occupation.**

345 Mr. Ludwig stated that the Planning Commission wants to know if the City Council is even interested in
346 entertaining allowing dog boarding in residential zones. The majority of the council stated that they
347 have Agricultural and Rural Residential zones for this, and do not feel like residential zones are
348 appropriate for this sort of occupation. Councilmember Chamberlain thinks that we could allow for
349 residents to do dog boarding in residential zones, as long as they stay under the 4 dog limit that are
350 allotted per household already with an additional dog household permit. The council liked that idea, and
351 staff will proceed with the direction they were given in potentially discussing allowing it in the future.
352

353 Councilmember Chamberlain made a motion to adjourn. Councilmember Banks seconds.
354 Unanimous vote, meeting adjourned.

Kanab City Council Staff Report

File #PLAN25-047

Date:	September 4, 2025
Meeting Date:	September 9, 2025
Agenda Item:	Public Hearing to discuss and recommend to City Council a plat amendment to the Ventana Resort Village
Subject Property Address:	600 East Kaneplex Drive
Applicant:	M-W Kanab LLC
Applicant Agent:	Iron Rock Engineer
Zoning Designation:	R-1-8 PD
General Plan Designation:	Master Planned Development
Parcel #:	K-13-1-Utah-Annex, K-366-43, K-366-44 and K-366-CA2
Applicable Ordinances:	Subdivision Ordinance, Chapter 2A

Attachments:

Exhibit A: Subject Property

Exhibit B: Amended Plat

Exhibit C: Surveyor Review

Summary:

Iron Rock Engineer applied to amend the plat for Ventana Resort Village, Phase 1 & 2 effecting parcels K-13-1-Utah-Annex, K-366-43, K-366-44 and K-366-CA2, located approximately at 600 East Kaneplex Road. The plat amendment consists of splitting the two phases into three. The current zone is R-1-8 PD.

Applicable Regulation(s):

Plat Amendments are addressed in Utah Code, Title 10, Chapter 9a, Part 6, and the Kanab City Subdivision Ordinance, Chapter 2, upon application that includes a Sketch Plan and Narrative. Chapter 2A-4 specifically addresses the plat amendment process and requirements.

Analysis

City staff has reviewed the application, sketch plan and narrative provided by the applicant. Staff has determined:

- The application meets the requirements of the subdivision ordinance.
- Sensitive lands have not been identified;
- The subdivision is consistent with the General Plan and Future Land Use Map.

- Parcel is zoned R-1-8 PD.
- The proposed streets conform to the guidelines found in the Transportation Master Plan.

The owner of record contained within the plat is M-W Kanab LLC, a title report has been submitted to Kanab City. The applicant has paid the amended plat fee required. Any impact fees will be collected through the building permitting process.

Public Hearing will be held with City Council on September 9, 2025.

Proposed Findings:

1. This application was initiated by Iron Rock Engineering.
2. The property included within the amended plat boundaries is zoned R-1-8 PD.
3. The Future Land Use Map designation for these properties on the City's General Plan as Master Planned Development.
4. The applicant is requesting to adjust the two phases into three phases.
5. There is no application to vacate easements.
6. The proposed plat amendment meets the subdivision and zoning standards in the City's Ordinance listed above.
7. The Kanab City Planning Commission is the body responsible for making subdivision plat amendment recommendations to the City Council, upon application.

Planning Commission Recommendation:

Planning Commission sends a positive recommendation with a unanimous vote.

Conditions of Approval:

1. Sign-off from the City Surveyor.
2. The owner is responsible for securing the appropriate building and/or grading permits prior to any construction activity or infrastructure for the development.

Recommended Motion:

I make a motion to approve the plat amendment to the Ventana Resort Village, Phase 1 & 2 effecting parcels K-13-1-Utah-Annex, K-366-43, K-366-44 and K-366-CA2 based on the findings and conditions of approval as outlined in the staff report #PLAN25-047.

Alternate motion:

I make a motion to approve the plat amendment to the Ventana Resort Village, Phase 1 & 2 effecting parcels K-13-1-Utah-Annex, K-366-43, K-366-44 and K-366-CA2 based on the findings

STAFF REPORT

TO: Kanab City Council

Date: September 5, 2025

FROM: City Staff

RE: SB 179 – Classification of New and Unlisted Business Uses
Proposed Text Amendment to Chapter 15, Establishment of Zoning Districts

Utah Senate Bill 179 was passed during the 2025 legislative session and is now in effect, which requires cities to adopt a formal process for (1) business use classification and (2) addressing proposed business uses that are not currently listed as permitted or conditional uses within the City. The intent is to provide a consistent method and criteria for classifying a business to see if it aligns with a current listed permitted/conditional use, and for addressing business activities that do not align with a permitted/conditional use—i.e., new and unlisted businesses.

Even though the City already follows an informal process that somewhat aligns with SB 179, the process must be adopted into the Land Use Ordinance and include:

- The process for an applicant to submit a business use classification request.
- A set of defined criteria on how the city will review the classification request.
- Designate the “Land Use Authority” for classification requests.
- Allowing the proposed use to proceed if it “aligns with an existing use”.
- If the proposed use is determined to be “new”/“unlisted” in the City’s ordinances, define how the City Council will review the request and provide a timeline.
- An appeal process if the applicant disagrees with the classification determined by the Land Use Authority or if the City Council denies the application to add the “new”/“unlisted” business use to the Land Use Ordinance.

Accordingly, it is proposed that a new section be added to the City’s Land Use Ordinance, specifically 15-9, *Classification of New and Unlisted Business Uses*. A draft of this section that meets the requirements of SB 179 is attached hereto, for consideration.

The City Council ordinance that adopts this new section of Chapter 15 of the Land Use Ordinance should add authorization for staff to add a footnote at the bottom of each chapter of the Land Use Ordinance that has a land use chart, referencing Chapter 15-9, providing the process for petitioning the approval of a new or unlisted business use.

STAFF REPORT

Questions that the City Council may want to consider in relation to this proposed new section of Chapter 15:

- What should be included in an application for a “classification request”, or what should the city review to determine a business’s classification?
- Should an individual be required to submit a classification request if it is a new/unlisted business that obviously does not align with an existing permitted or conditional use, or may they skip to the *Application for a New or Unlisted Business Use* (i.e., if the Land Use Authority can summarily determine it’s a new/unlisted business, and the applicant is in agreement with the Land Use Authority’s decision)?
- Who should act as the Land Use Authority for classification requests? [Could be the Land Use/Zoning Administrator (as proposed in the draft), the Planning Commission, or another option. Staff recommends it not be the City Council, since this is an administrative decision for which it would be ideal not to confuse with the legislative decision/role of whether to add, modify, or change a permitted or conditional use.]
- What timeframe do you believe is reasonable for the City Council to approve or deny a new or unlisted business use? [The draft currently includes a proposed timeframe.]
- What, if any, criteria should the City Council consider when considering an application to add a new or unlisted business use?

Planning Commission Recommendation:

On September 2, 2025, the Planning Commission met, held a public hearing, and considered the proposed addition to the Land Use Ordinance, specifically the new Section 15-9, Classification of New and Unlisted Business Uses. The Planning Commission unanimously made a positive recommendation to the City Council to approve the proposed changes to Chapter 15 of the Land Use Ordinance, with the recommendation that staff add language that would allow an individual to bypass the classification portion of the process if an agreement were reached about the classification of a proposed business use between the individual and the Land Use Authority.

To address the Planning Commission’s recommendation, staff has added subsection A(5), *Bypass to Classification Process*, to the proposed Section 15-9.

Staff Recommendation:

Staff recommends that the City Council adopt some form of the proposed new section in Chapter 15 to comply with SB 179. In accordance with SB 179, that recommendation should also direct staff to add an appropriate footnote to each land use chart in the applicable chapters of the Land Use Ordinance referencing Section 15-9 of Chapter 15. Furthermore, staff recommends that the City Council hold a public hearing, and thereafter (as part of its motion) approve a fee for the

STAFF REPORT

Classification Request process and for the *Application for a New or Unlisted Business Use*, which fees will then be added to the City's Consolidated Fee Schedule.

Recommended Motion(s):

I move to approve Ordinance 9-__-25 O, an ordinance:

- (1) establishing the business use classification process, as outlined in the proposed changes and additions to Chapter 15 of the Land Use Ordinance, as included therewith;
- (2) setting the fee for the Classification Request as \$____ and for the Application for a New or Unlisted Business Use as \$____; and
- (3) directing and authorizing staff to include a footnote to each land use chart in each applicable chapter of the Land Use Ordinance, referencing Section 15-9, Classification of New and Unlisted Business Uses process.

I move to approve Ordinance 9-__-25 O, an ordinance:

- (1) establishing the business use classification process, as outlined in the proposed changes and additions to Chapter 15 of the Land Use Ordinance, as included therewith, with the additional modifications to the draft discussed and noted;
- (2) setting the fee for the Classification Request as \$____ and for the Application for a New or Unlisted Business Use as \$____; and
- (3) directing and authorizing staff to include a footnote to each land use chart in each applicable chapter of the Land Use Ordinance, referencing Section 15-9, Classification of New and Unlisted Business Uses process.

I move to deny approval of Ordinance 9-__-25 O, and the corresponding changes and additions to Chapter 15 of the Land Use Ordinance.

Section 15-4 Listing of Ordinance and Map

This Ordinance and map shall be filed in the custody of the Kanab City Clerk and may be examined by the public subject to the reasonable regulations established by said Clerk. The Zoning Map (Appendix G-1) and Zoning Matrix (Appendix G-3) are adopted as the official record of zoning designations. Where

Kanab

Land Use Ordinance

Chapter 15 – Establishment of Zoning Districts

the Zoning Map in Appendix G-1 conflicts with the Zoning Matrix in Appendix G-3, the Zoning Matrix controls as the authoritative zoning designation. The Land Use Coordinator or Kanab City Clerk can make non-substantive changes and clerical corrections without prior approval from City Council.

Section 15-5 Rules for Locating Boundaries

Where uncertainty exists as to the boundaries of districts as shown on Kanab City maps, the following shall apply:

- A. Boundaries indicated as approximately following the centerline of streets, highways, or alleys shall be construed to follow such centerlines and in the event of change in the centerline shall be construed as moving with the centerlines.
- B. Boundaries indicated as approximately following the right-of-way lines of streets, highways, or alleys shall be construed to follow such right-of-way lines, and in the event of a change in the right-of-way line shall be construed as moving with the right-of-way line.
- C. Boundaries indicated as approximately following the centerlines of streams, rivers, canals, or other bodies of water, or flood control channels, shall be construed to follow such centerlines and in the event of change of the centerline shall be construed as moving with the centerline.
- D. Boundaries indicated as approximately following platted lot lines shall be construed to follow such lot lines.
- E. Boundaries indicated as parallel to, or extensions of features indicated in sub-sections 1 through 4 above shall be so construed. Distances not specifically indicated on the official map shall be determined by the scale of the map.
- F. In case any further uncertainty exists, the Kanab City Appeals Officer shall determine the location of such boundaries.
- G. Boundaries of each of the said zones are hereby established as described herein or as shown on the map entitled Kanab City Zoning Map which map is on file with the Kanab City Clerk and all boundaries show thereon are made by this reference as much a part of this Ordinance as is fully described and detailed herein.

Section 15-6 Supplementary Regulations to All Zones

No trash, rubbish, weeds, or other combustible material shall be allowed to remain on any lot outside of approved containers in any residential or commercial zone. No junk, debris, abandoned or dismantled automobile or similar material shall be stored or allowed to remain on any lot in any residential zone.

Section 15-7 Transitioning and Maintaining Balance

It is the objective of the City to encourage and provide for proper transitions and compatibility between zones and intensity of uses, which should be regulated by the City Land Use Code, the General Plan, Future Land Use Map and the Kanab City Annexation Policy Plan. The City also seeks to maintain a healthy balance and mix of land uses within the community, representing the atmosphere of existing development. Areas for growth have been planned with a balance for all uses, including agriculture, residential, commercial and industrial uses, and lot size averaging as demonstrated in the Kanab City

Kanab

Land Use Ordinance

Chapter 15 – Establishment of Zoning Districts

General Plan and Future Land Use Map. Future decisions regarding land use and zoning in Kanab should be guided by this map.

The City promotes orderly growth, with an emphasis for new developments to occur in the core community areas first. Rezoning of adjacent undeveloped property should be compatible with developed property.

Lot size averaging standards and requirements outlined in the Kanab City Subdivision Ordinance allows for a mix of lot sized within a new subdivision in zones: Rural Residential (RR-1) and Single Family Zones (R-1-8, R-1-10, R-1-15, R-1-20).

Section 15-9 Classification of New and Unlisted Business Uses

Purpose: The intent of this section is to meet the requirements established by Utah Senate Bill 179, passed and made effective in 2025, which enacted Utah Code § 10-9a-507.5. This section outlines the process for reviewing a “new or unlisted business use”—i.e., a business activity that does not align with an existing land use specified in the Land Use Ordinance. This is not intended as a process for petitioning to revise ordinances generally or for adding, modifying, or removing permitted or conditional land uses generally, but is limited to new or unlisted business uses.

A. Classification Request: An individual may submit a classification request to the Land Use Administrator, who shall act as the Land Use Authority.

1. Upon receipt of a classification request, the Land Use Authority shall determine whether a proposed business use aligns with an existing land use specified in the City’s Land Use Ordinance.
2. In reviewing a classification request and in determining whether a proposed use aligns with an existing use, the Land Use Authority shall consider the existing uses in all zones, both those listed within the respective land use charts or as listed or defined elsewhere within the City’s ordinances.
3. In defining a business use, the Land Use Authority shall first look to the City ordinances for any applicable definition, a defining regulation, or explanation of the use. Absent a clear definition within the City’s ordinances, the Land Use Authority may then look to state law, administrative code, or other commonly accepted definitions of a business that are legally authoritative.
 - a. If a contradiction exists within the City’s own ordinances as to the definition of a business use and whether a proposed use aligns with an existing use, the broadest definition or regulation shall be used in making a determination about a classification request.
4. Aligns with Existing Use. Upon determining that the proposed business use aligns with an existing use, the Land Use Authority shall notify the applicant of the determination and any further steps the applicant may need to undertake before proceeding with such business use (e.g., application for a conditional use permit, building permit, business license, etc.). Failure of the Land Use Authority to inform the applicant of the additional actions required before the applicant can proceed with the business use shall not excuse the applicant from actions required by or applicable regulations in the City’s ordinances or applicable under state law.
5. Bypass to Classification Request.
 - a. Routinely, City staff will engage in informal oral and/or written discussions with an individual about whether a proposed business use aligns with an existing permitted or conditional use within the City’s ordinances. If, through this informal process, the individual and the Land

Kanab

Land Use Ordinance

Chapter 15 – Establishment of Zoning Districts

Use Authority reach an agreement that the proposed business use does not align with a conditional or permitted use in the specific zone in which the individual desires the proposed business use, then the individual may bypass the formal classification process and submit an application for a new or unlisted business use, as outlined below.

- b. If the individual bypasses the classification request, the individual shall forego the right to later appeal the Land Use Authority's classification decision.
- c. The individual shall affirm the intent to bypass the classification request, the agreement reached with the Land Use Authority, and the waiver of appealing the classification decision in the application for a new or unlisted business use.

B. Application for a New or Unlisted Business Use. If a use is determined to be a new or unlisted business use by the Land Use Authority:

- 1. The applicant shall submit an application for approval of the new or unlisted business use, which shall be submitted to the Planning Commission for review and consideration. The Planning Commission will then make a positive or negative recommendation to the City Council, or make another recommendation for any other adjustment to the Land Use Ordinance, as it relates to the application.
- 2. Upon receipt of a recommendation from the Planning Commission, the City Council shall consider and determine whether to approve or deny the new or unlisted business use.
- 3. The City Council shall approve or deny the new or unlisted business use within thirty (30) days of receiving the Planning Commission's recommendation, or at the City Council's next scheduled and noticed meeting if a meeting is not scheduled or properly noticed within thirty (30) days.
 - a. Notwithstanding the foregoing, if the City Council requests additional information from the applicant before making a decision, then the timeframe for approval or denial shall commence upon receipt of the requested information.
 - b. The City Council may move forward with its decision to approve or deny the new or unlisted business use even if the additional information requested from the applicant is not received or not received in a timely manner.
 - c. The City Council may make a decision to approve or deny the new or unlisted business use regardless of the applicant's attendance or non-attendance at the Planning Commission's or City Council's properly noticed meetings.
 - d. Before making a decision, a properly noticed public hearing must be held either before the Planning Commission or the City Council.
- 4. Approval of New or Unlisted Business Use. If the City Council approves a proposed new or unlisted business use, the City Council shall designate an appropriate zone or zones for the approved use.
- 5. Denial of New or Unlisted Business Use. If the City Council denies a proposed new or unlisted business use, or if an applicant disagrees with the Land Use Authority's classification of the proposed use, the City Council shall:
 - a. Notify the applicant in writing of the reason for the classification or denial; and
 - b. Offer the applicant an opportunity to challenge the classification or denial through the administrative appeal process outlined in Chapter 3 of the Land Use Ordinance. Providing notice and allowing for the appeal process shall not change the character of the decision(s) made and appealed (i.e., the City Council's approval or denial being legislative, while the Land Use Authority's classification decision being administrative).
 - c. An applicant must exhaust the process afforded through this section before appealing a

Kanab

Land Use Ordinance

Chapter 15 – Establishment of Zoning Districts

decision.

C. Fees for classification requests, application to add a new or unlisted business use, and appeals shall be established and set forth in the City's Consolidated Fee Schedule, as modified from time to time.

Utah Code Sections Affected:

ENACTS:

10-9a-507.5, Utah Code Annotated 1953

17-27a-506.5, Utah Code Annotated 1953

Be it enacted by the Legislature of the state of Utah:

Section 1. Section **10-9a-507.5** is enacted to read:

10-9a-507.5 . Classification of new and unlisted business uses.

(1) As used in this section:

- (a) "Classification request" means a request to determine whether a proposed business use aligns with an existing land use specified in a municipality's land use ordinances.
- (b) "New or unlisted business use" means a business activity that does not align with an existing land use specified in a municipality's land use ordinances.

- (2)(a) Each municipality shall incorporate into the municipality's land use ordinances a process for reviewing and approving a new or unlisted business use and designating an appropriate zone or zones for an approved use.
- (b) The process described in Subsection (2)(a) shall:
- (i) detail how an applicant may submit a classification request;
 - (ii) establish a procedure for the municipality to review a classification request, including:
 - (A) providing a land use authority with criteria to determine whether a proposed use aligns with an existing use; and
 - (B) allowing an applicant to proceed under the regulations of an existing use if a land use authority determines a proposed use aligns with that existing use;
 - (iii) provide that if a use is determined to be a new or unlisted business use:
 - (A) the applicant shall submit an application for approval of the new or unlisted business use to the legislative body for review;
 - (B) the legislative body shall consider and determine whether to approve or deny the new or unlisted business use; and
 - (C) the legislative body shall approve or deny the new or unlisted business use, within a time frame the legislative body establishes by ordinance, if the applicant responds to requests for additional information within a time frame established by the municipality and appears at required hearings;
 - (iv) provide that if the legislative body approves a proposed new or unlisted business use, the legislative body shall designate an appropriate zone or zones for the approved use; and
 - (v) provide that if the legislative body denies a proposed new or unlisted business use, or if an applicant disagrees with the land use authority's classification of the proposed use, the legislative body shall:
 - (A) notify the applicant in writing of each reason for the classification or denial; and
 - (B) offer the applicant an opportunity to challenge the classification or denial through an administrative appeal process established by the municipality.
- (3) Each municipality shall amend each land use ordinance that contains a list of approved or prohibited business uses to include a reference to the process for petitioning to approve a new or unlisted business use, as described in Subsection (2).

Section 2. Section **17-27a-506.5** is enacted to read:

17-27a-506.5 . Classification of new and unlisted business uses.

