

Mission Statement of the La Verkin City Historical Commission

Organized per Chapter 10 of the LaVerkin City code. (Ord. 2008-08, 5-21-2008)

The mission of the La Verkin City Historical Commission is to identify, preserve, and promote the rich cultural and historical heritage of La Verkin. Through diligent research, the conservation of historic properties, and active community engagement, the Commission strives to enhance appreciation for La Verkin's unique past. By fostering education, collaboration, and stewardship, we aim to ensure that future generations understand, cherish, and protect the landmarks and stories that define our community. Through our work, we seek to create a lasting legacy that connects residents and visitors alike to La Verkin's historical roots.

Key Objectives:

- **Preserve and Protect:** Identify and conserve properties, sites, and artifacts significant to La Verkin's cultural and architectural heritage.
- **Research and Documentation:** Conduct thorough research to collect and preserve the history of La Verkin, ensuring that it is accurately represented.
- **Community Education:** Promote awareness of local history through programs, events, and outreach initiatives, enriching the community's connection to its past.
- **Engage and Involve:** Encourage active participation from residents, volunteers, and local organizations in the preservation process.
- **Collaborate:** Partner with local government, historical societies, and other entities to strengthen preservation efforts and safeguard historic resources.
- **Inspire Future Generations:** Foster pride in La Verkin's heritage, ensuring its history is honored and preserved for the benefit of future generations.
