1 Jeff Lewis talked about The Farm bike trails in Farmington that are very popular. The Parks
2 and Recreation viewed the results from the Centerville Trails Committee Survey that was recently
3 completed. There were 700 residents who responded to the Trails Committee survey. The last time
4 a Parks and Recreation Survey was conducted was in 2018, and the Committee discussed doing
5 another survey.

7 Sean Hall will talk with Bryce King about doing a survey, and what questions should be
8 asked on the survey. Possible questions to have on the survey are:

- 9
10
 - What Park does the Community see that needs the most improvements.
 - Is there a high demand for a dog park.
 - Is there a high demand for a water feature at a park.
 - Where does the funding come from for the improvements.
 - What specific amenities should be at the parks.
 - Where should recreation be expanded in Centerville. (Pickleball leagues, lacrosse
16 teams, equipment at parks.)
17

18 Sean Hall asked Committee members to send him an email on any other ideas they may
19 have that should be included in the survey. He also asked Committee members to comment on the
