Welcome, Roll Call, and Introduction: Shan Lloyd

A. Minute Approval

B.1. June Minutes: Not enough members present to vote. Will approve in the August meeting.

C. New Business:

C.1. Theater- Annie Tickets for Eccles are on sale now. Karyn came to talk to the Arts Council about the fall theater production; the show they are requesting is "Forever Plaid". The show will be held early-mid November. We will send an email to all members not present to make sure they are good with that show, and then Karyn will get the rights.

C.2. Kelsey, Grants and Funding Kelsey, the City Grants and Sponsorship Coordinator, came to talk to Arts Council about funding and sponsorship opportunities if they meet someone in the community that would be a good fit. Kelsey brought some bookmarks that Arts Council could hand out; the bookmarks have Kelsey's information so anyone can contact her for these opportunities.

C.3 DayBreak Artwork for Utility Boxes- Daybreak has submitted several pieces of artwork that they are requesting to be on Utility Boxes in Daybreak. This is not a South Jordan Arts Council project, and we are not paying for the install but we do have to approve the artwork first, before DayBreak can work with Rocky Mountain Power to have them installed. All present members approved the artwork, we will send out an email to non-present members to see the artwork before we give DayBreak the green light.

C.4. Completed Projects from June- Tiffany brought photos of the JRT murals and the utility boxes that were put in during the month of June for Arts Council to see. Arts Council was encouraged to go see them in person.

C.5. Baseball Mural, call for Art – The call for art is live for the Baseball mural, Arts Council was encouraged to get the word out so that we get more applications.

C.6. Upcoming Arts Council Events - Dueling Pianos, Get to the River Craft, Quilt Show, Youth Art Camps and Adult Art Class. All of these events are happening in August and September, please watch for the posts and share them. Arts Council was also asked who wanted tickets for Dueling Pianos. Shan, Jason M., Amy, Elizabeth all said yes in person. Tiffany will email the rest of the group to see who would like tickets.

C.7 Craft at Get to the River- Tiffany mentioned that Arts Council has so many shirts left over from the T-shirt Art Battle and would love to use them for this if possible, so we do

not have to store them. We also talked about the fact that the T-Shirt Art Battle was a one and done, because we did not get enough participation to make it worthwhile for the time, money and effort it took to put it together. Arts Council came up with a spray, tie-dye project for the craft. Tiffany will head this up with events and the Get to the River committee. If anyone would like to come help with the craft, it will be on Saturday September 6 in the morning.

Misc/Old Business. Zeynep is a new member of the Arts Council; she will be joining us starting at the August meeting.

Meeting Adjourned at 8:16pm
