24 Brief introductions were provided by Melanie Marshall, Sarah Jensen, and Elizabeth Miller.  
25

26 2. PUBLIC COMMENT  
27

28 Elizabeth Miller, resident, stated Utah ranked 50 out of 50 in women equality report recently released.  
29 She recommended the City share resources at 2026 City events or establish a new unity in the community  
30 event that focused on women and girls in North Salt Lake. She noted an event like this could help the City  
31 lead out as a Bolder Way Forward city.  
32

33 Councilmember Clayton asked if she would be willing to chair an event like this and suggested she  
34 provide her contact information. Elizabeth Miller indicated she would be willing to chair an event for  
35 women and girls in the City.  
36

37 3. UPCOMING EVENTS  
38

39 a. 250<sup>th</sup> ANNIVERSARY OF AMERICA IN 2026 INCORPORATION INTO EVENTS  
40

41 The Committee, which could be officially designated as the America 250 Committee following  
42 adoption of a City Council resolution, discussed integrating the semiquincentennial theme into  
43 2026 events under the banner "America 250: Life and Liberty in North Salt Lake."  
44

45 Catherine Johnson welcomed Melanie Marshall, PTA President at Orchard Elementary, to  
46 explore collaborative opportunities with schools.

47  
48 Melanie Marshall reported that her school currently lacks specific plans for the 250th  
49 anniversary but noted an upcoming Constitution Day field trip on September 18, 2025, at the  
50 South Davis Rec Center, organized by the founder for her son's class. She expressed willingness  
51 to recruit support during her Friday meeting and inquired about potential alignments with  
52 existing events like the 4th of July Liberty Fest, which her children regularly attend.

53  
54 The Committee discussed the Great American Award, a nationwide initiative for 5th graders  
55 requiring memorization of the preamble, all presidents, states and capitals, the Gettysburg  
56 Address, and an additional element, with Sarah Jensen noting two students from Foxboro  
57 Elementary achieved it last year, though participation varies by school. Melanie Marshall, with a  
58 5th grader this year, offered to promote it and explore a district-wide push, potentially  
59 culminating in a community presentation at City Council.

60  
61 Linda Horrocks shared detailed insights from a recent State America 250 initiative meeting,  
62 highlighting a year-long celebration from July 5, 2025, to July 4, 2026. She distributed copies of  
63 state-provided materials, including a QR code linking to K-12 resources, and outlined programs  
64 such as the Walk 250 challenge (tracking miles via an app for activities like walking, biking, 12-  
65 minute biking, 45-minute recess, 15-minute line dancing, or 2,500 steps), an essay contest  
66 (elementary deadline missed, with winners earning field trips to sites like Mount Rushmore and  
67 Yellowstone, while the high school speech contest on "What America Means to Me" runs from  
68 August 18 to November 24, 2025, supported by local congress members), and a nationwide  
69 potluck on July 5, 2026, which could align with a proposed golf course event. She said the State  
70 offers swag (bumper stickers, banners) and certificates, with the City eligible for up to \$3,000  
71 (most cities receive \$1,500) upon meeting criteria like forming the committee and obtaining a  
72 custom logo. Linda Horrocks highlighted the State's six initiatives, though only five were clearly  
73 outlined, suggesting some may still be in development.

74  
75 The Committee agreed to adopt the Walk 250 challenge, proposing tracking via Google Forms or  
76 spreadsheets, and promote it through newsletters and school programs like fun runs and Girls on  
77 the Run. The Committee proposed service initiatives, targeting 250 hours or items of kindness,  
78 tied to the National Day of Service on September 11, with collaboration from the Health and  
79 Wellness Committee.

80  
81 Linda Horrocks mentioned certificates could be signed by the mayor, using a State template  
82 adaptable with the new City logo.

83  
84 The Committee discussed some additional plans including: Constitution Month (September)  
85 activities, such as preamble recitations at the November 11 City Council meeting (near Veterans

86 Day), flag etiquette education with Boy Scouts for 5th and 6th graders, and rotating Unity in the  
87 Community themes.

88  
89 The Committee suggested creating a packet of State resources for schools, with physical delivery  
90 to principals due to limited digital awareness, and Catherine Johnson committed to contacting  
91 high school counselors to offer resume-building service credits.

92  
93 Linda Horrocks mentioned branding could feature a custom North Salt Lake logo on  
94 merchandise and event shirts, and her excitement to design it after following the proper steps to  
95 become a Utah250 community committee, following resolution adoption by the City Council.

96  
97 The Committee's discussion then shifted to reviewing 2026 events that should be recommended  
98 for City Council approval. Most 2025 events—Easter Egg Dash, Kite Festival, Arbor Day tree  
99 planting, Unity in the Community nights, Liberty Fun Fair Races, Back to School Night,  
100 Spooktacular, and Winter Lights Fest—were retained, with venue adjustments to Legacy Park or  
101 Tunnel Springs due to Hatch Park construction.