(1) As used in this section:

(a) "Classification request" means a request to determine whether a proposed business use aligns with an existing land use specified in a county's land use ordinances.

(b) "New or unlisted business use" means a business activity that does not align with an existing land use specified in a county's land use ordinances.

(2)(a) Each county shall incorporate into the county's land use ordinances a process for reviewing and approving a new or unlisted business use and designating an appropriate zone or zones for an approved use.

(b) The process described in Subsection (2)(a) shall:

(i) detail how an applicant may submit a classification request;

(ii) establish a procedure for the county to review a classification request, including:

(A) providing a land use authority with criteria to determine whether a proposed use aligns with an existing use; and

(B) allowing an applicant to proceed under the regulations of an existing use if a land use authority determines a proposed use aligns with that existing use;

(iii) provide that if a use is determined to be a new or unlisted business use:

(A) the applicant shall submit an application for approval of the new or unlisted business use to the legislative body for review;

(B) the legislative body shall consider and determine whether to approve or deny the new or unlisted business use; and

(C) the legislative body shall approve or deny the new or unlisted business use, within a time frame the legislative body establishes by ordinance, if the applicant responds to requests for additional information within a time frame established by the county and appears at required hearings;

(iv) provide that if the legislative body approves a proposed new or unlisted business use, the legislative body shall designate an appropriate zone or zones for the approved use; and

(v) provide that if the legislative body denies a proposed new or unlisted business use, or if an applicant disagrees with a land use authority's classification of the proposed use, the legislative body shall:

(A) notify the applicant in writing of each reason for the classification or denial;
and

Kanab City Council Staff Report **File # PLANZONE25-001**

Date:	September 5, 2025
Meeting Date:	September 9, 2025
Agenda Item:	Discuss and recommend a zone change to City Council from C3 [Commercial] to RM [Multi-Family Residential] for parcel K-C-6-1
Subject Property Address:	220 West 300 North
Property Owner:	Zion Lodge Kanab LLC – Michael Lai
Applicant Agent:	Michael Lai
General Plan Designation:	General Commercial & Medium Density Residential/High Density Residential
Parcel #:	K-C-6-1

Attachments:

Exhibit A: Subject/Vicinity Property

Exhibit B: Applicant Statements

Summary:

Property Owner, Zion Lodge Kanab LLC, is requesting a zone change to rezone parcel K-C-6-1 from C3 (Commercial Zone) to a RM (Multi-Family Residential). The property owner would like to change the use of the building to allow for long-term rentals.

Site Description:

The subject property is approximately 2.63 acres. The parcel has an existing structure that has been used as a short-term rental. Surrounding zoning designations and the density designations are as follows:

North	South	East	West
County Properties zoned AG and R2	Single-Family R-1-8 & Multi-Family (RM)	Commercial (C3)	Commercial (C3)
	Medium Density Residential (MDR) / High Density Residential (HDR)	General Commercial	General Commercial

Kanab City Land Use Ordinance, General Plan and Zoning Map Analysis:

Zoning designations and zone changes are regulated by the Kanab City Land Use Ordinance, Chapter 15 – Establishment of Zoning Districts regulates zoning designations within Kanab City. Section 15-7 Transitioning and Maintaining Balance, states:

It is the objective of the City to encourage and provide for proper transition and compatibility between zones and intensity of uses, which should be regulated by the City Land Use Code, the General Plan, Future Land Use Map and the Kanab City Annexation Policy Plan. The City also seeks to maintain a healthy balance and mix of land uses within the community, representing the atmosphere of existing development. Areas for growth have been planned with a balance for all uses, including agriculture, residential, commercial and industrial uses, as demonstrated in the Kanab City General Plan and Future Land Use Map. Future decisions regarding land use and zoning in Kanab should be guided by this map.

The City promotes orderly growth, with an emphasis for new developments to occur in the core community areas first. Rezoning of adjacent undeveloped property should be compatible with developed property.

Public Comment:

No Public Comment.

Planning Commission Meeting:

Planning Commission made a positive recommendation for the zone change with a unanimous vote.

Findings:

1. The application was initiated by the owner.
2. The property is zoned as C3 and approximately 2.63-acres.
3. The City Council is the decision-making authority for a zoning application. The Council may adopt or reject the request as it deems appropriate or may assign a different zoning designation.
4. Assigning an RM zone is semi-consistent with the Kanab City Future Land Use Map across the street is designated as MDR/HDR as well as two lots east of the property.
5. The requested zone of RM is consistent with the adjacent properties to the South. Properties to the East and West are zoned commercial C-1. The properties to the North are in the county.

Exhibit B: Applicant's Statements

— A Western Classic —

The city of Kanab, like in many other communities throughout the state of Utah, is in the midst of a housing shortage. In particular short supply is housing that is affordable to those who are trying to get back on their feet or require housing on a limited budget due to a fixed income such as retirees, or others who rely on local and community assistance.

The former Bunkhouse has been a service to both the city and county for some years now, serving as a hostel to travelers on a shoestring budget or members of the community who need a transitional place to stay.

While new hotels and other tourism infrastructure is being built, there is limited housing being built to house the workers who will work there due to the high cost of construction throughout the country. In order for Kanab to continue to grow and prosper, additional housing is needed in the present, and repurposing the former Bunkhouse would allow the city to absorb some of the demand for the housing that the city needs in order to continue to grow.

The majority of the City of Kanab's hospitality sits along the City's primary corridors of S 100 E and E 300 S in order to absorb the heavier flow of traffic from travelers. The property adjacent to the former Bunkhouse on the west is currently residential. Across the street is also residential. On the other side of the county building, which sits next to the property on the east side, is additional residential housing.

While the former bunkhouse has operated under a CUP for a hostel for some years now, it is not absolutely conforming to the area. By rezoning the property to allow for long term tenants, it would reduce traffic from travelers and give the area a greater sense of community identity and security. In other words, rather than be a place of transitory lodging of people not from the area, the neighborhood would be influenced more towards familiarity and enhancing the social welfare of the local community.

Land Use Ordinance

Chapter 09 – Site Plan Review

- Section 9-1 Purpose
- Section 9-2 Application and Review
- Section 9-3 Site Plan Requirements
- Section 9-4 Additional Site Plan Requirements by Application
- Section 9-5 Exceptions
- Section 9-6 Planning Commission Approval
- Section 9-7 Consideration in Review of Applications
- Section 9-8 Landscaping Requirements
- Section 9-9 Conditions
- Section 9-10 Findings and Decisions
- Section 9-11 Notification of Approval or Denial
- Section 9-12 Time Limitations on Approval
- Section 9-13 Transfer of Approval upon Change in Use
- Section 9-14 Conformances of Approval
- Section 9-15 Modifications
- Section 9-16 Performance Guarantees
- Section 9-17 Reimbursement for Off Site Improvements
- Section 9-18 Minimum Improvements
- Section 9-19 Maintenance of Improvements Required

Section 9-1 Purpose

The purpose and intent of site plan review is to secure the general purposes of this Ordinance and the Kanab City General Plan and to ensure that the general appearance of buildings and structures and the development of the land shall in no case be such as would impair the orderly and harmonious development of the neighborhood or impair investment in the occupation of the neighborhood.

Section 9-2 Application and Review

A site plan shall be submitted with any application for a conditional use permit or a building permit, if the application is for:

- A new building;

Adopted January 25, 2008; Amended July 16, 2024

Kanab

Land Use Ordinance

Chapter 09 – Site Plan Review

- An alteration or renovation of 50% or more of an existing building;
- A modification to the square footage of an existing building; or
- Any change in occupancy type or use of an existing building.

The site plan shall comply with the requirements of Chapter 9. A building permit shall not be issued unless the accompanying site plan has been approved.

Any significant alteration, resulting in 50% of change in landscaped areas requires a landscaping plan to be submitted, in accordance with this Chapter, for Planning Commission review and approval.

Exceptions:

1. A site plan review or landscape plan is not required with applications for single-family dwellings and their accessory buildings.
2. If the change of use, alterations, renovations, or modification to the square footage of an existing commercial, multi-family, manufacturing or industrial business or building will not increase or change the requirements to parking, landscaping or other requirements within the chapter, the Land Use Administrator or Building Official can review and approve the site plan.

Section 9-3 Site Plan Requirements

A site plan, drawn to scale, shall show, as applicable by the Land Use Ordinance:

- A. Scale of plan and direction of north point.
- B. Lot lines, adjacent streets, roads, trails, and rights-of-way.
- C. Location of all existing structures on subject property and adjoining properties, with utility lines, poles, and other equipment, fully dimensioned.
- D. Location of proposed construction and improvements with location and dimension of all signs.
- E. Any new or re-modeled parking lot to be built.
- F. Proposed motor vehicle access, circulation patterns, with individual parking stalls, trails, and curb, gutter, and sidewalk.
- G. Explanatory notes as needed.
- H. Name, address, and telephone number of the builder and owner.
- I. A landscaping plan, according to the requirements found in this ordinance.

Chapter 09 – Site Plan Review

- J. All other information related to the site plan and reasonably required as determined by the Kanab City Planning Commission or the Kanab City Zoning Administrator when authorized.

Section 9-4 Additional Site Plan Requirements by Application

9-4.1 Mobile and Park Model Home Parks

Mobile and Park Model Home Parks shall meet the requirements of Chapter 12, with an overall plan for development, in conjunction with site plan requirements listed in Section 9-3.

9-4.2 Recreational Vehicle Parks

Recreational Vehicle Parks shall meet the requirements of Chapter 13 with an overall plan for development, in conjunction with site plan requirements listed in Section 9-3.

9-4.3 Planned Development Overlay

A preliminary and a final site plan shall be required for approval of a Planned Development Overlay as defined in Chapter 23: Planned Development Overlay.

9-4.4 Commercial Zones

All site plans submitted for developments within the Commercial Zones shall be accompanied by architectural design plans that meet the requirements of Chapter 20.

Section 9-5 Exceptions

For buildings and uses covered by conditional use permits and Planned Development, site plan review shall be incorporated within such conditional use permit and Planned Development and need not be a separate application, provided the requirements of this Chapter are met.

Section 9-6 Planning Commission Approval

The Kanab City Planning Commission, or the Kanab City Zoning Administrator when authorized by the Commission, shall determine whether a proposed site plan is consistent with this Chapter and with the general objectives and requirements of this

Ordinance, and shall give or withhold approval accordingly. Denial or approval by the Kanab City Planning Commission or the Zoning Administrator may be appealed to the Kanab City Council, as provided for in the appeals section of this Ordinance.

The Planning Commission shall allow one (1) extension to the site plan or landscaping requirements if the applicant submits an Improvement Completion Assurance for any of the site plan and/or landscaping improvement requirements. No further extensions shall be permitted.

The Improvement Completion Assurance shall be in the form and amount approved by the City, upon recommendation of the City Engineer or Building Inspector, and can be in the form of a surety bond, financial institution bond, cash, letter of credit, or lien. The Improvement Completion Assurance shall guaranty the proper completion of site plan or landscaping requirements, in accordance with Kanab City Standards. Upon recommendation of the City Engineer or Building Inspector, the City may authorize a partial release of the Improvement Completion Assurance, upon inspection and acceptance of a portion of the completed site plan and/or landscaping improvement requirements.

Section 9-7 Consideration in Review of Applications

The Kanab City Planning Commission, or the Kanab City Zoning Administrator when authorized by the Commission, shall consider the following matters in reviewing of applications:

- A. Considerations relating to traffic safety and traffic congestion.
 - 1. The effect of the site development plan on traffic conditions on abutting streets.
 - 2. The layout of the site with respect to locations and dimensions of vehicular and pedestrian entrances, exits, drives, and walkways.
 - 3. The arrangement and adequacy of off-street parking facilities, including the requirements listed in Chapter 6 of this Ordinance.
 - 4. The location, arrangement, and dimensions of truck loading and unloading facilities.
 - 5. The circulation patterns within the boundaries of the development.
 - 6. Connectivity of streets and trails as defined in Section 4-30.
 - 7. The surfacing and lighting of off-street parking facilities.
- B. Consideration relating to outdoor advertising. The number, location, color, size, height, lighting, and landscaping of outdoor advertising signs and structures in

relation to the creation of traffic hazards and the appearance and harmony with adjacent development, including requirements listed in Chapter 7 of this Ordinance.

- C. Performance standards for industrial and other uses for dangerous and objectionable elements enumerated in Chapter 10 of this ordinance shall apply.
- D. Considerations relating to buildings and site layout.
 - 1. Consideration of the general silhouette and mass, including location on the site, elevation, and relation to natural plant coverage, all in relationship to the neighborhood.
 - 2. Consideration of exterior design in relation to adjoining structures in height, bulk, and area openings, breaks in facade facing on the street (or streets), line and pitch of roofs, and the arrangement of structures on the parcel.
 - 3. Development standards enumerated in this ordinance for the applicable zone and/or development type shall apply.
 - 4. Landscaping shall meet the requirements of this Ordinance.

Section 9-8 Landscaping Requirements

- A. Public Right-of-Way: The public right of way shall be landscaped with two inch (2") caliper trees and approved landscaping as described in Section 9-8(G). Landscaping is only required where curb, gutter, and/or sidewalk improvements are required. See Section 4-18 for curb, gutter, and sidewalk requirements.
- B. Street Frontage Landscaping: A minimum six foot (6') wide landscaped area shall be installed along the entire frontage of the parcel, unless the buildings are at zero setback. The landscaped public right of way may be included as part of the six-foot requirement. Driveways and sidewalks shall be allowed to cross the six foot (6') wide landscaped area. The Planning Commission may revise the landscaping plan to ensure the purposes of this chapter are substantively met.
- C. Landscape Plan Required: A landscape plan including a mix of landscape elements is required for all developments in which landscaping is required. The front, side, and rear yards of lots shall be landscaped and properly maintained with:
 - 1. Living plant materials (e.g., lawn, ground cover, annual and perennial flowering plants, desert plants, vines, shrubs, trees and other plant materials.) planted directly on the property and kept free from all hard surfaces.
 - 2. Use of water (e.g., pools fountain, falls and streams) and sculptures may be

Kanab

Land Use Ordinance

included as landscape design materials.

3. Paving materials (e.g., bricks, pavers, flagstones, textured concrete) may be included upon approval of the Planning Commission if they create a useful open space, add color or texture to the design, and create visual interest.
 4. Landscaping rocks, gravel or wood chips may be used, provided such area does not cover more than twenty five percent (25%) of the area required to be landscaped. If more than twenty five percent (25%) is desired, approval must be given by the Planning Commission upon a finding that the excess coverage includes enough variety and plant material to fulfill the objectives of this section
- D. All areas in a development not approved for parking, buildings, or other hard surfacing, shall be landscaped and properly maintained with landscaping materials approved in conjunction with a Site Plan.
- E. A minimum of one (1) canopy tree in each landscaped area, within a project boundary, shall be required in addition to other trees required in this Title as determined by Planning Commission.
- F. Plastic Or Artificial Materials Prohibited: Landscape plants shall not include plastic or other artificial materials.
- G. Minimum Plant Sizes: The following minimum plant sizes shall be used:

Landscape Element (Plants)	Minimum Size At Planting
Shade tree	2 inch caliper, balled and bur lapped
Ornamental tree	1 inch caliper
Evergreen tree	7 feet in height, balled and bur lapped
Shrub	5-gallon container
Perennial or ornamental grass or ground cover	10 square foot area
Notes: 1. All calipers are measured 1 foot above the finish planting grade. 2. Root barriers shall be installed for all new trees planted adjacent to existing or proposed sidewalks and paving. 3. Building sidewalks on beds of course gravel will cause tree roots to grow deeper - they will not grow through and lift sidewalk.	

- H. Retention of Existing Trees and Plants: Existing trees are encouraged to be retained and shall be accepted in lieu of new plantings.

Chapter 09 – Site Plan Review

- I. Energy Efficiency: All landscaping shall be designed to consider the site and surrounding properties by addressing sun, shade and wind for increased energy efficiency.
 - 1. Landscaping shall provide a mix of deciduous trees, evergreens, ornamental plants and ground cover to provide year around screening.
 - 2. Deciduous trees shall be included for providing shade in parking lots and around structures. Large trees are encouraged for maximum shade canopy.
 - 3. Evergreen trees shall be included for windbreaks, screening and accent purposes.
- J. Spacing: Trees may be grouped together or spaced evenly as approved in the site plan.
- K. Clear View Triangle shall be observed in regard to all vegetation near streets and drives. No evergreen trees shall be planted within any sight triangle. The maximum height of any berm, fences, signs or vegetative ground cover at maturity within the view triangle is two feet (2'). The Clear View Triangle is the area of visibility required for the safe operation of vehicles, pedestrians and cyclists in proximity to intersecting streets and driveways. The clear view triangle shall be regulated by AASTHO standards for signs and landscaping.
- L. Monument Signs: Five foot (5') landscaping strips shall be provided at the base of all monument signs.
- M. Installation and Maintenance: Installation of required landscaping shall be the responsibility of the property owner.
 - 1. All plant materials shall be planted according to industry standards, using acceptable topsoil and automatically controlled permanent irrigation systems.
 - 2. All proposed plant material shall be in accord with the American association of nurserymen standards in terms of size, character and quality.
 - 3. All plant materials required within a public landscaped area shall be planted to completion prior to the city's issuance of a certificate of occupancy, unless an assurance completion bond has been provided.
 - 4. Maintenance and replacement of required landscaping and screening shall be the responsibility of the property owner.
 - 5. All plant materials shall be pruned, trimmed, watered and otherwise maintained to create an attractive appearance and a healthy growing condition. No trees shall be severely pruned or topped.
 - 6. Dead, diseased, stolen or vandalized plant materials shall be replaced by the next planting season.

Kanab

Land Use Ordinance

Chapter 09 – Site Plan Review

7. Property owners shall keep landscaped areas free of weeds and trash.

N. Notwithstanding the requirements herein, a water wise landscaping plan meeting the Utah State Code 10-9a-536 will be accepted.

Section 9-9 Conditions

The Kanab City Planning Commission, or the Kanab City Zoning Administrator when authorized, shall decide all applications for site plan review. Site plan approval may include such conditions consistent with the consideration of this Chapter as the Kanab City Planning Commission or Kanab City Zoning Administrator deem reasonable and necessary under the circumstances to carry out the intent of this Chapter.

Section 9-10 Findings and Decisions

Upon a finding by the Kanab City Planning Commission or the Kanab City Zoning Administrator, when authorized, that the application meets the requirements of this Chapter, the site plan approval shall be granted, subject to such conditions as are necessary; otherwise, approval shall be denied.

Section 9-11 Notification of Approval or Denial

Upon the granting of site plan approval, the secretary of the Kanab City Planning Commission or land use coordinator shall send notice, via phone, voicemail, or email, to the applicant explaining the result of the application.

Section 9-12 Time Limitations on Approval

If construction in harmony with the permit for any development for which site plan approval has been granted has not been commenced within one (1) year from date of approval, the approval shall be deemed automatically revoked. Upon application, an extension of time may be granted by the Kanab City Planning Commission, or the Kanab City Zoning Administrator, when authorized.

Section 9-13 Transfer of Approval upon Change in Use

Site plan approval shall be deemed revoked if the buildings erected or the classification of their use or the classification of the use of land for which the approval was granted is changed, unless the approval is transferred by the Kanab City Planning Commission, or the Kanab City Zoning Administrator, when authorized to do so. If the transfer is not approved, a new application must be filed.

Adopted January 25, 2008; Amended July 16, 2024

Kanab

Land Use Ordinance

Chapter 09 – Site Plan Review

Section 9-14 Conformances of Approval

Development for which site plan approval has been granted shall conform to the approval and any conditions attached thereto.

Section 9-15 Modifications

Upon request of the applicant, modifications in the approved plan may be made by the Kanab City Planning Commission or the Kanab City Zoning Administrator when authorized to do so, if it is found that the modifications will meet the requirements of this Chapter. The Kanab City Planning Commission may revoke or modify a site plan approval which does not conform to any requirements of the approved permit.

