Re: The Oaks Dance Studios Major Home Occupations & Conditional Use Permits

Kyle Bryant submitted a Major Home Occupation and Conditional Use Permit Application for a dance studio located at 292 W 500 N. The applicant proposes to operate a few dance classes capped at 10 students per class and no more than 24 students per day between 12 pm-8 pm. Any child-oriented home occupation that has more than 8 children is required to get a major home occupation permit and must follow Santaquin City Code (SCC) 10.40.060 and 10.40.040. Major home occupations are subject to Conditional Use Permit approval from the Planning Commission and require a public hearing.

This review is for the Planning Commission to determine whether or not all requirements found in SCC 10.40.060 and 10.40.040 are being followed and a Conditional Use Permit can be granted. A Conditional Use is administrative decision and if all code requirements are being met, the permit needs to be approved. A business license will still need to be acquired, and all required departments will need to review and approve the business license before it can be issued.

Motion: “Motion to (approve/deny) the conditional use permit for the proposed *The Oaks Dance Studio at 292 W 500 N* with the following conditions:

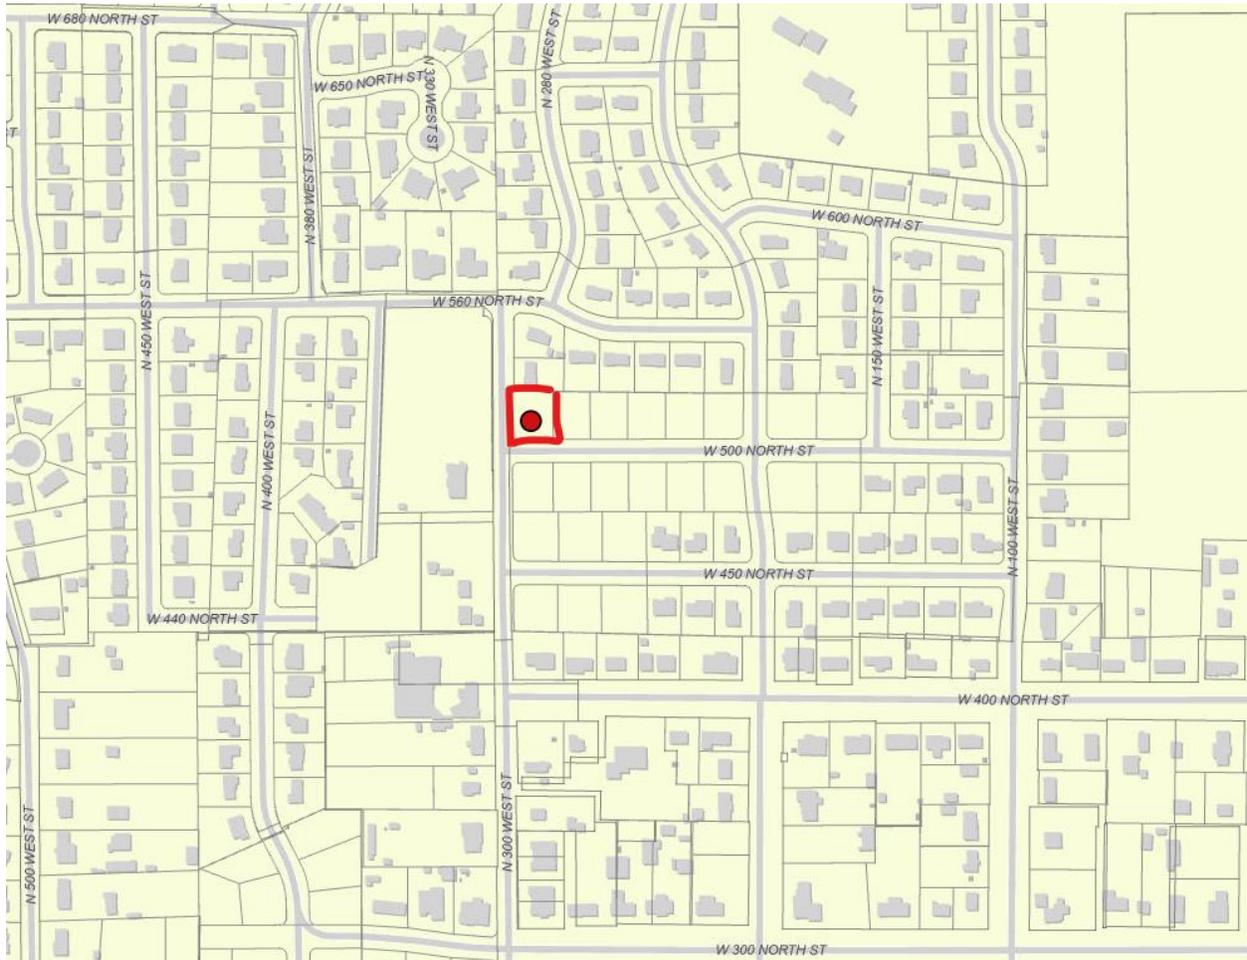

- All code requirements in Santaquin City Code 10.40.060 and 10.40.040 be met.
- A Business License be obtained before operation.

Traffic Circulation Plan

Site Plan for Pickup and Drop Off:
Parents will be instructed to come from the south on N 300 W St. and pull up along the side of the road. Students will exit and enter the vehicle on the passenger side onto the sidewalk where they can walk into the studio. This will ensure that the flow of traffic remains in one direction and flows smoothly. We also have an available parking spot on our driveway for situations where a parent needs to come in with their student.

1. We'll have no more than 10 students in a dance class at one time. We'll encourage students who are close enough to walk to classes as well as further students to carpool together to reduce car stops.
2. This community dance studio is located at 292 W 500 N St, Santaquin, UT 84655. The flow of traffic is pictured below.

DISCUSSION & POSSIBLE ACTION ITEMS:

1. PUBLIC HEARING: Architectural Requirements in the Main Street Business District (MSBD) Zone

Assistant Manager Bond presented a proposed code amendment changing some architectural requirements in the Main Street Business Districts (MSBD) Zone – specifically related to roofline requirements. This proposed change came about because of a current Architectural Review Committee (ARC) review of a proposed Mountain America Credit Union (MACU) building on Main Street. The proposed building does not comply with a specific architectural requirement because the shed roof on the front of the building that faces Main Street has a 2:12 pitch. The code allows for a flat roof or a minimum 5:12 pitch but anything in between is not currently allowed.

Commission Chair Wood opened the Public Hearing at 7:12 p.m.

2. PUBLIC HEARING: Requirements for Masonry Fencing Along Double Frontage Lots

Planner Stevenson introduced a proposed code change that amends Santaquin City Code (SCC) 11.24.080 to include a requirement that when double frontage lots cannot be avoided a masonry fence shall be required. This code amendment comes as a request from the Community Development department and City Administration.

Commissioners discussed where there are examples of homes that have double frontage in local neighborhoods that don't front arterial or busy city roads. Commissioner Hoffman suggested that the code amendment apply only to double frontage lots on arterial and connector roads and not to local neighborhood streets. Commissioner Wood suggested that additional landscaping be encouraged when there's a sidewalk up against the masonry fence. Assistant City Manager Bond discussed the difficulty of setting a large number of requirements in development agreement with regard to the public right-of-way.