102  
103 The Committee discussed adding a new Girls' Night Out event, chaired by Elizabeth Miller and  
104 tied to a Bolder Way Forward and the likely Health and Wellness Committee support for another  
105 Unity in Community night variant.

106  
107 The Committee confirmed keeping the Golden Spoke and photo contest events in 2026 and made  
108 the following suggestions for Liberty Fest races: ending at noon, reverting to a 5K with a free  
109 kids' fun run, and reinstating family rates (e.g., \$35 for all with optional shirt purchases) to boost  
110 participation.

111  
112 The Committee discussed marketing enhancements such as including generic yard signs (e.g.,  
113 "City Event Tonight - Check Website") for Committee members to place on approved public  
114 spots, plus posters and banners, with Linda Horrocks offering to design them.

115  
116 There was consensus of the Committee to hold the Back to School Night again in 2026 with  
117 plans for more carnival elements like bounce houses. The Committee emphasized broader  
118 volunteer participation and City Council presence, noting the 250th theme's integration into all  
119 events.

120  
121 b. NSL PHOTO CONTEST

122  
123 The Committee discussed advertising strategies for the NSL Photo Contest, themed "250 Years  
124 of Freedom: A Photographic Journey," aligning with national "America 250: Years in the  
125 Making" themes.

126

127 Dallas Golden noted efforts to create short social media videos but suggested exploring  
128 additional promotion methods, as many residents are not active on social media.

129  
130 Linda Horrocks confirmed the contest is in progress and emphasized its self-running nature, with  
131 winners' photos displayed on canvas in City Hall.

132  
133 The Committee desired to enhance visibility through yard signs near schools and other physical  
134 postings.

135  
136 c. UNITY IN THE COMMUNITY – LATINO HERITAGE

137  
138 Elexis Contreras provided an update on the September 22, 2025, event, confirming a meeting  
139 with chair Angie De Leon to finalize details. She indicated the event will feature a DJ with a  
140 Latino playlist, music, and activities to engage the community.

141  
142 Linda Horrocks reported interest from Miller Sports and Entertainment for a booth and  
143 forwarded contact information for follow-up.

144  
145 The Committee discussed standard setup needs, including flags and coordination with staff.

146  
147 d. HALLOWEEN SPOOKTACULAR

148  
149 The Committee reviewed plans for the October 25, 2025, Spooktacular 5K run and carnival,  
150 noting its appeal to all ages with family-friendly elements. Dallas Golden updated the Committee  
151 on securing a storyteller, contacting potential zombie volunteers from local track teams  
152 (Bountiful High and Woods Cross), and reaching out to Peter Wirthlin for race assistance and  
153 Tom Call for games.

154  
155 The Committee discussions focused on the route, proposing a start at the golf course and finish at  
156 Tunnel Springs Park for a scenic, flat path (approximately 5K out-and-back), avoiding hills and  
157 congestion. Alternatives like the Eaglewood Loop were considered but deemed too hilly for  
158 costumed families. The consensus of the Committee was to have the event remain free with no t-  
159 shirts, including a kids' fun run option where participants can run as far as desired. The  
160 Committee also agreed that carnival games, karate demonstrations, and trinkets should be  
161 stationed near restrooms.

162  
163 Tammy Clayton agreed to confirm City Council availability for support, potentially as zombies  
164 or station volunteers.

165  
166 The Committee noted overlap with the October cleanup and suggested mosquito spraying  
167 coordination. Assignments for setup areas were requested for further planning.

168

169 4. PUBLIC WORKS UPDATE

170

171 Jon Rueckert, Public Works Director, provided an update on ongoing projects, noting progress  
172 on the Foxboro Wetlands and the dog park joint project with Woods Cross. He noted the fence  
173 was mostly installed, concrete work complete, and the project was nearing completion at the 25-  
174 pound dog area. He explained that no opening date had been set, but substantial advancement  
175 had been made.

176

177 Linda Horrocks announced a ribbon-cutting ceremony for the Foxboro Wetlands on September  
178 11, 2025, at 10:00 a.m., with the fifth grade from Foxboro Elementary participating.

179

180 Jon Rueckert added that tree plantings and sprinkler installation should be finished by then to  
181 help with the tree establishment.

182

183 5. CITY COUNCIL UPDATES - COUNCILMEMBER TAMMY CLAYTON

184

185 Tammy Clayton reported on recent City Council discussions, including support for the proposed  
186 Girls' Night Out event and positive feedback on informational signs at Hatch Park explaining  
187 construction timelines and addressing public concerns about the park closure. She asked if the  
188 Committee had selected a benefiting school for the donated school supplies at the back to school  
189 event.

190

191 Elexis Contreras responded the donations were ongoing through August and it had not been  
192 determined yet which school would be the beneficiary of the donated supplies. She agreed to  
193 provide collection and donation details to Tammy Clayton for a City Council report during one  
194 of the upcoming meetings in September.

195

196 Tammy Clayton commended the Committee's efforts.

197
