Duchesne Branch signups increased 6%, a record number of sign ups. They also had a record number of completions. Roosevelt sign ups increased 2%. Roosevelt completion rate nearly doubled; 97% higher than last year. This is a record completion rate, but below the total number of completions from 2019 (422). Roosevelt's participants appear to have benefited from the program allowing them to enter reading for days they forgot to enter in the past. The 845 sign ups and 15166 hours read are the highest post-pandemic, but only 58% & 86% of the 2019 high of 1,449 and 17,632.