Section 9-16 Replacement of Trees

Any tree that dies or is removed that was part of an approved site plan shall be replaced with a new tree meeting the requirements of this ordinance within 3 months. Regarding trees that are part of landscapes that were not subject to landscape plans and have been "grandfathered in," dead or removed trees must be replaced in a way that brings the landscape in-line with this ordinance.

Section 9-17 Performance Guarantees

- A. Application. Wherever a performance guarantee is required under the terms of this development code, said guarantee shall be submitted in conformance with this chapter.
- B. Type and Amount of Guarantee. All performance guarantees shall be posted in the form of a performance bond, an escrow account or an irrevocable letter of credit. Whichever form of performance guarantee is employed for any development project, the performance guarantee shall be made through an adequate and appropriate agency acceptable to the City. The amount of the guarantee shall include at least one hundred and ten percent (110%) of the cost of all materials and labor for the work to be performed as established by the city engineer and the costs of administration by the City.
- C. Duration of Guarantee. The duration of the performance guarantee shall be for the period of time specified for completion of required improvements and any extensions to such period as may be approved by the City Council. The date of beginning of the durability performance period shall be the date of acceptance of the improvement by the City Council.
- D. Partial Releases Permitted. Where a guarantee is provided for the purpose of

Adopted January 25, 2008; Amended July 16, 2024

Kanab

Land Use Ordinance

Chapter 09 – Site Plan Review

ensuring the timely installation of required improvements, the city may authorize a partial release of the guarantee. The amount of any partial release shall be in an amount commensurate with the estimated cost of the completed improvements, as determined by the City Engineer, less a holdback of ten percent (10%).

E. Final Disposition and Release.

1. Request: At the completion of the work, the sub-divider shall submit to the city one copy of a written notice of completion, copies of lien releases from all suppliers of materials and subcontractors, and a request for release. Following receipt of the notice and request, the City Engineer shall make a preliminary inspection of the improvements and shall submit a report to the city council setting forth the condition of such facilities.
2. Acceptable Condition: If the condition of said improvements is found to be satisfactory and all liens are paid, the city council shall act to accept the improvements and authorize release of the remainder of the guarantee.
3. Unacceptable Condition: If the condition of material or workmanship shown unusual depreciation or does not comply with the acceptable standards of durability, or if there are any outstanding liens, or if any other terms of the guarantee have not been satisfied, the matter shall be referred to the City Council, and in accordance with the provisions of Section 9-14-6 of this chapter, the City Council may declare the developer in default and take such actions as are determined necessary to secure performance.

F. Default. Where, in the opinion of the City Council, a developer fails or neglects to satisfactorily install the required improvements or make required corrections, or to pay all liens in connection with said improvements, make payment to the city for administration and inspections, or otherwise fails in carrying out the activity for which the performance guarantee was required, the city council may, after a public hearing with due notice on the matter, declare the performance guarantee forfeited and thereafter may install or cause the required improvement to be installed using the proceeds from the guarantee to defray the costs; provided, that the city shall not be responsible for work beyond the limits of the bond amount. Any funds remaining after completion of the required improvements will be returned to the developer.

G. Time Limit for Installation; Performance Guarantee.

1. All required improvements not in place prior to the approval of the final plat by the city council shall be installed by the developer as required by City Ordinances following the date of final plat approval; provided, however, that upon a showing of good and sufficient cause (i.e., lateness of the final approval date, unexpected delays, etc.), the city council may extend the date of completion or authorize a longer period of time for completing construction of part or all of the uncompleted improvements.

Kanab

Land Use Ordinance

Chapter 09 – Site Plan Review

2. A performance guarantee securing the installation of all required improvements which have not been completed and accepted by the city council prior to final plat approval shall be required as a condition of final plat approval. The performance guarantee shall be in accordance with City Ordinances.

Section 9-18 Reimbursement for Off Site Improvements

Reimbursement shall be allowed for off-site improvements which are required as a condition of approval of a subdivision. Whenever an extension of any required off site improvement benefits property contiguous to the extension, other than property owned by the developer, the City will enter on its records the amount of the actual cost of the extension across the benefited property. The owner of the benefited property shall reimburse the developer the charges assessed against such benefited property for a period of thirty (30) years from the date of completion and acceptance of the extension by the City. All reimbursable improvements under this section shall be constructed to the fullest extent of the improvement, including, but not limited to, full width and fully improved rights of way.

1. The amount of the reimbursement to be paid by a benefited property shall be determined by an engineer's estimate submitted to the City on a per linear foot basis. The extension reimbursement charge shall be paid before any service connection is made to the benefited property and shall be in addition to all other fees and charges.

Section 9-19 Minimum Improvements

- A. All required improvements not in place prior to the approval of the final plat by the city council shall be installed by the developer as required by City Ordinances following the date of final plat approval; provided, however, that upon a showing of good and sufficient cause (i.e., lateness of the final approval date, unexpected delays, etc.), the city council may extend the date of completion or authorize a longer period of time for completing construction of part or all of the uncompleted improvements.
- B. A performance guarantee securing the installation of all required improvements which have not been completed and accepted by the city council prior to final plat approval shall be required as a condition of final plat approval. The performance guarantee shall be in accordance with City Ordinances.
- C. Included Minimum Improvements: The minimum improvements shall include:
 1. Streets and travel ways, and including provisions for stabilization and re-vegetation of cut and fill slopes.
 2. Water and sewerage mains and facilities.

Adopted January 25, 2008; Amended July 16, 2024

3. Fire hydrants.
4. Any required drainage or flood control structures.
5. Any required restoration of cut and fill slopes.
6. The costs of installing landscaping and common facilities within any common open space area.
7. Secondary irrigation water system.

Section 9-20 Maintenance of Improvements Required

All improvements, including buildings, open space, recreational facilities, roads, fences, utilities, landscaping, walkways, streetlights and signs not specifically dedicated to the City or accepted for ownership or maintenance by the City shall be perpetually maintained by the owners or their agents through a special taxing district, owners' association with power to assess and collect fees for maintenance or other assessment and maintenance mechanisms acceptable to the City Council.

Chapter 06 – Parking Requirements

15.	Wholesale establishments, warehouses, manufacturing establishments, and all industrial uses	As determined by conditional use permit or by planned development requirements, if applicable, or by the Kanab City Planning Commission, but in no case fewer than 1 space for each employee projected for the highest employment shift.
16.	All other uses not listed above	As determined by the Kanab City Planning Commission, based on the nearest comparable use standards.

Section 6-5 Access Requirements

Adequate ingress and egress to and from all uses shall be provided as follows ~~(Minimum widths of drives within parking lots are provided in the Kanab City Design and Construction Standards):~~

A. Residential Lots

- Residential lots with less than one hundred (100) feet of street frontage shall have not more than two (2) driveways, each of which shall be a maximum of twenty-five (25) feet wide at the street lot line, or one (1) driveway with a maximum of 50 feet wide at the street lot line. Driveways shall not be closer than six (6) feet to each other.
- Residential lots with more than one hundred (100) feet of street frontage are allowed one additional driveway for each additional fifty (50) feet of street frontage, each of which shall be a maximum of twenty-five (25) feet wide at the street lot line, or one (1) driveway with a maximum of fifty (50) feet wide at the street lot line. Driveways shall not be closer than six (6) feet to each other.
- Circular driveways shall count as one (1) driveway.

B. Other than Residential lots - Access for each lot shall be provided to meet the following requirements:

- Not more than two (2) driveways shall be used for each one hundred (100) feet or fraction thereof of frontage on any street.
- No two (2) of said driveways shall be closer to each other than six (6) feet, and no driveway shall be closer to a side property line than three (3) feet.
- Each driveway shall be a minimum of 25 feet wide and not more than fifty (50) feet wide, measured at right angles to the centerline of the driveway, except as increased by permissible curb return radii. The entire flare of any return radius shall fall within the right-of-way.
- ~~No driveway shall be closer than ten (10) feet of any intersection at any corner as measured along the property line. See Kanab City Design and Construction Standards to determine the distance a driveway shall be from an intersection or intersecting road.~~

Commented [KC1]: There are not minimum widths for ingress/egress or drives within parking lots in the Design Standards. If minimum widths are desired we will need to add the requirements here or update the Design Standards.

Commented [KC2]: This may contradict design standards

Chapter 06 – Parking Requirements

5. In all cases where there is an existing curb and gutter or sidewalk on the street, the applicant for a permit shall provide a safety island along the entire frontage of the property, except for the permitted driveways. On the two (2) ends and street side of each such island shall be constructed a concrete curb, the height, location, and structural specifications of which shall be in accordance with the City of Kanab Design and Construction Standards.
6. Where there is no existing curb and gutter or sidewalk, the applicant may at his option install such safety island and curb, or, in place thereof shall construct along the entire length of the property line (except in front of the permitted driveways) a curb, fence, or pipe rail not exceeding two (2) feet or less than eight (8) inches in height.
7. All other uses not listed above as determined by the Kanab City Planning Commission, based on the nearest compatible use standards.

Section 6-6 Location of Gasoline Pumps

Gasoline pumps shall be set back not less than eighteen (18) feet from any street line to which the pump island is perpendicular, and twelve (12) feet from any street line to which the pump island is parallel, and not less than ten (10) feet from any residential or agricultural district boundary line. If the pump island is set at an angle on the property, it shall be so located that the automobiles stopped for service will not extend over the property line.

Section 6-7 Maintenance of Parking Lots

Every parcel of land, or portion thereof, used as a public or private parking lot, accessed by customers, employees, for deliveries, and/or for other commercial or manufacturing purposes, shall be developed and maintained in accordance with the following requirements:

A. Parcel with a retail store front:

1. Customer Parking and Receiving areas (shared with customer parking area) - Each off-street parking lot shall be surfaced with a minimum of 2 inches of asphalt or 3½ inches of Portland cement or equivalent. The parking area shall be so graded as to dispose of all surface water. If such water is to be carried to adjacent streets, it shall be piped under sidewalks. Areas used solely for the purpose of displaying vehicles and boats for sale or rent need not be hard surfaced, however any areas designated for customer or employee parking shall be hard surfaced.
2. Employee Parking and Receiving areas (not shared nor routinely accessed by customers and not facing or adjacent to a public street) shall, at a minimum, be surfaced with certified road base with one of the following: packed gravel; asphalt; concrete; or a double chip seal.
3. All entrances and exits shall be hard surface with asphalt or concrete aprons, in accordance with Kanab City Standards, that extends a minimum of twenty (20) feet into the parking area
4. All parking areas shall be well maintained and free of standing water, potholes, washboard bumps, ruts, mud, weeds and debris.

Kanab

Land Use Ordinance

Chapter 06 – Parking Requirements

5. Landscaping – Each parking lot accessed by customers or facing or adjacent to a public street shall be landscaped, including a tree diamond installed every twelve (12) parking spaces, or with a 6-foot-wide island with a tree at the end of all parking rows, and shall be permanently maintained.
- B. Parcel without a retail store front:
1. Surfacing for roadways and/or employee parking shall be certified road base with one of the following: packed gravel; asphalt; concrete; or a double chip seal.
 2. All roadways and spaces shall be well maintained and free of standing water, potholes, washboard bumps, ruts, mud, weeds and debris.
 3. All entrances and exits shall be hard surface with asphalt or concrete aprons, in accordance with Kanab City Standards, that extends a minimum of twenty (20) feet into the parking areas.
 4. All customer parking for office areas shall be hard surface with asphalt or concrete, in accordance with Kanab City Standards.
 5. Shall follow landscaping requirements as outlined in Chapter 9 of the Kanab City Land Use Ordinances

Examples of Dark-Sky Sensitive Lighting

Section 6-8 Lighting of Parking Lots

- A. Down Lighting: To protect the views of the night sky, all outside lighting shall be "down lighting" so that lighting does not trespass to adjoining properties. All exterior lighting should provide for the illumination of buildings and grounds for safety purposes, but in an aesthetic manner. All exterior lighting shall be shielded or hooded so that no light is allowed to spill or trespass onto adjacent properties.
- B. Colors: Warm lighting colors are encouraged. Blue white colors of fluorescent and mercury vapor lamps are prohibited.
- C. Minimum Levels; Motion Sensors: All exterior lighting should be reduced to the minimum levels necessary for safety and security purposes. The use of motion sensors and timers is encouraged.
- D. Parking Lot Lighting: Minimum adequate lighting should be provided in all parking areas, with emphasis placed on appropriate lighting at entrances and exits. All parking area lighting shall be integrated with landscape features. The height of pole mounted fixtures shall be held to a minimum practical height, but not exceeding twenty feet (20').

Chapter 06 – Parking Requirements

Section 6-9 Parking Space Reductions

Parking Space Requirements enumerated in Section 6-4 may be reduced by up to 50% of the requirement when one or a combination of the following methods is utilized:

1. A shared parking agreement between the applicant and adjacent land-owners (up to 40% reduction).
 - a. Up to 50% of parking stalls in an adjacent parking lot may be applied toward the reduction, provided that:
 - i. The applicant demonstrates that the adjacent use is reciprocal in time and volume for parking demand.
 - ii. All parking stalls identified in the agreement are within 500 feet of the entrance of the building.
2. The presence of a drive-thru (up to 10% reduction).
3. The presence of bicycle parking. One (1) parking space reduced for every two bicycle parking spaces provided (up to 10% reduction).
4. The presence of motorcycle parking. One (1) parking space reduced for each motorcycle parking space provided (up to 10% reduction).
5. Within Downtown Overlay: Identification of nearby on-street parking. Up to 50% of on-street parking located within 300 feet of the building may be applied toward the reduction (up to 20% reduction).
6. Within Downtown Overlay: primary entrance and at least 75% of the length of the front building facade located within 10 feet of the sidewalk and oriented toward the street (up to 20% reduction).

Section 6-10 Handicapped Accessible Parking

Parking lots shall provide adequate “accessible” parking spaces in compliance with the Americans with Disabilities Act (ADA).

Section 6-11 Downtown Parking District

This parking district is created to improve and increase on street parking for the Downtown District, and there should be back lot parking and inter-connection between parcels (See Exhibit F). The boundaries for this area shall include the following roadways: Along US 89 (aka Center Street, 100 East, 200 West) from 200 South to 200 West one (1) block on each side of roadways on each side of said US 89.

DATE: September 9, 2025
TO: Mayor and City Council
SUBJECT: TASER 10 Agreement with Axon
PREPARED BY: City Manager, Kyler Ludwig

Background:

The Kanab Police Department currently uses TASER 7 conducted energy weapons as part of its standard-issue less-lethal force options. As part of the department's ongoing effort to modernize equipment, improve officer safety, and enhance training tools, Axon has provided a proposal to transition to the new TASER 10 platform. This transition includes new equipment, enhanced virtual training, extended warranties, and continued access to existing digital evidence archives.

The proposal also includes a buyback of nine (9) TASER 7 handles and three (3) TASER X2 handles, which helps offset the overall cost of the new program.

Analysis:

The Axon TASER 10 Certification Program is a comprehensive five-year package that includes:

- Ten (10) TASER 10 units with accessories and holsters
- Access to Axon's Virtual Reality (VR) training program for enhanced use-of-force training
- A full five-year warranty on all major components
- Continued licensing for Evidence.com, Axon's digital evidence management platform

Maintaining Evidence.com access is critical, as it allows the department to retain access to all historical body camera and Taser-related footage—a vital tool for investigations, public records requests, and officer accountability.

Two payment options are offered:

- Option 1: Even annual payments of \$9,566.40 for each of the five years
- Option 2: A reduced first-year payment of \$5,482.65, followed by \$10,550.00 annually in years 2 through 5

Both options result in the same total program cost: \$47,682.65.

Legal:

— A Western Classic —

Financial:

The total cost of the TASER 10 program over five years is \$47,682.65, regardless of the selected payment structure. Axon estimates a total program discount of approximately \$28,490.59, compared to standard list pricing.

- Option 1: Level annual cost of \$9,566.40
- Option 2: Lower upfront cost (\$5,482.65 in Year 1), followed by \$10,550.00 annually

Funding will be allocated from the Police Department's equipment line item.

Recommendations/Actions: It is recommended the City Council:

Staff recommends approval of the five-year agreement with Axon for the TASER 10 Certification Program. Staff further recommends selecting Option 1 for level annual payments.

DATE: September 9, 2025
TO: Mayor and City Council
SUBJECT: Public Infrastructure District (PID) Review
PREPARED BY: City Manager, Kyler Ludwig

Background:

Public Infrastructure Districts are independent limited-purpose government entities authorized under Utah Code §17D-4 to finance public infrastructure through the issuance of bonds. PIDs are formed with 100% consent from property owners and registered voters in the proposed district and must be approved by the City.

PIDs can issue:

- Limited tax bonds (repaid by a new property tax up to 15 mills)
- Special assessment bonds (repaid through per-lot assessments, often paid off by the developer before resale)

Key Characteristics:

- PIDs are *not* a financial liability of the City.
- Debt does *not* appear on the City's balance sheet.
- Bonds are repaid by property owners within the district.
- Boards are appointed initially by the City and transition to elected members over time.

Kanab has approved one PID in the Ventana Resort. The PID was used to help secure attainable housing within the development.

Analysis:

A Letter of Intent has been received from JJJ Development, Inc. for the proposed Hidden Canyon PID. The City's District Advisory Committee (DAC) has reviewed the initial submission and provided written feedback on August 8, 2025. In response, the developer submitted a formal reply on August 27, 2025, along with an independent appraisal from Colliers International. The additional documents are still under review by the DAC.

— A Western Classic —

Documents Received:

- A formal response letter from the developer addressing DAC comments (Aug 27, 2025)
- The DAC comment memo dated August 8, 2025
- A third-party appraisal report from Colliers International supporting project assumptions

The developer proposes to use special assessment bonds, with the intent to pay the assessments prior to sale to end users, avoiding long-term assessment burdens on homeowners.

Notably, the applicant has suggested that the creation of the Hidden Canyon development itself constitutes the public benefit. This framing differs from prior PID considerations, which often tied benefit to specific outcomes (e.g., attainable housing, public parks, trail access, etc.).

The City Council's feedback is requested regarding whether the development alone is sufficient to meet the public benefit threshold for a PID formed under a special assessment model. This discussion may help guide future DAC evaluations and establish clearer policy expectations.

The initial fee for a letter of intent has been paid.

Recommendations/Actions:

This report is informational only. No Council action is required at this time. Please review this summary to prepare for the formal presentation at the upcoming meeting.

Re: Letter of Intent to Create a Public Infrastructure District to Facilitate Construction of Public Infrastructure in Relation to the Hidden Canyon Development.

INTRODUCTION

In accordance with the Public Infrastructure Act and the Local District Act (the "District Acts"), JJJ Development, Inc. (the "Applicant") submits the following letter of intent ("LOI") to Kanab City (the "City") for consideration of creation of a Public Infrastructure District (the "PID") to facilitate the construction of the Hidden Canyon development (the "Development"). It is the Applicant's understanding, in accordance with the City's PID policy and the District Acts, that this letter considers the following:

- This LOI represents an initial step in the creation of the PID, and that a positive recommendation from City staff represents an option for the applicant to submit governing documents that present district formation and operation in greater detail.
- A positive recommendation to move forward with governing documents does not represent a commitment by the City to approve the eventual formation of the PID.
- The City and applicant will consider this process as iterative and will work towards a solution that meets the City's and Applicant's needs.

OVERVIEW

This letter of intent is to be used by City staff (as determined by City Administration) to make a preliminary determination about the appropriateness of the proposed PID and must be submitted prior to, or in conjunction with, submittal of a draft Governing Document. The information in this letter may be utilized to advise the Mayor, City Council, and other policymakers about district matters. This letter represents the Applicant's request to be considered for a PID for funding public infrastructure needs.

It is the Applicant's understanding that the formation and use of the Public Infrastructure District tool is in accordance with the following key components of the District Acts and in accordance with prior discussions with the City:

- The City has the approving powers for PIDs, and will work with the Applicant in determining an appropriate use of funds, debt limit, and tax implications.
- The purpose of the PID tool is to provide for public infrastructure and increased amenities for commercial and residential developments.
- The PID tool is being considered to bridge a funding gap that otherwise would not permit the Development to move forward as planned unless development plans are altered.

