

Overview of Programming Viridian Lifelong Learning Early Learning

Systemwide Programs and Attendance

of Programs (orange is 2025 annualized)

of Attendees (orange is 2025 annualized)

COMMUNITY ENGAGEMENT

at the County Library

So far in 2025

- The library has averaged 43.6 programs each day over 175 open days
- 46 attendees per program
- 1994 attendees each day

Programming builds connection

- Attendees love the library
- Many first-time attendees aren't active library users
- Children and teens meet friends from other areas of the valley
- Dates and future partners
- Programs are educational and fun

BRANCH

Explore Color!

An open-ended project designed especially for 3-6 year olds

Check out everything in your super fun kit.
Talk about colors with your grown-up.

What happens when you mix colors? What new colors can you create? Paint a picture.

Sprinkle some salt on the top of one of your painted pictures. Want to put tissue paper on another paper and get it wet? What happens? Why?

Paint and color all the things!
