Dr. Dengg made a motion approving the minutes as written.

Dr. Richard Cox seconded the motion.

The committee motion passed unanimously.

DISCUSSION ITEMS:

Kits (Audio 00:03:49)

Dr. Chris Cox explained the discussion the Committee had at the last committee meeting regarding prepackaged kits.

Dr. O'Malley explained that the website for the kits states that they are intended for compounding pharmacists and compounding pharmacies only.

Dr. Chris Cox agreed with Dr. O'Malley explanation of what is found on the website for the kits.

Dr. Richard Cox asked if it would still be considered compounding if the pharmacy was following the package insert.

Dr. Dengg explained that the kits are not FDA approved and because of this they do not have package inserts.

The Committee agreed that with the information provided that the kits are for compounding pharmacists and compounding pharmacies only.

FDA Tirzepatide and Semaglutide Shortage (Audio 00:21:35)

Dr. Chris Cox gave a background of the removal of Tirzepatide and Semaglutide from the FDA shortage list and the lawsuits the followed. The FDA issued an update on March 10, 2025 on their website.

Dr. Chris Cox discussed the FDA update that pharmacies are no longer allow to compound essential copies of Tirzepatide. The FDA provided dates on which compounding essential copies of Semaglutide can be done.

Mr. Garfield and the Committee discussed ways that the information can be provided to the compounding pharmacists in the State.

Newsletter (Audio 00:39:41)

Dr. Chris Cox volunteered to write an article for the next NABP newsletter on the Tirzepatide and Semaglutide shortages and the update from the FDA.