- The PID contemplates financing with special assessments on the properties within the boundaries of the proposed district and does *not* contemplate the use of a property tax mill levy. It is the intention of the Developer to pay off any special assessment obligation associated with the PID at or prior to transfer of ownership to the end user (e.g., homeowners).
- The special assessment only affects property within the boundaries of the proposed district, and all property owners must approve the formation of the district.
- In accordance with the Hidden Canyon Development Agreement and System Improvements Reimbursement Agreement, the applicant has previously indicated its intent to petition the City to form a PID to help fund a portion of the public improvements necessary for the Development.
- All proceeds from the PID will be used for publicly owned infrastructure.
- The PID will allow for the issuance of bonds that are not the liability of the City. There is no impact to the City's credit rating, no recourse, and no requirement to backstop the bonds with additional revenue sources.

BENEFITS OF DISTRICT IN THIS DEVELOPMENT

The PID will allow for more efficient funding than otherwise available to provide for public infrastructure for the Development. Infrastructure costs have significantly increased in past years due to notable macroeconomic conditions, thereby resulting in development costs that question overall feasibility of all aspects of the Development. Accordingly, the use of the PID will help the Development (approximately 257 acres of vacant land in east Kanab just off Highway 89 to be developed into a desirable mixed-use master planned community) to be financially viable. The PID helps alleviate these constraints and thereby promotes timely buildout of the Development in alignment with the City's desires for the Development as defined in the Hidden Canyon Development Agreement. The Development is planned to include an upscale residential senior community; high-scale residential apartments; and commercial and retail space; which is expected to contribute to the overall infrastructure and improvements of the City for future growth and promote economic development including additional employment opportunities, property and sales tax benefits, in addition to much needed housing supply.

COMPLIANCE WITH CITY'S PID POLICY

The Applicant acknowledges that the City has adopted a PID Policy Statement that sets forth the requirements for the LOI. Specifically, Section 1 of the PID Policy Statement establishes the required contents for an LOI. This section addresses each of those requirements in turn.

1. Description of District

The proposed PID is anticipated to be located on approximately 257 acres of unimproved real property located in east Kanab adjacent to Highway 89 on two existing parcels (Tax ID#s: K-14-15-Annex & K-15-1-Annex)

2. Description of Proposed Development

The Applicant intends to construct 705 total residential units including 356 single family lots (55 and over homes), 269 multi-family units, 80 hotel rooms. Additionally, the Applicant intends to construct approximately 90,000 square feet of commercial storage.

3. Summary of Needed Infrastructure, Services and Facilities

a. Currently Expected Development Scenario.

The Applicant anticipates developing residential, commercial, retail, and open space within the boundaries of the PID. It is expected that, where applicable, the City and the landowners will enter into development agreements regarding the phasing, type, number, and intensity of uses within the boundaries. By doing so, the City and the landowners can work together to plan development of this area in a manner that is mutually beneficial.

b. Required Local and Regional Infrastructure and Facilities.

Development within the District requires substantial local and regional infrastructure. Specifically, the needed infrastructure to support these intended uses will include: sewer, water, water storage, electrical, public roads, internet.

The Applicant anticipates that all public improvements will be designed and constructed in accordance with the standards and specifications of the City and other controlling public entities having proper jurisdiction.

c. Regional and Local Infrastructure the Proposed District is to Provide.

The Applicant is requesting that the PID fund a portion of the required local and regional infrastructure (the scope and cost of which is set forth in greater detail in the attached Exhibit B).

d. Estimated Construction Costs for the Proposed District Improvements.

Estimated costs for the infrastructure improvements within the Development are constantly changing. As of the date of this LOI, estimated costs of infrastructure improvements are approximately \$33 Million Dollars as more fully described in Exhibit B.

e. General Description of Phasing of Construction Based on Development Projections.

The development is intended to be built out in 16 phases over the course of roughly 10 years. Phasing of the project is more particularly shown in Exhibit C.

- f. *Anticipated Maximum or Fixed Maximum Mill Levy Required to Meet Debt Service of the District.*

While the City's PID policy allows for PID applicants to request up to 10 mills, the Applicant *does not* anticipate requesting a mill levy for the proposed PID. The PID contemplates financing with special assessments on the properties within the boundaries of the proposed district. It is the intention of the Developer to pay off any special assessment obligation associated with the PID at transfer of ownership to the end user (e.g., homeowners).

- g. *Analysis of proposed mill levies in light of outstanding debt and mill levies of other taxing entities affecting the area.*

Not applicable. No PID mill levy is being requested.

- h. *Sample plan of finance depicting the possible sources and uses of funds for the District.*

See Exhibit D

- i. *A summary overview of the differences between the proposed development with a Public Infrastructure District in place and the plan without a Public Infrastructure District.*

The PID enables access to public capital markets allowing the applicant to access low interest financing to fund the substantial upfront costs of public infrastructure improvements, which, in turn, reduces the construction timeline and enables the provision of enhanced community amenities not otherwise available. For example, rather than the Applicant having to wait to collect revenue upon sale of developed land to put in additional infrastructure, it will be able to provide all infrastructure up front, which in turn, reduces the impact to the community and its surrounding neighbors (i.e. no piecemeal construction improvements). The absence of PID financing would likely elongate the construction timeline or possibly render the project as contemplated infeasible. The PID, therefore, helps provide the timely delivery of a desirable mixed use community which is aligned with the currently approved development agreement for the Hidden Canyon project.

4. Proposed timeline for District creation.

Subject to the City's schedule, the applicant desires to create the Public Infrastructure District by August 31, 2025.

5. Acknowledgement of property owner and registered voter consent requirements.

All of the property owners within the boundaries of the proposed District are included in this LOI. By so signing, the property owners within the boundaries of the District consent to the submission of this LOI and further acknowledge that they must each sign a formal consent prior to a hearing for the governing documents that they consent to the issuance of debt in an amount sufficient for the proposed plan of financing for the District.

6. **Disclosure of any conflicts of interest between the applicant and the officers and employees of the City.**

The applicant is presently unaware of any conflicts of interest existing between the Applicant and any employees or officers of the City.

7. **Copies of signed engagement letters.**

The Applicant has engaged their own legal counsel and technical/financial consultants in the preparation of this LOI and other items related to the District. The Applicant also understands that the City may require review of this LOI and the governing documents through third parties. Accordingly, the Applicant agrees to pay for the City's costs in having such documents, related to this LOI and the District, reviewed by third parties.

Kindest Regards,
JJ Development, Inc.

Follow-up to Letter of Intent – Hidden Canyon Public Infrastructure District

Dear Jim Guthrie,

The District Advisory Committee (DAC) has completed its initial review of your July 18, 2025 Letter of Intent (LOI) for the creation of a Public Infrastructure District (PID) in support of the Hidden Canyon Development. To assist the DAC in preparing a thorough and informed recommendation to the Kanab City Council, we are requesting additional information and clarification in the following areas:

#### **Detailed Cost Estimates**

In Exhibit B of your LOI, you provided an estimate of probable costs for the proposed infrastructure. To better determine which costs may be tax-exempt and eligible for PID financing, we request:

- A more detailed breakdown of all cost categories listed in Exhibit B.
- Specific information on what is included in the grading costs and power costs.
- An indication of which items you believe qualify for tax-exempt financing under applicable statutes.

#### **Developer Past Performance**

To evaluate capacity and historical performance, please provide:

- Examples of similar projects completed by JJJ Development, including:
  - Location and scope.
  - Types of infrastructure constructed.
  - Financing structure used (including any public-private partnerships or special district financing).
  - Timeline from inception to completion.

#### **Revenue Projections**

To better understand the financial viability and absorption of the project, please provide:

- Projected sales and absorption rates by product type (e.g., single-family, multi-family, commercial, hotel).
- Detailed revenue estimates with pricing assumptions.
- Third-party or available market data supporting these projections.

— A Western Classic —

### **Public Benefit Analysis**

The DAC would like more clarity on how the PID will provide tangible public benefits. Please provide a comparison between the project with PID financing and the project without PID financing, addressing:

- Changes in timing and phasing of the development.
- Differences in infrastructure scope and quality.
- Amenities or enhancements enabled by PID funding.

The DAC's goal is to provide the City Council with a recommendation that is thorough, transparent, and supported by complete and accurate information. We value your cooperation in this process and look forward to collaborating with you to move the Hidden Canyon Development forward in a way that serves the interests of both the project and the Kanab community.

Sincerely,  
Kyler Ludwig  
Kanab City Manager  
On behalf of the District Advisory Committee

**Re: Response to questions from the District Advisory Committee (DAC) regarding the Letter of Intent (submitted on July 18, 2025) to Create a Public Infrastructure District to Facilitate Construction of Public Infrastructure in Relation to the Hidden Canyon Development.**

Dear Kyler Ludwig,

On behalf of JJJ Development, Inc. (the Applicant) we appreciate the DAC's initial review of the Letter of Intent and Petition to create the Hidden Canyon Public Infrastructure District, originally submitted on July 18, 2025. Below, please find responses to the DAC's request for additional information.

**Detailed Cost Estimates**

A more detailed breakdown of costs initially provided in Exhibit B of the original LOI can be found in the below (see Exhibit A). As requested, the updated table provides a more detailed breakdown of all cost categories, specific information on what was included in the grading costs and power costs, and an indication of which items are anticipated to qualify for tax-exempt financing under applicable statutes.

**Developer Past Performance**

To help the DAC evaluate capacity and historical performance, a complete Resume of the Applicant has been furnished in Exhibit B.

**Revenue Projections**

To assist the DAC in understanding the financial viability and absorption of the project, a development summary with anticipated pricing assumptions has been provided in Exhibit C. Additionally, a third-party appraisal completed by Colliers of Phases 1, 2, 5, 8, and 14, which are anticipated to be included in the assessment area for the first bond issuance of the PID has been attached for reference. Please note that while the development summary provided includes all phases of the project (Phases 1-16), the District would anticipate financing the project over multiple series of bonds corresponding with the phasing of the project. The initial bond is expected to include Phases 1, 2, 5, 8, and 14 of the project, which is expected to include 122 single family lots and one commercial parcel designated for self-storage use.

### **Public Benefit Analysis**

The PID is expected to more efficiently finance enhanced, tangible public benefits that are expected to serve the interests of both the project and the broader Kanab community. Such enhanced benefits include, but are not limited to, a one-million-gallon water tank (upsized from the 800,000-gallon water tank needed to serve the Hidden Canyon development), additional enhanced infrastructure (e.g., 12-inch transmission and distribution pipeline, in lieu of an 8-inch pipeline, and other water-related infrastructure with capacity to serve the Hidden Canyon development as well as other future developments adjacent thereto), within the broader Kanab community, as well as a frontage road built to the City's specifications. The absence of PID financing could delay the start of construction by a year or more, elongate the construction timeline, or possibly render the project as contemplated infeasible, as the Applicant would need to seek alternative forms of more expensive and less efficient debt or require substantial changes to the development plans as presently contemplated to reduce the upfront cost of infrastructure improvements.

Kindest Regards,

JJJ Development, Inc.

## **RESUME**

*Mr. Jim D. Guthrie is a successful, seasoned real estate, development and construction professional with more than 50 years of experience. His expertise is in acquiring land for development, seeing it through the design, approval and permitting processes and building out high quality, sought-after single and multi-family residential projects as well as light industrial/office projects on time and under budget. His extraordinary vision, knowledge, tireless energy, creativity and passion have provided him with all he needs to take on developments that others would not attempt. Jim lives and works by the words of Carl Sandburg, "Nothing happens...but first a dream".*

## **KANAB CITY POLICY STATEMENT: ESTABLISHING PUBLIC INFRASTRUCTURE DISTRICTS**

This policy statement addresses the criteria under which Kanab City will consider applications for proposed Public Infrastructure Districts (the “District”). Compliance with these criteria shall not obligate the City to approve formation of the District. The Governing Document will be subject to approval by the City in both form and substance. The criteria are intended to serve as guidelines for the review of letters of intent and Governing Documents.

The purpose of the Public Infrastructure District (PID) tool is to fund infrastructure. Initial, upfront costs of development can be significant, and the PID tool partially alleviates these costs. In addition, the relative cost savings associated with the funding is intended to help expedite development, create more desirable properties with notable amenities, and permit for development where typical market conditions may not permit construction. Ultimate PID costs are paid for by the end user, and PID financing is not a financial obligation of the jurisdictional entity. Consequently, Kanab City Corporation is not responsible for debt payments associated with any approved Public Infrastructure District.

Proposed Public Infrastructure Districts (PIDs) will be evaluated on the criteria to follow, with consideration for their ability to further the above intentions of Kanab City. This policy statement is divided into three sections:

- 1. Process for applying including fees charged**
- 2. The City’s decision-making criteria**
- 3. Governing Document requirements**

## I. Process and Fees

Any proposed Public Infrastructure District will be considered in relation to the best interests of the City. Such interests include using the most appropriate financing mechanism for the type and magnitude of the improvements to be financed and appropriate governance mechanism. If through the review process, a Public Infrastructure District is determined to be the most appropriate mechanism, the process, the criteria, and requirements provided herein will apply, unless otherwise waived by the City.

### A. Letter of intent to form a Public Infrastructure District

The applicant shall submit a letter of intent containing the following information in summary form. This letter will be used by staff to make a preliminary determination about the appropriateness of a District and must be submitted prior to submittal of a draft Governing Document. A positive staff response to the Letter of Intent does not assure approval of the Governing Document.

Letter of Intent contents:

1. Description of District area including size, location, area context (significant natural and man-made features, major public improvements, adjacent development), development history, and proposed development;
2. Description of proposed development within the boundaries of the proposed District including general distribution of land uses and densities and phasing of development;
3. Summary of needed infrastructure, services, and facilities:
  - a. Currently expected development scenario;
  - b. Required local and regional infrastructure and facilities for such development;
  - c. Regional and local infrastructure the proposed District is to provide;
  - d. Estimated construction costs for the proposed District improvements;
  - e. General description of phasing of construction based on development projections;
  - f. Anticipated maximum or fixed maximum mill levy required to meet debt service of the District;
  - g. Analysis of proposed mill levies in light of outstanding debt and mill levies of other taxing entities affecting the area; and
  - h. A sample plan of finance depicting the possible sources and uses of funds for the District.
  - i. A summary overview of the differences between the proposed development *with* a Public Infrastructure District in place and the plan *without* a Public Infrastructure District. This will identify key components of the proposed development that are made feasible by the approval of a district.

4. Proposed timeline for District creation.
5. Acknowledgement that consent must be signed prior to the hearing date for the governing document by all property owners and registered voters, if any, within the proposed District boundaries approving of the creation of the proposed District and consenting to the issuance of debt in an amount sufficient for the proposed plan of financing.
6. Disclosure of any conflicts of interest between the applicant and the officers and employees of the City.
7. Copies of signed engagement letters between the applicant and applicable consultants and legal counsel retained by the City and/or the proposed District whereby applicant agrees to pay fees related to the review of the application and governing document.

B. Review Process

1. The District Advisory Committee (“DAC”) is a City committee that advises the Mayor, City Council and other policy-makers about district issues. The DAC includes representatives of the departments of [Community Development, Legal, Administration, and Public Works] as well as other agencies as needed.

The DAC will review the letter of intent utilizing these criteria to determine whether or not to direct the applicant to proceed with preparation of a draft Governing Document for submittal. Conceptual approval does not assure approval of the governing document.

C. Governing Document

1. If the concept for the District as contained in the letter of intent is approved, the City staff will work jointly with applicant and legal and financial advisors to submit a draft Governing Document to the City DAC.
2. The draft Governing Document will be reviewed by the DAC for compliance with the criteria and requirements contained herein. The DAC will discuss with appropriate policy-makers issues that arise during this drafting period to have such issues resolved.
3. The final Governing Document will be forwarded to City Council for action through the standard City and statutory processes.

D. Fees

No request to create a Public Infrastructure District shall proceed until the fees set forth herein are provided for. All checks are to be made payable to Kanab City and sent to the City Manager’s Office. Payment of fees does not obligate Kanab City to approve Letters of Intent, Governing Documents, of formation of the District.

1. Letter of Intent: A Letter of Intent is to be submitted to the City Manager's Office and a \$2,000 fee shall be paid at the time of submittal of the Letter to cover the cost of staff review.
2. If the applicant proceeds to the submittal of a Governing Document an application fee of \$5,000 shall be submitted concurrent with the draft Governing Document.
3. Other Expenses: In the event the costs of review exceed the application fee, the applicant for a District shall pay all reasonable consultant, legal, financial advisor, and other fees and expenses incurred by the City in the process of reviewing the draft Governing Document prior to adoption and other such fees and expenses as may be necessary to interface with such District. All such fees and expenses shall be paid within 30 days of receipt of an invoice for these additional fees and expenses.

## **II. Criteria for Evaluating Proposed Public Infrastructure Districts**

### **A. Public Benefit**

Formation of a District bestows certain benefits on the District's proponents and is expected to provide public benefit consistent with the Creating Entities policy goals. Components of public benefit to be considered may include:

1. Resulting development that is in conformance with the Kanab City General Plan and all applicable supplements;
2. Provision of and/or contribution to needed regional and sub-regional infrastructure;
3. Open access to public trails and public lands;
4. Mixed-use development that includes a variety of housing types and prices, a range of employment opportunities, retail and consumer services, and civic amenities; and
5. High quality site and building design, including street connectivity, durable construction materials, and pedestrian-friendly design.

### **B. Evaluation Criteria**

These criteria provide thresholds for consideration. Compliance with some or all of these criteria is desired; however, alternative approaches may be considered.

1. Districts should not include land that is already included within the boundaries of another public infrastructure district without express provision in an adopted Governing Document. In such cases, the relationship with the existing districts must be addressed in the Governing Document.
2. A District planning to levy more than 10 mills of tax in the District for repayment of limited tax bonds will not be considered without sufficient justification as to why additional mills

are necessary and reasonable for the development.

3. There must be a demonstrated public benefit directly resulting from the creation of the District and its undertakings as described in the Governing Document.

C. Evaluation of Applicant

The following criteria relating to the applicant and the development will be considered:

1. Historical performance of the applicant (within and outside of the City);
2. The current proposed plan of finance of the District;
3. The current development plan's relationship to the master plans of the City; and
4. The regional, economic development, or overall benefits to the City from the proposed plan of finance.

**III. Governing Document Requirements**

In addition to statutory requirements, a Governing Document memorializes the understandings between the District and the City, as well as the considerations that compelled the City to authorize the formation of the District. The Governing Document for the proposed District shall contain and will be reviewed for compliance with the following policies and requirements.

A. District Description

1. Description of District area including size, location, area context (significant natural and man-made features, major public improvements, adjacent development), development history within the proposed district boundaries, and proposed development scenario (land uses by type and intensity and general urban design character).
2. Description of the public benefit resulting from the creation of the District and its undertakings.
3. Itemization and description of all needed infrastructure (both regional and local) and facilities in the District's area.
4. Explanation of the relationship, if any, between the District and any other public infrastructure districts with overlapping boundaries. If more than one district is proposed to be created within an inclusion area, describe how ultimate district boundaries will be determined.
5. Estimated construction costs of such infrastructure.
6. General description of phasing of construction based on development projections and phasing.
7. Provide the following financial plan information:

- a. Proforma financial overview of total costs and total revenues from all revenue sources;
  - b. An example plan of finance showing a proposal of how the proposed financing might take place, recognizing that the actual financing terms and structure will be approved by the board of trustees of the District (the "Board") within the parameters of this Governing Document;
  - c. Comparison of the mill levies of similar taxing entities in the area;
  - d. Proposed operating budgets for the District's first three years of existence; and
  - e. Any other forms of public financing and assistance being sought, including assessment areas.
8. Description of the ultimate ownership and provision for the ongoing operating and maintenance costs for infrastructure.
  9. Description of any proposed divisions and an inclusion/exclusion process as appropriate.
  10. Proposed governance plan, including Board structure and to transition from appointed Board to elected Board.

