| 9. | Bike path White | | | \$0.00 | \$687.00 |
| Total | | | | | \$10,453.00 |

Note to customer

Note: Fire station red needs two passes to get the right width on hashes. All crosswalk white needs 3 passes to get the right width. There will be some cleaning, and estimated time to do job is 3 to 4 days. Thank you.