**B. Requirements and Expectations**

1. The planned ownership of the Improvements, including any relationship with an existing statutory district must be addressed in the Governing Document.
2. All debt issued by the District for which a tax is pledged to pay the debt service shall meet the requirements of all applicable statutes.
3. Land, easements or improvements to be conveyed or dedicated to the City and any other local government entity shall be conveyed in accordance with the related standards at no cost to the City.
4. All public infrastructure within the District which will be connected to and owned by another public entity shall be subject to all design and inspection requirements and other standards of such public entity.
5. The District shall not pledge as security any land, assets or funds to be transferred to the City.
6. The District shall be subject to City zoning, subdivision, building codes, and all other applicable City ordinances and regulations. Approval of the Governing Document shall not bind the City to approve other matters which the District or developer may request.
7. The District shall pay all fees and expenses as provided in the Governing Document.
8. The District may not double tax, whether by mill levy, assessment, impact fees, or any combination thereof, any end user for the costs of Improvements.

### C. Disclosure and Reporting Requirements

Disclosure of the existence of the District to property owners and potential property owners within the District is important and the following actions to be taken by each District shall be included in the Governing Document.

1. Within 30 days after the formation of the District, the Board shall record a notice with the county recorder:
  - a. Containing a description of the boundaries of the District;
  - b. Stating that a copy of the Governing Document is on file at the office of the City;
  - c. Stating that the District may finance and repay infrastructure and other improvements through the levy of a property tax;
  - d. Stating the maximum rate that the District may levy; and
  - e. If applicable, stating that the debt may convert to general obligation debt and outlining the provisions relating to conversion.
2. Applicant, homebuilders, commercial developers, and commercial lessors, as applicable, shall be required to disclose the following information to initial resident homeowners, renters, commercial property owners, and/or commercial tenants:
  - a. All of the information required under (1)(b) above;
  - b. A disclosure outlining the impact of any applicable property tax, in substantially the following form:

“Under the maximum property tax rate of the District, a primary residence valued at \$[insert average anticipated residential property value] would have an **additional annual property tax of \$\_\_\_\_\_** for the duration of the District’s Bonds. A business property valued at \$[insert average anticipated commercial property value] would have an **additional annual property tax of \$\_\_\_\_\_** for the duration of the District’s Bonds.”
  - c. Such disclosures shall be contained on a separate colored page of the applicable closing or lease documents and shall require a signature of such end user acknowledging the foregoing.
3. At least annually following the formation of the District, the District shall notify (by mail, e-mail, or posting to the District’s website) property owners in the District of the existence of the District and of the next scheduled meeting of the Board of the District. Such meeting shall occur at least 30 days and not more than 60 days following the date of the notice. Such notification shall include names and contact information of the Board of Directors and

officers, the address, telephone and fax numbers, and e-mail address of the District, and shall include reference to the existence of a District file maintained by the City as described below.

4. The District shall provide the following information to the City Manager's Office on an annual basis, and the District shall create and maintain a file for public review of the following information.
  - a. Annual District budget;
  - b. Annual financial report or audit of the District, as applicable under relevant statutory provisions;
  - c. Total debt authorized and total debt issued and presently planned debt issuances;
  - d. Names and terms of Board members and officers and progress towards milestones required for transition to elected Board;
  - e. Rules and regulations of the District regarding bidding, conflict of interest, contracting, and other governance matters, if changed;
  - f. List of current interlocal agreements, if changed (to be delivered to the City upon request);
  - g. List of all current contracts for services or construction (to be delivered to the City upon request);
  - h. Official statements of current outstanding bonded indebtedness, if not previously received by the City;
  - i. Current approved Governing Document, if changed; and
  - j. District Office contact information.
5. The following shall be considered significant changes to the Governing Document, thereby requiring approval by the City:
  - a. Exclusion or inclusion of property without Governing Document and Statute required approvals;
  - b. Change in the maximum mill levy;
  - c. Consolidation with any other district; and
  - d. Change in the dissolution date.

**17B-2a-1302 Provisions applicable to infrastructure financing district -- Exceptions --  
Conflicting provisions -- Contract for administrative services.**

- (1) An infrastructure financing district is governed by and has the powers stated in:
  - (a) this part; and
  - (b) Chapter 1, Provisions Applicable to All Special Districts, except as provided in Subsection (1)(b).
- (2)
  - (a) Notwithstanding Subsection 17B-1-103(2)(f), an infrastructure financing district may issue bonds only as provided in Title 11, Chapter 42, Assessment Area Act, subject to Subsection (2)(b), and Title 11, Chapter 42a, Commercial Property Assessed Clean Energy Act.

- (b) To the extent that the provisions of Title 11, Chapter 42, Assessment Area Act, apply to the use of funds from an assessment or an assessment bond for infrastructure operation and maintenance costs or for the cost of conducting economic promotion activities, those provisions do not apply to an infrastructure financing district.
- (c) Before a county or municipality's final inspection required for the issuance of a certificate of occupancy for a residential unit that is subject to an assessment levied by an infrastructure financing district under Title 11, Chapter 42, Assessment Area Act, the infrastructure financing district shall ensure that the assessment allocable to that unit is paid in full and that any assessment lien on that unit is satisfied and released.
- (3) Notwithstanding Subsection 17B-1-103(2)(h), an infrastructure financing district may not exercise the power of eminent domain.
- (4) This part applies only to an infrastructure financing district.
- (5) If there is a conflict between a provision in Chapter 1, Provisions Applicable to All Special Districts, and a provision in this part, the provision in this part governs.
- (6) An infrastructure financing district may contract with another governmental entity for the other governmental entity to provide administrative services to the infrastructure financing district.

**17B-2a-1303 Governing document.**

- (1) The sponsors of a petition filed under Subsection 17B-1-203(1)(d) to create an infrastructure financing district may include with the petition a governing document.
- (2) A governing document may contain provisions for the governance of the infrastructure financing district, consistent with this part, including:
  - (a) for a residential district, milestones or events that will guide the board in considering modifications to division boundaries to ensure that each division has as nearly as possible the same number of registered voters;
  - (b) a provision allowing a property owner within the infrastructure financing district to make recommendations, in proportion to the amount of the owner's property in relation to all property within the infrastructure financing district, for individuals to serve as appointed board members; and
  - (c) any other provisions or information that petition sponsors or the board considers necessary or advisable for the governance of the infrastructure financing district.
- (3) A governing document shall:
  - (a) include a description of infrastructure that the infrastructure financing district will provide funding for;
  - (b) include, for a residential district, a provision for a transition from an appointed board position, whether at large or for a division, to an elected board position, based upon milestones or events that the governing document identifies;
  - (c) if applicable, include a copy of a development agreement that has been executed relating to infrastructure to be developed within the boundary of the infrastructure financing district and for which the infrastructure financing district anticipates providing funding; and
  - (d) if applicable, describe a designated expansion area.
- (4)
  - (a) An area may not be designated as a designated expansion area unless the area is contiguous to the original district boundary.

- (b) An area may not be annexed to an infrastructure financing district unless the area is within the designated expansion area that is described in a governing document that is included and submitted with the petition to create the infrastructure financing district.

**17B-2a-1304 Board of trustees -- Conflict of interest -- Compensation.**

- (1) A board member with a personal investment described in Section 67-16-9 is not in violation of Section 67-16-9 if:
  - (a) before beginning service as a board member, the board member complies with the disclosure requirements of Section 67-16-7, as though that section applied to the board member's ownership of a personal investment described in Section 67-16-9; and
  - (b) during the board member's service, the board member complies with:
    - (i) the disclosure requirements of Section 67-16-7, as provided in Subsection (1)(a), upon any significant change in the board member's personal investment; and
    - (ii) applicable requirements of this part and the governing document.
- (2) An infrastructure financing district may not compensate a board member for the member's service on the board unless the board member is a resident within the boundary of the infrastructure financing district.

**17B-2a-1305 Relationship with other local entities.**

- (1) The applicability of local land use regulations under Title 10, Chapter 9a, Municipal Land Use, Development, and Management Act, or Title 17, Chapter 27a, County Land Use, Development, and Management Act, is not affected by:
  - (a) the creation or operation of an infrastructure financing district; or
  - (b) the infrastructure financing district's provision of funding for the development of infrastructure within the infrastructure financing district boundary.
- (2) The boundary of an infrastructure financing district is not affected by:
  - (a) a municipality's annexation of an unincorporated area of a county; or
  - (b) the adjustment of a boundary shared by more than one municipality.
- (3) A debt, obligation, or other financial burden of an infrastructure financing district, including any liability of or claim or judgment against an infrastructure financing district:
  - (a) is borne solely by the infrastructure financing district; and
  - (b) is not the debt, obligation, or other financial burden of any other political subdivision of the state or of the state.
- (4)
  - (a) Nothing in this part affects the requirement for infrastructure for which an infrastructure financing district provides funding to comply with all applicable standards and design, inspection, and other requirements of the county, municipality, special district, or special service district that will own and operate the infrastructure after the infrastructure is completed.
  - (b) Upon the completion of infrastructure for which an infrastructure financing district has provided funding, the infrastructure shall be conveyed:
    - (i) to the county, municipality, special district, or special service district that will operate the infrastructure; and
    - (ii) at no cost to the county, municipality, special district, or special service district.

**17B-2a-1306 Contesting an infrastructure financing district action.**

- (1) As used in this section:
  - (a) "Contestable action" means:
    - (i) the creation of an infrastructure financing district or any part of the process to create an infrastructure financing district;
    - (ii) a property tax levied by an infrastructure financing district or any part of the process to levy the tax; or
    - (iii) a fee imposed by an infrastructure financing district or any part of the process to impose the fee.
  - (b) "Effective date" means:
    - (i) with respect to the creation of an infrastructure financing district, the date of the lieutenant governor's issuance of a certificate of creation under Section 67-1a-6.5;
    - (ii) with respect to a property tax levied by an infrastructure financing district, the date of the board's adoption of a resolution levying the tax; and
    - (iii) for a fee imposed by an infrastructure financing district, the date of the board's adoption of a resolution imposing the fee.
- (2)
  - (a) A person may file a court action to contest the legality or validity of a contestable action.
  - (b) A court action under Subsection (2)(a) is the exclusive remedy for a person to contest the legality or validity of a contestable action.
- (3) A person may not bring an action under Subsection (2) or serve a summons relating to the action more than 30 days after the effective date of the contestable action.
- (4) After the expiration of the 30-day period stated in Subsection (3):
  - (a) a contestable action becomes incontestable against any person who has not brought an action and served a summons within the time specified in Subsection (3); and
  - (b) a person may not bring an action to:
    - (i) enjoin an infrastructure financing district from levying and collecting a property tax or imposing and collecting a fee that the infrastructure financing district levies or imposes; or
    - (ii) attack or question in any way the legality or validity of a contestable action.
- (5)
  - (a) This section does not affect a claim for a misuse of funds against the infrastructure financing district or an officer or employee of the infrastructure financing district.
  - (b) A person may not seek relief for a claimed misuse of funds described in Subsection (5)(a) except for injunctive relief.
  - (c) The limitation under Subsection (5)(b) does not affect the filing or prosecution of criminal charges for the misuse of infrastructure financing district funds.

Enacted by Chapter 388, 2024 General Session

**17B-2a-1307 Reporting requirements.**

- (1) An infrastructure financing district shall submit an annual report, as provided in this section, to:
  - (a) the state auditor;
  - (b) the clerk or recorder of each municipality in which the infrastructure financing district is located; and

- (c) the clerk of the county in which the infrastructure financing district is located, if all or part of the infrastructure financing district is located in an unincorporated area of the county.
- (2) A report required under Subsection (1) shall:
  - (a) be filed no later than May 31 of each year; and
  - (b) report, for the preceding calendar year:
    - (i) if applicable, the amount of property tax revenue the infrastructure financing district received;
    - (ii) the amount of money the infrastructure financing district received from assessments levied in an assessment area designated under Title 11, Chapter 42, Assessment Area Act;
    - (iii) the outstanding principal of any assessment bonds issued or other debt incurred by the infrastructure financing district;
    - (iv) the amount spent for site improvement or site preparation costs, the installation of public infrastructure and improvements, and administrative costs;
    - (v) any boundary change of the infrastructure financing district; and
    - (vi) the number of residential housing units constructed within the infrastructure financing district.

## **Chapter 4 Public Infrastructure District Act**

### **Part 1 General Provisions**

#### **17D-4-101 Title.**

This chapter is known as the "Public Infrastructure District Act."

Renumbered and Amended by Chapter 314, 2021 General Session

#### **17D-4-102 Definitions.**

As used in this chapter:

- (1) "Board" means the board of trustees of a public infrastructure district.
- (2) "Capital city" means a city of the first class that is the capital of the state that has a convention center within the boundary of the city.
- (3) "Convention center" means a government facility:
  - (a) owned by the county in which the convention center is located;
  - (b) primarily used for hosting conventions, exhibitions, trade shows, or similar events; and
  - (c) is located within the boundaries of a city of the first class in a county of the first class.
- (4) "Convention center public infrastructure district" means a public infrastructure district created to finance public infrastructure and improvements associated with and benefiting a convention center area and surrounding area, including the costs to finance any public or privately owned improvements, including:
  - (a) convention center-related improvements;
  - (b) arena improvements; and
  - (c) a convention revitalization project, as that term is defined in Section 63N-3-602.
- (5) "Convention center public infrastructure district in a capital city" means a convention center public infrastructure district created to finance public infrastructure and improvements for a convention center in a capital city, including:
  - (a) the costs to finance any public improvements that serve the convention center;
  - (b) privately owned improvements if the improvements are an allowed use of funds under Section 63N-3-1403; and
  - (c) a convention center revitalization project, as that term is defined in Section 63N-3-602.
- (6) "Creating entity" means the county, municipality, basic special district, or development authority that approves the creation of a public infrastructure district.
- (7) "Development authority" means:
  - (a) the Utah Inland Port Authority created in Section 11-58-201;
  - (b) the Point of the Mountain State Land Authority created in Section 11-59-201;
  - (c) the Utah Fairpark Area Investment and Restoration District created in Section 11-70-201; or
  - (d) the military installation development authority created in Section 63H-1-201.
- (8) "District applicant" means the person proposing the creation of a public infrastructure district.
- (9) "Division" means a division of a public infrastructure district:
  - (a) that is relatively equal in number of eligible voters or potential eligible voters to all other divisions within the public infrastructure district, taking into account existing or potential

developments which, when completed, would increase or decrease the population within the public infrastructure district; and

(b) which a member of the board represents.

(10) "Governing document" means the document governing a public infrastructure district to which the creating entity agrees before the creation of the public infrastructure district, as amended from time to time, and subject to the limitations of Title 17B, Chapter 1, Provisions Applicable to All Special Districts, and this chapter.

(11)

(a) "Limited tax bond" means a bond:

(i) that is directly payable from and secured by ad valorem property taxes that are levied:

(A) by a public infrastructure district that issues the bond; and

(B) on taxable property within the district;

(ii) that is a general obligation of the public infrastructure district; and

(iii) for which the ad valorem property tax levy for repayment of the bond does not exceed the property tax levy rate limit established under Section 17D-4-303 for any fiscal year, except as provided in Subsection 17D-4-301(13).

(b) "Limited tax bond" does not include:

(i) a short-term bond;

(ii) a tax and revenue anticipation bond; or

(iii) a special assessment bond.

(12)

(a) "Municipal advisor" means a person that:

(i) advises a political subdivision on matters related to the issuance of bonds by governmental entities, including the pricing, sales, and marketing of bonds and the procuring of bond ratings, credit enhancement, and insurance with respect to bonds;

(ii) is qualified to provide the advice described in Subsection (12)(a)(i);

(iii) is not an officer or employee of the political subdivision receiving advice;

(iv) has not been engaged to provide underwriting services in connection with a transaction in which the person will provide advice to the political subdivision; and

(v) has experience doing business related to the issuance of bonds in the state.

(b) "Municipal advisor" may include:

(i) an individual who meets the description in Subsection (12)(a); or

(ii) a firm of individuals who collectively meet the description in Subsection (12)(a).

(13)

(a) "Participation agreement" means an executed agreement between a local government entity and project participant, as those terms are defined in Section 63N-3-1401.

(b) "Participation agreement" includes an agreement under Title 63N, Chapter 3, Part 14, Capital City Revitalization Zone.

(14)

(a) "Public infrastructure and improvements" means:

(i) infrastructure, utilities, improvements, facilities, buildings, or remediation that:

(A) benefit the public and are owned by a public entity or a public or private utility;

(B) benefit the public and are publicly maintained or operated by a public entity; or

(C) are privately owned and are expressly permitted to be acquired or financed by the public infrastructure district's governing document or an agreement between the public infrastructure district and the public infrastructure district's creating entity;

(ii) publicly or privately owned roads, rights-of-way, trails, parking, or parking structures; and

(iii)

- (A) for a convention center public infrastructure district, infrastructure, utilities, improvements, facilities, buildings, or remediation that:
    - (I) benefit the public and are owned by a public entity or a utility;
    - (II) benefit the public and are publicly maintained or operated by a public entity;
    - (III) are privately owned and provide a substantial benefit, as determined by the board of a convention center public infrastructure district, to:
      - (Aa) the development and operation of a convention center public infrastructure district; or
      - (Bb) the residents or property owners within the boundaries of a convention center public infrastructure district or within the boundaries of a convention center reinvestment zone to which the convention center public infrastructure district is either within or adjacent;or
  - (B) if the infrastructure and improvements are outside of the boundaries of a convention center public infrastructure district, benefit a convention center public infrastructure district to which the convention center public infrastructure district project area is either within or adjacent.
- (b) "Public infrastructure and improvements" also means:
- (i) the same as that term is defined in Section 11-58-102, for a public infrastructure district created by the Utah Inland Port Authority created in Section 11-58-201;
  - (ii) the same as that term is defined in Section 11-70-101, for a public infrastructure district created by the Utah Fairpark Area Investment and Restoration District created in Section 11-70-201;
  - (iii) the same as that term is defined in Section 63H-1-102, for a public infrastructure district created by the military installation development authority created in Section 63H-1-201;
  - (iv) for any public infrastructure district created by a development authority, any infrastructure, utilities, improvements, facilities, buildings, or remediation that are privately owned and benefit the public; and
  - (v) for a public infrastructure district to which tax increment revenue is pledged or distributed, any publicly or privately owned infrastructure, utilities, improvements, facilities, buildings, or remediation that is a permitted use of the tax increment revenue.
- (15)
- (a) "Tax increment revenue" means the difference between the tax revenue generated from or within a specific area and the revenue that would be generated if a base taxable value were used.
  - (b) "Tax increment revenue" includes any concept substantially the same as the definition in Subsection (15)(a), regardless of the name of the concept.

Amended by Chapter 29, 2025 General Session

Amended by Chapter 347, 2025 General Session

#### **17D-4-103 Provisions applicable to public infrastructure districts.**

- (1) A public infrastructure district:
  - (a) is a body corporate and politic with perpetual succession;
  - (b) is a quasi-municipal corporation;
  - (c) is a political subdivision of the state;
  - (d) is separate and distinct from, and independent of, any other public entity or political subdivision of the state; and
  - (e) may sue and be sued.
- (2) Each public infrastructure district is governed by and has the powers stated in:

- (a) this chapter; and
  - (b) Title 17B, Chapter 1, Provisions Applicable to All Special Districts.
- (3) This chapter applies only to a public infrastructure district.
- (4) Except as modified or exempted by this chapter, a public infrastructure district is:
- (a) to the same extent as if the public infrastructure district were a special district, subject to the provisions in:
    - (i) Title 17B, Chapter 1, Provisions Applicable to All Special Districts; and
    - (ii) Title 20A, Election Code; and
  - (b) subject to the provisions in Title 11, Chapter 42a, Commercial Property Assessed Clean Energy Act.
- (5) If there is a conflict between a provision in Title 17B, Chapter 1, Provisions Applicable to All Special Districts, and a provision in this chapter, the provision in this chapter supersedes the conflicting provision in Title 17B, Chapter 1, Provisions Applicable to All Special Districts.
- (6) The annexation of an unincorporated area by a municipality or the adjustment of a boundary shared by more than one municipality does not affect the boundaries of a public infrastructure district.

Amended by Chapter 347, 2025 General Session

**17D-4-104 Conditions where property owner consent is not required.**

Any provision of this chapter requiring the consent or signatures of 100% of surface property owners within an applicable area, the consent of any public entity, utility provider, or owners' association that is a property owner within an applicable area is not required if the public entity, utility provider, or owners' association ownership interest within the applicable area is limited to:

- (1) an easement;
- (2) a right-of-way; or
- (3) a public improvement, utility improvement, or related improvement.

Enacted by Chapter 347, 2025 General Session

## **Part 2**

### **Creation, Governance, and Powers of a Public Infrastructure District**

**17D-4-201 Creation -- Annexation or withdrawal of property.**

- (1)
  - (a) Except as provided in Subsection (1)(b), Subsection (2), and in addition to the provisions regarding creation of a special district in Title 17B, Chapter 1, Provisions Applicable to All Special Districts, a public infrastructure district may not be created unless a petition is filed with the creating entity that contains the signatures of 100% of surface property owners within the applicable area consenting to the creation of the public infrastructure district.
- (b)
  - (i) As used in this Subsection (1)(b):
    - (A) "Military land" means the same as that term is defined in Section 63H-1-102.
    - (B) "Project area" means the same as that term is defined in Section 63H-1-102.
  - (ii) Notwithstanding Title 17B, Chapter 1, Part 2, Creation of a Special District, and any other provision of this chapter, a development authority may adopt a resolution creating a public

infrastructure district if all owners of surface property proposed to be included within the public infrastructure district consent in writing to the creation of the public infrastructure district.

- (iii) For purposes of Subsection (1)(b)(ii), if the surface property proposed to be included within the public infrastructure district includes military land that is within a project area, the owner of the military land within the project area is the lessee of the military land.
  - (iv) A public infrastructure district created under Subsection (1)(b)(ii) may be created as a subsidiary of the development authority that adopts the resolution creating the public infrastructure district.
- (2)
- (a) The following do not apply to the creation of a public infrastructure district:
    - (i) Section 17B-1-203;
    - (ii) Section 17B-1-204;
    - (iii) Subsection 17B-1-208(2);
    - (iv) Section 17B-1-212; or
    - (v) Section 17B-1-214.
  - (b) The protest period described in Section 17B-1-213 may be waived in whole or in part with the consent of 100% of the surface property owners within the applicable area approving the creation of the public infrastructure district.
  - (c) If the protest period is waived under Subsection (2)(b), a resolution approving the creation of the public infrastructure district may be adopted in accordance with Subsection 17B-1-213(5).
  - (d) A petition meeting the requirements of Subsection (1) may be certified under Section 17B-1-209.
  - (e) Notwithstanding Subsection 17B-1-215(1)(b), the district applicant shall file the items required by Subsection 17B-1-215(1)(a) with the lieutenant governor within 30 days of the day on which a resolution creating a public infrastructure district is adopted.
- (3) Notwithstanding Title 17B, Chapter 1, Part 4, Annexation, an area outside of the boundaries of a public infrastructure district may be annexed into the public infrastructure district if the following requirements are met:
- (a)
    - (i) adoption of resolutions of the board and the creating entity, each approving of the annexation; or
    - (ii) adoption of a resolution of the board to annex the area, provided that the governing document or creation resolution for the public infrastructure district authorizes the board to annex an area outside of the boundaries of the public infrastructure district without future consent of the creating entity; and
  - (b) a petition is filed with the public infrastructure district that contains the signatures of 100% of surface property owners within the area proposed to be annexed, demonstrating the surface property owners' consent to the annexation into the public infrastructure district.
- (4)
- (a) Notwithstanding Title 17B, Chapter 1, Part 5, Withdrawal, property may be withdrawn from a public infrastructure district if the following requirements are met:
    - (i)
      - (A) adoption of resolutions of the board and the creating entity, each approving of the withdrawal; or
      - (B) adoption of a resolution of the board to withdraw the property, provided that the governing document or creation resolution for the public infrastructure district authorizes the board

- to withdraw property from the public infrastructure district without further consent from the creating entity; and
- (ii) a petition is filed with the public infrastructure district that contains the signatures of 100% of surface property owners within the area proposed to be withdrawn, demonstrating that the surface property owners consent to the withdrawal from the public infrastructure district.
- (b) If any bonds that the public infrastructure district issues are allocable to the area to be withdrawn remain unpaid at the time of the proposed withdrawal, the property remains subject to any taxes, fees, or assessments that the public infrastructure district imposes until the bonds or any associated refunding bonds are paid.
- (c) Upon meeting the requirements of Subsection (3) or (4)(a), the board shall:
  - (i) within 30 days of the day on which a resolution is adopted or a petition is filed under Subsection (3) or (4)(a), file with the lieutenant governor:
    - (A) a copy of a notice of impending boundary action, as defined in Section 67-1a-6.5, that meets the requirements of Subsection 67-1a-6.5(3); and
    - (B) a copy of an approved final local entity plat, as defined in Section 67-1a-6.5; and
  - (ii) comply with the requirements of Section 17B-1-512, except:
    - (A) Subsections 17B-1-512(1)(b) and (c) do not apply; and
    - (B) the time periods described in this section govern.
- (5) A creating entity may impose limitations on the powers of a public infrastructure district through the governing document.
- (6)
  - (a) A public infrastructure district is separate and distinct from the creating entity.
  - (b)
    - (i) Except as provided in Subsection (6)(b)(ii), any financial burden of a public infrastructure district:
      - (A) is borne solely by the public infrastructure district; and
      - (B) is not borne by the creating entity, by the state, or by any municipality, county, or other political subdivision.
    - (ii) Notwithstanding Subsection (6)(b)(i) and Section 17B-1-216, the governing document may require:
      - (A) the district applicant to bear the initial costs of the public infrastructure district; and
      - (B) the public infrastructure district to reimburse the district applicant for the initial costs the creating entity bears.
    - (iii) Nothing in this Subsection (6) precludes a public infrastructure district from qualifying directly for an impact fee offset, credit, or refund under Title 11, Chapter 36a, Impact Fees Act, regarding any qualifying system improvements financed by the public infrastructure district.
  - (c) Any liability, judgment, or claim against a public infrastructure district:
    - (i) is the sole responsibility of the public infrastructure district; and
    - (ii) does not constitute a liability, judgment, or claim against the creating entity, the state, or any municipality, county, or other political subdivision.
  - (d)
    - (i)
      - (A) The public infrastructure district solely bears the responsibility of any collection, enforcement, or foreclosure proceeding with regard to any fee or assessment the public infrastructure district imposes.
      - (B) The creating entity does not bear the responsibility described in Subsection (6)(d)(i)(A).

- (ii) A public infrastructure district, and not the creating entity, shall undertake the enforcement responsibility described in, as applicable, Subsection (6)(d)(i) in accordance with Title 11, Chapter 42, Assessment Area Act.
- (7) A creating entity may establish criteria in determining whether to approve or disapprove of the creation of a public infrastructure district, including:
  - (a) historical performance of the district applicant;
  - (b) compliance with the creating entity's master plan;
  - (c) credit worthiness of the district applicant;
  - (d) plan of finance of the public infrastructure district; and
  - (e) proposed development within the public infrastructure district.
- (8)
  - (a) The creation of a public infrastructure district is subject to the sole discretion of the creating entity responsible for approving or rejecting the creation of the public infrastructure district.
  - (b) The proposed creating entity bears no liability for rejecting the proposed creation of a public infrastructure district.

Amended by Chapter 347, 2025 General Session

**17D-4-202 Public infrastructure district board -- Governing document.**

- (1)
  - (a) The legislative body or board of the creating entity shall appoint the initial members of the board of a public infrastructure district, in accordance with the governing document.
  - (b) A governing document approved by the legislative body or board of the creating entity may provide for the board of a public infrastructure district to, upon a vacancy on the board, appoint an individual to the board so long as the individual meets the requirements to serve on a public infrastructure district board described in this section.
  - (c) For public infrastructure districts not described in Subsection (1)(b), and except as provided in Subsection (1)(d):
    - (i) if there is a vacancy on the board of a public infrastructure district, or a board member provides notice to the legislative body or board of the creating entity of the board member's intention to resign from the board, the legislative body or board of the creating entity shall appoint a replacement board member within 45 days from the day on which the vacancy first occurs or the board member provides notice of the board member's intent to resign; and
    - (ii) if a legislative body or board of the creating entity fails to fill a vacancy on the board within the time period described in Subsection (1)(c)(i), the board of the public infrastructure district may appoint an individual who is eligible to serve on the board according to the requirements of this section to fill the board vacancy.
  - (d) If a public infrastructure district board position has transitioned from appointment to election, as described in Subsection (4), and an elected board position becomes vacant, the provisions of Section 20A-1-512 apply to fill the vacancy.
- (2)
  - (a) Unless otherwise limited in the governing document and except as provided in Subsection (2)(b), the initial term of each member of the board is four years.
  - (b) Notwithstanding Subsection (2)(a), approximately half of the members of the initial board shall serve a six-year term so that, after the expiration of the initial term, the term of approximately half the board members expires every two years.
  - (c) A board may elect that a majority of the board serve an initial term of six years.
  - (d) After the initial term, the term of each member of the board is four years.

- (e) A member of the board who is appointed shall continue to serve on the board of the public infrastructure district until a replacement board member is appointed.
- (3)
- (a) Notwithstanding Subsection 17B-1-302(1)(b), a board member is not required to be a resident within the boundaries of the public infrastructure district if:
    - (i) all of the surface property owners consent to the waiver of the residency requirement;
    - (ii) there are no residents within the boundaries of the public infrastructure district;
    - (iii) no qualified candidate timely files to be considered for appointment to the board; or
    - (iv) no qualified individual files a declaration of candidacy for a board position in accordance with Subsection 17B-1-306(5).
  - (b) Except under the circumstances described in Subsection (3)(a)(iii) or (iv), the residency requirement in Subsection 17B-1-302(1)(b) is applicable to any board member elected for a division or board position that has transitioned from an appointed to an elected board member in accordance with this section.
  - (c) An individual who is not a resident within the boundaries of the public infrastructure district may not serve as a board member unless the individual is:
    - (i) an owner of land or an agent or officer of the owner of land within the boundaries of the public infrastructure district; and
    - (ii) a registered voter at the individual's primary residence.
  - (d) If the creating entity determines that a public infrastructure district is not anticipated to have permanent residents within the public infrastructure district's boundaries, or is anticipated to be primarily composed of non-residential property or non-primary residential property, a governing document may allow the creating entity to continue to appoint a property owner, or the agent of a property owner, to the public infrastructure district board.
  - (e) A governing document may allow for a property owner to recommend a property owner or a property owner's agent for appointment to the public infrastructure district board in numbers proportional to the property owner's ownership of land, or value of land, within a public infrastructure district.
- (4)
- (a) A governing document may provide for a transition from legislative body appointment under Subsection (1) to a method of election by registered voters based upon milestones or events that the governing document identifies, including a milestone for each division or individual board position providing that when the milestone is reached:
    - (i) for a division, the registered voters of the division elect a member of the board in place of an appointed member at the next municipal general election for the board position; or
    - (ii) for an at large board position established in the governing document, the registered voters of the public infrastructure district elect a member of the board in place of an appointed member at the next municipal general election for the board position.
  - (b) Regardless of whether a board member is elected under Subsection (4)(a), the position of each remaining board member shall continue to be appointed under Subsection (1) until the member's respective division or board position surpasses the density milestone described in the governing document.
- (5)
- (a) Subject to Subsection (5)(c), the board may, in the board's discretion but no more frequently than every four years, reestablish the boundaries of each division so that each division that has reached a milestone specified in the governing document, as described in Subsection (4)(a), has, as nearly as possible, the same number of eligible voters.

- (b) In reestablishing division boundaries under Subsection (5)(a), the board shall consider existing or potential developments within the divisions that, when completed, would increase or decrease the number of eligible voters within the division.
- (c) The governing document may prohibit the board from reestablishing, without the consent of the creating entity, the division boundaries as described in Subsection (5)(a).
- (6) A public infrastructure district may not compensate a board member for the member's service on the board under Section 17B-1-307 unless the board member is a resident within the boundaries of the public infrastructure district.
- (7) A governing document shall:
  - (a) include a boundary description and a map of the public infrastructure district;
  - (b) state the number of board members;
  - (c) describe any divisions of the public infrastructure district;
  - (d) establish any applicable property tax levy rate limit for the public infrastructure district;
  - (e) establish any applicable limitation on the principal amount of indebtedness for the public infrastructure district; and
  - (f) include other information that the public infrastructure district or the creating entity determines to be necessary or advisable.
- (8)
  - (a) Except as provided in Subsection (8)(b), the board and the governing body of the creating entity may amend a governing document by each adopting a resolution that approves the amended governing document.
  - (b) Notwithstanding Subsection (8)(a), any amendment to increase a property tax levy rate limitation requires the consent of 100% of surface property owners within the boundaries of the public infrastructure district.
- (9) A board member is not in violation of Section 67-16-9 if the board member:
  - (a) discloses a business relationship in accordance with Sections 67-16-7 and 67-16-8 and files the disclosure with the creating entity:
    - (i) before any appointment or election; and
    - (ii) upon any significant change in the business relationship; and
  - (b) conducts the affairs of the public infrastructure district in accordance with this title and any parameters described in the governing document.
- (10) Notwithstanding any other provision of this section, the governing document governs the number, appointment, and terms of board members of a public infrastructure district created by the development authority.

**17D-4-202.1 Convention center public infrastructure -- District board -- Petition and process requirements -- Governing document.**

- (1) As used in this section:
  - (a) "City" means a municipality of the first class located in a county of the first class in which a convention center is located.
  - (b) "County" means a county in which a convention center is located.
  - (c) "Lessee" means a lessee of property within the proposed convention center public infrastructure district that leases the property from the city or county for a term of at least 10 years.
  - (d)
    - (i) "Petitioner" means:

- (A) a surface property owner, a property owner, or lessee of property within a proposed convention center public infrastructure district's boundaries that initiates the formation of a convention center public infrastructure district; or
  - (B) a surface property owner under this chapter, and Title 17B, Chapter 1, Provisions Applicable to All Special Districts, in relation to a convention center public infrastructure district.
- (ii) "Petitioner" does not include a city, county, or other public entity.
- (2) A convention center public infrastructure district shall be created in a city upon the submission of a petition in accordance with this part and shall have all the powers of a public infrastructure district under this chapter.
- (3) A convention center public infrastructure district may only be created within a city in which a convention center is located.
- (4) The petition described in Subsection (2) shall:
- (a) include the governing document; and
  - (b) for a petition to a city which has previously authorized revitalization taxes described in Section 63N-3-1403, include as part of the governing document approval and authorization of an interlocal agreement pledging and securing the revitalization taxes for debt of the proposed convention center public infrastructure district.
- (5)
- (a) The process for creating a convention center public infrastructure district or a convention center public infrastructure district in a capital city shall be initiated by the submission of a petition and a governing document to the city, except that:
    - (i) the city recorder shall certify the petition within 14 days from the day the petitioner submits the petition to the city recorder;
    - (ii) if the city recorder fails to certify the petition within the time described in Subsection (5)(a)(i), the petition shall be considered certified; and
    - (iii) within 30 days from the day that the petitioner submits the petition to the city recorder, or if the city and the petitioner have come to an agreement as described in Subsection (5)(b), the city shall adopt a resolution to approve:
      - (A) the governing document the petitioner submitted with the petition; and
      - (B) the creation of a convention center public infrastructure district or a convention center public infrastructure district in a capital city.
  - (b) Notwithstanding Subsection (5)(a), the city and petitioner may negotiate the finalized terms of the petition, including the terms of an interlocal agreement, within a time period agreed upon by the city and petitioner.
- (6)
- (a) The boundaries of a convention center public infrastructure district shall be limited to an area within a one-half-mile radius of a convention center.
  - (b) If a parcel is intersected by the radius described in Subsection (6)(a), the entire parcel may be included in the district.
- (7) A convention center public infrastructure district shall be subject to the following provisions regarding taxation and financing:
- (a) a convention center public infrastructure district may levy an administrative tax of up to 0.0005 per dollar of taxable value on taxable property within the district; and
  - (b) the administrative tax shall be used exclusively for administrative expenses and may not be used for capital costs or debt payment.
- (8) A convention center public infrastructure district shall be governed by the governing document submitted and approved as described in this section.

- (9) The convention center public infrastructure board shall consist of five members as follows:
  - (a) three members shall be representatives of the petitioner and selected by the petitioner;
  - (b) one member may be a representative of the city and selected by the mayor of the city; and
  - (c) one member may be a representative of the county and selected by the mayor of the county.
- (10) If a city or county mayor chooses not to select a member of the board as described in Subsection (9)(b) or (c), elects in writing to permanently abdicate the board seat, or chooses to vacate a member at any time, the petitioner shall select a member for the replacement who shall not be a representative of the city or county in which the convention center is located.
- (11)
  - (a) A convention center public infrastructure district shall enter into an interlocal agreement with the relevant county that provides that, for any revenue that is transferred to the convention center public infrastructure district from a convention center reinvestment zone created pursuant to Title 63N, Chapter 3, Part 6, Housing and Transit Reinvestment Zone Act, the mayor of the county shall have approval authority for the expenditure of any revenue related to a convention center revitalization project, as that term is defined in Section 63N-3-602.
  - (b) The approval authority described in Subsection (11)(a) does not include approval authority over:
    - (i) any bonds or debt or related terms issued by the convention center public infrastructure district; or
    - (ii) revenue subject to a participation agreement entered into pursuant to Title 63N, Chapter 3, Part 14, Capital City Revitalization Zone.

Enacted by Chapter 29, 2025 General Session

**17D-4-203 Public infrastructure district powers.**

- (1) A public infrastructure district has all of the authority conferred upon a special district under Section 17B-1-103.
- (2) A public infrastructure district may:
  - (a) issue negotiable bonds to pay:
    - (i) all or part of the costs of acquiring, acquiring an interest in, improving, or extending any of the improvements, facilities, or property allowed under Section 11-14-103;
    - (ii) capital costs of improvements in an energy assessment area, as defined in Section 11-42a-102, and other related costs, against the funds that the public infrastructure district will receive because of an assessment in an energy assessment area;
    - (iii) public improvements related to the provision of housing;
    - (iv) capital costs related to public transportation;
    - (v) for a public infrastructure district that is within or adjacent to a housing and transit reinvestment zone described in Title 63N, Chapter 3, Part 6, Housing and Transit Reinvestment Zone Act, any and all costs to finance any public or privately owned improvements, which, in the discretion of the board of the public infrastructure district, promote the objectives described in Section 63N-3-603.1;
    - (vi) the cost of acquiring or financing public infrastructure and improvements;
    - (vii) for a public infrastructure district that is a subsidiary of or created by the Utah Inland Port Authority, the costs associated with a remediation project, as defined in Section 11-58-102;
    - (viii) for a convention center public infrastructure district that is within or adjacent to a convention center reinvestment zone as defined in Section 63N-3-602, any or all of the costs to finance any public or privately owned improvements, including convention center-related improvements and arena improvements, which, in the discretion of the board of a

convention center public infrastructure district, promote the objectives of the convention center reinvestment zone, as described in Section 63N-3-603.1;

- (ix) for a convention center public infrastructure district, the costs of financing a convention revitalization project, as the term is defined in Section 63N-3-602;
  - (x) for a convention center public infrastructure district in a capital city that is within or adjacent to a convention center reinvestment zone in a capital city, as defined in Section 63N-3-602, any or all of the costs to financing any publicly owned improvements, including the cost of financing a convention center revitalization project in a capital city, as defined in Section 63N-3-602, convention center-related improvements, and publicly or privately owned improvements that directly serve the convention center, which, in the discretion of the board of the convention center public infrastructure district in a capital city, promote the objectives of the convention center reinvestment zone in a capital city, as described in Section 63N-3-603.1; and
  - (xi) for a convention center public infrastructure district in a capital city that is within a capital city revitalization zone project area, as defined in Section 63N-3-1401, any allowed uses of funds or revenue provided for under Section 59-12-402.5, including eligible expenses consistent with the terms of the participation agreement, except that a convention center public infrastructure district in a capital city may not issue negotiable bonds serviced by the revitalization tax under Section 59-12-402.5 for privately owned improvements for more than the maximum dollar amount described in the participation agreement.
- (b) enter into an interlocal agreement in accordance with Title 11, Chapter 13, Interlocal Cooperation Act, provided that the interlocal agreement may not expand the powers of the public infrastructure district, within the limitations of Title 11, Chapter 13, Interlocal Cooperation Act, without the consent of the creating entity;
  - (c) notwithstanding any other provision in code, acquire completed or partially completed improvements, including related design and consulting services and related work product, for fair market value as reasonably determined by:
    - (i) the board;
    - (ii) the creating entity, if required in the governing document; or
    - (iii) a surveyor or engineer that a public infrastructure district employs or engages to perform the necessary engineering services for and to supervise the construction or installation of the improvements;
  - (d) contract with the creating entity for the creating entity to provide administrative services on behalf of the public infrastructure district, when agreed to by both parties, in order to achieve cost savings and economic efficiencies, at the discretion of the creating entity;
  - (e) for a public infrastructure district created by a development authority, or for a public infrastructure district created by a municipality and located in an urban renewal project area that includes some or all of an inactive industrial site:
    - (i)
      - (A) operate and maintain public infrastructure and improvements the district acquires or finances; and
      - (B) use fees, assessments, or taxes to pay for the operation and maintenance of those public infrastructure and improvements; and
    - (ii) issue bonds under Title 11, Chapter 42, Assessment Area Act; and
  - (f) for a public infrastructure district that is a subsidiary of or created by the Utah Inland Port Authority, pay for costs associated with a remediation project, as defined in Section 11-58-102, of the Utah Inland Port Authority.

- (3) A public infrastructure district created by the Utah Fairpark Area Investment and Restoration District, created in Section 11-70-201, may:
- (a) pay for the cost of the development and construction of a qualified stadium, as defined in Section 11-70-101; and
  - (b) pay for the cost of public infrastructure and improvements.

Amended by Chapter 498, 2025 General Session

**17D-4-204 Relation to other local entities.**

- (1) Notwithstanding the creation of a public infrastructure district, the creating entity and any other public entity, as applicable, retains all of the entity's authority over all zoning, planning, design specifications and approvals, and permitting within the public infrastructure district.
- (2) The inclusion of property within the boundaries of a public infrastructure district does not preclude the inclusion of the property within any other special district.
- (3)
  - (a) All infrastructure that is connected to another public entity's system:
    - (i) belongs to that public entity, regardless of inclusion within the boundaries of a public infrastructure district, unless the public infrastructure district and the public entity otherwise agree; and
    - (ii) shall comply with the design, inspection requirements, and other standards of the public entity.
  - (b) A public infrastructure district shall convey or transfer the infrastructure described in Subsection (3)(a) free of liens or financial encumbrances to the public entity at no cost to the public entity.
- (4)
  - (a) No public entity or private person shall receive funds from any portion of a public infrastructure district's property tax revenue without a resolution of the public infrastructure district's board authorizing the public entity or private person to receive the funds.
  - (b) Subsection (4)(a) does not apply to the county's expenses related to collecting property tax in accordance with Title 59, Chapter 2, Part 12, Property Tax Act.
  - (c) Subsection (4)(a) applies notwithstanding any provision in:
    - (i) Title 17C, Limited Purpose Local Government Entities - Community Reinvestment Agency Act;
    - (ii) Title 63N, Chapter 3, Part 6, Housing and Transit Reinvestment Zone Act;
    - (iii) a statute governing a development authority created under Utah Constitution, Article XI; or
    - (iv) a provision of code related to the collection, distribution, or sharing of tax increment revenue, incremental property tax increases, or actions related to the collection, distribution, or sharing of tax increment revenue or incremental property tax increases.

**Part 3**  
**Bond Issuance, Fee Collection, and Property Tax**  
**Levy Authority for a Public Infrastructure District**

**17D-4-301 Public infrastructure district bonds.**

- (1)
- (a) Subject to Subsection (1)(b), a public infrastructure district may issue negotiable bonds or other debt instruments for the purposes described in Section 17D-4-203, as provided in, as applicable:
    - (i) Title 11, Chapter 14, Local Government Bonding Act;
    - (ii) Title 11, Chapter 27, Utah Refunding Bond Act;
    - (iii) Title 11, Chapter 42, Assessment Area Act;
    - (iv) Title 11, Chapter 42a, Commercial Property Assessed Clean Energy Act; and
    - (v) this section.
  - (b) A public infrastructure district created by a bonding political subdivision, as defined in Section 63C-25-101, may not issue bonds under this part unless the board first:
    - (i) adopts a parameters resolution for the bonds that sets forth:
      - (A) the maximum:
        - (I) amount of bonds;
        - (II) term; and
        - (III) interest rate; and
      - (B) the expected security for the bonds; and
    - (ii) submits the parameters resolution for review and recommendation to the State Finance Review Commission created in Section 63C-25-201.
- (2) A public infrastructure district bond shall mature within 40 years of the date of issuance.
- (3)
- (a) A public infrastructure district may issue a limited tax bond, in the same manner as a general obligation bond:
    - (i)
      - (A) with the consent of 100% of surface property owners within the boundaries of the public infrastructure district; and
      - (B) with the consent of a majority of the registered voters, if any, within the boundaries of the proposed public infrastructure district as of the day on which the board finds that the consent of a majority of registered voters has been obtained; or
    - (ii) upon approval of a majority of the registered voters within the boundaries of the public infrastructure district voting in an election held for that purpose under Title 11, Chapter 14, Local Government Bonding Act.
  - (b) A limited tax bond described in Subsection (3)(a):
    - (i) is not subject to the limitation on a general obligation bond described in Subsection 17B-1-1102(4); and
    - (ii) is subject to a limitation, if any, on the principal amount of indebtedness as described in the governing document.
  - (c) Unless limited tax bonds are initially purchased exclusively by one or more qualified institutional buyers as defined in Rule 144A, 17 C.F.R. Sec. 230.144A, or an investment grade rating is obtained for the limited tax bonds by one or more nationally recognized rating agencies, the public infrastructure district may only issue limited tax bonds in denominations

of not less than \$500,000, and in integral multiples above \$500,000 of not less than \$1,000 each.

(d)

- (i) Without any further election or consent of property owners or registered voters, a public infrastructure district may convert a limited tax bond described in Subsection (3)(a) to a general obligation bond if the principal amount of the related limited tax bond together with the principal amount of other related outstanding general obligation bonds of the public infrastructure district does not exceed 15% of the fair market value of taxable property in the public infrastructure district securing the general obligation bonds, determined by:
  - (A) an appraisal from an appraiser who is a member of the Appraisal Institute that is addressed to the public infrastructure district or a financial institution; or
  - (B) the most recent market value of the property from the assessor of the county in which the property is located.
- (ii) The consent to the issuance of a limited tax bond described in Subsection (3)(a) is sufficient to meet any statutory or constitutional election requirement necessary for the issuance of the limited tax bond and any general obligation bond to be issued in place of the limited tax bond upon meeting the requirements of this Subsection (3)(d).
- (e) A public infrastructure district that levies a property tax for payment of debt service on a limited tax bond issued under this section is not required to comply with the notice and hearing requirements of Section 59-2-919 unless the rate exceeds the rate established in:
  - (i) Section 17D-4-303, except as provided in Subsection (13);
  - (ii) the governing document; or
  - (iii) the documents relating to the issuance of the limited tax bond.

(4)

- (a) For a public infrastructure district seeking the consent described in Subsection (3)(a)(i)(B), a public infrastructure district may:
  - (i) post a class A notice under Section 63G-30-102 for at least 30 days; and
  - (ii) mail a request for consent to each registered voter within the boundaries of the public infrastructure district according to voter registration records.
- (b) The request for consent described in Subsection (4)(a)(ii) shall include:
  - (i) the purpose for the issuance of the bonds;
  - (ii) the maximum principal amount of the bonds to be issued;
  - (iii) the maximum tax rate proposed to be pledged for the repayment of the bonds;
  - (iv) the words "For the issuance of bonds" and "Against the issuance of bonds," with appropriate boxes in which the voter may indicate the voter's choice; and
  - (v) a return address and phone number where additional information may be obtained from the public infrastructure district.
- (c) Any registered voter who does not return the request for consent within 30 days of the day they are mailed to the voter is considered:
  - (i) non-participatory in the request for consent; and
  - (ii) shall not be included in a calculation to determine the percentage of registered voters who consent to the issuance of bonds.
- (d) If a majority of the registered voters who return the request for consent under this Subsection (4) indicate "For the issuance of bonds," or if no registered voters return the request for consent within the time frame described in Subsection (4)(c), the requirement described in Subsection (3)(a)(i)(B) is met.
- (e) Nothing in this Subsection (4):

- (i) prevents a public infrastructure district from obtaining the consent of registered voters for the issuance of a bond through another method; or
  - (ii) shall be interpreted to affect or otherwise interfere with any consents of registered voters obtained before the effective date of this bill.
- (5) Nothing in this section shall be interpreted to:
  - (a) prevent a public infrastructure district from withdrawing property from the public infrastructure district's boundaries where the property owners or registered voters associated with that property do not consent to the issuance of bonds or vote against the issuance of bonds; or
  - (b) require a public infrastructure district to withdraw property from the public infrastructure district's boundaries where the property owners or registered voters associated with that property do not consent to the issuance of bonds or vote against the issuance of bonds.
- (6)
  - (a) Beginning on the effective date of this bill, once consent or approval is obtained under Subsection (3)(a), the consent or approval is valid for a period of 10 years from the day on which the board:
    - (i) adopts a resolution or ordinance finding that the consent or approval is obtained; and
    - (ii) publishes a notice of the resolution or ordinance described in Subsection (6)(a)(i) as a class A notice under Section 63G-30-102 for at least 30 days.
  - (b) The tolling provisions of Section 11-14-301 apply during the 10-year period described in Subsection (6)(a).
  - (c) After a public infrastructure district obtains consent or approval under Subsection (3)(a), the public infrastructure district does not require any additional consent to or approval of the issuance of bonds, and the subsequent annexation of property to, or withdrawal of property from, the public infrastructure district does not impact:
    - (i) the validity of already obtained consent or approval;
    - (ii) the 10-year period described in Subsection (6)(a); or
    - (iii) any bond issued, or to be issued, pursuant to the consent or approval that was obtained under Subsection (3)(a).
  - (d) Subsection (6)(a) does not invalidate or alter any consent or approval, or finding of consent or approval, that occurred before the effective date of this bill.
- (7)
  - (a) Except as provided in Subsection (7)(b), there is no limitation on the duration of revenues that a public infrastructure district may receive to cover any shortfall in the payment of principal of and interest on a bond that the public infrastructure district issues.
  - (b) A public infrastructure governing document or bond documents may limit the duration of time described in Subsection (7)(a).
- (8) Section 11-42-106 governs any action to challenge an assessment imposed by a public infrastructure district or any proceeding to designate an assessment area conducted by a public infrastructure district.
- (9) A public infrastructure district is not a municipal corporation for purposes of the debt limitation of Utah Constitution, Article XIV, Section 4.
- (10) Notwithstanding any other provision, the board may directly or by resolution delegate to one or more officers of the public infrastructure district the authority to:
  - (a) in accordance and within the parameters set forth in a resolution adopted in accordance with Section 11-14-302, approve the final interest rate, price, principal amount, maturity, redemption features, and other terms of the bond;
  - (b) approve and execute any document or contract relating to the issuance of a bond; and

- (c) approve any contract related to the acquisition and construction of the improvements, facilities, or property to be financed with a bond.

(11)

- (a) Subject to Subsection (11)(b), before a public infrastructure district may issue a limited tax bond or assessment bond, the public infrastructure district shall engage a municipal advisor who, in connection with the issuance of bonds, shall deliver a certificate stating that:
  - (i) the municipal advisor qualifies to serve as a municipal advisor, as defined in Section 17D-4-102, including the basis for the municipal advisor's qualifications;
  - (ii) the structure of the limited tax bond or assessment bond the public infrastructure district is about to issue is a reasonable structure, as of the date of the issuance of the limited tax bond or assessment bond, as applicable; and
  - (iii) the interest rate of the limited tax bond or assessment bond the public infrastructure district is about to offer is a reasonable market rate, as of the date of the issuance of the limited tax bond or assessment bond, as applicable.
- (b) The provisions of this Subsection (11) do not apply to a public infrastructure district created by a development authority.

(12)

- (a) Any person may contest the legality of the issuance of a public infrastructure district bond or any provisions for the security and payment of the bond for a period of 30 days after:
  - (i) posting the resolution authorizing the bond as a class A notice under Section 63G-30-102; or
  - (ii) posting a notice of bond containing substantially the items required under Subsection 11-14-316(2) as a class A notice under Section 63G-30-102.
- (b) After the 30-day period described in Subsection (12)(a), no person may bring a lawsuit or other proceeding contesting the regularity, formality, or legality of the bond for any reason.

(13)

- (a) In the event of any statutory change in the methodology of assessment or collection of property taxes in a manner that reduces the amounts which are devoted or pledged to the repayment of limited tax bonds, a public infrastructure district may charge a rate sufficient to receive the amount of property taxes or assessment the public infrastructure district would have received before the statutory change in order to pay the debt service on outstanding limited tax bonds.
- (b) The rate increase described in Subsection (13)(a) may exceed the limit described in Section 17D-4-303.
- (c) The public infrastructure district may charge the rate increase described in Subsection (13)(a) until the bonds, including any associated refunding bonds, or other securities, together with applicable interest, are fully met and discharged.

- (14) No later than 60 days after the closing of any bonds by a public infrastructure district created by a bonding political subdivision, as defined in Section 63C-25-101, the public infrastructure district shall report the bond issuance, including the amount of the bonds, terms, interest rate, and security, to:

- (a) the Executive Appropriations Committee; and
- (b) the State Finance Review Commission created in Section 63C-25-201.

Amended by Chapter 347, 2025 General Session

#### **17D-4-302 Fees.**

- (1) In addition to any fees authorized by Title 17B, Chapter 1, Provisions Applicable to All Special Districts, a public infrastructure district may charge a fee for an administrative service

that the public infrastructure district provides, to pay some or all of the public infrastructure district's:

- (a) costs of acquiring, improving, or extending improvements, facilities, or property; or
  - (b) costs associated with the enforcement of a legal remedy.
- (2) The board of a public infrastructure district shall establish fees by a fee schedule in ordinance or resolution.

Amended by Chapter 347, 2025 General Session

**17D-4-303 Limits on public infrastructure district property tax levy -- Notice requirements.**

- (1) The property tax levy of a public infrastructure district, for all purposes, including payment of debt service on limited tax bonds, may not exceed .015 per dollar of taxable value of taxable property in the district.
- (2) The limitation described in Subsection (1) does not apply to the levy by the public infrastructure district to pay principal of and interest on a general obligation bond that the public infrastructure district issues.
- (3)
- (a) Within 30 days after the day on which the lieutenant governor issues a certificate of incorporation for the public infrastructure district under Section 67-1a-6.5, the board shall record a notice with the recorder of the county in which property within the public infrastructure district is located.
  - (b) The notice described in Subsection (3)(a) shall:
    - (i) contain a description of the boundaries of the public infrastructure district;
    - (ii) state that a copy of the governing document is on file at the office of the creating entity;
    - (iii) state that the public infrastructure district may finance and repay infrastructure and other improvements through the levy of a property tax; and
    - (iv) state the maximum rate that the public infrastructure district may levy.
  - (c) The effective date of the public infrastructure district for purposes of assessing property tax is the day on which the notice is recorded in the office of the recorder of each county in which the public infrastructure district is located, as described in Section 59-2-305.5.
- (4) If the board fails to record a notice as described in Subsection (3):
- (a) the public infrastructure district is still created as of the day the lieutenant governor issues a certificate of incorporation for the public infrastructure district;
  - (b) any bonds issued by the public infrastructure district are still valid; and
  - (c) the public infrastructure district may not levy a tax or levy or collect a fee until the board records the notice described in Subsection (3).

Amended by Chapter 347, 2025 General Session

**17D-4-304 Property tax penalty for nonpayment.**

In the event of nonpayment of any tax, fee, or charge that a public infrastructure district imposes, the public infrastructure district may impose a property tax penalty at an annual rate of .07, in addition to any other lawful penalty for nonpayment of property tax.

Renumbered and Amended by Chapter 314, 2021 General Session

**17D-4-305 Action to contest tax, fee, or proceeding -- Requirements -- Exclusive remedy -- Bonds, taxes, and fees incontestable.**

- (1) A person who contests a tax or fee imposed by a public infrastructure district or any proceeding to create a public infrastructure district, levy a tax, or impose a fee may bring a civil action against the public infrastructure district or the creating entity to:
  - (a) set aside the proceeding; or
  - (b) enjoin the levy, imposition, or collection of a tax or fee.
- (2) The person bringing an action described in Subsection (1):
  - (a) notwithstanding Title 78B, Chapter 3a, Venue for Civil Actions, shall bring the action in the county in which the public infrastructure district is located if the person brings the action in the district court; and
  - (b) may not bring the action against or serve a summons relating to the action on the public infrastructure district more than 30 days after the day on which:
    - (i) the creation of the public infrastructure district is effective, if the challenge is to the creation of the public infrastructure district;
    - (ii) the board of the public infrastructure district adopts a resolution or ordinance establishing a tax or fee, if the challenge is to a tax or fee; or
    - (iii) the board of the public infrastructure district adopts a resolution or ordinance annexing property to, or withdrawing property from, the public infrastructure district, if the challenge is to an annexation or withdrawal.
- (3) An action under Subsection (1) is the exclusive remedy of a person who:
  - (a) claims an error or irregularity in a tax or fee or in any proceeding to create a public infrastructure district, levy a tax, or impose a fee; or
  - (b) challenges a bondholder's right to repayment.
- (4) After the expiration of the 30-day period described in Subsection (2)(b):
  - (a) a bond issued or to be issued with respect to a public infrastructure district and any tax levied or fee imposed becomes incontestable against any person who has not brought an action and served a summons in accordance with this section;
  - (b) a person may not bring a suit to:
    - (i) enjoin the issuance or payment of a bond or the levy, imposition, collection, or enforcement of a tax or fee; or
    - (ii) attack or question in any way the legality of a bond, tax, or fee; and
  - (c) a court may not inquire into the matters described in Subsection (4)(b).
- (5)
  - (a) This section does not insulate a public infrastructure district from a claim of misuse of funds after the expiration of the 30-day period described in Subsection (2)(b).
  - (b)
    - (i) Except as provided in Subsection (5)(b)(ii), an action in the nature of mandamus is the sole form of relief available to a party challenging the misuse of funds.
    - (ii) The limitation in Subsection (5)(b)(i) does not prohibit the filing of criminal charges against or the prosecution of a party for the misuse of funds.
- (6) If there is a conflict between a provision in Section 17D-4-301 and a provision in this section, the provision in Section 17D-4-301 supersedes the conflicting provision in this section.

# Public Infrastructure Districts

# Introduction to Senate Bill 228

Codified as Title 17D, Chapter 4

This bill grants cities and counties (Creating Entity) the power to create Public Infrastructure Districts (PIDs) to finance public infrastructure for new development and redevelopment

PIDs can issue debt repayable from property taxes or assessments on the property owners within its boundaries

PIDs can be an effective tool to the interests of both municipalities and property owners when potentially competing interests are balanced

# Economic Development Tools

- Historically, there have been two key economic development financing tools used by cities and counties:
  - ✓ Tax Increment Financing (TIF)
  - ✓ Assessment Areas & Bonds
- Public Infrastructure Districts are intended to compliment these tools as well as address some of their shortcomings

# PID Features

- Governed under the Local district Act, Title 17B
- Independent political subdivision
  - PID debt is not a liability or a balance sheet item of the Creating Entity
  - Defaults by PID taxpayers not enforced by municipality
- Governed by own board
- Creates new tax revenue stream rather than reallocation of existing taxes

# PID Creation and Powers

## PID Creation

- At the discretion of the Creating Entity
- Requires consent of 100% of property owners and voters within the PID boundaries
- Costs of Creating Entity counsel in evaluating PID to be paid by the property owner

## PID Powers

- Broad powers to finance public infrastructure of many types, generally including any improvement that will be owned by a state or local government, including the PID
- Powers may be limited by the Creating Entity in the governing document entered into at creation

# PID Governance

- PIDs are governed by a board with members initially appointed by the Creating Entity
- Initial board comprised of property owners or their designated representatives
- Board will transition to an elected board as electors reside in the PID, as provided in the Governing Document
- Board authority constrained by the limitations established in the Governing Document

## Potential Uses of PIDs

- Incentivize commercial development
- Facilitate master planned communities
- Incentivize multi-family and/or low-income housing
- Enhanced infrastructure, such as increased capacity
- Backbone and regional infrastructure

# Medical School Campus PID – Provo, Utah

- Provo City and Noorda College had been working together for years to bring new medical school to the City
- Noorda purchased a portion of the East Bay Golf Course from the City to construct the campus, but infrastructure costs were very high (\$37,500,000) because it was the site of a former landfill
- Provo City and Noorda worked together to form the Medical School Campus PID
- The PID was able to issue \$42,754,000 in 30-year tax-exempt limited tax bonds

- PIDs may issue:
  - ✓ Special Assessment Bonds
  - ✓ General Obligation Bonds
  - ✓ Limited Tax Bonds
- In addition, TIF revenues may be pledged to repay PID Bonds

Bonds, PID Bonds

# Limited Tax Bonds

---

- ✓ Fixed rate bonds, generally for 30-year term
- ✓ Not subject to a fair market value ratio prior to issuance
- ✓ Repaid from a limited ad valorem property tax
  - ✓ Tax payment pegged to taxable value of property
  - ✓ Statutorily, this rate may not to exceed 15 mills
  - ✓ A lower limit may be established by the Creating Entity in the Governing Document or in the bond documents
  - ✓ New revenue source, no need to negotiate with school district, RDA, etc.

# Limited Tax Bonds, *continued*

- In the event the proceeds of the limited tax are insufficient to meet annual debt service as it comes due:
  - ✓ Not an event of default
  - ✓ Bondholder has no statutory remedy to require additional taxes or fees of the PID
  - ✓ No statutory recourse to the property or the property owner
- Because of these unique features, the statute limits sale of limited tax bonds to qualified institutional buyers or to be sold in denominations of \$500,000

# Sample Property Tax Mill Levy – 12.5 Mill Base

**The property tax calculation for a residential owner is:**

Market Value x Taxable Value (@55%, primary home exemption) x Mill Rate (1/1,000th) = Annual Taxes

Generally, property taxes are deductible from federal income taxes.

| Mill Rate              | Market Value | Taxable Value with primary home exemption | Mill Rate | Annual Taxes |
|------------------------|--------------|-------------------------------------------|-----------|--------------|
| Base Overlapping Mills | \$400,000    | \$220,000                                 | 12.5      | \$2,750      |
| + 7 PID mills          | \$400,000    | \$220,000                                 | 19.5      | \$4,290      |
| + 10 PID mills         | \$400,000    | \$220,000                                 | 22.5      | \$4,950      |
| + 15 PID mills         | \$400,000    | \$220,000                                 | 27.5      | \$6,050      |

# Limited Tax Bonds – Debt Service Coverage

## PID Interaction with Tax Increment Finance

- PIDs can act as the counterparty to RDA revenues, thereby creating a tax-exempt borrower to capitalize the increment without having 3rd party debt on RDA balance sheet
- PIDs bring additional revenues to the project from benefitted property owners whereas TIF involves reallocating tax revenue from other entities

### Current/Traditional Plan

### Public Infrastructure District involvement in Tax-Increment Finance

## Considerations for the Creating Entity in Drafting the Governing Document

- The statute only establishes the outer limits of what a PID can do, greater limitations or requirements may be imposed by the Creating Entity
- Engage bond counsel to ensure proper legal and tax analysis over negotiations to ensure:
  - ✓ eligibility for tax-exempt financing
  - ✓ that the PID will constitute a “separate political subdivision” for tax purposes
- Creating Entity will want to adopt standard policies for evaluating all PID requests in light of its objectives

# Considerations for the Creating Entity in Drafting the Governing Document, *continued*

- Consider what types of infrastructure the Creating Entity wants to allow the PID to finance
- Establish a mill rate limit appropriate to accomplish financing of approved improvements
- Establish Standards for:
  - ✓ Any general obligation bonding
  - ✓ Procurement
  - ✓ Transition to elected Board
  - ✓ PID lifespan and dissolution
  - ✓ Notice to future property owners

SECTION 1

OVERVIEW OF PIDS

# WHAT IS A PUBLIC INFRASTRUCTURE DISTRICT (PID)?

## DEFINITION:

- A PID is a quasi-governmental entity with the power to impose taxes, assessments, or fees on future users of infrastructure to repay debt issued to finance that infrastructure
- PIDs are economic development tools that can be used by local governments and property owners to assist in creating first-class development projects that bring long-term benefits to the community
- PID financing can only be used for public infrastructure, such as:
  - Streets improvements
  - Traffic and safety controls
  - Water improvements
  - Sanitation improvements
  - Storm water drainage improvements
  - Parks and recreation improvements
  - Other civic amenities

# WHAT IS A PUBLIC INFRASTRUCTURE DISTRICT (PID)?

## FORMATION AND GOVERNANCE:

- PIDs were authorized by the enactment of Utah S.B. 228 in 2019
- PIDs are governed by a Board with members initially appointed by the municipality with such members being landowners or designated representatives of land owners. The appointed Board then transitions to an elected board after new electors reside or own property in the PID
- The formation process for a new PID requires the approval of a Governing Document by the municipality in which the PID is located
- Governing Document policy considerations:
  - Establish policy and procedures for PID approval
  - Limited debt service mill levy cap (up to 15 mills)
  - Establish maximum principal amount of bonds/debt which may be issued by the PID
  - Property Tax Imposition terms
  - Establish reporting requirements

# WHAT IS A PUBLIC INFRASTRUCTURE DISTRICT (PID)?

## FUNCTION & PURPOSE:

- **Fund New Growth Without Impacting the Municipality Balance Sheet** – PIDs were created as a financing mechanism to fund public infrastructure to entice needed development growth without impacting the municipality's balance sheet.
- **Finance Better Infrastructure** – Efficiently financing infrastructure enables the Developer to construct infrastructure above and beyond the standard requirements, which in turn enhances the community feel through better softscapes, larger roads & sidewalks, parks and trails, and much more.
- **Optimize Development** – Developer does not need to wait to collect revenue from selling developed land in order to put in additional infrastructure. Instead, they are able to build enhanced infrastructure upfront, which prevents fragmented construction improvements negatively impacting the community as future growth and development occurs.
- **Solution to Municipality's Infrastructure Needs** – PIDs serve as self-financing economic development tools that allow Municipalities to efficiently address public infrastructure challenges or shortfalls without impacting their balance sheet.
- **Growth Pays for Growth** – As opposed to the municipality imposing an increased tax on all residents, the main users of the infrastructure pay for it.

## PID TYPES: LIMITED TAX BONDS

PIDs are an economic development tool that can be used by local governments and property owners to assist in creating first-class development projects that bring long-term benefits to the community.

### KEY FEATURES

- A PID Limited Tax Bond is a local government financing tool which imposes an additional property tax levy on future users of infrastructure to repay debt issued to finance that infrastructure
- Limited to a max mill rate adopted in a governing document by the creating entity (e.g. city, county), and can remain outstanding for a max of 40 years
- Bondholders take the risk of a slowdown or change to the project's development plans

### NON-RECOURSE

- In the event the project revenues are insufficient to meet debt service payments, the bondholder has no statutory remedy to require additional taxes or fees, nor statutory recourse to the property or its owners
- As with any property tax, if property owners have delinquent taxes for 5 years, the County Treasurer has the power to foreclose on and cause a sale of the property
- Payment for these bonds are not secured by a deed of trust, mortgage or other lien on the property within the Development or the assets of the district other than the lien on the pledged revenue

## PID TYPES: LIMITED TAX BONDS

Similar to other taxing entities, the County collects and remits the associated tax collections to the PID. The PID then uses those tax proceeds to pay debt service on the bonds.

*\*Note: Possible amenities may vary depending on the proceeds the bond generates in addition to the goals, priorities, and negotiated terms of the project. Bond proceeds, interest rates, etc. may also vary by structure and available pledged revenues*

## PID TYPES: **SPECIAL ASSESSMENT BONDS**

Special Assessment Bonds generally produce more proceeds when the underlying value of the lots within the district are of high value.

### KEY FEATURES

- PID Special Assessment Bonds are repaid by annual assessment collections, which are calculated based on the relative benefit of the financed improvements to each parcel in an assessment area
- The maximum bond amount is limited to no more than 33% of the appraised value of the assessed property on a finished lot basis
- Max 20 year maturity
- In Utah, special assessment bonds have been typically structured to be pre-paid by the developer upon lot sale

### 1<sup>ST</sup> LIEN RECOURSE

- A special assessment represents a statutory lien on the benefited land ahead of any private lien or mortgage
- Like other governmental assessments, failure to pay the annual assessment on a parcel can result in foreclosure by bondholders

## PID TYPES: **SPECIAL ASSESSMENT BONDS**

*Under a special assessment bond structure, the annual assessment revenues are administered and collected by the PID, and are then used to make debt service payments on the bonds.*

*\*Note: Possible amenities may vary depending on the proceeds the bond generates in addition to the goals, priorities, and negotiated terms of the project. Bond proceeds, interest rates, etc. may also vary by structure and available pledged revenues*

**Total Number of PIDs in Utah:**

**43**

\*The Military Installation Development Authority and the Utah Inland Port Authority have legal authority to form PIDs; PID approval not subject to City or County action

## Key Observations

- Since the passage of the PID Act in 2019, 43 PIDs have been created across the State of Utah to finance various development projects
- Municipalities are utilizing PIDs to incentivize wanted communities and provide solutions for needed infrastructure
- PIDs continue to gain traction as more Municipalities determine their appropriate use in addressing unique infrastructure needs

**DATE:** September 9, 2025  
**TO:** Mayor and City Council  
**SUBJECT:** 911 EMS and Interfacility Transports RFP  
**PREPARED BY:** City Manager, Kyler Ludwig

---

### **Background:**

The Utah State Legislature passed Senate Bill 215, which restructured the process for awarding ground ambulance service areas by eliminating the certificate of need and requiring a competitive selection process for EMS providers. Municipalities and counties are now tasked with selecting EMS providers via publicly issued RFPs, ensuring transparency, competition, and defined service expectations.

In response, Kane County and Kanab City staff have worked collaboratively to develop a comprehensive Request for Proposals (RFP) to secure qualified EMS providers for both 911 Emergency Services and Interfacility Transports. All cities and towns within Kane County are invited to participate in the unified procurement and selection process.

The process needs to be complete by December 31, 2025 in order to avoid a lapse in coverage.

### **Analysis:**

The Kane County EMS Request for Proposals (RFP) gathers comprehensive information to evaluate potential providers for 911 emergency medical services and interfacility transport. Each provider is required to submit a detailed proposal addressing the following areas:

- **Provider Identity and Credentials:** Legal structure, licensing, years of EMS experience in Utah, and designation of medical control or medical director.
- **Personnel and Staffing Structure:** Identification of key personnel, including operations managers, local supervisors, and medical oversight staff. An organizational chart and resumes for core staff are required, along with information on backup staffing strategies.
- **Service Area and Commitment:** The proposal must specify which service zones the provider intends to serve, the level of service to be provided (EMT, AEMT, or paramedic), and base location strategies.

— A Western Classic —

- **Operational Plan:** Providers must explain how they will maintain adequate service levels, including during overlapping calls, seasonal surges, and major incidents. A description of their deployment model and fleet maintenance is also requested.
- **EMS Activity and Financial Data by Jurisdiction:** The RFP asks for the number of EMS responses, revenue billed, average response time, staffing (FTEs), and vehicles assigned within each local jurisdiction in Kane County, based on the most recent 12-month data. Information on out-of-county services is also included.
- **Financial Stability:** Submissions must include the most recent EMS operating budgets, audit reports, fee schedules, and actual collected revenue data. This ensures the financial viability of the applicant.
- **Public Funding and Government Agreements:** Providers must disclose any government subsidies, grants, or existing interlocal agreements, including mutual aid and certificates of necessity.
- **Community and Safety Commitments:** The form captures willingness to support community events, participate in safety education, and collaborate in joint trainings with local agencies.
- **Risk Management and Insurance:** Proof of liability and workers' compensation insurance is required.

**Legal:**

Currently under legal review

**Financial:**

The RFP will request financial disclosures from providers, including proposed fee schedules, operating budgets, and public funding sources, which will help the City assess the long-term sustainability and potential subsidy requirements.

**Recommendations/Actions:** It is recommended the City Council:

Review the RFP and let staff know of any concerns.

Request for Proposals (RFP)  
Emergency Medical Services (EMS) for Kane County, Utah

**Introduction**

Kane County, Utah, is seeking proposals from qualified firms to provide Emergency Medical Services (EMS) throughout the county. The purpose of this RFP is to secure reliable, professional, and sustainable EMS coverage that ensures the health and safety of residents and visitors.

In addition to 911 emergency response, the selected provider will also be responsible for ground ambulance interfacility transports within Kanab, specifically from Kane County Hospital and the Kane County Clinic. These services must ensure timely and safe patient transfers between facilities. The County will honor the statutory first right of the incumbent 911 provider to continue interfacility transports, as required under Utah SB 215

**Service Areas / Zones**

The service area will be divided into two zones, illustrated in the attached map:

- Zone 1: Greater Kane County Area  
Includes all incorporated municipalities (Kanab, Orderville, Glendale, Alton, Big Water, etc.) and unincorporated areas outside of the Cedar Mountain region.
- Zone 2: Cedar Mountain Area  
Includes the high-mountain communities, subdivisions, and recreational areas generally referred to as the Cedar Mountain region.

Proposers may submit to serve one or both zones, but preference will be given to firms that demonstrate the ability to coordinate across zones and ensure countywide EMS consistency.

**Cost, Quality, and Access Goals**

- Cost Goals
  - Deliver EMS coverage that is financially sustainable for both the County and the provider.
  - Maximize use of available state/federal funding, grants, and partnerships.
  - Provide transparent billing practices for patients and payers.
  - Minimize unnecessary costs to residents while ensuring continuity of service.
- Quality Goals
  - Meet or exceed state and national EMS response standards.
  - Employ well-trained, licensed, and certified personnel.
  - Demonstrate strong quality assurance/quality improvement programs.
  - Track and report key performance metrics (response times, patient outcomes, etc.).
  - Ensure patient safety through proper protocols, continuing education, and risk management.
- Access Goals
  - Provide 24/7 EMS coverage across all of Kane County, including remote areas.
  - Ensure equitable response times for both zones, recognizing rural access challenges.
  - Maintain sufficient vehicles, equipment, and facilities to serve seasonal population spikes.

## **Scope of Services**

The selected provider(s) will be expected to:

- Provide EMS coverage in the designated zone(s) in alignment with Kane County's Cost, Quality, and Access goals.
- Maintain or contract trained and certified EMS personnel in compliance with state and federal requirements.
- Ensure timely response times and adequate staffing levels.
- Operate and maintain necessary equipment, vehicles, and facilities.
- Coordinate with local hospitals, fire departments, dispatch services, and emergency management agencies.
- Submit quarterly performance and financial reports to Kane County and included Municipalities, including cost, quality, and access benchmarks.

## **Proposal Requirements**

Proposals must include, at a minimum:

1. Organizational structure.
2. Proof of licensure and certification to provide EMS services in Utah.
3. Proposed staffing plan and qualifications of key personnel.
4. Experience providing EMS services in rural areas, particularly in Utah.
5. Proposed budget and fee schedule with a clear explanation of cost structure.
6. Explanation of how the firm will meet Kane County's Cost, Quality, and Access Goals.
7. Complete attached Provider Proposal Summary

## **Evaluation Criteria**

Proposals will be evaluated on the following criteria:

- Qualifications and experience of firm (20 points)
- Ability to provide adequate staffing and resources (20 points)
- Cost-effectiveness and financial sustainability (20 points)
- Commitment to Quality goals (20 points)
- Commitment to Access goals (20 points)

Bonus Points: Proposers will receive 10 additional points if they can demonstrate that they have provided EMS services in a 5th class county in Utah for more than five (5) years.

**Terms and Conditions**

- Kane County reserves the right to reject any or all proposals.
- The County may negotiate terms, conditions, and pricing with the selected provider(s).
- Contracts will be awarded for an initial term of [insert years], with potential extensions subject to performance.

**Compliance with Utah SB 215**

In accordance with Utah Senate Bill 215 (2025), Kane County affirms the following:

- Authority & Contracting: As provided by Utah Code §11-48-103 (amended by SB 215), Kane County may contract with licensed providers to deliver both 911 EMS and ground ambulance interfacility transport services.
- Incumbent First Right: Upon expiration of the current provider's license term, the County will offer the incumbent 911 ambulance provider the first right to continue interfacility transport services. If declined, the County will invite competitive sealed proposals to select a provider.
- Review Cycle & RFP Frequency: The County shall perform a formal provider review at minimum every four years, in a public setting, consistent with SB 215. The County will issue RFPs for EMS services accordingly.
- Bureau's Role: The Bureau of Emergency Medical Services will only verify that applicants meet licensing requirements. The Bureau will not play a role in provider selection but retains jurisdiction for disciplinary actions and investigations.

**PREPARED BY:** City Manager, Kyler Ludwig

---

### **Background:**

This report provides an unaudited overview of the City's funds for the fiscal year ending June 30, 2025 (Q4). The data covers the period from July 1, 2024, through June 30, 2025. These figures are presented for informational purposes and are subject to change pending final audit adjustments.

### **Analysis:**

#### **General Fund Revenue Overview:**

Total General Fund revenues for FY 2024–25 remained generally consistent with prior-year budget expectations; however, notable shifts in key revenue sources are beginning to reflect changing economic conditions.

- Sales Tax Revenues, which represent approximately 47% of General Fund revenues, declined by approximately 5% year-over-year. This decrease aligns with early FY 2025 trends, with July and August revenues already indicating continued softening.
- Property Tax Revenues (about 17% of the General Fund) were relatively stable, showing a modest year-over-year decrease of approximately 4%, primarily due to lower delinquent collections and fees in lieu.
- Municipal Transient Room Tax (TRT) revenues, which comprise less than 5% of General Fund revenue, increased by approximately 5% over the prior year.
- Licenses and Permits revenue remained strong, particularly in building permits, which increased by over \$90,000 from the prior year.
- Miscellaneous Revenues, including interest income and airport fuel sales, showed year-over-year increases, helping to offset some of the losses in sales tax.

**Utility Fund Revenues:**

While not part of the General Fund, utility revenue trends provide important context for overall financial performance:

- Water and Sewer Revenues experienced a 6% increase, consistent with expected growth.
- Stormwater Revenue rose by 2%, reflecting a modest uptick tied to ongoing development activity.

**Legal:**

NA.

**Financial:**

While General Fund revenue performance remained largely on budget, the continued decline in sales tax collections is a trend that warrants close monitoring going into FY 2025–26. The audited financials will be made available in December of 2025.

**Recommendations/Actions:** It is recommended the City Council:

Receive the Q4 Financials.
